Purpose: The 2024 Series 1 Bonds are being issued to refund certain outstanding bonds of the Commission and to finance the purchase of "Eligible Collateral," which may consist of Whole Loans and/or mortgage-backed certificates guaranteed as to timely payment of principal and interest by the Government National Mortgage Association, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation. The mortgage-backed certificates will be backed by pools of mortgage loans that have been or will be made by participating lenders to persons or families of low and moderate income to finance the purchase of single-family residential housing located in Washington State.

Tax Matters: In the opinion of Special Tax Counsel, assuming the accuracy of certain representations and continuing compliance with certain covenants designed to meet the requirements of the Internal Revenue Code of 1986, as amended (the "Code"), and subject to the exceptions described herein, under existing laws, regulations, rulings and judicial decisions, (1) interest on the 2024 Series 1A Bonds and the 2024 Series 1N Bonds is excludable from gross income of the owners thereof for purposes of federal income taxation, (2) interest on the 2024 Series 1A Bonds is a specific preference item for purposes of the federal alternative minimum tax imposed on individuals and (3) interest on the 2024 Series 1N Bonds is not a specific preference item for purposes of the federal alternative minimum tax imposed on individuals. Interest on the 2024 Series 1A Bonds and the 2024 Series 1N Bonds may affect the federal alternative minimum tax imposed on certain corporations. In the opinion of Special Tax Counsel, interest on the 2024 Series 1T Bonds is included in gross income for purposes of federal income taxation. See "TAX TREATMENT AND RELATED CONSIDERATIONS" herein.

Redemption: The 2024 Series 1 Bonds are subject to redemption as described under the heading "REDEMPTION PROVISIONS" herein. Revenues received in connection with other Bonds issued under the Indenture and unexpended proceeds of the 2024 Series 1 Bonds may be used to redeem certain 2024 Series 1 Bonds before maturity. See "BONDHOLDER RISKS – Risks Resulting from Non-Origination – Status of Originations" for updated information with respect to certain unexpended proceeds of prior Bonds and Mortgage Loan originations.

Security: The 2024 Series 1 Bonds, and any bonds and notes that have been or may be issued under the Indenture (as defined herein) (collectively, the "Bonds"), other than subordinate lien bonds, will have an equal security interest in all Eligible Collateral and Investment Securities and other sources of payment of all Bonds. Deficiencies in funds available for deposits and payments with respect to any Series of Bonds may be made up from funds available with respect to any other Series of Bonds. See "SECURITY FOR THE BONDS."

THE 2024 SERIES 1 BONDS ARE LIMITED OBLIGATIONS AND NOT GENERAL OBLIGATIONS OF THE COMMISSION. PAYMENT OF THE PRINCIPAL OF AND PREMIUM, IF ANY, AND INTEREST ON THE 2024 SERIES 1 BONDS WILL BE A VALID CLAIM ONLY AGAINST THE SPECIAL FUND OR FUNDS OF THE COMMISSION RELATING THERETO, ARE NOT PAYABLE FROM ANY OTHER REVENUES, FUNDS OR ASSETS OF THE COMMISSION AND WILL NOT BE AN OBLIGATION OF THE STATE OF WASHINGTON OR ANY MUNICIPAL CORPORATION, SUBDIVISION OR AGENCY OF THE STATE OTHER THAN THE COMMISSION. NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OR ANY MUNICIPAL CORPORATION, SUBDIVISION OR AGENCY OF THE STATE IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR INTEREST ON THE 2024 SERIES 1 BONDS. THE 2024 SERIES 1 BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA OR OF ANY AGENCY THEREOF OR OF GNMA, FANNIE MAE OR FREDDIE MAC AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. INTRODUCTION

The purpose of this Official Statement of the Washington State Housing Finance Commission (the “Commission”) is to provide certain information in connection with the issuance of its Single-Family Program Bonds, 2024 Series 1A (AMT) (the “2024 Series 1A Bonds”), its Single-Family Program Bonds, 2024 Series 1N (Non-AMT) (the “2024 Series 1N Bonds”) and its Single-Family Program Bonds, 2024 Series 1T (Taxable) (the “2024 Series 1T Bonds” and, together with the 2024 Series 1A Bonds and the 2024 Series 1N Bonds, the “2024 Series 1 Bonds”). Certain capitalized terms used in this Official Statement are defined in Appendix A. Reference is made to the Indenture (as defined below) for the definitions of capitalized terms used and not otherwise defined herein. This Official Statement speaks only as of its date, and the information contained herein is subject to change. The information contained under this heading “INTRODUCTION” is qualified by reference to the entire Official Statement. This introduction is only a brief description and potential investors should review the entire Official Statement, as well as the documents summarized or described herein, in order to make an informed investment decision.

This Official Statement contains “forward-looking statements” within the meaning of the federal securities laws. These forward-looking statements include, among others, statements concerning expectations, beliefs, opinions, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. The forward-looking statements in this Official Statement are subject to risks and uncertainties that could cause actual results to differ materially from those expressed in or implied by such statements.

Authority for Issuance

The 2024 Series 1 Bonds are issued pursuant to chapter 43.180 Revised Code of Washington (the “Act”), under the Commission’s Amended and Restated General Trust Indenture dated as of November 1, 2010, as amended by the First Supplement to Amended and Restated General Trust Indenture dated as of March 1, 2019 and by a Second Supplement to Amended and Restated General Trust Indenture dated as of March 1, 2023, as the same may be further supplemented and amended (the “General Indenture”), and a Series Indenture dated as of May 1, 2024 (the “2024 Series 1 Indenture”), between the Commission and Wilmington Trust, National Association, as trustee (the “Trustee”). See Appendix A – “Summary of the General Indenture” hereto. The General Indenture, the 2024 Series 1 Indenture, any other Series Indentures, and any amendments thereto, are collectively referred to herein as the “Indenture.” Resolution No. 23-57, adopted by the Commission on June 22, 2023 as amended by Resolution No. 24-64 adopted by the Commission on March 28, 2024, authorizes the issuance of the 2024 Series 1 Bonds.

Security and Sources of Payment

Under the Indenture, the 2024 Series 1 Bonds are being issued on a parity with each other and with previously issued Bonds. The Commission may issue additional Bonds on a parity with the 2024 Series 1 Bonds, as well as Bonds that are subordinate to the 2024 Series 1 Bonds (“Subordinate Bonds”). Currently, there are no Subordinate Bonds.

All Eligible Collateral, when purchased by the Trustee, will be pledged under the Indenture to the payment of principal of and interest on the Bonds. See “SECURITY FOR THE BONDS.”

THE 2024 SERIES 1 BONDS ARE LIMITED OBLIGATIONS AND NOT GENERAL OBLIGATIONS OF THE COMMISSION. PAYMENT OF THE PRINCIPAL OF AND PREMIUM, IF ANY, AND INTEREST ON THE 2024 SERIES 1 BONDS WILL BE A VALID CLAIM ONLY AGAINST THE SPECIAL FUND OR FUNDS OF THE COMMISSION RELATING THERETO, ARE NOT PAYABLE FROM ANY OTHER REVENUES, FUNDS OR ASSETS OF THE COMMISSION AND WILL NOT BE AN OBLIGATION OF THE STATE OF WASHINGTON OR ANY MUNICIPAL CORPORATION, SUBDIVISION OR AGENCY OF THE STATE, OTHER THAN THE COMMISSION. NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OR ANY MUNICIPAL CORPORATION, SUBDIVISION OR AGENCY OF THE STATE IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR INTEREST ON THE 2024 SERIES 1 BONDS. THE 2024 SERIES 1 BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA OR OF

ANY AGENCY THEREOF OR OF GNMA, FANNIE MAE OR FREDDIE MAC AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. SEE “BONDHOLDER RISKS” AND “SECURITY FOR THE BONDS.”

Acquisition and Operating Policy

Certain Commission obligations regarding the deposit of Revenues (as defined below) and application of amounts held under the Indenture that are not otherwise specified in the General Indenture or a Series Indenture are specified in the Acquisition and Operating Policy. The scope of the Acquisition and Operating Policy is set forth in the Indenture, as are terms under which the Commission may amend the Acquisition and Operating Policy from time to time. See Appendix A hereto under the heading “Acquisition and Operating Policy” for a summary of the General Indenture requirements pertaining to the Acquisition and Operating Policy. The Acquisition and Operating Policy is intended to provide the Trustee with sufficient guidance at any time to administer the Indenture for the remaining term of the Bonds, without further instruction from the Commission. However, the Commission routinely amends the Acquisition and Operating Policy to accommodate specific transactions and provides the Trustee with specific instructions permitted under the Acquisition and Operating Policy so as to permit the active management of the Indenture by the Commission. The Commission also routinely amends the Acquisition and Operating Policy when it issues each Series of Bonds or changes the terms of Eligible Collateral (as defined below) to be acquired. The Commission routinely provides instructions to the Trustee with respect to the allocation and deposit of Revenues and with respect to the application of amounts on deposit under the Indenture to redeem Bonds or acquire Eligible Collateral.

The Commission expects to amend the Acquisition and Operating Policy from time to time in the future, and to continue providing the Trustee with instructions pursuant to the Acquisition and Operating Policy. As a result, the Acquisition and Operating Policy may not reflect the Commission’s evolving plans with respect to the future management of the Indenture, and does not bind the Commission to any specific plan of management. However, in the absence of any future issuance of Bonds, amendment of the Acquisition and Operating Policy, or permitted instructions from the Commission, the Trustee will operate the Indenture in conformance with the Acquisition and Operating Policy then in force. Copies of the Acquisition and Operating Policy are available from the Commission upon payment to the Commission of a charge for copying, mailing and handling. Requests for such copies should be addressed to the Commission’s Senior Director of Finance.

Purpose

The 2024 Series 1A Bonds and a portion of 2024 Series 1N Bonds are being issued by the Commission to make funds available, upon the exchange of money to be derived in connection with the current refunding of certain outstanding Bonds of the Commission, to finance, together with additional proceeds of the 2024 Series 1N Bonds, certain Certificates (as defined below) which are backed by mortgage loans (“Mortgage Loans”) made to eligible borrowers under the Commission’s House Key Program for single-family, owner-occupied housing in Washington State as part of the Commission’s program to finance Mortgage Loans pursuant to the General Indenture (the “Program”), all as more fully described herein. The 2024 Series 1T Bonds are being issued by the Commission to make funds available to finance certain Certificates (as defined below) backed by Mortgage Loans made to eligible borrowers under the Commission’s Home Advantage Program for single-family, owner occupied housing in Washington State as part of the Program. In addition, the Commission expects to use approximately \$2,300,000* of the proceeds of the 2024 Series 1T Bonds to purchase subordinate lien, down payment assistance Mortgage Loans made in connection with the origination of the Mortgage Loans backing the Certificates financed with proceeds of the 2024 Series 1T Bonds (the “Home Advantage DPA Mortgage Loans”). See “PLAN OF FINANCE” and “SINGLE-FAMILY MORTGAGE PROGRAMS” herein.

Eligible Collateral

Proceeds of Bonds issued under the Indenture, other than certain refunding Bonds and certain short-term Bonds issued as notes from time to time, are used by the Trustee to purchase pass-through mortgage-backed certificates (the “GNMA Certificates”) guaranteed by the Government National Mortgage Association (“GNMA”), single-pool, mortgage pass-through securities (the “Fannie Mae Certificates”) guaranteed by the Federal National Mortgage Association (“Fannie Mae”) and mortgage pass-through securities (the “Freddie Mac Certificates”) guaranteed by the Federal Home Loan Mortgage Corporation (“Freddie Mac”), including participations therein. On June 3, 2019, Fannie Mae and Freddie Mac began issuing common, single mortgage-backed securities, formally known as Uniform Mortgage-Backed Securities. See “SECURITY FOR THE BONDS—Eligible Collateral” for more information

* Preliminary, subject to change.

regarding Uniform Mortgage-Backed Securities, and Appendix F (Table F-5) for a schedule showing the Eligible Collateral held by the Trustee as of the date set forth in such table. The Commission also may use Bond proceeds to purchase Mortgage Loans that are not guaranteed by GNMA, Fannie Mae or Freddie Mac (“Whole Loans”) including the Home Advantage DPA Mortgage Loans. The GNMA Certificates, Fannie Mae Certificates and Freddie Mac Certificates are referred to herein as the “Certificates,” and the Certificates and the Whole Loans (which include the Home Advantage DPA Mortgage Loans) are referred to herein as “Eligible Collateral.” See “SECURITY FOR THE BONDS—Eligible Collateral” and “PLAN OF FINANCE” herein.

The Eligible Collateral to be purchased by the Trustee will be Certificates backed by Mortgage Loans and Home Advantage DPA Mortgage Loans originated by participating mortgage-lending institutions (the “Mortgage Lenders”) pursuant to Mortgage Origination Agreements (the “Origination Agreements”) entered into, or to be entered into, with the Commission and the Servicer. See “SINGLE-FAMILY MORTGAGE PROGRAMS—Programs Financed Under the Indenture” for more information regarding Mortgage Lenders.

The Commission reserves the right, in connection with the refunding of Bonds issued under the Indenture, to re-allocate receipts from Eligible Collateral from a refunded issue of Bonds to the refunding issue of Bonds.

In accordance with the Federal Housing Finance Regulatory Reform Act of 2008 (the “Regulatory Reform Act”), the Federal Housing Finance Agency (the “FHFA”) was named as the conservator of both Fannie Mae and Freddie Mac on September 6, 2008. The Commission cannot predict the long-term consequences of the conservatorships of Fannie Mae and Freddie Mac, or the corresponding impacts, if any, on the Commission and the Eligible Collateral held under the Indenture.

Other Mortgage Revenue Bond Indentures

As of March 1, 2024, the Commission had \$8,217,499 of outstanding bonds issued under its Homeownership Program General Trust Indenture dated as of December 1, 2009, as amended (the “Homeownership Indenture”), and \$2,084,930 of outstanding bonds issued under its Single-Family Special Program Master Trust Indenture dated as of October 1, 2012, as amended (the “Special Program Indenture”). None of the trust estates pledged in the Homeownership Indenture and the Special Program Indenture to the owners of bonds issued under those indentures is pledged to or available for payment of the 2024 Series 1 Bonds.

THE 2024 SERIES 1 BONDS

General

The 2024 Series 1 Bonds will be dated as of their date of initial delivery, will mature on the dates and in the amounts set forth on the inside front cover of this Official Statement, will be issued in denominations of \$5,000, or any integral multiple thereof within a maturity, and will bear interest from their dated date, or the most recent date to which interest has been paid thereon.

Interest on the 2024 Series 1 Bonds

The 2024 Series 1 Bonds will bear interest at the respective rates set forth on the inside front cover of this Official Statement, payable semiannually on each June 1 and December 1 (or if such date is not a Business Day, on the next succeeding Business Day thereafter), commencing December 1, 2024, and on the date such 2024 Series 1 Bond matures or is redeemed. Such interest will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

Book-Entry System

The 2024 Series 1 Bonds are being issued only as fully registered bonds under a book-entry system and will be initially registered in the name of Cede & Co. (or such other name as may be requested by an authorized representative of DTC), as nominee for The Depository Trust Company (“DTC”) in New York, New York, which will act as securities depository for the 2024 Series 1 Bonds. Purchasers of the 2024 Series 1 Bonds will not receive certificates representing their interest in such Bonds. Payments on the 2024 Series 1 Bonds will be made by the Trustee to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC, which is obligated to remit both principal and interest when due to its participants for subsequent disbursements to Beneficial Owners of the 2024 Series 1 Bonds. Beneficial ownership interests in the 2024 Series 1 Bonds will be subject to transfer and exchange pursuant to DTC’s operating procedures. See Appendix C hereto for a description of DTC and its book-entry system.

The Commission and the Trustee will recognize DTC or its nominee as the Bondowner for all purposes, including notices and voting. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements that may be in effect from time to time.

Neither the Commission nor the Trustee will have any responsibility or obligation to DTC participants, or the persons for whom they act as nominees, with respect to the payments to or the providing of notice to the Direct Participants, the Indirect Participants or the Beneficial Owners of the 2024 Series 1 Bonds. The Commission cannot and does not give any assurances that DTC, Direct Participants, Indirect Participants or others will distribute payments of principal of or interest on the 2024 Series 1 Bonds paid to Cede & Co., or its nominee, as the registered owner, or any notices to the Beneficial Owners or that they will do so on a timely basis, nor that DTC will act in a manner described in this Official Statement.

REDEMPTION PROVISIONS*

THE REDEMPTION PROVISIONS DESCRIBED BELOW ARE PRELIMINARY AND ARE SUBJECT TO CHANGE UNTIL THE 2024 SERIES 1 BONDS ARE INITIALLY PRICED BY THE UNDERWRITERS. THE PARTICULAR SINKING FUND REDEMPTION DATES, PRINCIPAL AMOUNTS PER SINKING FUND REDEMPTION, PERIODS OF CALL PROTECTION AND PREMIUMS, IF ANY, TO BE PAID ON EACH REDEMPTION DATE WILL NOT BE FIXED UNTIL THE 2024 SERIES 1 BONDS ARE PRICED.

Optional Redemption

To the extent not otherwise redeemed pursuant to another redemption provision described under this heading, the 2024 Series 1 Bonds may be redeemed prior to their stated maturities as a whole or in part on any date on and after June 1, 2033, at the option of the Commission, from any available money, at the price of par, together with accrued interest to the redemption date.

Covenant Regarding Sale of Eligible Collateral. The Commission at any time may direct the Trustee to sell Eligible Collateral, subject to the conditions set forth in the Indenture. By selling Eligible Collateral, the Commission can derive money with which to optionally redeem the 2024 Series 1 Bonds. The Commission will covenant in the 2024 Series 1 Indenture not to redeem 2024 Series 1 Bonds from proceeds of the sale of Eligible Collateral before June 1, 2033.

Mandatory Sinking Account Redemption

To the extent not redeemed pursuant to the other redemption provisions described herein, the following 2024 Series 1 Bonds (each of which are Term Bonds), will be redeemed prior to their stated maturities in part and by lot from Mandatory Sinking Account Payments at a price of par plus accrued interest to the date of redemption, on the dates and in the amounts set forth in the following tables:

† Maturity

Upon a redemption (other than a redemption occurring on account of a Mandatory Sinking Account Payment) or purchase of Term Bonds, the Mandatory Sinking Account Payments with respect to such Term Bonds will be reduced in accordance with the Acquisition and Operating Policy.

Special Redemption from Unexpended Proceeds

The redemptions described under this heading are referred to as “Unexpended Proceeds Redemptions.” See “BONDHOLDER RISKS—Risk of Early Redemption from Non-Origination” herein for certain considerations regarding the potential for an Unexpended Proceeds Redemption.

PAC Bonds. The 2024 Series 1T Bonds maturing on June 1, 2054 (the “PAC Bonds”) may be redeemed prior to their stated maturity, in whole or in part, commencing on December 1, 2024 and at any time thereafter to and including June 1, 2025 (or such later date to which an Unexpended Proceeds Redemption is extended by the Commission with a Cash Flow Certificate), at a redemption price equal to the issue price for the PAC Bonds set forth on the inside front cover of this Official Statement, plus accrued interest to the date of redemption, from proceeds of the 2024 Series 1 Bonds that are transferred from the 2024 Series 1 Acquisition Account (Home Advantage) into the 2024 Series 1 Redemption Subaccount.

Other 2024 Series 1 Bonds. All 2024 Series 1 Bonds other than the PAC Bonds may be redeemed prior to their stated maturities, in whole or in part, commencing on December 1, 2024 and at any time thereafter to and including June 1, 2025 (or such later date to which an Unexpended Proceeds Redemption is extended by the Commission with a Cash Flow Certificate), at a price of par plus accrued interest to the date of redemption, from proceeds of the 2024 Series 1 Bonds that are transferred from the 2024 Series 1 Acquisition Account (House Key) and 2024 Series 1 Acquisition Account (Home Advantage) into the 2024 Series 1 Redemption Subaccount; provided, however, that the Commission will not use such proceeds of the 2024 Series 1A Bonds or 2024 Series 1N Bonds to redeem 2024 Series 1T Bonds.

Selection of 2024 Series 1 Bonds to Be Redeemed. If less than all of the 2024 Series 1 Bonds are called for redemption pursuant to an Unexpended Proceeds Redemption, unless otherwise directed by the Commission, the Trustee will select the PAC Bonds to be redeemed on a Proportionate Basis with respect to the amounts of unexpended proceeds of the 2024 Series 1T Bonds transferred from the 2024 Series 1 Acquisition Account (House Key) and 2024 Series 1 Acquisition Account (Home Advantage), respectively, and will select the maturities of all other 2024 Series 1 Bonds in accordance with the then-current Acquisition and Operating Policy and the 2024 Series 1 Indenture. Solely for the purpose of determining the Proportionate Basis of 2024 Series 1 Bonds to be redeemed pursuant to an Unexpended Proceeds Redemption, the redemption prices (as opposed to the principal amounts) of the respective 2024 Series 1 Bonds subject to such redemption will be treated as the “Bond Value” of the 2024 Series 1 Bonds.

Special Redemption from Amounts in the Revenue Fund

The redemptions described under this heading are referred to as “Revenue Fund Redemptions.” It is expected that a substantial portion of the 2024 Series 1 Bonds will be redeemed without premium prior to their respective mandatory sinking account (if applicable) and maturity dates as a result of Revenue Fund Redemptions. See “BONDHOLDER RISKS” for a description of certain events and circumstances that could lead to the early redemption of the 2024 Series 1 Bonds pursuant to a Revenue Fund Redemption.

2024 Series 1 Bonds Other than PAC Bonds. All 2024 Series 1 Bonds other than the PAC Bonds may be redeemed prior to their stated maturities, in whole or in part on December 1, 2024, and on any date thereafter, at a price of par plus accrued interest to the date of redemption, from amounts deposited in the 2024 Series 1 Redemption Subaccount from available amounts in the Revenue Fund or the Reserve Fund, in accordance with the Indenture and the then-current Acquisition and Operating Policy, subject to the provisions described below for Revenue Fund Redemptions of PAC Bonds.

PAC Bonds—While Other 2024 Series 1 Bonds Outstanding. The PAC Bonds may be redeemed prior to their stated maturity, in whole or in part on December 1, 2024, and on any date thereafter, at a price of par plus accrued interest to the date of redemption, from amounts deposited in the 2024 Series 1 Redemption Subaccount from available amounts in the Revenue Fund or the Reserve Fund, in accordance with the Indenture and the then-current Acquisition and Operating Policy, provided that such redemption shall be limited to the amount such that, after all Revenue Fund Redemptions and Principal Payments scheduled for the same date, the resulting principal balance of the Outstanding PAC Bonds will not be less than the Priority Amortization Balance for the PAC Bonds as of such redemption date. In the event PAC Bonds are redeemed pursuant to a Revenue Fund Redemption on a date other than a Regular Payment Date, the Priority Amortization Balance as of such redemption date will be determined by straight-line interpolation between the Priority Amortization Balances for the Regular Payment Dates immediately preceding and succeeding such redemption date. See “Certain Information Regarding PAC Bonds” below for a table showing the initial Priority Amortization Balances.

Sources of Funds for Revenue Fund Redemptions. The Commission may fund a Revenue Fund Redemption from certain Revenues that are in excess of the amounts otherwise necessary to pay debt service on the Bonds. See “SECURITY FOR THE BONDS—Revenues” herein for general discussion of the collection, allocation and use of Revenues. The deposits into the 2024 Series 1 Redemption Subaccount for a Revenue Fund Redemption may be from excess amounts in the Revenue Fund or the Reserve Fund, including amounts in the various accounts and subaccounts maintained therein for the 2024 Series 1 Bonds *or* for any other Series of Bonds (unless otherwise restricted by the applicable Series Indenture, the Indenture or the then-current Acquisition and Operating Policy). See “BONDHOLDER RISKS—Risk of Early Redemption from Prepayment” and “—Risk of Early Redemption from Cross-Calling” herein for a discussion regarding certain risks that the 2024 Series 1 Bonds may be cross-called from Revenues allocable to other Series of Bonds.

Amounts in the 2024 Series 1 Unrestricted Principal Receipts Subaccount (House Key) and the 2024 Series 1 Taxable Principal Receipts Subaccount (Home Advantage) may be used to acquire additional Eligible Collateral or to cross-call other Bonds under the Indenture, subject to the certain limitations described under the heading “Certain Covenants Regarding Special Redemptions” below and under the heading “Creation of Funds and Accounts” in Appendix A.

Special Mandatory Redemption of PAC Bonds

The PAC Bonds will be redeemed at least once during every semi-annual period ending on each Regular Payment Date, commencing on December 1, 2024, at a price of par plus accrued interest to the date of redemption, in an amount equal to the sum of (i) 100% of the amounts available for transfer from the 2024 Series 1 Unrestricted Principal Receipts Subaccount (House Key) and 2024 Series 1 Taxable Principal Receipts Subaccount (Home Advantage) to the 2024 Series 1 Redemption Subaccount and (ii) to the extent no 2024 Series 1A Bonds or 2024 Series 1N Bonds remain Outstanding, 100% of the amount available for transfer from the 2024 Series 1 Restricted Principal Receipts Subaccount (House Key) to the 2024 Series 1 Redemption Subaccount, but only to extent that the outstanding principal amount of the PAC Bonds exceeds the Priority Amortization Balance for such Regular Payment Date. See “Certain Information Regarding PAC Bonds” below for a table showing the initial Priority Amortization Balances for the PAC Bonds and “Certain Covenants Regarding Special Redemptions” for a summary of the Commission’s covenants regarding the use of money in the 2024 Series 1 Restricted Principal Receipts Subaccount (House Key), the 2024 Series 1 Unrestricted Principal Receipts Subaccount (House Key) and the 2024 Series 1 Taxable Principal Receipts Subaccount (Home Advantage).

Certain Covenants Regarding Special Redemptions

2024 Series 1 Restricted Principal Receipts Subaccount (House Key). The Commission will covenant in the 2024 Series 1 Indenture to deposit into the 2024 Series 1 Restricted Principal Receipts Subaccount (House Key) all principal amounts derived from the 2024 Series 1 Eligible Collateral (as defined below) that must be used pursuant to the Code to pay principal or redeem the 2024 Series 1A Bonds and 2024 Series 1N Bonds, and for so long as any 2024 Series 1A Bonds or 2024 Series 1N Bonds remain Outstanding, to only use the amounts deposited in the 2024 Series 1 Restricted Principal Receipts Subaccount (House Key) to pay principal or redeem the 2024 Series 1A Bonds and 2024 Series 1N Bonds. No amounts deposited in the 2024 Series 1 Restricted Principal Receipts Subaccount (House Key) will be available to pay or redeem the 2024 Series 1T Bonds, including the PAC Bonds, so long as any 2024 Series 1A Bond or 2024 Series 1N Bond remains Outstanding.

See Appendix F (Table F-4) for a schedule showing the Commission’s expectations of how principal receipts from 2024 Series 1 Eligible Collateral are expected to be allocated to 2024 Series 1 Restricted Receipts Subaccount (House Key) and 2024 Series 1 Unrestricted Principal Receipts Subaccount (House Key), assuming relevant provisions of the Code are not revised.

2024 Series 1 Unrestricted Principal Receipts Subaccount (House Key) and 2024 Series 1 Taxable Principal Receipts Subaccount (Home Advantage). The Commission will covenant in the 2024 Series 1 Indenture that it will deposit into the 2024 Series 1 Unrestricted Principal Receipts Subaccount (House Key) and 2024 Series 1 Taxable Principal Receipts Subaccount (Home Advantage) all principal amounts derived from the 2024 Series 1 Eligible Collateral (as defined below) not deposited to the 2024 Series 1 Restricted Principal Receipts Subaccount (House Key) and transfer money from the 2024 Series 1 Unrestricted Principal Receipts Subaccount (House Key) and 2024 Series 1 Taxable Principal Receipts Subaccount (Home Advantage) in the following order of priority:

First, to the 2024 Series 1 Redemption Subaccount and the 2024 Series 1 Principal Subaccount, the amounts sufficient, together with amounts on deposit therein, to bring the amounts on deposit therein to the Principal Payment coming due on the next succeeding Regular Payment Date of the 2024 Series 1 Bonds (including principal paid as a result of a mandatory sinking account redemption of Term Bonds) to the extent that such amounts are not funded by the 2024 Series 1 Restricted Principal Receipts Subaccount (House Key);

Second, to the 2024 Series 1 Redemption Subaccount, the amount necessary to fund mandatory redemptions of the PAC Bonds described under the heading “Special Mandatory Redemption of PAC Bonds;” and

Third, to make other transfers from the 2024 Series 1 Unrestricted Principal Receipts Subaccount (House Key) and 2024 Series 1 Taxable Principal Receipts Subaccount (Home Advantage) authorized by the General Trust Indenture and the Acquisition and Operating Policy.

Definition of “2024 Series 1 Eligible Collateral.” The “2024 Series 1 Eligible Collateral” is any Eligible Collateral or participation therein that (i) is financed utilizing the initial proceeds of the 2024 Series 1 Bonds or (ii) is financed utilizing Mortgage Loan or Home Advantage DPA Mortgage Loan repayments and prepayments transferred in connection with the 2024 Series 1 Bonds (e.g. recycling proceeds). The 2024 Series 1 Eligible Collateral is expected to include Certificates backed by Mortgage Loans originated under the House Key Program, Certificates backed by Mortgage Loans originated under the Home Advantage Program and Whole Loans which are Home Advantage DPA Mortgage Loans.

Certain Information Regarding PAC Bonds

Priority Amortization Balances. The following table (the “PAC table”) sets forth the initial “Priority Amortization Balances” for the dates indicated in the PAC table. The initial Priority Amortization Balances are based generally on certain expectations about the timing of the origination of the Mortgage Loans and Home Advantage DPA Mortgage Loans and the levels of prepayments expected to be received by the Commission. See “*Certain Assumptions Affecting PAC Bonds*” below. The Priority Amortization Balances for the PAC Bonds will be reduced on a *pro rata* basis if the PAC Bonds are redeemed pursuant to an Unexpended Proceeds Redemption.

Projected Weighted Average Lives of PAC Bonds. The weighted average life of a bond refers to the average of the length of time that will elapse from the date of issuance of such bond to the date each installment of principal is paid to the bondholder weighted by the amount of such installment. The weighted average life of the PAC Bonds will be influenced by, among other things, the rate at which principal payments (including scheduled payments and principal prepayments) are made on the 2024 Series 1 Eligible Collateral. See “*Certain Covenants Regarding Special Redemptions*” above for the definition of the phrase “2024 Series 1 Eligible Collateral.”

Prepayments of mortgage loans are commonly projected in accordance with a prepayment standard or model. The model used in the following discussion is the Securities Industry and Financial Markets Association (formerly The Bond Market Association) prepayment standard or model (the “Standard Prepayment Model”). The Standard Prepayment Model is based upon an assumed rate of prepayment each month of then unpaid principal balance of the mortgage loans. Prepayment speeds are projected as percentages of The Standard Prepayment Model, and are referred to as Prepayment Speed Assumptions (each, a “PSA”). At 0% PSA, The Standard Prepayment Model assumes no prepayment of mortgage loans. At 100% PSA, The Standard Prepayment Model assumes an increasingly larger percentage of the mortgage loans prepaying each month for the first 30 months of the mortgages’ lives and then assumes a constant prepayment rate of 6% per annum of the unpaid principal balance for the remaining life of each of the mortgage loans.

THE PSA DOES NOT PURPORT TO BE A PREDICTION OF THE ANTICIPATED RATE OF PREPAYMENTS OF THE 2024 SERIES 1 ELIGIBLE COLLATERAL. THERE IS NO ASSURANCE THAT THE PREPAYMENTS OF SUCH ELIGIBLE COLLATERAL WILL CONFORM TO ANY OF THE ASSUMED PREPAYMENT RATES. SEE “BONDHOLDER RISKS—RISK OF EARLY REDEMPTION FROM PREPAYMENT” FOR A DISCUSSION OF CERTAIN FACTORS THAT MAY AFFECT THE RATE OF PREPAYMENT OF THE 2024 SERIES 1 ELIGIBLE COLLATERAL.

The following table sets forth projected weighted average lives of the PAC Bonds.

Projected Weighted Average Lives (in Years) of PAC Bonds*
(Assuming Full Origination)

<u>Prepayment Speed</u>	<u>Projected Weighted Average Life</u>	<u>Prepayment Speed</u>	<u>Projected Weighted Average Life</u>
0% PSA	27.3	150% PSA	5.0
25% PSA	12.9	200% PSA	5.0
50% PSA	5.0	300% PSA	5.0
75% PSA	5.0	400% PSA	5.0
100% PSA	5.0	500% PSA	5.0

Based on the assumptions and expectations described below, some or all of which are unlikely to reflect actual experience, the weighted average life table indicates the projected weighted average life of the PAC Bonds under various PSAs. See “BONDHOLDER RISKS—Weighted Average Life Projections.”

Certain Assumptions Affecting PAC Bonds. The initial Priority Amortization Balances and the projected weighted average lives of the PAC Bonds are based on many assumptions, some of which may not reflect actual results. These assumptions include:

- (i) the only redemptions of the PAC Bonds that will occur are of the type described under the headings “REDEMPTION PROVISIONS—Mandatory Sinking Account Redemption,” “—Special Mandatory Redemption of PAC Bonds” and “—Certain Covenants Regarding Special Redemptions,” and none of the PAC Bonds will be redeemed pursuant to Unexpended Proceeds Redemptions;
- (ii) to the degree that funds are available, the PAC Bonds will be redeemed pursuant to Revenue Fund Redemptions in the amounts, and on the dates, necessary to cause the outstanding principal balance of the PAC Bonds to equal the Priority Amortization Balance for each such date specified in the PAC table;
- (iii) none of the 2024 Series 1 Bonds will be cross-called from amounts in the Series Revenue Account for another Series of Bonds;
- (iv) a portion of the proceeds of the 2024 Series 1 Bonds will be used to purchase Certificates and Home Advantage DPA Mortgage Loans in a timely manner, and the Mortgage Loans relating to such Certificates will be 30-year mortgage loans (although the remaining terms of such Mortgage Loans may be less than 30 years depending on when the Mortgage Loans were pooled by the Servicer);

* Preliminary, subject to change.

- (v) the Certificates financed with proceeds of the 2024 Series 1A Bonds and 2024 Series 1N Bonds are assumed to have the following characteristics:

Type of Eligible Collateral	Par Amount	Weighted* Average Mortgage Coupon	Weighted* Average Certificate Coupon	Weighted* Average Certificate Maturity
GNMA Certificates	\$21,467,699	6.283%	5.783%	08/2054
Fannie Mae Certificates	20,860,477	6.514%	5.794%	08/2054
Freddie Mac Certificates	7,671,824	6.514%	5.794%	08/2054
Total/Average:	<u>\$50,000,000</u>	<u>6.415%</u>	<u>5.789%</u>	<u>08/2054</u>

- (vi) the Certificates financed with proceeds of the 2024 Series 1T Bonds are assumed to have the following characteristics:

Type of Eligible Collateral	Par Amount	Weighted* Average Mortgage Coupon	Weighted* Average Certificate Coupon	Weighted* Average Certificate Maturity
GNMA Certificates	\$43,646,781	7.625%	7.125%	07/2054
Fannie Mae Certificates	1,841,458	7.844%	7.124%	07/2054
Freddie Mac Certificates	1,129,749	7.867%	7.147%	09/2054
Total/Average:	<u>\$46,617,987</u>	<u>7.639%</u>	<u>7.125%</u>	<u>07/2054</u>

- (vii) a portion of the proceeds of the 2024 Series 1T Bonds in the amount of approximately \$2,300,000* are expected to be used to purchase Home Advantage DPA Mortgage Loans;
- (viii) the prepayment of Mortgage Loans and Home Advantage DPA Mortgage Loans financed with 2024 Series 1 Bonds will occur at 50% PSA.

THE COMMISSION MAKES NO REPRESENTATION AS TO THE PERCENTAGE OF THE PRINCIPAL BALANCE OF THE 2024 SERIES 1 ELIGIBLE COLLATERAL THAT WILL BE PAID AS OF ANY DATE, AS TO THE OVERALL RATE OF PREPAYMENT OR AS TO THE PROJECTIONS OR METHODOLOGY SET FORTH UNDER THIS SUBHEADING.

General Provisions Pertaining to Redemptions

The General Indenture sets forth certain provisions that generally pertain to the redemption of any Series of Bonds, including the 2024 Series 1 Bonds. Certain of those provisions are summarized below.

Selection of 2024 Series 1 Bonds for Redemption. For purposes of selecting 2024 Series 1 Bonds for redemption, the Trustee will consider each \$5,000 par amount of such Bonds as a separate and distinct Bond. Any 2024 Series 1 Bond may be partially redeemed in the principal amount of \$5,000 or any integral multiple thereof so long as the amount of such 2024 Series 1 Bonds to remain Outstanding is not less than an Authorized Denomination for such Bond. The Trustee, in accordance with the then-current Acquisition and Operating Policy and the 2024 Series 1 Indenture, will select the maturities of such Bonds to be redeemed or purchased. In selecting which maturities of the 2024 Series 1 Bonds to redeem, the Trustee will be subject to the limitations (if any) described under the headings “Special Redemption from Unexpended Proceeds,” “Special Redemption from Amounts in the Revenue Fund” and “Special Mandatory Redemption of PAC Bonds.”

* Preliminary, subject to change.

In the event that less than all of a maturity of the 2024 Series 1 Bonds is to be redeemed, the Bonds (or portions thereof) to be redeemed will be selected by the Trustee by lot. However, for so long as the 2024 Series 1 Bonds are registered in the name of DTC or its nominee, DTC will select for redemption the Beneficial Owners' interests in a maturity of 2024 Series 1 Bonds that is subject to a partial redemption. Neither the Commission nor the Trustee will have any responsibility for selecting for redemption any Beneficial Owner's interest in a 2024 Series 1 Bond. See Appendix C for a discussion of DTC and its book-entry system.

If less than all of the Term Bonds Outstanding of any one maturity of a Series (or subseries, if applicable) are purchased for cancellation or called for redemption (other than in satisfaction of Mandatory Sinking Account Payments), the principal amount of the Term Bonds that are so purchased or redeemed will be credited against particular remaining Mandatory Sinking Account Payments in accordance with the then-current Acquisition and Operating Policy.

Notice of Redemption. The Trustee will give a written redemption notice to Cede & Co. (or any subsequent registered owner of the 2024 Series 1 Bonds to be redeemed) not less than 30 days (or more than 90 days) before the scheduled redemption date of any 2024 Series 1 Bonds to be redeemed. Neither the Commission nor the Trustee will have any responsibility or obligation to DTC participants, or the persons for whom they act as nominees, with respect to the providing of redemption notices to the direct participants, the indirect participants or the beneficial owners of the 2024 Series 1 Bonds. The Commission cannot and does not give any assurances that DTC, its direct participants or others will distribute any redemption notices to the beneficial owners or that they will do so on a timely basis. See Appendix C for a discussion of DTC and its book-entry system.

Pursuant to the Commission's continuing disclosure undertaking, the Commission is also required to cause timely notice of Bond calls, if material, to be provided to the Municipal Securities Rulemaking Board. See "CONTINUING DISCLOSURE" herein for a description of the Commission's undertaking to provide certain notices.

The notice of redemption may be conditional and rescindable. If conditional, the notice will summarize the conditions precedent to such redemption. A conditional redemption notice will be of no force and effect if such conditions have not been satisfied on or before the redemption date, and the 2024 Series 1 Bonds described in such notice will not be redeemed on the specified redemption date. The Trustee is required to notify the affected Bondowners (which may not include Beneficial Owners) that the conditions to redemption were not satisfied or that the Commission has revoked the redemption and rescinds the notice.

Once notice is sent in accordance with the provisions of the General Indenture, it will be effective whether or not such notice is received by the Owners of the 2024 Series 1 Bonds to be redeemed.

Effect of Redemption. Once notice of redemption is duly given, and money is held by the Trustee for payment of the redemption price of and interest accrued to the redemption date on the Bonds (or portions thereof) so called for redemption, such Bonds will become due and payable on the redemption date. The Bonds so called will cease to be Outstanding, and interest on the Bonds so called for redemption will cease to accrue as of the redemption dates. All Bonds so called will cease to be entitled to any benefit or security under the Indenture as of the redemption date, and the Owners of those Bonds will have no rights in respect thereof except to receive payment of the redemption price of and accrued interest to the date of redemption and to receive Bonds for any unredeemed portion of Bonds.

SECURITY FOR THE BONDS

General

The Bonds, including the 2024 Series 1 Bonds, are limited obligations and not general obligations of the Commission. The Bonds are payable solely from payments made on and secured by Eligible Collateral and Investment Securities pledged to the Trustee under the Indenture (regardless of Series), and amounts (including interest earnings thereon) held for the benefit of the Bondowners pursuant to the Indenture. The Bonds are not payable from any other revenues, funds or assets of the Commission. Payment of the principal of and interest on the Bonds will be a valid claim only against the special fund or funds of the Commission relating thereto and is not an obligation of the State of Washington (the "State") or any municipal corporation, subdivision or agency of the State, other than the Commission, and neither the full faith and credit nor the taxing power of the Commission, the State or any municipal corporation, subdivision or agency of the State is pledged to the payment of the principal of or interest on the Bonds. THE 2024 SERIES 1 BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA OR OF ANY AGENCY THEREOF OR OF GNMA, FANNIE MAE OR FREDDIE MAC AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA.

Pledge Under the Indenture

To secure its obligations to make payments on the Bonds and to observe the covenants in the Indenture and the Bonds, the Commission has irrevocably pledged and assigned the Trust Estate to the Trustee. The Trust Estate includes the following:

1. The Commission's right, title and interest in the Origination Agreements and the Servicing Agreements, including the right to receive any sums of money receivable by the Commission thereunder (except the right of the Commission to fees, reports, notices, indemnification and enforcement thereof);
2. The Commission's right, title and interest in the Mortgage Loans or Certificates securing such Bonds, including the right to receive any sums of money receivable by the Commission under the Mortgage Loans or the Certificates; and
3. All money, contracts and securities from time to time held by the Trustee pursuant to the Indenture (including money held in all funds other than the Rebate Fund, the Cost of Issuance Fund, the Expense Fund and the Commission Fund).

The Commission has pledged the Trust Estate for the equal and proportionate benefit and security of all present and future owners of all Bonds subject to the terms of such trusts, without preference of any Bond over any other. The Trustee is required to take all actions consistent with the Indenture that are reasonably necessary, in its judgment, to enforce the terms of the Certificates, the Mortgage Loans, the Origination Agreements and the Servicing Agreements, and to protect the priority of its interest in each Certificate, the Mortgage Loans, the Origination Agreements, the Servicing Agreements and the Enhancement Agreements.

The Commission has covenanted to defend, preserve and protect (to the extent permitted by law) its pledge of the Trust Estate and all the rights of the Bondowners under the Indenture against all claims and demands of all persons whomsoever. However, the Commission is not obligated to honor such covenant using funds other than Revenues available under the Indenture.

Revenues

The principal, Redemption Price, and Accretion, if any, of every Bond and the interest thereon are payable solely from Revenues and other assets pledged under the Indenture. "Revenues" include (i) all amounts received by or payable to the Trustee in connection with the Eligible Collateral (see "SECURITY FOR THE BONDS—Eligible Collateral"), (ii) all amounts received by or payable to the Trustee under the Origination Agreements or the Servicing Agreements, and (iii) all earnings derived from the investment of the various funds established pursuant to the Indenture (other than interest on amounts in the Cost of Issuance Fund, Expense Fund, Commission Fund or Rebate Fund). See Appendix A hereto for a more detailed definition of "Revenues."

Nevertheless, "Revenues" do not include: (i) amounts retained by a Servicer as a Servicing Fee or other compensation; (ii) amounts to be paid to the United States Government (such as arbitrage rebate); and (iii) earnings derived from the investment of a Series Acquisition Account to the extent the applicable Series Indenture or Remarketing Indenture provides that such earnings are not to be considered as "Revenues."

See Appendix A hereto for a summary of the Indenture provisions pertaining to the collection, segregation and use of Revenues.

Eligible Collateral

The Indenture defines "Eligible Collateral" to be Certificates and Whole Loans, but only if such Certificates or Whole Loans are eligible to be purchased by the Trustee in accordance with the Acquisition and Operating Policy. In connection with the issuance of the Commission's 2023 Series 1 Bonds, the Commission amended the Acquisition and Operating Policy and the Program Administration and Servicing Agreement to allow for the purchase of Whole Loans. In connection with the issuance of the 2024 Series 1 Bonds, the Commission intends to use a portion of the proceeds of the 2024 Series 1T Bonds to purchase Home Advantage DPA Mortgage Loans.

GNMA Certificates. The Government National Mortgage Association ("GNMA") is a wholly-owned corporate instrumentality of the United States of America within the Department of Housing and Urban Development ("HUD"). GNMA's powers are prescribed generally by Title III of the National Housing Act, as amended (12 U.S.C. § 1716 *et seq.*).

GNMA is authorized to guarantee the timely payment of the principal of and interest on certificates (“GNMA Certificates”) that represent undivided ownership interests in pools of mortgage loans that are: (i) insured by the Federal Housing Administration (“FHA”) under the National Housing Act of 1934, as amended; (ii) guaranteed by the Department of Veterans Affairs (“VA”) under the Servicemen’s Readjustment Act of 1944, as amended; (iii) guaranteed by the Rural Housing Service (“RHS”) of the U.S. Department of Agriculture pursuant to Section 502 of Title V of the Housing Act of 1949, as amended; or (iv) guaranteed by the Secretary of HUD under Section 184 of the Housing and Community Development Act of 1992, as amended and administered by the Office of Public and Indian Housing (“PIH”). The GNMA Certificates are issued by approved servicers and not by GNMA. GNMA guarantees the timely payment of principal of and interest on the GNMA Certificates. The full faith and credit of the United States is pledged to the payment of all amounts required to be paid under each such guaranty. To the extent necessary, GNMA will borrow from the United States Treasury any amounts necessary to enable GNMA to honor its guaranty of the GNMA Certificates. GNMA is required to honor its guaranty only if a servicer is unable to make the full payment on any GNMA Certificate, when due.

GNMA administers two guarantee programs—the “Ginnie Mae I MBS Program” and the “Ginnie Mae II MBS Program.” The principal differences between the two programs relate to the interest rate structure of the mortgages backing the GNMA Certificates and the means by which principal and interest payments are made. These differences are not expected to affect adversely the availability of Revenues to pay principal of and interest on the Bonds.

See Appendix B for more information regarding GNMA and its mortgage-backed security program.

Fannie Mae Certificates. The Federal National Mortgage Association (“FNMA” or “Fannie Mae”) is a federally-chartered, private, stockholder-owned corporation organized and existing under the Federal National Mortgage Association Charter Act (12 U.S.C. § 1716 *et seq.*). The Secretary of HUD exercises general regulatory power over Fannie Mae. Among other things, Fannie Mae issues mortgage-backed securities primarily in exchange for pools of mortgage loans from lenders.

Fannie Mae operates a mortgage-backed securities program pursuant to which Fannie Mae issues securities backed by pools of mortgage loans (“Fannie Mae Certificates”). Each Fannie Mae Certificate represents an undivided ownership interest in a specified pool of mortgage loans purchased by Fannie Mae. Generally, Fannie Mae Certificates are issued in book-entry form, representing a minimum of \$1,000 unpaid principal amount of mortgage loans. Any Fannie Mae Certificates included as Eligible Collateral will represent pools of Mortgage Loans created by the Servicer.

Fannie Mae guarantees to the registered holders of Fannie Mae Certificates that it will distribute amounts representing (i) scheduled principal and interest at the applicable pass-through rate on the mortgage loans in the pools represented by such Fannie Mae Certificates, whether or not received, and (ii) the full principal balance of any foreclosed or other finally liquidated Mortgage Loans, whether or not such principal balance is actually received. FANNIE MAE’S OBLIGATIONS UNDER THE FANNIE MAE CERTIFICATES ARE OBLIGATIONS SOLELY OF FANNIE MAE AND ARE NOT BACKED BY, OR ENTITLED TO, THE FULL FAITH AND CREDIT OF THE UNITED STATES OR ANY OF ITS AGENCIES OR INSTRUMENTALITIES OTHER THAN FANNIE MAE. If Fannie Mae is unable to satisfy such obligations, distributions to the Trustee, as the registered holder of Fannie Mae Certificates, would consist solely of payments and other recoveries on the underlying Mortgage Loans. Accordingly, monthly distributions to the Trustee after a Fannie Mae default could be adversely affected by delinquent payments and defaults on such Mortgage Loans.

See Appendix B for more information regarding Fannie Mae and its mortgage-backed security program.

Freddie Mac Certificates. The Federal Home Loan Mortgage Corporation (“FHLMC” or “Freddie Mac”) is a corporate instrumentality of the United States organized pursuant to the Federal Home Loan Mortgage Corporation Act (Title III of the Emergency Home Finance Act of 1970, as amended (12 U.S.C. §§ 1451-1459)).

Freddie Mac has established a mortgage purchase program pursuant to which Freddie Mac purchases a pool of mortgages from approved sellers in exchange for a security issued by Freddie Mac representing an undivided interest in such mortgage pool (a “Freddie Mac Certificate”). Payments by borrowers on the underlying mortgages are passed through monthly by Freddie Mac to the holders of the Freddie Mac Certificate.

Freddie Mac guarantees the payment of scheduled principal payments on the mortgages underlying each Freddie Mac Certificate, together with interest thereon at the applicable pass-through rate, in each case whether or not such principal or interest is received from the mortgagors. The obligations of Freddie Mac under such guarantees are obligations of Freddie Mac only. THE FREDDIE MAC CERTIFICATES, INCLUDING THE INTEREST THEREON, ARE NOT GUARANTEED BY THE UNITED STATES AND DO NOT CONSTITUTE DEBTS OR OBLIGATIONS OF THE UNITED STATES OR ANY AGENCY OR INSTRUMENTALITY OF THE UNITED STATES OTHER THAN FREDDIE MAC. If Freddie Mac is unable to satisfy its obligations under its guarantees, distributions on the Freddie Mac Certificates would consist solely of payment and other recoveries on the related mortgage. Accordingly, delinquencies and defaults on the mortgages after a Freddie Mac default may adversely affect distributions on the Freddie Mac Certificates. This could adversely affect payments on the Bonds to the extent Eligible Collateral includes any Freddie Mac Certificates at the time of such a default.

See Appendix B for more information regarding Freddie Mac and its mortgage-backed security program.

UMBS. On June 3, 2019, Fannie Mae and Freddie Mac (each, an “Enterprise” and, together, the “Enterprises”) began issuing common, single mortgage-backed securities, formally known as Uniform Mortgage-Backed Securities (“UMBS”). The UMBS issued by the Enterprises finance fixed-rate mortgages and are guaranteed by either Fannie Mae or Freddie Mac depending upon which Enterprise issues the UMBS. As a first level security, the UMBS is backed by fixed-rate mortgage loans purchased entirely by one of the Enterprises; thus, there is no comingling of collateral. The UMBS have characteristics similar to Fannie Mae Certificates and Freddie Mac has modified its security structure to more closely align with Fannie Mae Securities. The Enterprises may be required to consult with each other to ensure specific Enterprise programs or policies do not cause or have potential to cause cash flows to investors of mortgage-backed securities to misalign. For purposes of this Official Statement, the terms “Fannie Mae Certificate” and “Freddie Mac Certificate” may include UMBS.

See Appendix B for more information regarding UMBS.

Whole Loans. The Indenture defines “Whole Loans” to be Mortgage Loans (or participations therein) that are not included in a mortgage pool underlying a Certificate. A Whole Loan must be backed by a security interest in a single-family residence, but that security interest need not be a first lien. Whole Loans may be FHA-Insured, RHS-Guaranteed, VA-Guaranteed, insured by another governmental program, privately insured through mortgage insurance or mortgage pool insurance, or uninsured. If Bond proceeds are used to acquire Whole Loans, there must be provided Supplemental Mortgage Coverage of a type and in an amount required by the Rating Agency for the Commission to obtain a written confirmation by the Rating Agency that the proposed use of Bond proceeds for such purpose will not reduce the rating on the Outstanding Bonds (excluding Subordinate Bonds). See Appendix A hereto for a definition of “Supplemental Mortgage Coverage.”

The Commission expects to use a portion of the proceeds of the 2024 Series 1T Bonds to purchase Home Advantage DPA Mortgage Loans which are uninsured, subordinate lien mortgage loans that are not included in a mortgage pool underlying a Certificate. Home Advantage DPA Mortgage Loans are originated under the Commission’s Home Advantage Program to finance closing costs and down payment assistance in connection with related first lien Mortgage Loans originated under the Home Advantage Program. Each Home Advantage DPA Mortgage Loan will be in a principal amount of up to 5% of the original principal amount of the related first lien Mortgage Loan and have a stated rate of interest of 0% per annum. Repayment of the principal of Home Advantage DPA Mortgage Loans is due in full after 30 years or upon the transfer of the related property or the refinance or payment in full of the related first lien Mortgage Loan.

Reserve Accounts

The Commission does *not* expect to fund any reserve accounts with respect to the 2024 Series 1 Bonds. See Appendix A hereto for a summary of the Indenture, including the provisions pertaining to the establishment of reserve accounts for the Bonds.

Outstanding Bonds

The 2024 Series 1 Bonds will be issued on a parity with \$747,050,000 outstanding long-term Bonds as of March 1, 2024. Information regarding the outstanding Bonds is set forth in Appendix F (Tables F-1, F-6 and F-7). It is expected that other Series of Bonds may be issued in the future. See “Additional Bonds” below. All Bonds, except Subordinate Bonds, will have an equal (“parity”) security interest in all Eligible Collateral, Investment Securities and other sources of payment of the Bonds. Currently, there are no Subordinate Bonds, but such bonds may be issued in the future. In addition, deficiencies in funds available for deposits and payments with respect to any Series may be made up from funds available with respect to any other Series.

Additional Bonds

The Commission has reserved the right to issue additional Bonds and remarket Outstanding Bonds at any time in the future. Such additional Bonds will have an equal lien on the Eligible Collateral as the lien in favor of the 2024 Series 1 Bonds (unless they are issued as Subordinate Bonds, in which case they will have a lien on the Eligible Collateral that is subordinate to the lien in favor of the 2024 Series 1 Bonds).

Before additional Bonds may be issued, and before Outstanding Bonds may be remarketed, the Trustee must receive, among other things, the following:

- an opinion of a nationally-recognized bond counsel to the effect that (i) the General Indenture and the applicable Series and/or Remarketing Indenture were duly adopted and are valid and binding upon the Commission, and (ii) the Bonds being issued are valid and legally binding special limited obligations of the Commission and are entitled to the benefit, protection and security of the provisions, covenants and agreements contained in the Indenture and the applicable Series and/or Remarketing Indenture;
- a certificate signed by an authorized officer of the Commission that (i) describes the proposed issuance or remarketing and (ii) is attached to cash flow projections demonstrating that, among other things, projected Revenues will be sufficient to provide for timely payments of interest, Accretion and principal on the Bonds (other than Subordinate Bonds) and that projected asset parity will always be equal to or greater than 100% (see “CASH FLOW CERTIFICATES” for a more detailed description of the requirements applicable to such certificate; also see “SINGLE-FAMILY MORTGAGE PROGRAMS—Programs Financed Under the Indenture—*Historical Financial Results*” regarding Asset Parity as of the end of the past five fiscal years); and
- a written confirmation by the Rating Agency that the proposed issuance or remarketing of Bonds will not reduce the rating on the Outstanding Bonds (excluding Subordinate Bonds) (a “Rating Confirmation”).

Subordinate Bonds

To date, the Commission has not issued Subordinate Bonds. The Indenture reserves the right for the Commission to do so in the future upon compliance with the requirements described above for issuing additional Bonds. The Indenture currently provides that money in the Revenue Fund can be transferred to funds and accounts for Subordinate Bonds only if the Commission certifies that Asset Parity will be at least 100% after such transfer. See Appendix A hereto for a more detailed definition of the phrase “Asset Parity.” The Indenture further provides that a default with respect to Subordinate Bonds will not constitute a default on the 2024 Series 1 Bonds and any other Bonds issued on a parity with the 2024 Series 1 Bonds.

CASH FLOW CERTIFICATES

Cash Flow Certificates and Supporting Cash Flows

Under the terms of the Indenture, the Commission must deliver a “Cash Flow Certificate” to the Trustee prior to taking certain actions, including but not limited to, the issuance of additional Bonds, long term remarketing of Outstanding Bonds, and, unless there is no adverse impact, amendment of the Acquisition and Operating Policy. Each Cash Flow Certificate must be accompanied by “Supporting Cash Flows” prepared by a “Cash Flow Consultant,” which demonstrate, under each of the scenarios included, that (1) projected Revenues will be sufficient to provide for timely payments of interest, Accretion, principal on the Bonds, “Enhancement Accruals” and “Expenses,” and (2) projected “Asset Parity” will always be equal to or greater than 100%. See Appendix A hereto for a more detailed definitions of the phrases “Asset Parity,” “Cash Flow Certificate,” “Cash Flow Consultant,” “Enhancement Accruals,” “Expenses” and “Supporting Cash Flows.”

The Supporting Cash Flows attached to each Cash Flow Certificate must include each scenario included in the immediately prior Supporting Cash Flows, except that the specification of the scenarios to be included may be modified by the Rating Agency in connection with a Rating Confirmation. Supporting Cash Flows shall (1) take into account the financial position of the Trust Estate as of the stated starting date of the projection, (2) reflect all the significant transactions that have occurred in the period commencing with such starting date and ending with a date no more than 90 days prior to the date of such projections, (3) be consistent with the General Indenture, the Series Indentures and the Remarketing Indentures and (4) assume compliance with the Acquisition and Operating Policy. The scenarios required by the Rating Agency to be included in the Supporting Cash Flows reflect alternative assumptions with respect to prepayment patterns of the Eligible Collateral, levels of origination of Eligible Collateral, and rates of return on Permitted Investments, and rates of interest on any variable rate Bonds. The scenarios reflect additional assumptions, among others, as to the timing of receipt of Revenues, the level of Expenses and Commission Fees, and the performance of counterparties under Enhancement Agreements and Remarketing Agreements, and Permitted Investments. The Supporting Cash Flows do not reflect (other than the transaction for which prepared) any future issuance of any additional Bonds, long term remarketing of any Outstanding Bonds, adoption of any Supplemental Indenture, or any amendment of the Acquisition and Operating Policy, even though the Commission is permitted to undertake any of the forgoing.

Because actual experience can differ significantly from hypothetical scenarios, the Commission makes no representation that any of the scenarios in any Supporting Cash Flows will reflect the actual course of events or that Revenues will be sufficient to provide for timely payments of interest, Accretion, and principal on the Bonds, Enhancement Accruals, and Expenses.

2024 Series 1 Cash Flow Certificate

As a condition to the issuance of the 2024 Series 1 Bonds, the Commission will provide the Trustee with its Cash Flow Certificate in the form required by the Indenture. cfX Incorporated, New York, New York (“cfX”) will provide the Commission with the Supporting Cash Flows to be attached to the Cash Flow Certificate in connection with the 2024 Series 1 Bonds. See “QUANTITATIVE CONSULTANT” herein for information regarding the engagement of cfX by the Commission. The Supporting Cash Flows and the conclusions of cfX contained in its accompanying cash flow letter will be based solely on information provided to cfX by the Commission and the Trustee and certain assumptions provided to cfX by the Commission, and upon scenarios specified by the Rating Agency to be tested. cfX will make no representation with respect to the accuracy of such information or as to the reasonableness of such assumptions and scenarios. cfX makes no representation that any of the scenarios in any Supporting Cash Flows will reflect the actual course of events or that Revenues will be sufficient to provide for timely payments of interest, Accretion, principal on the Bonds, Enhancement Accruals, and Expenses.

BONDHOLDER RISKS

Prospective purchasers of the 2024 Series 1 Bonds should carefully consider the following risk factors, as well as other information contained in this Official Statement, prior to purchasing the 2024 Series 1 Bonds. The information contained under this heading is not intended to be an exhaustive discussion of all possible risks involved with owning the 2024 Series 1 Bonds. Prospective purchasers should consult their investment advisors before making any decisions as to the purchase of the 2024 Series 1 Bonds.

Risks Resulting from Non-Origination

The 2024 Series 1 Bonds are subject to an Unexpended Proceeds Redemption as described under the heading “REDEMPTION PROVISIONS—Special Redemption from Unexpended Proceeds.” An Unexpended Proceeds Redemption of the 2024 Series 1 Bonds could occur if the Certificates (or participations therein) and Home Advantage DPA Mortgage Loans the Commission expects to finance with the proceeds of such Bonds are not available for transfer to the 2024 Series 1 Acquisition Account (House Key) and 2024 Series 1 Acquisition Account (Home Advantage).

General. Delays in expending the proceeds of the 2024 Series 1 Bonds might occur under various circumstances, including but not limited to: a cancellation of some or all of such commitments and reservations; difficulty by Mortgage Lenders in locating borrowers that satisfy the federal tax law requirements described under the heading “SINGLE-FAMILY MORTGAGE PROGRAMS—Programs Financed Under the Indenture—*Certain House Key Program Constraints and Limitations*” below; difficulties by Mortgage Lenders or the Servicer in complying with GNMA, Fannie Mae and/or Freddie Mac program requirements; a decision by the Commission to dispose of Certificates through the “to be announced” or “TBA Market” instead of acquiring those Certificates with proceeds of the 2024 Series 1 Bonds; a decision by the Commission to issue additional series of single-family mortgage revenue bonds under the Homeownership Indenture, or to issue Additional Bonds under the Indenture; a decision by the Commission to use mortgage prepayments allocated to other bonds to originate new Mortgage Loans (*i.e.* recycling); or any combination of these factors.

Certain GNMA, Fannie Mae and Freddie Mac Program Constraints. The amount of commitments to guarantee securities that GNMA can approve and the dollar amount that FHA, HUD, VA and RHS can insure or guarantee in any federal fiscal year are limited by statute and administrative procedures. If an appropriations act is not passed in any federal fiscal year or if GNMA, FHA, Freddie Mac, HUD, VA or RHS reaches the limits of its authority, or if the FHA maximum loan amount is not retained, or if GNMA, in its sole discretion, or the federal government, alters or amends the GNMA Certificate programs in such a way as to prevent the Mortgage Lenders from originating Mortgage Loans during the origination period and the Servicer from issuing or delivering Certificates, or if Fannie Mae or Freddie Mac, in its sole discretion, or the federal government, alters or amends the Fannie Mae Certificate or Freddie Mac Certificate programs in such a way as to prevent the Mortgage Lenders from originating Mortgage Loans during the origination period and the Servicer from issuing or delivering Certificates, the Mortgage Lenders might not be able to originate Mortgage Loans and the Servicer might not be able to issue or deliver Certificates in the anticipated principal amounts. See Appendix B for information about the GNMA, Fannie Mae and Freddie Mac programs. The non-origination of Mortgage Loans or the inability of the Servicer to issue or deliver Certificates to the Trustee in amounts contemplated by this financing would result in the redemption of 2024 Series 1 Bonds before their maturity.

Status of Originations. With respect to the House Key Program, as of April 8, 2024, the Commission had approximately \$8,518,789 of unexpended proceeds of its Single-Family Program Bonds 2023 Series 2N and 2023 Series 2A. In addition, the Commission had approximately \$10,014,017 of closed loans and \$8,719,024 of reservations by mortgage lenders that are expected to be purchased in the form of Certificates with proceeds of the 2024 Series 1A Bonds and 2024 Series 1N Bonds. With respect to the Home Advantage Program, as of April 8, 2024 the Commission had approximately \$23,222,912 of unexpended proceeds of its Single Family Program Bonds 2023 Series 2T. In addition, the Commission had approximately \$26,341,547 of closed loans and \$18,830,347 of reservations by mortgage lenders that are expected to be purchased in the form of Certificates with proceeds of the 2024 Series 1T Bonds. However, delays in expending the proceeds of the 2024 Series 1 Bonds might occur under various circumstances, including but not limited to: a cancellation of some or all of such commitments and reservations; difficulty by Mortgage Lenders in locating borrowers that satisfy the federal tax law requirements described under the heading “SINGLE FAMILY MORTGAGE PROGRAMS—Program Financed Under the Indenture—*Certain House Key Program Constraints and Limitations*” below; difficulties by Mortgage Lenders or the Servicer in complying with Ginnie Mae, Fannie Mae and/or Freddie Mac program requirements; a decision by the Commission to dispose of Certificates (including those currently held in the Commission Fund or those resulting from existing reservations and commitments) through the TBA Market instead of acquiring those Certificates with proceeds

of the 2024 Series 1 Bonds; a decision by the Commission to issue additional series of single-family mortgage revenue bonds under its Homeownership Indenture, or to issue Additional Bonds under the Indenture; a decision by the Commission to use additional mortgage prepayments allocated to other bonds to originate new Mortgage Loans (*i.e.* recycling); or any combination of these factors. See Appendix F (Table F-3) for a table showing the Commission's historical usage of Bond proceeds.

Risk of Early Redemption from Prepayment

Mortgage Loans may be terminated before their final maturity. Prepayments in full or other payments in respect of early termination of Mortgage Loans financed with the proceeds of Bonds may be deposited in any Series Redemption Account of the Debt Service Fund, consistent with the Indenture and the current Acquisition and Operating Policy. That money may be used, together with certain other amounts then transferred into the Series Redemption Account, to redeem Bonds at par before their scheduled maturity. There is no completely reliable statistical base with which to predict the level of prepayment in full or other early termination of the Mortgage Loans financed with the proceeds of Bonds and the resulting effect on the average life of the Bonds. The Commission does expect prepayment of a substantial number of Mortgage Loans. It is probable that the Bonds will have a shorter life than their stated maturities or scheduled mandatory sinking payment redemptions.

Risk of Early Redemption from Cross-Calling

Certain Revenues relating to one Series of Bonds (including money received from the payment of principal of and interest on Eligible Collateral purchased with the proceeds of that Series) in excess of Revenues needed to pay principal and interest currently due on any of the Bonds, to pay Expenses, or to meet other purposes set forth in the Indenture, generally may be used at any time for a special redemption of Bonds of that Series and/or Bonds of certain other Series (subject to limitations, if any, set forth in the applicable Series Indentures). The use of Revenues in respect of one Series to redeem Bonds of another Series is known as "cross-calling." The Series and maturities of Bonds to be "cross-called" from time to time, if any, will be determined in accordance with the Acquisition and Operating Policy. The Acquisition and Operating Policy may be changed from time to time consistent with the Indenture (which among other things restricts the use of certain Series of Bonds for "cross-calling"). However, it is expected as a general matter that, if Bonds are to be cross-called, the Commission will evaluate the potential savings it can accomplish by doing so. This may mean, but will not always mean, that higher yielding maturities of Bonds will be cross-called from excess Revenues before lower yielding maturities of Bonds are cross-called (subject to the Indenture and certain Code requirements). See Appendix F (Tables F-6 and F-7) hereto for lists of the Commission's Outstanding Bonds ranked from highest interest rate (coupon) to lowest interest rate. Pursuant to the Acquisition and Operating Policy, the Commission has cross-called Bonds on the dates and in the amounts shown in Appendix F (Table F-2) hereto.

The Commission may use Revenues that might otherwise be available to redeem Bonds to finance additional Mortgage Loans. See "SINGLE-FAMILY MORTGAGE PROGRAMS—Programs Financed Under the Indenture—*Recycling*" herein. Excess Revenues also may be transferred to a Subordinate Bond account or to the Commission Fund in accordance with the Indenture. See Appendix A under the heading "Creation of Funds and Accounts—Revenue Fund" for a summary of how money in the Revenue Fund may be used.

The so-called "10-Year Rule" (Section 143(a)(2)(A)(iv) of the Internal Revenue Code of 1986, as amended (the "Code")) generally provides that repayments of principal on Mortgage Loans must be used to redeem the Series of Bonds that financed such Mortgage Loans to the extent such prepayments are received more than ten years after such Series (or, with respect to refunding bonds, the original bond) was issued as a tax-exempt bond. Such repayments, when received, are considered "restricted principal receipts." The 10-Year Rule generally limits the Commission's ability to cross-call Bonds from restricted principal receipts. From time to time, there have been efforts to repeal the 10-Year Rule. Any repeal of the 10-Year Rule during the period the 2024 Series 1A Bonds and 2024 Series 1N Bonds remain Outstanding may increase the risk that the 2024 Series 1A Bonds and 2024 Series 1N Bonds would be cross-called or that Revenues associated with the 2024 Series 1A Bonds and 2024 Series 1N Bonds might be used to cross-call other Bonds.

Weighted Average Life Projections

Potential purchasers of the PAC Bonds should consider certain factors that could extend or shorten the weighted average life of such Bonds. The schedule of Priority Amortization Balances contained under the heading "REDEMPTION PROVISIONS—Certain Information Regarding PAC Bonds" was based on various assumptions described therein. These assumptions generally relate to the receipt of sufficient and timely payments of principal of and interest on the Eligible Collateral and the investment or reinvestment of money held under the Indenture. While

the Commission believes such assumptions are reasonable, the Commission can give no assurance that the actual receipt of money will correspond to estimated Revenues available to fund payments in connection with the 2024 Series 1 Bonds. The weighted average life of the PAC Bonds may be extended if the actual rate of prepayment for Mortgage Loans underlying the 2024 Series 1 Eligible Collateral is less than 50% PSA. The rate at which such prepayments occur can be expected to change from time to time based on then-current market conditions. For instance, the rate of prepayment may decline as home mortgage interest rates increase, and may increase as home mortgage interest rates decline (whether due to corresponding increases in refinancings or home sales). The foregoing may not identify all potential circumstances under which the weighted average life of the PAC Bonds may be extended or shortened.

The projected weighted average lives shown under the heading “REDEMPTION PROVISIONS—Certain Information Regarding PAC Bonds,” in the table entitled “Projected Weighted Average Lives (in Years) of PAC Bonds” reflect a projected average of the periods of time for which the PAC Bonds are outstanding. They do not reflect the period of time which any one PAC Bond will remain outstanding. At each prepayment speed, some PAC Bonds will remain outstanding for periods of time shorter than the projected weighted average life, while some will remain outstanding for longer periods of time. Bondowners owning less than all of the PAC Bonds may experience redemption at a rate that varies from the projected weighted average lives shown in such table.

Loss of Premium from Early Redemption

Any person who purchases a 2024 Series 1 Bond at a price in excess of its principal amount should consider the fact that the Bonds are subject to acceleration of maturity at par under the conditions described in Appendix A under the heading “Defaults and Remedies,” and are subject to various forms of redemption prior to maturity at a redemption price equal to their principal amount plus accrued interest, without premium. See “REDEMPTION PROVISIONS” herein.

Limited Security

The 2024 Series 1 Bonds are limited obligations of the Commission. Payment of the principal of and premium, if any, and interest on the 2024 Series 1 Bonds will be a valid claim only against the special fund or funds of the Commission relating thereto and will not be an obligation of the State or any municipal corporation, subdivision or agency of the State other than the Commission. Neither the full faith and credit nor the taxing power of the State or any municipal corporation, subdivision or agency of the State is pledged to the payment of the principal of or interest on the 2024 Series 1 Bonds. Further, the 2024 Series 1 Bonds do not constitute nor give rise to a pecuniary liability, general or moral obligation or a pledge of the full faith and credit or taxing power of the United States of America, HUD or any other agency thereof, GNMA, Fannie Mae or Freddie Mac. The Commission has no taxing power. See “SECURITY FOR THE BONDS” herein.

No Redemption upon Taxability

The 2024 Series 1A Bonds and 2024 Series 1N Bonds are not subject to redemption prior to maturity solely as a result of the interest on such Bonds becoming includable in gross income for federal income tax purposes, nor will the interest rates on the 2024 Series 1A Bonds and 2024 Series 1N Bonds be increased in such an event. The exclusion of interest on the 2024 Series 1A Bonds and 2024 Series 1N Bonds from gross income for federal income tax purposes depends on the Commission’s continued compliance with federal tax laws, including requirements with respect to the investment of Bond proceeds and the continued character of such Bonds as “Qualified Mortgage Bonds” under Section 143 of the Code. See “TAX TREATMENT AND RELATED CONSIDERATIONS” herein. The Commission’s failure to maintain the tax-exempt status of such Bonds will not constitute a default under the Mortgage Loans. Consequently, it will not be possible to accelerate the debt evidenced by the Mortgage Loans or to seek HUD, GNMA, Fannie Mae or Freddie Mac guaranty benefits if interest on such Bonds becomes taxable.

Secondary Market and Prices

It has been the Underwriters’ practice to maintain a secondary market in municipal securities that they sell. The Underwriters currently intend to engage in secondary market trading of the 2024 Series 1 Bonds, subject to applicable securities laws. However, the Underwriters are not obligated to engage in secondary trading or to repurchase any of the 2024 Series 1 Bonds at the request of the owners thereof. No assurance can be given that a secondary market for the 2024 Series 1 Bonds will be available and no assurance can be given that the initial offering prices for the 2024 Series 1 Bonds will continue for any period of time.

Enforceability of Remedies

The remedies available to the Bond owners upon an event of default under the Indenture or other documents described herein are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code, the remedies specified by the federal bankruptcy laws, the Indenture and the various related documents may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the 2024 Series 1 Bonds will be qualified as to the enforceability of the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by principles of equity.

Rating Downgrade

The rating awarded to the 2024 Series 1 Bonds by Moody's Investors Service, Inc. ("Moody's"), is based on various factors, including the credit of GNMA, Fannie Mae and Freddie Mac and the provider of the Investment Agreement, if any. If the rating awarded to the securities issued or guaranteed by GNMA, Fannie Mae and Freddie Mac is reduced, or if the rating awarded to the claims paying ability of the provider of any Investment Agreement is reduced, the rating on the 2024 Series 1 Bonds may be reduced. On July 13, 2011, Moody's indicated that ratings of credits that are directly linked to the rating of government sponsored enterprises (*e.g.* GNMA, Fannie Mae and Freddie Mac), will move in lock-step with the rating of the United States government. Any reduction of the rating in effect for the 2024 Series 1 Bonds may adversely affect the market price of the 2024 Series 1 Bonds. See "RATING" herein.

Investment Agreements

Money held in various accounts related to the 2024 Series 1 Bonds may be invested under one or more Investment Agreements. See "PLAN OF FINANCE—Investment of Proceeds" herein. The Commission selects Investment Agreement providers based upon competitive bids most favorable to the Commission obtained from multiple eligible institutions by an independent broker.

The failure of any provider to pay amounts when due under an Investment Agreement pertaining to the Acquisition Fund could result in the Trustee's inability to acquire Eligible Collateral in an amount necessary to fully collateralize the Bonds. A failure by the provider to pay amounts due under an Investment Agreement pertaining to the other Funds could result in the Trustee's inability to pay interest on the Bonds.

The Commission makes no representations regarding (i) the ability of any Investment Agreement provider to make payments required under the Investment Agreements, (ii) the ability of any Investment Agreement provider to maintain its current ratings, (iii) the effect any downgrade in such ratings may have on the rating then assigned to the Bonds, or (iv) the Trustee's ability to recover amounts owed by an Investment Agreement provider in the event of a bankruptcy or other default under an Investment Agreement.

Risks Associated with Interest Rate Swaps

The Commission has one existing interest rate swap relating to the General Indenture, as described under the heading "THE COMMISSION—Interest Rate Swaps."

In the event an interest rate swap is terminated, or a swap counterparty fails to make its required payments under the agreement, or the relationship between the swap index and the interest rate on the hedged Bonds diverges for any reason, the Commission might encounter increased interest costs associated with such Bonds. Such amounts would be payable from the applicable Series Interest Subaccount on a parity with the Commission's obligation to pay interest on the Bonds. To the extent amounts are unavailable in the applicable Series Interest Subaccount to make such a payment, the Commission will be required to use amounts available under the General Indenture in the priority described in Appendix A under the heading "Deficiencies in Series Debt Service Accounts." This could negatively affect cash flow margins under the General Indenture. In addition, the Commission may be required to pay a termination payment, which could be substantial, under certain circumstances. Certain risks associated with the Commission's interest rate swap transactions are described below.

Counterparty Risk. Counterparty risk is the risk that the counterparty will be unable to perform its obligations pursuant to an interest rate swap transaction. The Commission, pursuant to its Interest Rate Swap Policy, mitigates this risk by entering into transactions only with highly rated counterparties, and requiring collateral and allowing early termination if a counterparty becomes less creditworthy. See "THE COMMISSION—Interest Rate Swaps."

Basis Risk. Basis risk is the risk that the payments received under an interest rate swap transaction do not match the hedged obligation. The Commission intends, pursuant to its Interest Rate Swap Policy, to mitigate its risk with respect to its hedged variable rate bonds by: (i) matching the notional amount and amortization schedule of each swap transaction to the notional amount and amortization schedule of each related variable rate bond issue, and (ii) either selecting an index for the variable rate component of each interest rate swap transaction that is reasonably expected to closely match the interest rate resets on the related variable rate bonds, or selecting an interest rate cap and floor that result in smaller variation among possible interest rates on the hedged Bonds.

If the actual variable rate on variable rate bonds subject to an interest rate swap is higher than the variable rate payments determined pursuant to the related interest rate swap transaction, the Commission will be obligated to pay the difference between the variable rate received under such transaction and the actual variable rate borne by such Bonds.

The interest rate swaps described under the heading “THE COMMISSION—Interest Rate Swaps” are based on either SIFMA or the Secured Overnight Financing Rate (“SOFR”).

Termination Risk. Termination risk is the risk that an interest rate swap transaction is terminated prior to its scheduled termination date. Either party may terminate an interest rate swap transaction upon the occurrence of an event of default or termination event thereunder. If an interest rate swap is terminated, the Commission would be subject to interest rate risk to the extent that the associated Bonds were not hedged with another interest rate swap or other derivative transaction. In addition, if at the time of termination the interest rate swap has a fair market value to the swap counterparty, the Commission likely would owe the swap counterparty a termination payment (in addition to fees, if any, associated with voluntary termination) equal to such fair market value, which could be substantial.

Rollover Risk. The Commission is exposed to rollover risk on interest rate swaps that mature or may be terminated prior to the maturity of the associated Bonds. When swaps hedging floating (or variable) rate bonds expire or are terminated by either party, the Commission would not realize the synthetic fixed rate offered by such swaps on the underlying Bond issues.

Cybersecurity Risks

The Commission relies on a complex technology environment to conduct its operations. As a recipient and provider of personal, private and sensitive information, the Commission faces multiple cyber threats including, but not limited to, hacking, viruses, malware, ransomware, phishing, business email compromise, and other attacks on computers and other sensitive digital networks, systems, and assets. Housing finance agencies and other public finance entities have been targeted by outside third parties attempting to misappropriate assets or information or cause operational disruption and damage. Further, third parties, such as hosted solution providers, that provide services to the Commission, could also be a source of security risk in the event of a failure of their own security systems and infrastructure.

The Commission uses a layered cyber security defense approach that employs sound operational strategies and security technology solutions to secure against, detect, and mitigate the effects of cyber threats on its infrastructure and information assets. The Commission conducts regular information security and privacy awareness training that is mandatory for all Commission staff and regularly conducts risk assessments and tests of its cybersecurity systems and infrastructure. The Commission’s Information Technology Manager focuses on and leads the efforts of the Commission to keep its cyber assets secure.

Despite its efforts, no assurances can be given that the Commission’s security and operational control measures will be successful in guarding against any and each cyber threat and attack, especially because the techniques used are increasingly sophisticated, change frequently, are complex, and are often not recognized until launched. To date, cyber attacks have not had a material impact on the Commission’s financial condition, results or business; however, the Commission is not able to predict the severity of future attacks. The results of any attack on the Commission’s computer and information technology systems could impact its operations for an unknown period of time, damage the Commission’s digital networks and systems, or damage the Commission’s reputation, financial performance, and customer or vendor relationships. Such an attack could also result in litigation or regulatory investigations or actions, including regulatory actions by state and federal governmental authorities. The costs of remedying any such damage could be substantial and such damage to the Commission’s reputation and relationships could adversely affect its ability to make loans and issue bonds in the future.

PLAN OF FINANCE

The 2024 Series 1 Bonds are being issued to make available additional money to purchase Certificates (including participations therein, if any) and Home Advantage DPA Mortgage Loans. A portion of the 2024 Series 1 Bond proceeds will be used to redeem certain outstanding obligations of the Commission, and an equal amount of funds on deposit for the obligations being redeemed will be deposited to the 2024 Series 1 Acquisition Account (House Key) and used to purchase Certificates.

The Trustee is expected to use proceeds of the 2024 Series 1A Bonds and the 2024 Series 1N Bonds deposited in the 2024 Series 1 Acquisition Account (House Key) to purchase new Certificates (including participations therein, if any) backed by Mortgage Loans originated pursuant to the House Key Program and to repurchase such Certificates (including participations therein, if any) that the Commission purchased pending the issuance of the 2024 Series 1 Bonds with money in the Commission Fund. The Trustee is also expected to use proceeds of the 2024 Series 1T Bonds deposited in the 2024 Series 1 Acquisition Account (Home Advantage) to purchase new Certificates backed by Mortgage Loans originated pursuant to the Home Advantage Program, to repurchase such Certificates that the Commission purchased pending the issuance of the 2024 Series 1 Bonds, and to purchase Home Advantage DPA Mortgage Loans made in connection with the origination of the Mortgage Loans backing the Certificates financed with proceeds of the 2024 Series 1T Bonds.

Sources and Uses of Funds*

The proceeds of the 2024 Series 1 Bonds, together with other money under the Indenture, are expected to be used as follows:

Investment of Proceeds

Proceeds of the 2024 Series 1 Bonds and money in funds and accounts established with respect to the 2024 Series 1 Bonds must be invested in Permitted Investments.

In the past, the Commission has invested the money in certain of its funds and accounts in Investment Agreements. In light of current yields on investment contracts, the Commission does not expect that money in the other 2024 Series 1 Accounts and Subaccounts will be invested in an Investment Agreement upon the issuance of the 2024 Series 1 Bonds. However, the Trustee may invest money held in one or more funds and accounts related to the 2024 Series 1 Bonds under an Investment Agreement in the future. See "BONDHOLDER RISKS-Investment Agreements" herein for a discussion of certain risks relating to Investment Agreements.

SINGLE-FAMILY MORTGAGE PROGRAMS

Programs Financed Under the Indenture

The Commission has established a number of programs to help qualifying persons and families finance the costs of acquiring their primary residences within Washington State. One such program (the "House Key Program") involves the issuance of bonds under both the Indenture and the Homeownership Indenture to finance the origination of

* Preliminary, subject to change.

Mortgage Loans. Another such program (the “Home Advantage Program”) involves both the issuance of Bonds under the Indenture to finance the origination of Mortgage Loans and selling mortgage loans originated under the Home Advantage Program into the To Be Announced Market (the “TBA Market”). The House Key Program and the Home Advantage Program are a few of the methods by which the Commission achieves its goal of promoting the availability of single-family housing for moderate- and low-income persons and families. These programs complement the Commission’s other single-family mortgage programs.

The House Key Program. The House Key Program was established in 1995. It has funded over \$2.792 billion of Mortgage Loans since funding commenced under the Indenture. See Appendix F (Table F-3) for a table showing the Commission’s historical usage of Bond proceeds. The primary source of funding for the House Key Program has been bonds issued under the Indenture. In certain circumstances, proceeds of Bonds issued under the Indenture and proceeds of bonds issued under the Homeownership Indenture have been used to acquire interests in the same Certificate (*e.g.* to finance a principal-only participation in such Certificate). The *pro rata* portions of such Certificates financed with proceeds of the Bonds will secure the Bonds, and the *pro rata* portions of such Certificates financed with proceeds of bonds issued under the Homeownership Indenture will secure bonds issued under the Homeownership Indenture. There currently are no proceeds available under the Homeownership Indenture that the Commission expects to use for purposes of originating new mortgage loans.

NONE OF THE TRUST ESTATE PLEDGED IN THE HOMEOWNERSHIP INDENTURE TO THE OWNERS OF BONDS ISSUED UNDER THE HOMEOWNERSHIP INDENTURE IS PLEDGED TO OR AVAILABLE FOR PAYMENT OF THE BONDS.

The Home Advantage Program. The Commission first implemented the Home Advantage Program in July 2012. The 2024 Series 1T Bonds will be the third Series of Bonds issued under the Indenture for the purpose of financing Certificates backed by Mortgage Loans originated under the Home Advantage Program and Home Advantage DPA Mortgage Loans.

The Home Advantage Program is available to borrowers whose annual household income is \$180,000 or less to acquire single-family residences in Washington State. The Home Advantage Program is not limited to first-time homebuyers. Through the Home Advantage Program, Mortgage Lenders originate mortgage loans guaranteed by FHA, RHS and VA, or meeting Fannie Mae or Freddie Mac requirements, which loans are purchased by one or more servicers and aggregated with other mortgage loans into a loan pool supporting a GNMA Certificate, a Fannie Mae Certificate or a Freddie Mac Certificate, as applicable. Most borrowers under the Home Advantage Program qualify for (and use) down payment assistance in an amount of up to 5% of the amount of the first Mortgage Loan. This down payment assistance usually is structured as a deferred second mortgage loan, with no interest, that is due in 30 years (or at the time of sale, refinance or transfer of the home). Such down payment assistance loans made in connection with a first Mortgage Loan backing a Certificate financed by the proceeds of the 2024 Series 1T Bonds are referred to herein as the Home Advantage DPA Mortgage Loans. The Commission also makes other forms of down payment assistance programs available for certain qualifying borrowers.

Program Expenses. The expenses of the House Key Program are paid from, and certain expenses of the Home Advantage Program allocable to the Mortgage Loans financed by the proceeds of Bonds issued under the Indenture are expected to be paid from, various accounts and subaccounts created under the Indenture. See the definition of “Expenses” in Appendix A hereto for examples of such expenses. The amounts required to administer the House Key Program and the amounts required to administer the Home Advantage Program that are allocable to the Mortgage Loans financed by an issuance of Bonds are projected at the time each series of Bonds are issued. See Appendix A, under the heading “Creation of Funds and Accounts,” for a summary of how money is to be deposited into the Series General Receipts Subaccount, the Series Expense Account and the Commission Fund under the Indenture. The Series Expense Accounts, the Commission Fund and the Cost of Issuance Fund are *not* part of the Trust Estate that has been pledged to Bond owners. See “SECURITY FOR THE BONDS—Pledge Under the Indenture” herein. Money in the various Series General Receipts Subaccounts can be transferred to the Commission Fund and used for any Commission purpose if an Asset Parity Determination supports such transfer. The primary sources of money for deposit to the Series Expense Account and the Commission Fund are expected to be amounts derived from mortgage payments, accumulated reserves set aside for the payment of such costs, and other available Commission funds.

Mortgage Loan Terms. The Commission generally has used Bond proceeds to originate 30-year Mortgage Loans that have loan terms requiring borrowers to pay principal on a current basis (the “Standard Mortgage Loans”). However, in the past, the House Key Program has financed Mortgage Loans with 40-year maturities and Mortgage Loans that provide for the commencement of principal amortization after a fixed period of time (*e.g.* 5 or 10 years). The Commission expects that all of the Mortgage Loans originated with the proceeds of the 2024 Series 1A Bond and

2024 Series 1N Bonds will be Standard Mortgage Loans. The Commission expects to use approximately \$2,300,000* of the proceeds of the 2024 Series 1T Bonds to purchase Home Advantage DPA Mortgage Loans which will not be Standard Mortgage Loans and to use the balance of the proceeds of the 2024 Series 1T Bonds to purchase first Mortgage Loans originated under the Home Advantage Program, which are expected to be Standard Mortgage Loans.

The Commission establishes schedules of offered Mortgage Loan Interest Rates and Borrower Points from time to time, including upon issuance of each series of new-money bonds (including Bonds), by modification of the Acquisition and Operating Policy. The Commission has reserved the right in its sole discretion to increase or reduce the interest rate on such Mortgage Loans (and on the related Certificates) before their origination, in accordance with the Indenture, the Acquisition and Operating Policy and the requirements, if any, of the Rating Agency.

Mortgage Loan Origination and Purchase. Under the House Key Program and the Home Advantage Program, Mortgage Loans are originated by those mortgage lending institutions (the “Mortgage Lenders”) that have entered, or are expected to enter, into a Mortgage Origination Agreement (each, an “Origination Agreement”) with the Commission and the Servicer. Among other requirements, each Mortgage Lender must be approved by the FHA, Fannie Mae or Freddie Mac, or otherwise be an eligible lender in good standing for VA-, HUD- or RHS-guaranteed mortgage loans.

The Commission has imposed various restrictions on Mortgage Lenders regarding the type of loans that will qualify as Mortgage Loans under the House Key Program and the Home Advantage Program. These restrictions are set forth in the Origination Agreements. Some of the restrictions with respect to the House Key Program are based on the federal tax law requirements described under the heading “TAX TREATMENT AND RELATED CONSIDERATIONS” herein. Other restrictions applicable to both the House Key Program and the Home Advantage Program are based on policies adopted by the Commission. The Commission generally reviews each Mortgage Loan to be financed with bond proceeds to determine whether it complies with GNMA, Fannie Mae or Freddie Mac loan documentation requirements, as applicable.

Upon completion of such review, the Mortgage Loan will be purchased by the Servicer and aggregated with other Mortgage Loans into a loan pool supporting a Certificate. These Certificates are then purchased from the Servicer by the Trustee. Under the Commission’s Servicing Agreements, each Servicer is responsible for remitting the principal and interest payments scheduled to be made on the Mortgage Loans under the terms of the applicable GNMA, Fannie Mae and Freddie Mac documents. See “THE SERVICER” for more information regarding the Servicer. See Appendix B for information about the GNMA, Fannie Mae and Freddie Mac programs.

Recycling. Except to the extent it is restricted from doing so under an applicable Series Indenture, the Commission is allowed under the Indenture to use a portion of money available in the various Series Unrestricted Principal Receipts Subaccounts, Series Taxable Principal Receipts Subaccounts and Series General Receipts Subaccounts (and the corresponding accounts created under the Homeownership Indenture) to fund additional Mortgage Loans (*i.e.* to “recycle” such principal payments). See Appendix A under the heading “Creation of Funds and Accounts—Revenues” for a summary of how money in the various Series Unrestricted Principal Receipts Subaccounts, Series Taxable Principal Receipts Subaccounts, and Series General Receipts Subaccounts is to be applied from time to time. The Commission also has reserved the right to sell certificates acquired under the Indenture to generate money that can be used by the Commission to fund additional Mortgage Loans, subject to tax compliance limitations (to the extent any such additional Mortgage Loans are funded from the sale of Certificates originally financed by proceeds of tax-exempt Bonds) and the conditions set forth in the Indenture. Thus, during the period that proceeds of the 2024 Series 1 Bonds are being used to acquire Certificates, the Commission may have a competing source of funds (*i.e.* the recycling proceeds) available to originate Mortgage Loans for the Program, which could increase the potential for an Unexpended Proceeds Redemption. See “BONDHOLDER RISKS—Risks Resulting from Non-Origination” herein.

Certain House Key Program Constraints and Limitations. Federal income tax laws set forth various restrictions on the Commission’s ability to originate Mortgage Loans with the proceeds of tax-exempt Bonds. These include requirements that: (1) the Commission must expect that each residence being financed will become the mortgagor’s principal residence within a reasonable period of time; (2) subject to certain exceptions, the mortgagor must not have owned and occupied a principal residence within three years before the Mortgage Loan is executed; (3) the acquisition cost of the residence must not exceed the amount determined pursuant to relevant federal tax laws; (4) the mortgagor’s annualized gross household income cannot exceed certain prescribed limitations; (5) except in certain limited circumstances, Bond proceeds may not be applied to acquire or replace an existing Mortgage Loan; and (6) even if provided for in the terms of a Mortgage Loan, such Mortgage Loan cannot be assumed by another mortgagor unless

* Preliminary, subject to change.

the requirements of (1) through (4) above are met at the time of the assumption. See “TAX TREATMENT AND RELATED CONSIDERATIONS” herein for a discussion of these federal tax constraints. The following paragraphs describe how the Commission has incorporated certain of these restrictions into the House Key Program.

Residence Requirement. Each Mortgage Loan must finance a Single-Family Residence that is located within Washington State and is intended to be used as the Mortgagor’s principal residence. While federal tax law generally defines a “single-family residence” to include multi-family housing projects that can accommodate up to four families, the Commission currently limits the House Key Program to one-unit properties but allows two-unit properties to be financed under the Home Advantage Program.

Income Requirement. Under the House Key Program, the Commission has established maximum permitted income limits for Mortgagors within each of the various counties in Washington State. Such income limits are subject to change by the Commission from time to time, subject to U.S. Treasury regulations. The maximum income limits in effect currently for Mortgage Loans originated with the proceeds of tax-exempt Bonds (such as the 2024 Series 1A Bonds and the 2024 Series 1N Bonds), as adopted by the Commission, are set forth in the following table. While such income limits represent the maximum incomes for Mortgagors, the House Key Program may implement lower income limits than the maximum limits approved by the Commission.

Counties	Non-Targeted Areas		Targeted Areas	
	1-2 Persons	3 or more Persons	1-2 Persons	3 or more Persons
Clark & Skamania	\$110,000	\$125,000	\$120,000	\$140,000
King & Snohomish	\$150,000	\$175,000	\$150,000	\$175,000

During the fiscal year ended June 30, 2023, the average household income of Mortgagors obtaining Mortgage Loans under the House Key Program was \$73,946.

Purchase Price Requirement. The Commission has established maximum purchase prices for residences financed under the House Key Program in each county of Washington State. These maximum purchase prices are within the limits established by the U.S. Treasury Regulations promulgated under the Code. The current purchase price limits are set forth in the following table and are subject to change.

Counties	Non-Targeted	Targeted	Counties	Non-Targeted	Targeted
Clark & Skamania	\$495,000	\$550,000	San Juan	\$410,000	\$480,000

Reservation Priorities. The Commission has covenanted to make available, to the extent necessary, Commission funds in an amount equal to 20% of the lendable proceeds of the 2024 Series 1A Bonds and 2024 Series 1N Bonds for a period of 12 months from the date such proceeds are first made available to finance Mortgage Loans in Targeted Areas. Such covenant is in lieu of depositing proceeds of the 2024 Series 1A Bonds and 2024 Series 1N Bonds into the 2024 Series 1 Targeted Area Subaccount. If necessary to ensure an equitable statewide distribution of funds, proceeds of the 2024 Series 1A Bonds and 2024 Series 1N Bonds deposited in the 2024 Series 1 Acquisition Account (House Key) may be set aside for a period of time to make Mortgage Loan reservations in targeted geographic areas.

Monitoring Tax Law Compliance. In 1999, the Commission began reviewing Mortgage Loans originated under the House Key Program for tax compliance. Prior to such time, a private vendor reviewed tax compliance during the Mortgage Loan origination period. The initial review of the Mortgage Loan application for compliance with

Section 143 of the Code (“Section 143”) will be conducted by the Mortgage Lenders. The Mortgage Lenders are required to review certain documents, such as: the Mortgage Loan application; the affidavit of the borrower including, as needed, income tax returns, leases, rent checks, and rent receipts; appraisals; and the accepted offer to purchase the residence. If a Mortgage Lender concludes that a Mortgage Loan meets the House Key’s Program’s requirements, it will forward to the Commission certain documents bearing on compliance with Section 143. The Commission will conduct its own review of such documents for compliance with Section 143. If the Commission concurs in the Mortgage Lender’s assessment that the borrower, the Mortgage Loan, and the residence meet the requirements of Section 143, the Commission will issue a preliminary compliance approval. Upon its receipt of closing documents evidencing that no material change has occurred which would result in noncompliance with Section 143, the Commission will issue a final compliance approval. A Servicer may not purchase any Mortgage Loan prior to receipt of the Commission’s final compliance approval with respect to such Mortgage Loan.

(2) All assets and liabilities are valued in accordance with the definition “Asset Parity” under the General Indenture. See Appendix A for the definition of “Asset Parity.” When the Commission issues additional Bonds, it must show, among other things, that projected Asset Parity will always be equal to or greater than 100%. See “SECURITY FOR THE BONDS—Additional Bonds” herein and the definition of “Supporting Cash Flows” in Appendix A.

(3) Excludes Subordinate Bonds, of which there are none.

Other Single-Family Mortgage Loan Programs

In addition to the House Key Program, the Commission currently provides for the origination of mortgage loans for single-family residences through its Home Advantage Program (“Home Advantage Program”). The Home Advantage Program, together with the single-family mortgage loan program established under the Special Program Indenture, are briefly summarized below.

Home Advantage. As of the date of this Official Statement, the Commission considers the Home Advantage Program to be the Commission’s primary single-family mortgage program. During the fiscal years ended June 30, 2022 and June 30, 2023, the Home Advantage Program resulted in the origination by Mortgage Lenders of mortgage loans in the approximate aggregate amounts of \$1.9 billion and \$733.5 million, respectively. All of such mortgage loans originated in the fiscal year ended June 30, 2022 were sold into the TBA Market. In the fiscal year ended June 30, 2023 the Commission began financing a portion of such mortgage loans with proceeds of taxable Bonds issued under the Indenture. The Commission intends to continue to sell the majority of the mortgage loans originated under the Home Advantage Program into the TBA Market and to issue Bonds under the Indenture to finance a portion of the

mortgage loans originated under the Home Advantage Program by purchasing Certificates backed by such mortgage loans.

Single-Family Special Program. The Commission established its Special Program Indenture in 2012 to finance mortgage loans for single-family residences. To date, there has only been one series of bonds issued under the Special Program Indenture. See “INTRODUCTION—Other Mortgage Revenue Bond Indentures” for the outstanding principal amount of such bonds. There currently are no proceeds available under the Special Program Indenture that the Commission expects to use for purposes of originating new mortgage loans. None of the trust estate pledged in the Special Program Indenture is pledged to or available for payment of the Bonds.

Management’s Discussion and Analysis

The Commission relies primarily on its Home Advantage Program using the TBA Market to provide for mortgage loan originations. Mortgage loans in the approximate amount of \$733.5 million were pooled and purchased under this Home Advantage Program during the fiscal year ended June 30, 2023. Beginning with the 2023 Series 1T Bonds, the Commission issued bonds under the Indenture to finance Certificates backed by Mortgage Loans originated pursuant to the Home Advantage Program, of which approximately \$1.0 million of such bond proceeds had been used to finance mortgage loans as of June 30, 2023. A portion of the proceeds of the 2024 Series 1T Bonds issued under the Indenture will be used to finance Certificates backed by Mortgage Loans originated pursuant to the Home Advantage Program.

The Commission’s House Key Program continues to rely on funding generated through the issuance of mortgage revenue bonds in the General Indenture. Total assets, as shown in the foregoing table, increased from \$573.0 million on June 30, 2022, to \$673.9 million on June 30, 2023, an increase of \$100.9 million (approximately 17.6 %). This increase was attributable to the issuance of two series of bonds during the fiscal year ended June 30, 2023, which generated approximately \$147.1 million of proceeds to acquire new certificates, and positively affected the Mortgage-Backed Securities and Investments for the fiscal year.

Total liabilities increased by \$94.4 million (approximately 19.32%) in the fiscal year ended June 30, 2023, to \$583.0 from \$488.6 million the year before, resulting in a decrease to Net Parity from 117.28% on June 30, 2022, to 115.59% on June 30, 2023. The total liabilities is attributable to the issuance of approximately \$100.6 million of “new money” (as opposed to refunding) bonds during the fiscal year ended June 30, 2023, which increase was partially offset by the principal payment on and redemptions of outstanding bonds during the fiscal year.

The Commission has presented unaudited financial information in a format that corresponds with the definition of “Asset Parity” under the General Indenture, which does not require adjustments to reflect market value. The Commission’s audited financial statements, on the other hand, present Certificates at market value in accordance with Government Accounting Standards Board (“GASB”) Statement No. 31 to conform with GAAP. There can be a significant positive or negative impact in the fiscal year’s income or loss within the General Indenture, with a corresponding, cumulative impact in the net worth of the General Indenture, when such Certificates are presented at market value in accordance with GASB Statement No. 31. See “FINANCIAL STATEMENTS” herein for information regarding the Commission’s financial statements.

Interest Rate Swaps

Swap Policy. The Commission adopted an “Interest Rate Swap Policy” on March 24, 2005, which was amended on July 26, 2007, and further amended on September 26, 2019, and may be revised by the Commission at any time (the “Interest Rate Swap Policy”). Among other things, the policy currently provides that the Commission can only enter into “payment agreements” such as interest rate swaps, ceilings or floors (collectively, “Swaps”) with counterparties that meet the minimum ratings requirements set forth in RCW 39.96.040. This statute requires, among other things, that any counterparty (or its guarantor) be (i) rated in at least the “double A” ratings category by at least two nationally recognized credit rating agencies or (ii) if the counterparty (or its guarantor) is rated in the “single A” ratings category by at least two nationally recognized credit rating agencies, the counterparty must provide for the posting of eligible collateral equal to at least 102% of the net market value of the Swap under the circumstances described in the Interest Rate Swap Policy. The statute also requires that the payment agreement require a counterparty described in clause (i) of the previous sentence to meet the collateralization requirements of clause (ii) if the counterparty’s rating(s) fall below the requirements of clause (i).

The Commission’s Interest Rate Swap Policy provides that collateral must consist of cash, U.S. Treasury securities and U.S. agencies that are 100% guaranteed by the United States, that collateral deposited by the counterparty be equal to at least 102% of the net market value of the Swap and that such collateral be held by the Commission or its agent. The market value of the collateral shall be determined on at least a weekly basis. The Interest Rate Swap Policy also requires that each Swap executed by the Commission contain terms and conditions as set forth in the ISDA[®] Master Agreement, including the schedule, credit support annex and confirmation.

Existing Swaps Relating to the Bonds. The Commission has entered into Swaps in connection with the issuance of certain variable rate and floating rate Bonds. Such Swaps were intended to create debt with synthetic interest rates that were lower than the Commission would have attained from issuing long-term fixed rate Bonds. The Commission has entered into the following Swap with respect to the Bonds and such Swap is a hedging derivative instrument:

Counterparty	Associated Series	Bond	Notional Amount Under Swap (1)	Effective Date of Swap	Fixed Rate to Counterparty	Floating Rate to Commission (2)	Swap Termination Date (3)
Royal Bank of Canada	2018 Series	1N-MM	\$22,500,000	12/3/2018	2.730%	70% SOFR + 0.0801%	12/1/2048
			\$22,500,000				

- (1) As of March 1, 2024. See Appendix F (Table F-1) for a table showing the outstanding principal amounts and stated maturities of the Bonds associated with the respective Swaps.
- (2) “SOFR” refers to The Secured Overnight Financing Rate.
- (3) If the stated maturities of the Bonds associated with the respective Swaps exceed the termination dates of the respective Swaps, the Commission may, in its discretion, decide *not* to enter into subsequent Swaps with respect to the Bonds listed in this table. If the Commission decides to enter into one or more subsequent Swaps, there can be no assurances that the subsequent Swaps will result in synthetic fixed interest rates that are consistent with those set forth in the table.

The Swap described in the foregoing table is in the form of an ISDA[®] Master Agreement, as modified by a schedule, credit support annex and confirmation. Any semiannual payments paid by the Trustee to the Existing Swap Provider are made from the respective Series Interest Subaccount and are on a parity with payments of interest on the Bonds. All other payment obligations to the Existing Swap Provider (*e.g.* termination payments) are payable from funds pledged to the Bonds under the General Indenture that are available after the payment of scheduled principal, interest and expenses but prior to cross calling or recycling. Under certain circumstances (including certain events of default with respect to the Commission or the Existing Swap Provider) the Existing Swap may be terminated in whole or in part. Following the termination of the Existing Swap, either the Commission or the Existing Swap Provider may owe a termination payment to the other, depending upon the then market value of an interest rate collar or swap comparable to the remaining term of the terminated Swap and the events that caused the Swap to terminate. Under certain circumstances, whether or not it is the defaulting or terminating party, the Commission could owe a termination payment that could be substantial and, if payable by the Commission, may decrease the assets held under the General Indenture.

THE SERVICER

As more fully described under the heading “SINGLE-FAMILY MORTGAGE PROGRAMS” herein, the Servicer is required to purchase Mortgage Loans from Mortgage Lenders, to issue Certificates backed by such Mortgage Loans, and, with respect to those Certificates that will be acquired with Bond proceeds, to sell those Certificates to the Trustee. Once Certificates have been issued to the Trustee, the Servicers’ primary duties involve the collection and distribution to the Trustee, GNMA, Fannie Mae and Freddie Mac, as appropriate depending on program requirements, of payments received on account of the underlying Mortgage Loans. See Appendix B for information about the Servicers’ role under the GNMA, Fannie Mae and Freddie Mac programs. A Servicer’s ability to purchase and pool Mortgage Loans, and to issue and deliver Certificates, underlies the Trustee’s ability to spend Bond proceeds in a timely manner. See “BONDHOLDER RISKS—Risks Resulting from Non-Origination” herein for a discussion of certain factors that might adversely affect a Servicer’s ability to acquire and pool Mortgage Loans, and to issue and deliver Certificates.

Over the years, the Commission has engaged various Servicers for Mortgage Loans originated under the Program. Such Servicers include HomeStreet Bank, U.S. Bank Home Mortgage–MRBP Division, Bank of America, N.A., the Alabama Housing Finance Authority, and Lakeview Loan Servicing. The Commission entered into a servicing agreement with Idaho Housing and Finance Association, Boise, Idaho (“IHFA”), that was effective January 20, 2023, as amended. IHFA is expected to service the Mortgage Loans that will be pooled into Certificates that the Trustee acquires with proceeds of the 2024 Series 1 Bonds and the Home Advantage DPA Mortgage Loans that the Trustee acquires with a portion of the proceeds of the 2024 Series 1T Bonds.

IHFA

The information under this subheading has been provided solely by IHFA and is believed to be reliable, but has not been verified independently by the Commission. No representation whatsoever as to the accuracy, adequacy, or completeness of such information is made by the Commission.

IHFA is (i) an FHA-, VA- and USDA/Rural Development-approved lender in good standing, (ii) a GNMA-approved seller and servicer of mortgage loans and an issuer of mortgage-backed securities guaranteed by GNMA, (iii) a Fannie Mae-approved seller and servicer of Fannie Mae securities and (iv) a Freddie Mac-approved seller and servicer of IHFA securities. As of December 31, 2023, IHFA serviced 249,302 single-family mortgage loans with an aggregate principal balance of approximately \$31.1 billion. IHFA currently services single-family mortgage loans for housing finance authorities, mutual savings banks, non-profit associations and commercial banks, as well as Fannie Mae, GNMA and Freddie Mac. As of December 31, 2023, according to its unaudited quarterly financial statements, IHFA had total assets, not including deferred outflows of resources, of \$4.3 billion and a net position of approximately \$614 million. For the twelve months ending December 31, 2023, IHFA originated and purchased single-family mortgage loans in a total principal amount of approximately \$1.4 billion in Idaho and another \$3.9 billion for its partnership states.

Agreement with IHFA

IHFA is expected to acquire and service Mortgage Loans under the terms of a Program Administration and Servicing Agreement dated as of January 20, 2023, as amended by a First Amendment to Program Administration and Servicing Agreement, dated as of May 1, 2023, among the Commission, the Trustee and IHFA (as it may be further amended from time to time, the “Servicing Agreement”). The principal responsibilities of IHFA under the Servicing Agreement include purchasing and pooling Mortgage Loans, selling the Certificates at the Commission’s direction (*e.g.* to the Trustee) and servicing the Mortgage Loans (subject to the standard GNMA, Fannie Mae and Freddie Mac procedures for servicing mortgage loans).

The Commission is responsible under the Servicing Agreement for reviewing each Mortgage Loan originated by the Mortgage Lenders to determine compliance with GNMA, Fannie Mae and Freddie Mac loan documentation and tax compliance requirements. Upon completion of such review, IHFA is required to acquire approved Mortgage Loans on behalf of the Commission, and complete all required documents and forms incidental to the inclusion of such Mortgage Loans in GNMA, Fannie Mae or Freddie Mac pools.

The Servicing Agreement requires that IHFA service each Mortgage Loan it acquires. Its rights as a Servicer include, among others, the right to execute and deliver customary consents, waivers and releases, the right to collect insurance proceeds, and the right to effectuate foreclosure proceedings (so long as such rights are exercised in accordance with applicable GNMA, Fannie Mae and Freddie Mac documents). IHFA also is responsible under the Servicing Agreement for remitting the principal and interest payments made on the Mortgage Loans under the terms of the applicable GNMA, Fannie Mae and Freddie Mac documents. If the Servicing Agreement is not extended, the obligations of the Servicer to service the mortgage loans it has pooled under Certificates will continue.

Under the Servicing Agreement, the Commission receives monthly servicing release fees. IHFA receives a portion of each installment of interest under the Mortgage Loans acquired and certain late charges paid by Mortgagors as compensation for its services under the Servicing Agreement.

Subject to written approval by the Commission and the Trustee, the obligations and duties of IHFA under the Servicing Agreement may be assigned to another firm then currently approved to act in such capacity by GNMA, Fannie Mae or Freddie Mac.

QUANTITATIVE CONSULTANT

cfX serves as the Commission's quantitative consultant pursuant to an engagement agreement that terminates on December 31, 2028 (subject to renewal at the parties' discretion). Subject to the terms of the engagement agreement, cfX will provide certain quantitative work products to the Commission and the Trustee to be utilized in connection with their respective operating obligations under the Indenture. Each such work product will be based solely on information provided to cfX by the Commission and the Trustee, certain assumptions provided to cfX by the Commission, and certain instruction from Bond Counsel and Special Tax Counsel. cfX will make no representation with respect to the accuracy of such information or as to the reasonableness of such assumptions and instructions. cfX is not obligated to undertake and has not undertaken to make an independent verification or to assume responsibility for the accuracy, completeness or fairness of the information contained in this Official Statement and is not obligated to review or ensure compliance with continuing disclosure undertakings. cfX has registered with the Securities and Exchange Commission and the Municipal Securities Rulemaking Board as a municipal advisor.

TAX TREATMENT AND RELATED CONSIDERATIONS

Tax Matters With Respect to the 2024 Series 1A Bonds and 2024 Series 1N Bonds

General. The Code establishes certain requirements that must be met subsequent to the issuance of the 2024 Series 1A Bonds and 2024 Series 1N Bonds in order that interest thereon be and remain excludable from gross income for federal income tax purposes. Failure to comply with such requirements could cause the interest on the 2024 Series 1A Bonds and 2024 Series 1N Bonds to be includable in gross income retroactive to their date of original issuance. The requirements of the Code include provisions that restrict the yield and set forth other limitations within which the proceeds made available upon the issuance of the 2024 Series 1A Bonds and 2024 Series 1N Bonds are to be invested, including mortgage eligibility requirements, and require that certain investment earnings be rebated on a periodic basis to the United States Treasury.

Section 143 of the Code imposes significant limitations on the financing of single-family Mortgage Loans that are applicable to the 2024 Series 1A Bonds and 2024 Series 1N Bonds. The Commission will require that all Mortgage Loans financed by the proceeds made available upon the issuance of the 2024 Series 1A Bonds and 2024 Series 1N Bonds satisfy these requirements, including, but not limited to, the borrower income and purchase price limitations of Section 143 of the Code.

Under the Code, the following requirements must be met with respect to each Mortgage Loan financed, in whole or in part, with the proceeds of tax-exempt Bonds: (a) the residence being financed must reasonably be expected by the Commission to become the principal residence of the mortgagor within a reasonable time after the financing is provided, must not be intended primarily or expected to be used in a trade or business and may not be used as an investment property or as a recreational home; (b) subject to certain exceptions, at least 95% of the lendable proceeds of an issue must be used to finance residences of borrowers who have not had a present ownership interest in a principal residence during the three-year period prior to the date on which the mortgage is executed; (c) the acquisition cost of the residence must not exceed certain limitations; (d) all mortgages must be made to borrowers whose income does not exceed certain limitations; (e) except in certain limited circumstances, proceeds may not be applied to acquire or replace an existing mortgage; and (f) if assumable in accordance with its terms, a mortgage may not be assumed unless requirements (a) through (d) above are met.

An issue of bonds is treated as meeting the mortgage eligibility requirements of the Code only if the issuer in good faith attempts to meet all of the mortgage eligibility requirements before the mortgages are executed and any failure to comply with the mortgage eligibility requirements is corrected within a reasonable period after such failure is first discovered. In addition, 95% or more of the proceeds of the issue used to make loans must be used to finance residences which met all such requirements at the time the loans were executed. In determining whether 95% of the proceeds have been so used, the issuer is entitled to rely on an affidavit of the mortgagor and of the seller and on the mortgagor's income tax returns filed with the Internal Revenue Service for the three years preceding the date the mortgage is executed even though the relevant information in such affidavits and returns should ultimately prove to be untrue, unless the Commission or its agent knows or has reason to believe that such information is false. If the relevant information in the affidavits obtained in connection with any loan is discovered to be untrue, however, the correction still must be made within a reasonable period.

The Commission will include provisions in the lender documents and other relevant documents and has established procedures (including receipt of certain affidavits and warranties from lenders, borrowers and others respecting the mortgage eligibility requirements) to ensure compliance with the mortgage eligibility requirements and other requirements relating to nonmortgage investments which must be met subsequent to the date of issuance of the 2024 Series 1A Bonds and 2024 Series 1N Bonds. The Commission has covenanted in the Indenture to do and perform all acts and things necessary or desirable in order to assure that interest paid on the 2024 Series 1A Bonds and 2024 Series 1N Bonds shall be excludable from gross income for federal income taxes purposes. Under the Code, certain requirements must be met subsequent to the delivery of the 2024 Series 1A Bonds and 2024 Series 1N Bonds to ensure that interest on such Bonds is not included in gross income.

Agreements, affidavits and other procedures are set forth in the documents relating to the Program to comply with the requirements of the Code. The Commission believes that the procedures and documentation requirements established for the purpose of fulfilling its covenant are sufficient to ensure that the proceeds of the 2024 Series 1A Bonds and 2024 Series 1N Bonds will be applied in accordance with the Code.

Backup Withholding. As a result of the enactment of the Tax Increase Prevention and Reconciliation Act of 2005, interest on tax-exempt obligations such as the 2024 Series 1A Bonds and 2024 Series 1N Bonds are subject to information reporting in a manner similar to interest paid on taxable obligations. Backup withholding may be imposed on payments to any bondholder who fails to provide certain required information, including an accurate taxpayer identification number, to any person required to collect such information pursuant to Section 6049 of the Code. The reporting requirement does not, in and of itself, affect or alter the excludability of interest on the 2024 Series 1A Bonds and 2024 Series 1N Bonds from gross income for federal income tax purposes or any other federal tax consequence of purchasing, holding or selling tax-exempt obligations.

Opinion of Special Tax Counsel. In the opinion of Kutak Rock LLP, Special Tax Counsel, to be delivered on the date of issuance of the 2024 Series 1A Bonds and 2024 Series 1N Bonds, assuming the accuracy of certain representations and continuing compliance by the Commission with certain covenants, under existing laws, regulations, rulings and judicial decisions, the interest on the 2024 Series 1A Bonds and 2024 Series 1N Bonds is excluded from gross income of the owners thereof for purposes of federal income taxation, except as hereafter described. Special Tax Counsel is further of the opinion that (i) interest on the 2024 Series 1A Bonds is a specific preference item for purposes of the federal alternative minimum tax imposed on individuals and (ii) interest on the 2024 Series 1N Bonds is not a specific preference item for purposes of the federal alternative minimum tax imposed on individuals. Interest on the 2024 Series 1A Bonds and 2024 Series 1N Bonds may affect the federal alternative minimum tax imposed on certain corporations. A form of the Special Tax Counsel opinion with respect to the 2024 Series 1 Bonds is attached hereto as Appendix E.

Although Special Tax Counsel is rendering an opinion that the interest on the 2024 Series 1A Bonds and 2024 Series 1N Bonds, as described above, is not included in gross income for federal income tax purposes, the accrual or receipt of interest on the 2024 Series 1A Bonds and 2024 Series 1N Bonds may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. Special Tax Counsel expresses no opinion regarding any such consequences.

Purchasers of the 2024 Series 1A Bonds and 2024 Series 1N Bonds, particularly purchasers that are corporations (including S corporations, foreign corporations operating branches in the United States, and certain corporations subject to the federal alternative tax imposed on corporations), property and casualty insurance companies, banks, thrifts or other financial institutions or certain recipients of Social Security or Railroad Retirement benefits, taxpayers otherwise entitled to claim earned income credit, taxpayers entitled to claim the refundable credit in Section 36B of

the Code for coverage under a qualified health plan or taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax-exempt obligations are advised to consult their tax advisors as to the tax consequences of purchasing, holding or selling the 2024 Series 1A Bonds and 2024 Series 1N Bonds.

From time to time, there are legislative proposals in the United States Congress that, if enacted, could alter or amend the federal tax matters referred to above or adversely affect the market value of the 2024 Series 1A Bonds and 2024 Series 1N Bonds. It cannot be predicted whether or in what form any such proposals might be enacted or whether, if enacted, would apply to bonds issued prior to enactment. Each purchaser of the 2024 Series 1A Bonds and 2024 Series 1N Bonds should consult his or her own tax advisor regarding any pending or proposed federal tax legislation, regulatory initiatives or litigation. Special Tax Counsel will not express any opinion regarding any pending or proposed federal tax legislation, regulatory initiatives or litigation.

Tax Treatment of Premium on Bonds. Bonds sold at initial public offering prices that are greater than the respective stated amounts to be paid at maturity constitute “Premium Bonds.” An investor that acquires a Premium Bond for a cost greater than its remaining stated redemption price at maturity and holds the Premium Bond as a capital asset will be considered to have purchased the Premium Bond at a premium and, under Section 171 of the Code, must generally amortize such premium under the constant yield method. Except as may be provided by regulation, amortized premium will be allocated among, and treated as an offset to, interest payments. The basis reduction requirements of Section 1016(a)(5) of the Code apply to amortizable bond premium that reduces interest payments under Section 171 of the Code. Regulations have been issued dealing with certain aspects of federal income tax treatment of bond premium, but such regulations do not fully address the method to be used to amortize bond premium on obligations such as the Premium Bonds. Therefore, investors should consult their tax advisors regarding the tax consequences of amortizing bond premium.

Tax Matters With Respect to the 2024 Series 1T Bonds

General. The following is a summary of certain anticipated federal income tax consequences of the purchase, ownership and disposition of the 2024 Series 1T Bonds under the Code and the Regulations, and the judicial and administrative rulings and court decisions now in effect, all of which are subject to change or possible differing interpretations. The summary does not purport to address all aspects of federal income taxation that may affect particular investors in light of their individual circumstances, nor certain types of investors subject to special treatment under the federal income tax laws. Potential purchasers of the 2024 Series 1T Bonds should consult their own tax advisors in determining the federal, state or local tax consequences to them of the purchase, holding and disposition of the 2024 Series 1T Bonds.

In general, interest paid on the 2024 Series 1T Bonds, original issue discount, if any, and market discount, if any, will be treated as ordinary income to the owners of the 2024 Series 1T Bonds, and principal payments (excluding the portion, if any, of such payments characterized as original issue discount or accrued market discount) will be treated as a return of capital.

Bond Premium. An investor that acquires a 2024 Series 1T Bond for a cost greater than its remaining stated redemption price at maturity and holds such instrument as a capital asset will be considered to have purchased such instrument at a premium. Such premium may generally be amortized under the constant yield method upon prior election permitted by Section 171(c) of the Code and, if so amortized, any call options of the Commission with respect to the 2024 Series 1T Bonds are generally disregarded such that the instruments are amortized to their maturity date. Except as may be provided by regulation, amortized premium will be allocated among, and treated as an offset to, interest payments. The basis reduction requirements of Section 1016(a)(5) of the Code apply to amortizing bond premium that reduces interest payments under Section 171 of the Code. Investors of any 2024 Series 1T Bond purchased with a bond premium should consult their own tax advisors as to the effect of such bond premium with respect to their own tax situation and as to the treatment of bond premium for state tax purposes.

Original Issue Discount. If the 2024 Series 1T Bonds are issued with original issue discount, Section 1272 of the Code requires the current ratable inclusion in income of original issue discount greater than a specified *de minimis* amount using a constant yield method of accounting. In general, original issue discount is calculated, with regard to any accrual period, by applying the instrument’s yield to its adjusted issue price at the beginning of the accrual period, reduced by any qualified stated interest allocable to the period. The aggregate original issue discount allocable to an accrual period is allocated to each day included in such period. As a general rule, the owner of a debt instrument must include in income the sum of the daily portions of original issue discount attributable to the number of days the owner owned the instrument. Owners of 2024 Series 1T Bonds purchased at a discount should consult their tax advisors

with respect to the determination and treatment of original issue discount accrued as of any date and with respect to the state and local tax consequences of owning such 2024 Series 1T Bonds.

Market Discount. An investor that acquires a 2024 Series 1T Bond for a price less than the adjusted issue price of such instrument may be subject to the market discount rules of Sections 1276 through 1278 of the Code. Under these sections and the principles applied by the Regulations, “market discount” means (a) in the case of a 2024 Series 1T Bond originally issued at a discount, the amount by which the issue price of such instrument, increased by all accrued original issue discount (as if held since the issue date), exceeds the initial tax basis of the owner therein, less any prior payments that did not constitute payments of qualified stated interest, and (b) in the case of a 2024 Series 1T Bond not originally issued at a discount, the amount by which the stated redemption price of such instrument at maturity exceeds the initial tax basis of the owner therein. Under Section 1276 of the Code, the owner of such a 2024 Series 1T Bond will generally be required (i) to allocate each principal payment to accrued market discount not previously included in income and, upon sale or other disposition of the instrument, to recognize the gain on such sale or disposition as ordinary income to the extent of such cumulative amount of accrued market discount as of the date of sale or other disposition of such an instrument or (ii) to elect to include such market discount in income currently as it accrues on all market discount instruments acquired by such owner on or after the first day of the taxable year to which such election applies.

The Code authorizes the Treasury Department to issue regulations providing for the method for accruing market discount on debt instruments the principal of which is payable in more than one installment. Until such time as regulations are issued by the Treasury Department, certain rules described in the legislative history will apply. Under those rules, market discount will be included in income either (a) on a constant interest basis or (b) in proportion to the accrual of stated interest or, in the case of a 2024 Series 1T Bond with original issue discount, in proportion to the accrual of original issue discount.

An owner of a 2024 Series 1T Bond that acquired such instrument at a market discount also may be required to defer, until the maturity date of such instrument or its earlier disposition in a taxable transaction, the deduction of a portion of the amount of interest that the owner paid or accrued during the taxable year on indebtedness incurred or maintained to purchase or carry such instrument in excess of the aggregate amount of interest (including original issue discount) includable in such owner’s gross income for the taxable year with respect to such instrument. The amount of such net interest expense deferred in a taxable year may not exceed the amount of market discount accrued on the 2024 Series 1T Bond for the days during the taxable year on which the owner held such instrument and, in general, would be deductible when such market discount is includable in income. The amount of any remaining deferred deduction is to be taken into account in the taxable year in which the 2024 Series 1T Bond matures or is disposed of in a taxable transaction. In the case of a disposition in which gain or loss is not recognized in whole or in part, any remaining deferred deduction will be allowed to the extent gain is recognized on the disposition. This deferral rule does not apply if the owner elects to include such market discount in income currently as it accrues on all market discount obligations acquired by such owner in that taxable year or thereafter.

Attention is called to the fact that Regulations implementing the market discount rules have not yet been issued. Therefore, investors should consult their own tax advisors regarding the application of these rules as well as the advisability of making any of the elections with respect thereto.

Unearned Income Medicare Contribution Tax. Pursuant to Section 1411 of the Code, as enacted by the Health Care and Education Reconciliation Act of 2010, an additional tax is imposed on individuals earning certain investment income. Holders of the 2024 Series 1T Bonds should consult their own tax advisors regarding the application of this tax to interest earned on the 2024 Series 1T Bonds and to gain on the sale of a 2024 Series 1T Bond.

Sales or Other Dispositions. If an owner of a 2024 Series 1T Bond sells the instrument, such person will recognize gain or loss equal to the difference between the amount realized on such sale and such owner’s basis in such instrument. Ordinarily, such gain or loss will be treated as a capital gain or loss.

If the terms of a 2024 Series 1T Bond were materially modified, in certain circumstances, a new debt obligation would be deemed created and exchanged for the prior obligation in a taxable transaction. Among the modifications that may be treated as material are those that relate to redemption provisions and, in the case of a nonrecourse obligation, those which involve the substitution of collateral. Each potential owner of a 2024 Series 1T Bond should consult its own tax advisor concerning the circumstances in which such instrument would be deemed reissued and the likely effects, if any, of such reissuance.

Defeasance. The legal defeasance of a 2024 Series 1T Bond may result in a deemed sale or exchange of such instrument under certain circumstances. The owner of such a 2024 Series 1T Bond should consult its tax advisors as to the federal income tax consequences of such a defeasance.

Foreign Investors. An owner of a 2024 Series 1T Bond that is not a “United States person” (as defined below) and is not subject to federal income tax as a result of any direct or indirect connection to the United States of America in addition to its ownership of a 2024 Series 1T Bond will generally not be subject to United States income or withholding tax in respect of a payment on a 2024 Series 1T Bond, provided that the owner complies to the extent necessary with certain identification requirements (including delivery of a statement, signed by the owner under penalties of perjury, certifying that such owner is not a United States person and providing the name and address of such owner). For this purpose the term “United States person” means a citizen or resident of the United States of America, a corporation, partnership or other entity created or organized in or under the laws of the United States of America or any political subdivision thereof, or an estate or trust whose income from sources within the United States of America is includable in gross income for United States of America income tax purposes regardless of its connection with the conduct of a trade or business within the United States of America.

Except as explained in the preceding paragraph and subject to the provisions of any applicable tax treaty, a United States withholding tax may apply to interest paid and original issue discount accruing on 2024 Series 1T Bonds owned by foreign investors. In those instances in which payments of interest on the 2024 Series 1T Bonds continue to be subject to withholding, special rules apply with respect to the withholding of tax on payments of interest on, or the sale or exchange of 2024 Series 1T Bonds having original issue discount and held by foreign investors. Potential investors that are foreign persons should consult their own tax advisors regarding the specific tax consequences to them of owning a 2024 Series 1T Bond.

Tax-Exempt Investors. In general, an entity that is exempt from federal income tax under the provisions of Section 501 of the Code is subject to tax on its unrelated business taxable income. Unrelated business taxable income generally means the gross income derived by an organization from any unrelated trade or business as defined in Section 513 of the Code. An unrelated trade or business is any trade or business that is not substantially related to the purpose that forms the basis for such entity’s exemption. However, under the provisions of Section 512 of the Code, interest may be excluded from the calculation of unrelated business taxable income unless the obligation that gave rise to such interest is subject to acquisition indebtedness. Therefore, except to the extent any owner of a 2024 Series 1T Bond incurs acquisition indebtedness with respect to such instrument, interest paid or accrued with respect to such owner may be excluded by such tax-exempt owner from the calculation of unrelated business taxable income. Each potential tax-exempt holder of a 2024 Series 1T Bond is urged to consult its own tax advisor regarding the application of these provisions.

ERISA Considerations. The Employee Retirement Income Security Act of 1974, as amended (“ERISA”), imposes certain requirements on “employee benefit plans” (as defined in Section 3(3) of ERISA) subject to ERISA, including entities whose underlying assets are considered to include “plan assets” (within the meaning of 29 C.F.R. Section 2510.3 (as modified by Section 3(42) of ERISA)), such as collective investment funds and separate accounts whose underlying assets include the assets of such plans (collectively, “ERISA Plans,” and together with arrangements that are subject to Section 4975 of the Code or similar provisions under any other federal, state, local, non-United States or other laws or regulations or similar law, as applicable, “Plans”) and on those persons who are fiduciaries with respect to ERISA Plans. Investments by ERISA Plans are subject to ERISA’s general fiduciary requirements, including the requirement of investment prudence and diversification and the requirement that an ERISA Plan’s investments be made in accordance with the documents governing the ERISA Plan. The prudence of any investment by an ERISA Plan in the 2024 Series 1T Bonds must be determined by the responsible fiduciary of the ERISA Plan by taking into account the ERISA Plan’s particular circumstances and all of the facts and circumstances of the investment. Government and non-electing church plans are generally not subject to ERISA. However, such plans may be subject to similar or other restrictions under state or local law.

In addition, ERISA and the Code generally prohibit certain transactions between an ERISA Plan or a qualified employee benefit plan under the Code and persons who, with respect to that plan, are fiduciaries or other “parties in interest” within the meaning of ERISA or “disqualified persons” within the meaning of the Code. In the absence of an applicable statutory, class or administrative exemption, transactions between an ERISA Plan and a party in interest with respect to an ERISA Plan, including the acquisition by one from the other of the 2024 Series 1T Bonds, could be viewed as violating those prohibitions. In addition, Section 4975 of the Code prohibits transactions between certain tax-favored vehicles such as Individual Retirement Accounts and disqualified persons. Section 503 of the Code includes similar restrictions with respect to governmental and church plans. In this regard, the Commission or any dealer of the 2024 Series 1T Bonds might be considered or might become a “party in interest” within the meaning of

ERISA or a “disqualified person” within the meaning of the Code, with respect to an ERISA Plan or a plan or arrangement subject to Sections 4975 or 503 of the Code. Prohibited transactions within the meaning of ERISA and the Code may arise if the 2024 Series 1T Bonds are acquired by such plans or arrangements with respect to which the Commission or any dealer is a party in interest or disqualified person.

In all events, fiduciaries of ERISA Plans and plans or arrangements subject to the above sections of the Code, in consultation with their advisors, should carefully consider the impact of ERISA and the Code on an investment in the 2024 Series 1T Bonds. The sale of the 2024 Series 1T Bonds to a Plan is in no respect a representation by the Commission or any dealer that such an investment meets the relevant legal requirements with respect to benefit plans generally or any particular Plan. Any plan proposing to invest in the 2024 Series 1T Bonds should consult with its counsel to confirm that such investment is permitted under the plan documents and will not result in a non-exempt prohibited transaction and will satisfy the other requirements of ERISA, the Code and other applicable law.

Neither the Commission nor any Underwriter is acting as a fiduciary, or undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, to such purchaser or transferee with respect to the decision to purchase or hold the 2024 Series 1T Bonds or an interest in the 2024 Series 1T Bonds.

The foregoing discussion is general in nature and is not intended to be all-inclusive. Due to the complexity of these rules and the penalties that may be imposed on persons involved in non-exempt prohibited transactions, it is particularly important that fiduciaries, or other persons considering purchasing the 2024 Series 1T Bonds on behalf of, or with the assets of, any Plan, consult with their counsel regarding the potential applicability of ERISA, Section 4975 of the Code and any similar laws to such investment and whether an exemption would be applicable to the purchase and holding of the 2024 Series 1T Bonds.

Backup Withholding. An owner of a 2024 Series 1T Bond may be subject to backup withholding at the applicable rate determined by statute with respect to interest paid with respect to the 2024 Series 1T Bonds if such owner fails to provide to any person required to collect such information pursuant to Section 6049 of the Code with such owner’s taxpayer identification number, furnishes an incorrect taxpayer identification number, fails to report interest, dividends or other “reportable payments” (as defined in the Code) properly, or, under certain circumstances, fails to provide such persons with a certified statement, under penalty of perjury, that such owner is not subject to backup withholding.

Changes in Federal and State Tax Law. From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to under this heading “TAX MATTERS” or adversely affect the market value of the 2024 Series 1T Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the 2024 Series 1T Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the 2024 Series 1T Bonds or the market value thereof would be impacted thereby. Purchasers of the 2024 Series 1T Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Special Tax Counsel are based on existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the 2024 Series 1T Bonds, and Special Tax Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

Opinion of Special Tax Counsel. In the opinion of Special Tax Counsel interest on the 2024 Series 1T Bonds is included in gross income of the owners thereof for purposes of federal income taxation.

Special Tax Counsel has expressed no opinion regarding other federal or State tax consequences arising with respect to the 2024 Series 1T Bonds. The form of the Special Tax Counsel opinion with respect to the 2024 Series 1 Bonds is attached hereto as Appendix E.

No amounts being held to pay the Redemption Price of Bonds called for redemption or purchase may be used to make up a deficiency to the extent that such amounts have been set aside for the payment of Bonds which have been identified for purchase or called for redemption, and no amounts on deposit in any Series Acquisition Account will be used for such purpose to the extent that the Commission is contractually obligated to finance or originate identified Mortgage Loans acceptable for financing or acquire Certificates backed by such identified Mortgage Loans or Whole Loans with amounts on deposit in such Series Acquisition Account.

Investment of Funds

Money in all funds and accounts (other than money in the Cost of Issuance Fund and the Commission Fund) will be invested in Investment Securities paying interest and maturing (or redeemable at par) not later than the dates on which it is estimated that such money will be required by the Trustee. Investments in all funds and accounts may be commingled for purposes of making investments, and all gains or losses shall be allocated pro rata.

All interest and other profit derived from such investments (unless otherwise provided in the section of the General Indenture creating the respective fund) will be deposited when received in the applicable Series Revenue Account. Investment Securities acquired as an investment of money in any fund or account established under the General Indenture will be credited to that fund or account. For the purpose of determining the amount in any fund or account, the amount of any obligation allocable to that fund or account shall mean the Investment Value of the relevant Investment Security.

The Trustee

The Trustee may at any time resign and be discharged from the duties and obligations created by the General Indenture by giving not less than 60 days' written notice to the Commission specifying the date when such resignation is expected to take effect, and such resignation will only take effect upon the day specified in such notice unless previously a successor shall have been appointed, in which event such resignation shall take effect immediately on the appointment of such successor. Such resignation shall not be effective until a successor Trustee is appointed and has accepted its appointment.

The Trustee shall be removed by the Commission following an event of default if so requested by an instrument or concurrent instruments in writing, filed with the Trustee and the Commission, and signed by the Owners of a majority in Bond Value of Bonds then Outstanding. In addition, the Commission may remove the Trustee at any time, except

during the existence of an Event of Default under the General Indenture, in the sole discretion of the Commission by filing with the Trustee an instrument signed by an Authorized Officer of the Commission.

In case at any time the Trustee resigns or is removed or becomes incapable of acting, or is adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee or of its property is appointed, or if any public officer takes charge or control of the Trustee or of its property or affairs, the Commission will notify the Owners and appoint a successor Trustee. The Commission will cause the new Trustee to mail notice of any such appointment to the Owners at their addresses appearing on the registration books of the Commission, such notice to be given promptly after such appointment.

If within 45 days of the resignation or removal of the Trustee no successor Trustee has been appointed and has accepted appointment, the resigning or removed Trustee or the Owners of a majority in aggregate Bond Value of Bonds then Outstanding may apply to any court of competent jurisdiction to appoint a successor Trustee. That court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Trustee.

Any successor Trustee appointed under the General Indenture will be a bank or trust company organized under the laws of the State or a national banking association and having a capital and surplus aggregating at least \$50 million, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by the General Indenture.

The Trustee will be entitled to payment of its fees in accordance with the General Indenture, but solely from the sources specified in the General Indenture. Upon an event of default caused by a failure of payment of principal of or interest on the Bonds, but only upon such an event of default, the Trustee will then have a lien upon the Trust Estate with right of payment before payment on account of principal of and interest on any Bond for the foregoing fees, charges and expenses incurred by it, but subordinate to the lien required for payment of the Rebate Amount.

The Trustee is required to provide the Commission with certain reports pursuant to the General Indenture. The Trustee will be under no obligation to perform any act that would involve it in expenses or liability or to initiate or defend any suit, or to advance any of its own funds, unless properly indemnified. The Trustee is not liable in connection with the performance of its duties under the General Indenture except for its own negligence or willful default.

Certain Tax Covenants

The Commission has covenanted that it will not permit the use of any proceeds of the Bonds or any other funds of the Commission which would cause the Bonds (other than taxable Bonds) to be “arbitrage bonds” within the meaning of the Code and applicable regulations promulgated thereunder.

The General Indenture further contains a covenant of the Commission to attempt, in good faith, to meet all applicable requirements of the Code, and to establish reasonable procedures in accordance with Sections 148 and 143(g) of the Code.

Acquisition and Operating Policy

Upon the issuance or remarketing of each Series of Bonds, the Commission will develop and deliver to the Trustee an Acquisition and Operating Policy, setting forth the Commission’s instructions to the Trustee with respect to the application of money and assets in a Series Acquisition Account, and Series Reservation Account, and instructions with respect to the following:

1. the security which may be provided for each Mortgage Loan;
2. the purchase price of Whole Loans and of Mortgage Loans securitized into Certificates;
3. the principal and interest payment provisions for Whole Loans and Mortgage Loans securitized into Certificates;
4. the maximum term to maturity and final maturity of Whole Loans and Mortgage Loans securitized into Certificates;
5. the Pass-Through Rate, Purchase Price and final maturity of any Certificates or Whole Loans;
6. the Delivery Period;

7. the nature of the residence to which the Whole Loans and the Mortgage Loans securitized into Certificates relate and limitations on who may be a mortgagor;
8. for Whole Loans required credit standards and other terms of primary mortgage insurance or other credit support, if any, and the levels of coverage and applicable loan to value ratios, if appropriate;
9. required Supplemental Mortgage Coverage, if any;
10. the Servicing Acquisition Fee;
11. Commitment Fees;
12. the period during which Mortgage Loans may be delivered to a Servicer;
13. the amount and duration of any set-asides for Targeted Area origination or other limitations with respect to Mortgage Loans;
14. Extension Fees;
15. how Revenues will be deposited and used;
16. how amounts on deposit in the Reserve Fund in excess of the Reserve Requirement will be used;
17. the priority of transfers between accounts and subaccounts consistent with the General Indenture in order to meet deficiencies in the Series Debt Service Accounts;
18. which Bonds will be called in accordance with redemptions;
19. under what circumstances Principal Receipts will be deposited in a Series Acquisition Subaccount;
20. such other information that is essential to a Cash Flow Certificate and which will direct the Trustee with respect to the use of amounts in the Acquisition Fund and Reservation Fund; and
21. such other matters as may be useful in providing guidance to the Trustee in the management of the Trust Estate.

The Acquisition and Operating Policy may be amended only if (1) a Cash Flow Certificate is delivered to the Trustee and the Rating Agency, and (2) an opinion of a nationally-recognized bond counsel is delivered to the Trustee and the Rating Agency to the effect that such amendment will not affect the exemption of interest on the Bonds from the gross income of the Owners for purposes of the Code. Notwithstanding the foregoing, the tables attached to the Acquisition and Operating Policy may be amended upon receipt by the Trustee of a certificate of the Commission stating that the then current Cash Flow Certificate under which the Indenture is operated will not be adversely affected. No Acquisition and Operating Policy may amend the terms and conditions of the General Indenture, the rights of the Owners, or the obligations of the Trustee and Commission except if it qualifies as a "Supplemental Indenture" under the General Indenture.

Supplemental Indentures

Except as provided below, the Commission and the Trustee may, without the consent of or notice to any of the Bondowners, enter into indentures supplemental to the General Indenture, for any one or more of the following purposes:

1. to add additional covenants and agreements of the Commission for the purpose of further securing the payment on the Bonds, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Commission contained in the General Indenture;
2. to surrender any right, power or privilege reserved to or conferred upon the Commission by the terms of the General Indenture;
3. to confirm as further assurance any pledge under and the subjection to any lien, claim or pledge created or to be created by the provisions of the General Indenture of the Revenues and other money, securities, funds and property pledged in the manner and to the extent provided in the General Indenture;

4. to cure any ambiguity or defect or inconsistent provision in the General Indenture or to insert such provisions clarifying matters or questions arising under the General Indenture as are necessary or desirable so long as any such modifications are not contrary to or inconsistent with the General Indenture as theretofore in effect;
5. to provide a correction to any provision of the General Indenture that will be determined in a Bond Counsel's Opinion to be necessary to preserve the exclusion of interest on the Bonds from gross income pursuant to the Code; however, no such correction will impair in any material manner the rights or remedies of Owners or the security for the Bonds afforded by the General Indenture;
6. to conform to the requirements of the Rating Agency to maintain the rating on the Bonds or to make changes pursuant to the General Indenture;
7. to enter into a Series Indenture;
8. to enter into a Remarketing Indenture upon a Remarketing of some or all of a Series of Bonds under the General Indenture;
9. to modify any of the provisions of the General Indenture in any respect whatever not otherwise described in the General Indenture, provided (a) such modification must apply only to Series of Bonds issued after the effective date of the Supplemental Indenture and may not materially adversely affect the interests of the owners of Bonds of any Series Outstanding on the effective date of the Supplemental Indenture or (b)(i) such modification must be, and be expressed to be, effective only after all Bonds of any Series Outstanding at the date of the adoption of such Supplemental Indenture shall cease to be Outstanding and (ii) such Supplemental Indenture must be specifically referred to in the text of all Bonds of any Series authenticated and delivered after the date of the adoption of such Supplemental Indenture and of Bonds issued in exchange for, or in place of, such Bonds;
10. to modify, amend or supplement the General Indenture or any Supplemental Indenture in such manner as to permit, if presented, the qualification of the General Indenture and any Supplemental Indenture under the Trust Indenture Act of 1939 or any similar federal statute then in effect or any state Blue Sky Law;
11. to add to the definition of "Permitted Investments";
12. to modify, amend or supplement the General Indenture or any Supplemental Indenture in such manner as to permit a trustee (other than the Trustee) with respect to any Subordinate Bonds issued under the General Indenture;
13. to comply with the disclosure requirements of state or federal law; or
14. to make any other change that, in the judgment of the Trustee, does not materially adversely affect the interests of the Bondowners;

The General Indenture also may be modified in other ways by a Supplemental Indenture upon the Trustee's receipt of a Rating Confirmation and the consent of (1) the Owners of greater than two-thirds in aggregate Bond Value of Outstanding Bonds; (2) if less than all of the Outstanding Bonds are affected, of the Owners of greater than two-thirds in Bond Value of Bonds so affected then Outstanding; and (3) in case the terms of any Mandatory Sinking Account Requirements are changed, the Owners of greater than two-thirds in Bond Value of the Outstanding Bonds of the particular Series and maturity entitled to such Mandatory Sinking Account Requirements. However, without the consent of all adversely affected Owners, no Supplemental Indenture may (1) change the terms of redemption or of the maturity of the principal of or the interest on any Bond; (2) reduce the Accreted Value of any Bond or the redemption premium or the rate of interest on it; (3) create or grant a pledge, assignment, lien or security interest of the Pledged Property, or any part of it, other than as created or permitted by the General Indenture without the Supplemental Indenture; (4) create a preference or priority of any Bond or Bonds over any other Bond or Bonds, except as may be permitted by the General Indenture; (5) reduce the aggregate Bond Value or classes of the Bonds required for consent to such Supplemental Indenture; or (6) eliminate the requirement that each amendment to the General Indenture requires a Rating Confirmation. If any such modification, supplement or amendment will by its terms not take effect so long as any Bonds of any specified Series and maturity remain Outstanding, the consent of the Owners of those Bonds will not be required and such Bonds will not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds required in connection with an amendment to the General Indenture. A Series will be deemed to be affected by a modification or amendment if it adversely affects or diminishes the rights of the Owners of Bonds of that Series. The Trustee may in its discretion determine whether Bonds of any particular Series and maturity would be affected by any modification, supplement or amendment of the General Indenture or a

Supplemental Indenture, and any such determination will be binding and conclusive on the Commission and all Owners.

Notice of proposed adoption of a Supplemental Indenture will be given as described in the General Indenture. If the required number of Owners at the time of its adoption have consented to and approved its adoption, no Owner will have any right to object to the execution of such Supplemental Indenture, to object to any of the terms and provisions contained in it or its operation, in any manner to question the propriety of its adoption, or to enjoin or restrain the Trustee or the Commission from adopting it or from taking any action pursuant to its provisions.

Defaults and Remedies

Definition of “Event of Default.” Each of the following events constitutes an “event of default” under the General Indenture:

1. default by the Commission in (i) the due and punctual payment of the principal amount or Accreted Value or Redemption Price of any Bond (other than a Subordinate Bond) when and as the same shall become due and payable, whether at maturity as therein expressed, by proceedings for redemption, by declaration or otherwise, (ii) the redemption from any Mandatory Sinking Account Payment of any Term Bonds (other than a Subordinate Bond) in the amounts at the times provided therefor, or (iii) the due and punctual payment of any installment of interest on any Bond (other than a Subordinate Bond) when and as such interest installment shall become due and payable;
2. default in the performance or observance of any other of the covenants, agreements or conditions on the Commission’s part contained in the General Indenture or any Supplemental Indenture, or in the Bonds, and continuance of such default for 90 days after written notice thereof to the Commission by the Trustee or by the Owners of not less than 25% in aggregate Bond Value of the Outstanding Bonds;
3. the State limits or alters the rights of the Commission, as in force on the date of the General Indenture, to fulfill the terms of any agreements made with the Bondowners or in any way impairs the rights and remedies of the Bondowners while any Bonds are Outstanding; provided, however, that such an event of default will not be deemed to exist unless notice of such default is given to the Commission by the Trustee or by the Owners of not less than 25% in aggregate Bond Value of the Outstanding Bonds; or
4. unless otherwise provided in a Series Indenture, default by the Commission in (i) the due and punctual payment of the principal amount and Accreted Value or Redemption Price of any Subordinate Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by proceedings for redemption, by declaration or otherwise, (ii) the redemption from any Mandatory Sinking Account Payment of any Subordinate Bonds which are Term Bonds in the amounts at the times provided therefor, or (iii) the due and punctual payment of any installment of interest on any Subordinate Bond when and as such interest installment shall become due and payable.

The failure to make a payment of principal of or interest on a Subordinate Bond is an “event of default” only with respect to Subordinate Bonds and is not an event of default with respect to other Bonds issued under the General Indenture. In the event of such limited event of default, the Trustee may take actions in accordance with the General Indenture that relate exclusively to the Subordinate Bonds and which do not prejudice the rights of the Owners of other Bonds.

Remedies Upon Default. Upon any event of default described above, the Trustee may proceed, and upon the written request of the Owners of not less than 25% in aggregate Bond Value of Outstanding of Bonds, the Trustee must proceed, in its own name, to protect and enforce its rights and the rights of the Bondowners by such of the following remedies as the Trustee, being advised by counsel, will deem most effective to protect and enforce such rights:

1. by suit, action or proceeding in accordance with the laws of the State, enforce all rights of the Bondowners;
2. by bringing suit upon the relevant Bonds;
3. by action or suit, to require the Commission to act as if it were the trustee of an express trust for the Bondowners;
4. by action or suit, enjoin any acts or things which may be unlawful or in violation of the rights of the Bondowners; and

5. upon notice in writing to the Commission, to declare the principal and Accreted Value of all of the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in the General Indenture or in the Bonds contained to the contrary notwithstanding.

Any declaration described in (5) above is subject to the condition that if, at any time after such declaration and before any judgment or decree for the payment of the money due is obtained or entered, the Commission has deposited with the Trustee a sum sufficient to pay the principal amount or Redemption Price of and Accretion and installments of interest on the Bonds payment of which is overdue, with interest on such overdue principal at the rate borne by the respective Bonds, and the reasonable charges and expenses of the Trustee, and any and all other defaults known to the Trustee (other than in the payment of principal amount or Redemption Price of and Accretion and interest on the Bonds due and payable solely by reason of such declaration) have been cured to the satisfaction of the Trustee (or provision deemed by the Trustee to be adequate is made therefor), then, and in every such case, the Owners of not less than a majority in aggregate Bond Value of the Bonds then Outstanding, by written notice to the Commission and to the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences and waive such default, but no such rescission and annulment shall extend to or shall affect any subsequent default or shall impair or exhaust any right or power consequent thereon.

However, the Trustee is not required to declare the Bonds due and payable pursuant to clause (5) above unless it receives the written consent of the Owners of not less than 25% in aggregate Bond Value of Outstanding Bonds, and if the default is the result of a nonmonetary default or a State impairment of Commission rights or a default with respect to Subordinate Bonds, the Trustee will not declare the Bonds due and payable pursuant to clause (5) above unless it shall have received the written consent of the Owners of not less than 100% in aggregate Bond Value of Outstanding Bonds (excluding Subordinate Bonds).

In enforcing any remedy under the General Indenture, the Trustee is entitled to sue for, enforce payment on and receive any and all amounts then or during any default becoming and any time remaining due from the Commission for principal, Accretion, Redemption Price, interest or otherwise, under any provision of the General Indenture or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest payable on the Bonds before maturity, together with any and all costs and expenses of collection and of all proceedings under the General Indenture and under the Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondowners, and to recover and enforce judgment or decree against the Commission (but solely from Revenues) for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect from any money available for such purpose, in any manner provided by law, the money adjudged or decreed to be payable.

Priority of Payments After Default. In the event that the funds held by the Trustee shall be insufficient for the payment of interest and principal or Redemption Price then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other money received or collected by the Trustee acting pursuant to the General Indenture will be applied to the payments of any expenses necessary in the opinion of the Trustee to protect the interests of the Owners of the Bonds, and for the payment of the charges and expenses and liabilities incurred and advances made by the Trustee in the performance of its duties under the General Indenture, and then shall be applied in the following order:

- A. Unless the principal of all of the Bonds shall have become or have been declared due and payable:

First, to the payment of all installments (except interest on overdue principal) of interest on Bonds, other than Subordinate Bonds, then accrued and unpaid in the chronological order in which such installments of interest accrued and, if the amount available is not sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, on Bonds other than Subordinate Bonds, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds, (other than Subordinate Bonds);

Second, to the payment of the unpaid principal and Accretion of any of the Bonds, other than Subordinate Bonds, which have become due and payable (except Bonds other than Subordinate Bonds called for redemption for the payment of which money is held pursuant to the provisions of the General Indenture) in the order of their stated payment dates, with interest on the principal amount of such Bonds, other than Subordinate Bonds, at the respective rates specified in such Bonds from the respective dates upon which such Bonds, other than Subordinate Bonds, became due and payable and, if the amount available is not sufficient to pay in full the principal of the Bonds, other than Subordinate Bonds, by their stated terms due and payable on any particular date together with such interest, then (a) to the payment first of such interest, ratably, according to the amount of such interest due on such date, and (b) to the payment of such principal, ratably,

according to the amount of such principal due on such date, of Bonds, other than Subordinate Bonds, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds, (other than Subordinate Bonds);

Third, to the payment of the interest on and the principal and Accretion of the Bonds, other than Subordinate Bonds, to the purchase and retirement of Bonds, other than Subordinate Bonds, and to the redemption of the Bonds (other than Subordinate Bonds);

Fourth, to the payment of interest (except interest on overdue principal) on Subordinate Bonds then accrued and unpaid in the chronological order in which such installments of interest accrued and, if the amount available is not sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, of Subordinate Bonds, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Subordinate Bonds;

Fifth, to the payment of the unpaid principal of any of the Subordinate Bonds which has become due and payable (except Subordinate Bonds called for redemption for the payment of which money is held pursuant to the provisions of the General Indenture) in the order of their stated payment dates, with interest on the principal amount of such Subordinate Bonds at the respective rates specified in such Subordinate Bonds from the respective dates upon which such Subordinate Bonds became due and payable and, if the amount available is not sufficient to pay in full the principal of the Subordinate Bonds by their stated terms due and payable on any particular date together with such interest, then to the payment first of such interest, ratably, according to the amount of such interest due on such date on such Subordinate Bonds, and then to the payment of such principal, ratably, according to the amount of such principal due on such date, of Subordinate Bonds, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Subordinate Bonds; or

Sixth, to the payment of the interest on and the principal and Accretion of the Subordinate Bonds, to the purchase and retirement of Subordinate Bonds and to the redemption of Subordinate Bonds.

B. If the principal of all the Bonds has become or has been declared due and payable, all such money will be applied first to the payment of the principal and premium, if any, and interest then accrued and unpaid upon the Bonds that are not Subordinate Bonds, without preference or priority of principal over interest or of interest over principal, or of any daily accrual of interest over any other daily accrual of interest, or of any Bond which is not a Subordinate Bond over any other Bond which is not a Subordinate Bond, ratably, according to the amounts due respectively for principal and interest, without any discrimination or preference except as to the respective rates of interest specified in the Bonds which are not Subordinate Bonds, and second, to the payment of the principal and premium, if any, and interest then accrued and unpaid upon the Subordinate Bonds, without preference or priority of principal over interest or of interest over principal, or of any daily accrual of interest over any other daily accrual of interest, or of any Subordinate Bond over any other Subordinate Bond, ratably, according to the amounts due respectively for principal and interest, without any discrimination or preference except as to the respective rates of interest specified in the Subordinate Bonds.

C. If the principal of all the Bonds has been declared due and payable and if such declaration has been rescinded and annulled, then, subject to the provisions of paragraph B. above, if the principal of all the Bonds later becomes or is declared to be due and payable, the money remaining in and later accruing to the Debt Service Fund, together with any other money held by the Trustee under the General Indenture, will be applied in accordance with the order of priority described in paragraph A. above.

Default Proceedings. If any proceeding taken by the Trustee on account or any event of default is discontinued or abandoned for any reason, then the Commission, the Trustee and the Owners will be restored to their former positions and rights under the General Indenture, and all rights, remedies, powers and duties of the Trustee will continue as though no such proceeding had been taken.

The Owners of the majority in aggregate principal amount and Accreted Value or the Bonds then Outstanding will have the right, by written instruments delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee under the General Indenture, provided that such direction must not be otherwise than in accordance with law or the General Indenture. The Trustee has the right to decline to follow any such direction which in the opinion of the Trustee would expose it to liability.

No Owner of any Bond will have any right to institute any suit, action or other proceeding under the General Indenture, or for the protection or enforcement of any right under the General Indenture or any right under law, unless: (i) such Owner gives to the Trustee written notice of the event of default or breach of duty on account of which such suit,

action, or proceeding is to be taken, (ii) the Owners of not less than 25% in aggregate principal amount and Accreted Value of the Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted in the General Indenture or under the law or to institute such action, suit or proceeding in its name; and (iii) the Trustee is offered security satisfactory to the Trustee and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee refuses or neglects to comply with such request within a reasonable time. Such notification, request and offer of indemnity are, at the option of the Trustee, conditions precedent to the execution of the powers under the General Indenture or for any other remedy under the General Indenture or law. No Owners of any Bonds will have any right to affect, disturb or prejudice the security of the General Indenture or to enforce any right under the General Indenture or law with respect to the Bonds or the General Indenture, except in the manner summarized herein, and all proceedings shall be instituted and maintained for the benefit of all Owners of the Outstanding Bonds.

Each Owner of any Bond by his acceptance thereof, will be deemed to have agreed that any court in its discretion may require, in any suit for the enforcement of any right or remedy under the General Indenture or any Supplemental Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the reasonable costs of such suit and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in any such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant, but the provisions of this paragraph shall not apply to any suit instituted by the Trustee, to any suit instituted by any Owner or group of Owners holding at least 25% in Principal Amount and Accreted Value of the Bonds Outstanding, or to any suit instituted by any Owner for the enforcement of the payment of the principal or Redemption Price of or interest on any Bond on or after the respective due date thereof expressed in such Bond.

Compliance with Secondary Disclosure Requirements of the SEC

Section 12.13 of the General Indenture sets forth the Commission's undertaking (the "Undertaking") for the benefit of owners and beneficial owners of the Bonds required by Securities and Exchange Commission ("SEC") Rule 15c2-12(b)(5) (the "Rule").

Obligated Person Responsibility. Upon the issuance and/or Remarketing of Bonds, the Commission will identify or describe in the applicable Series Indenture each "Obligated Person," if any, within the meaning of the Rule with respect to the Series of Bonds issued or Remarketed thereunder. Each such Obligated Person shall undertake by separate contract with the Commission and the Trustee to provide: (i) Annual Financial Information; and (ii) Audited Financial Statements, if any.

Each Obligated Person must, while any Bonds with respect to which it is an Obligated Person are Outstanding or so long as it is an Obligated Person with respect to such Bonds, provide Annual Financial Information to the Trustee, in its capacity as agent of the Commission and each Obligated Person (the "Disclosure Agent"), on or before August 15 of each year (the "Submission Date"), beginning in 1996. The Disclosure Agent will provide to the Commission and to the MSRB such Annual Financial Information on or before September 1 of each year (the "Report Date") or, if such Annual Financial Information is not received by the Disclosure Agent by the Submission Date, then within five Business Days of its receipt by the Disclosure Agent. The Obligated Person must include with each submission of Annual Financial Information to the Disclosure Agent a written representation addressed to the Disclosure Agent to the effect that the Annual Financial Information is the Annual Financial Information required by its contractual obligations to the Commission and the Trustee and that such Annual Financial Information complies with the applicable requirements of its contractual obligations to the Commission and the Trustee. The Obligated Person may adjust the Submission Date and the Report Date if the Obligated Person or the Commission changes its fiscal year by providing written notice of the change of fiscal year and the new Submission Date and Report Date to the Disclosure Agent, the Commission and the MSRB; provided, that (i) the new Report Date must be no later than two months after the end of the new fiscal year, (ii) the new Submission Date must be 15 days prior to the Report Date, and (iii) the period between the final Report Date relating to the former fiscal year and the initial Report Date relating to the new fiscal year must not exceed one year in duration. It will be sufficient if the Obligated Person provides to the Disclosure Agent and the Commission, and the Disclosure Agent provides to the MSRB the Annual Financial Information by specific reference to documents available to the public on the MSRB's internet web site or filed with the SEC.

If not provided as part of the Annual Financial Information, the Obligated Person must provide its Audited Financial Statements to the Disclosure Agent, when and if available and the Disclosure Agent will then promptly provide the Commission and the MSRB with such Audited Financial Statements.

Commission Responsibility. For Bonds issued after September 1, 2004, that are sold in a primary offering that is subject to the Rule (unless otherwise specified in the applicable Series Indenture or Remarketing Indenture), the Commission will provide (i) its Audited Financial Statements which include information regarding funds held under the General Indenture and (ii) financial information and operating data regarding the Program, on an annual basis, of the type included in the final official statement for such Bonds and identified with language in substantially the form of: “The following [table][paragraph] will be updated annually pursuant to the Commission’s continuing disclosure undertaking.” The financial information described in clause (ii) of the previous sentence will be unaudited and will be provided to the Disclosure Agent. The Disclosure Agent will then promptly provide the MSRB with such Audited Financial Statements and such financial information. Such Audited Financial Statements and financial information will be provided to the Trustee before the expiration of seven months after the Commission’s fiscal year. The Commission may adjust such fiscal year by providing written notice of the change of fiscal year to the MSRB. In lieu of providing such Audited Financial Statements and annual financial information the Commission may cross-reference to other documents available to the public on the MSRB’s internet web site or filed with the SEC.

If the Commission identifies an occurrence that would be a Material Event while any Bonds are Outstanding, the Commission immediately will provide a Material Event Notice to the Disclosure Agent, and the Disclosure Agent, will provide to the MSRB, in no case later than ten Business Days after the occurrence of the Material Event, such Material Event Notice.

Trustee Responsibility. The Disclosure Agent will promptly advise the Commission whenever, in the course of performing its duties as Trustee, under the General Indenture, the Trustee, as the Trustee, identifies an occurrence which would be a Material Event and, unless the Commission determines within a reasonable period of time after discussion with the Trustee that such occurrence is not a Material Event for which a notice must be given pursuant to the Undertaking, then the Trustee will promptly (in no case later than ten Business Days after the occurrence of the Material Event) provide a Material Event Notice to the MSRB. The failure of the Disclosure Agent to advise the Commission or the MSRB will not constitute a default on the Bonds or a breach by the Trustee, as the Trustee, of any of its duties and responsibilities under the General Indenture.

The Disclosure Agent will, without further direction or instruction from any Obligated Person or the Commission, provide in a timely manner to the MSRB notice of any failure while any Bonds are Outstanding by the Disclosure Agent to provide to the MSRB Annual Financial Information, financial information or Audited Financial Statements required to be provided on or before the Report Date (whether caused by failure of the Obligated Person or the Commission to provide such information to the Disclosure Agent by the Submission Date or for any other reason). For the purposes of determining whether information received from the Obligated Person is Annual Financial Information, the Disclosure Agent will be entitled conclusively to rely on the Obligated Person’s written representations.

If an Obligated Person or the Commission provides to the Disclosure Agent information relating to the Obligated Person or the Bonds, which information is not designated as a Material Event Notice, and directs the Disclosure Agent to provide such information to information repositories, the Disclosure Agent will provide such information in a timely manner to the Commission (if provided by an Obligated Person) and the MSRB.

The Disclosure Agent will determine by reference to a Series Indenture if an entity is an Obligated Person and will notify each Obligated Person no later than 30 days prior to a Submission Date of its obligation to provide information in accordance with the Undertaking under its separate contract with the Commission and the Trustee, if such submission has not yet been made. Failure of the Disclosure Agent to provide such notice will not waive any obligations of an Obligated Person.

Definitions for Purposes of Undertaking. The following are the definitions of the capitalized terms used in the Undertaking and not otherwise defined in the General Indenture.

“Annual Financial Information” means the financial information (which will be based on financial statements prepared in accordance with generally accepted accounting principles (“GAAP”)), or operating data with respect to the Obligated Person, provided at least annually, of the type included in the final official statement with respect to the Bonds and specified in a Series Indenture, which Annual Financial Information may, but is not required to, include Audited Financial Statements.

“Audited Financial Statements” means annual financial statements, prepared substantially in accordance with GAAP, which financial statements will have been audited by a firm of independent certified public accountants.

“Beneficial Owner” means the beneficial owner of Bonds held in fully immobilized form.

“Financial Obligation” (i) means a (A) debt obligation; (B) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (C) guarantee of (A) or (B) above; (ii) shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with Section 12.13 of the General Indenture.

“Material Event” means any of the following events with respect to the Bonds issued or Remarketed after February 26, 2019: (i) principal and interest payment delinquencies; (ii) non-payment related defaults, if material; (iii) unscheduled draws on debt service reserves reflecting financial difficulties; (iv) unscheduled draws on credit enhancements reflecting financial difficulties; (v) substitution of credit or liquidity providers, or their failure to perform; (vi) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notice of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security or other material or events affecting the tax status of the Bonds; (vii) modifications to rights of Bondowners, if material; (viii) bond calls, if material, and tender offers; (ix) defeasances; (x) release, substitution, or sale of property securing repayment of the Bonds, if material; (xi) rating changes; (xii) bankruptcy, insolvency, receivership or similar event of the Commission or any Obligated Person; (xiii) the consummation of a merger, consolidation, or acquisition involving the Commission or any Obligated Person or the sale of all or substantially all of the assets of the Commission or any Obligated Person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; (xiv) appointment of a successor or additional trustee or the change of a name of a trustee, if material; (xv) incurrence of a Financial Obligation of the Commission or an Obligated Person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Commission or an Obligated Person, any of which affect security holders, if material; and (xvi) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Commission or an Obligated Person, any of which reflect financial difficulties. The Disclosure Agent will presume that the occurrence of any of the events in clauses (ii), (vi), (vii), (x), (xiii), (xiv), (xv) and (xvi) are material, unless the Commission informs the Disclosure Agent that such event is not material. For purposes of clause (xii) of this definition, such an event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Commission or the Obligated Person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Commission or the Obligated Person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Commission or the Obligated Person.

“Material Event Notice” means written or electronic notice of a Material Event.

“MSRB” means the Municipal Securities Rulemaking Board.

Termination of Undertaking. The continuing obligation of the Commission or an Obligated Person to provide Annual Financial Information, financial information and Audited Financial Statements to the Disclosure Agent pursuant to the Undertaking will terminate immediately once the Bonds (with respect to which the Obligated Person has been designated) are no longer Outstanding or the respective obligations of the Obligated Person or the Commission are otherwise terminated. The Undertaking, or any provision thereof, will be null and void in the event that an Obligated Person or the Commission delivers to the Disclosure Agent (with a copy to the Commission if submitted on behalf of an Obligated Person) an opinion of nationally recognized bond counsel to the effect that those portions of the Rule which require certain Obligated Persons or the Commission to undertake responsibilities under the Undertaking, or any such provisions, are invalid, have been repealed retroactively or otherwise do not apply to the Bonds; provided, that the Disclosure Agent will have provided notice of such delivery and the cancellation of the Undertaking to the MSRB.

Amendment of Undertaking. The Commission, as it deems necessary and with written notice to each Obligated Person, or, at the request of an Obligated Person, may amend the Undertaking, and any provision of the undertaking may be waived, provided that the following conditions are satisfied:

- (i) If the amendment or waiver relates to the provisions of summarized above under the subheadings “*Obligated Person Responsibility*” or “*Commission Responsibility*,” it may only be made in connection with a change in circumstances that arises from a change in legal requirements, or change in law, interpretation of law by the

SEC, or change in the identity, nature or status of an Obligated Person or the Commission with respect to the Bonds, or the type of business conducted or in connection with Bonds that have not been issued or remarketed as of the date the amendment or waiver takes effect;

- (ii) The Undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and
- (iii) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the General Indenture for amendments to the General Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of the Undertaking, an Obligated Person or the Commission, as applicable, will describe such amendment in the next Annual Financial Information or Audited Financial Statement, and will include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Obligated Person or the Commission. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change will be given in the same manner as for a Material Event, and (ii) the Annual Financial Information for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Agency Described. For purposes of the Undertaking, the Trustee will act as agent of the Commission and the Obligated Person and not in its capacity as Trustee. As Disclosure Agent, the Trustee is not obligated to independently investigate the accuracy of certificates received by it in its capacity as Trustee.

Failure to Comply with Undertaking. The Disclosure Agent covenants to comply with and carry out all of the provisions of the Undertaking. Notwithstanding any other provision of the General Indenture, failure of the Obligated Person, the Commission or the Disclosure Agent to comply with the Undertaking will not be considered an Event of Default; however, the Disclosure Agent may (and, at the request of the Owners or Beneficial Owners of at least 25% in aggregate principal amount of the Bonds Outstanding, will) or any Bondowner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Obligated Person, the Commission or the Disclosure Agent to comply with its obligations under the Undertaking.

Format of filings with MSRB. Until otherwise designated by the MSRB or the SEC, information or notices submitted to the MSRB in compliance with the Rule are to be submitted through the MSRB's Electronic Municipal Market Access system ("EMMA"). All notices, financial information and operating data required by the Undertaking to be provided to the MSRB must be in an electronic format as prescribed by the MSRB. All documents provided to the MSRB pursuant to the Undertaking must be accompanied by identifying information as prescribed by the MSRB.

**APPENDIX B:
GNMA, FANNIE MAE AND FREDDIE MAC PROGRAMS**

GNMA and the GNMA Certificates

The summary and explanation of the Government National Mortgage Association (“GNMA” or “Ginnie Mae”), GNMA’s mortgage-backed securities program and the other documents referred to herein do not purport to be complete. Reference is made to the *Ginnie Mae Mortgage-Backed Securities Guide* (Ginnie Mae Handbook 5500.3) (the “GNMA Guide”) and to said documents for full and complete statements of their provisions. At the time of printing this Official Statement, the GNMA Guide and general information regarding GNMA can be accessed at <http://www.ginniemae.gov>. The Commission makes no representation regarding the content, accuracy or availability of the GNMA Guide or any information provided at such web site. Such web site is not part of this Official Statement. Further, the procedures and fees described below and in the GNMA Guide are those currently in effect and are subject to change at any time by GNMA.

GNMA is a wholly-owned corporate instrumentality of the United States within the Department of Housing and Urban Development (“HUD”), with its principal office in Washington, D.C. GNMA’s powers are prescribed generally by Title III of the National Housing Act, as amended (12 U.S.C. § 1716 *et seq.*).

GNMA is authorized by Section 306(g) of the National Housing Act to guarantee the timely payment of the principal of and interest on securities (“GNMA Certificates”) that represent undivided ownership interests in pools of mortgage loans that are: (i) insured by the Federal Housing Administration (“FHA”) under the National Housing Act of 1934, as amended; (ii) guaranteed by the Department of Veterans Affairs under the Servicemen’s Readjustment Act of 1944, as amended; (iii) guaranteed by the Rural Housing Service (“RHS”) of the U.S. Department of Agriculture pursuant to Section 502 of Title V of the Housing Act of 1949, as amended; or (iv) guaranteed by the Secretary of HUD under Section 184 of the Housing and Community Development Act of 1992, as amended and administered by the Office of Public and Indian Housing (“PIH”). The GNMA Certificates are issued by approved servicers and not by GNMA. GNMA guarantees the timely payment of principal of and interest on the GNMA Certificates.

Section 306(g) of the National Housing Act further provides that “the full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guaranty under this subsection.” An opinion, dated December 12, 1969, of an Assistant Attorney General of the United States, states that such guaranties under Section 306(g) of mortgage-backed securities (which are set forth in “GNMA Guaranty Agreements”) are authorized to be made by GNMA and “would constitute general obligations of the United States backed by its full faith and credit.”

In its corporate capacity under Section 306(d) of Title III of the Housing Act, GNMA may issue its general obligations to the United States Treasury Department (the “Treasury”) in an amount outstanding at any one time sufficient to enable GNMA, with no limitations as to amount, to perform its obligations under its guaranty of the timely payment of the principal of and interest on the GNMA Certificate. The Treasury is authorized to purchase any obligations so issued by GNMA and has indicated in a letter dated February 13, 1970, from the Secretary of the Treasury to the Secretary of HUD that the Treasury will make loans to GNMA, if needed, to implement GNMA’s guaranty. GNMA has covenanted to borrow from the United States Treasury any amounts necessary to enable GNMA to honor its guaranty of the GNMA Certificates.

GNMA administers two guarantee programs—the “Ginnie Mae I MBS Program” and the “Ginnie Mae II MBS Program.” The principal differences between the two programs relate to the interest rate structure of the mortgages backing the GNMA Certificates and the means by which principal and interest payments are made. These differences are not expected to affect adversely the availability of Revenues to pay principal of and interest on the Bonds.

To issue GNMA Certificates, the Servicer must apply for and receive GNMA’s commitment to guarantee mortgage-backed securities (“commitment authority”). The Servicer is obligated to pay GNMA commitment fees. GNMA’s commitment authority permits the Servicer to issue GNMA Certificates up to an approved dollar amount. Commitment authority expires in one year for single-family pools.

Each GNMA Certificate is to be backed by a separate mortgage pool consisting of qualified mortgages in a minimum aggregate amount of \$1,000. Under the Ginnie Mae I MBS Program, the Servicer will be required to pay to the Trustee, as the holder of the GNMA Certificates issued by the Servicer, the regular monthly installments of principal and interest on the Mortgage Loans that back those GNMA Certificates (less the Servicer’s servicing fee, which includes a GNMA guaranty fee). Under the Ginnie Mae II MBS Program, the Servicer will be required to pay such amounts to a central paying and transfer agent for the Ginnie Mae II MBS Program (the “CPTA”), and the CPTA will be required to pay to the Trustee, as the holder of the GNMA Certificate, the regular monthly installments of principal and interest on the Mortgage Loans backing such GNMA Certificate.

Payment of interest and principal on each GNMA Certificate is required to be made in monthly installments by the 15th day of each month under the Ginnie Mae I MBS Program and by the 20th day of each month under the Ginnie Mae II MBS Program, commencing the month following the date of issue of the GNMA Certificate. In addition, each payment is required to include prepayments on Mortgage Loans underlying the GNMA Certificate that were received during the preceding calendar month.

Mortgage Loans underlying a particular GNMA Certificate issued pursuant to the Ginnie Mae I MBS Program must have the same annual interest rate. The annual pass-through rate on each GNMA Certificate under the Ginnie Mae I MBS Program is 0.5% less than the annual interest rate on the Mortgage Loans included in the Mortgage pool backing that GNMA Certificate. Each Mortgage Loan in a Ginnie Mae II pool issued on or after July 1, 2003, must have a fixed interest rate that is at least 0.25% (but not more than 0.75%) higher than the interest rate on the related GNMA Certificate.

The Servicer is required to pay a monthly guaranty fee to GNMA for each GNMA Certificate for which the Servicer is the issuer of record. GNMA's monthly guaranty fee is computed based on the aggregate principal balance of the guaranteed securities outstanding at the beginning of the monthly reporting period. The monthly rate used to compute the fee is 0.06% divided by 12.

Under the GNMA program, the Servicer is responsible for servicing each pooled Mortgage Loan and is entitled to a servicing fee for each such loan. The servicing fee is based on and payable only from the interest portion of each monthly installment of principal and interest actually collected by the Servicer on the Mortgage Loan. The fee is equal to the difference between the interest rate on the Mortgage Loan and the interest rate on the GNMA Certificate for which it serves as collateral, computed on the same principal amount and for the same period as the interest portion of the installment. With respect to Ginnie Mae II MBS pools issued on and after July 1, 2003, the Servicer must ensure that the minimum servicing fee is at least 0.19%.

It is expected that interest and principal payments on the Mortgage Loans received by the Servicer will be the source of payments on the GNMA Certificates. If those payments are less than what is due, the Servicer will be obligated to advance its own funds to ensure timely payment of all amounts coming due on the GNMA Certificates. GNMA guarantees such timely payment in the event of the failure of the Servicer to pay an amount equal to the scheduled payment (whether or not made by the Mortgagors).

If the Servicer defaults on its obligations as an issuer of the GNMA Certificates (including loan servicing and certificate payment obligations), GNMA has the right to extinguish the Servicer's interest in the Mortgage Loans underlying such GNMA Certificates, in which case such Mortgage Loans will become the absolute property of GNMA (subject only to the unsatisfied rights of the Trustee, as holder of the GNMA Certificates).

Fannie Mae and the Fannie Mae Certificates

The summary and explanation of the Federal National Mortgage Association ("FNMA" or "Fannie Mae"), Fannie Mae's mortgage-backed securities program and the other documents referred to herein do not purport to be complete. Reference is made to said documents for full and complete statements of their provisions. Said documents and the MBS Program are subject to change at any time by Fannie Mae. At the time of printing this Official Statement, general information regarding Fannie Mae (including, but not limited to, its financial condition and the status of its conservatorship) can be accessed at <http://www.fanniemaec.com>. The Commission makes no representations regarding the content or accuracy of the information provided at such web site, and such web site is not part of this Official Statement.

In accordance with the Federal Housing Finance Regulatory Reform Act of 2008 (the "Regulatory Reform Act"), the Federal Housing Finance Agency (the "FHFA") was named as the conservator of Fannie Mae on September 6, 2008. The Commission cannot predict the long-term consequences of the conservatorship of the Fannie Mae and the corresponding impacts, if any, on the Commission and the Fannie Mae Certificates held under the Indenture.

On March 31, 2003, Fannie Mae registered its common stock with the Securities and Exchange Commission ("SEC"). As a result of this action, Fannie Mae is required to file periodic financial disclosures with the SEC under the Securities Exchange Act of 1934, including Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K, together with any required exhibits. These reports and other information can be read and copied at the SEC's public reference room at 450 Fifth Street, N.W., Washington, D.C. 20549. The SEC currently maintains a web site (<http://www.sec.gov>) that contains reports, proxy statements and other information that Fannie Mae has filed with the SEC. The Commission makes no representations regarding the content, accuracy or availability of any such reports or information filed by Fannie Mae with the SEC, any information provided at the SEC's web site, or how long Fannie Mae will continue to file reports with the SEC. The SEC's web site is not part of this Official Statement.

Fannie Mae is a federally-chartered, private stockholder-owned corporation organized and existing under the Federal National Mortgage Association Charter Act (the “Charter Act,” 12 U.S.C. § 1716 *et seq.*). Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market. It was transformed into a stockholder-owned, privately managed corporation in 1968. The Secretary of HUD exercises general regulatory power over Fannie Mae.

Fannie Mae operates in the secondary mortgage market by purchasing mortgages and mortgage-related securities, including Fannie Mae mortgage-related securities, from primary market institutions, such as commercial banks, savings and loan associations, mortgage companies, securities dealers and other investors. Fannie Mae provides additional liquidity in the secondary mortgage market by issuing and guaranteeing mortgage-related securities. Fannie Mae also offers fee-based services to its customers, such as issuing and administering a variety of mortgage-related securities, providing credit enhancements and offering technology products to aid in originating and underwriting mortgage loans.

Fannie Mae operates various mortgage-backed securities programs pursuant to which Fannie Mae issues securities backed by pools of mortgage loans. The Fannie Mae Certificates described in this Official Statement represent beneficial ownership interests in pools of Mortgage Loans held in trust by Fannie Mae for the benefit of the Trustee, as holder of the Fannie Mae Certificates. The Fannie Mae Certificates are issued by Fannie Mae pursuant to a trust indenture and supplements thereto (generally for certificates issued before June 1, 2007) or a trust agreement and supplements thereto (generally for certificates issued since June 1, 2007). Since June 3, 2019, each Fannie Mae Certificate has been a UMBS. See the heading “SECURITY FOR THE BONDS—Eligible Collateral” of this Official Statement.

Information regarding the Fannie Mae Certificates is contained in a prospectus (each, a “Single-Family MBS Prospectus”) and a prospectus supplement. Each Single-Family MBS Prospectus purports to contain general information about pools issued during its effective period including, but not limited to, the nature of the guaranty, yield considerations, and the mortgage purchase programs. Each prospectus supplement includes information about the pooled Mortgage Loans backing a particular issue of Fannie Mae Certificates and about the certificates themselves. At the time of printing this Official Statement, copies of Single-Family MBS Prospectuses and prospectus supplements can be accessed at <http://www.fanniemae.com>. The Commission makes no representation regarding the content, accuracy or availability of any such prospectus or supplement thereto, or any information provided at such web site. Fannie Mae’s web site is not part of this Official Statement.

Payments on a Fannie Mae Certificate are required to be made to the Trustee on the 25th day of each month (beginning with the month following the month such Fannie Mae Certificate is issued), or if such 25th day is not a Business Day, on the first business day next succeeding such 25th day. With respect to each Fannie Mae Certificate, Fannie Mae generally is required to distribute to the Trustee an amount equal to the total of (1) the principal due on the Mortgage Loans in the related pool underlying such Fannie Mae Certificate during the period beginning on the second day of the month before the month of such distribution and ending on the first day of such month of distribution (each, a “due period”), (2) the stated principal balance of any Mortgage Loan that was prepaid in full during the month preceding the month of such distribution (including as prepaid for this purpose any Mortgage Loans repurchased by Fannie Mae because of Fannie Mae’s election to repurchase the Mortgage Loan after it is delinquent, in whole or in part, with respect to four consecutive monthly installments (or eight consecutive bi-weekly installments) of principal and interest or because of Fannie Mae’s election to repurchase such Mortgage Loan under certain other circumstances as permitted by Fannie Mae’s trust indenture or trust agreement), (3) the amount of any partial prepayment of a Mortgage Loan received in the month preceding the month of distribution, and (4) one month’s interest, at the fixed pass-through rate, on the principal balance of the Fannie Mae Certificate immediately prior to the distribution date.

Fannie Mae guarantees to holders of the Fannie Mae Certificates, on each distribution date, an amount equal to the borrowers’ scheduled principal payments for the related due period, whether or not received, plus an amount equal to one month’s interest on the Fannie Mae Certificates at the fixed pass-through rate stated in the prospectus supplement for such certificates. In addition, Fannie Mae guarantees the full and final payment of the unpaid principal balance of the Fannie Mae Certificates on the distribution date in the month of the maturity date specified in the prospectus supplement for the Fannie Mae Certificates. Fannie Mae’s guaranty covers any interest shortfalls on the Fannie Mae Certificates arising from reductions in the interest rate of a Mortgage Loan due to application of the Servicemembers Civil Relief Act, as amended, and similar state laws.

Neither the Fannie Mae Certificates nor payments of principal and interest thereon are guaranteed by the United States government. The Fannie Mae Certificates do not constitute a debt or obligation of the United States or any of its agencies or instrumentalities other than Fannie Mae. Fannie Mae alone is responsible for making payments on its guaranty.

If Fannie Mae was unable to perform its guaranty obligations, the Trustee would receive only the payments that borrowers actually made and any other recoveries on the Mortgage Loans in the pool from sources such as insurance, condemnation and foreclosure proceeds. If that were to happen, delinquencies and defaults on the Mortgage Loans would directly affect the amount of principal and interest that the Trustee would receive each month.

Fannie Mae establishes eligibility criteria and policies for the mortgage loans it purchases, for the sellers from whom it purchases loans, and for the servicers who service Fannie Mae's mortgage loans. Fannie Mae's eligibility criteria and policies are set forth in Fannie Mae's Selling and Servicing Guides (the "Fannie Mae Guides") and updates and amendments to such guides. Fannie Mae amends its Fannie Mae Guides and its eligibility criteria and policies from time to time.

The Charter Act requires that Fannie Mae establish maximum original principal balance dollar limitations for the conventional loans that it purchases. These limitations (referred to as conforming loan limits) typically are adjusted annually. For loans acquired during 2023, Fannie Mae's conforming loan limit for conventional loans secured by first liens on single-unit residences in Washington State is \$726,200 in all counties other than King, Pierce and Snohomish (in each of which the limit is \$977,500).

The Charter Act requires that Fannie Mae obtain credit enhancement whenever it purchases a conventional mortgage loan secured by a single-family residence with a loan-to-value ratio over 80%. The credit enhancement may take several forms, including mortgage insurance issued by an insurer acceptable to Fannie Mae covering the amount in excess of 80%, repurchase arrangements with the seller of the mortgage loans, and seller-retained participation interests. Fannie Mae may impose credit enhancement requirements that are more restrictive than those of the Charter Act.

Fannie Mae is responsible for servicing and administering the mortgage loans it purchases. Fannie Mae may contract with other entities to perform those functions under Fannie Mae's supervision and on Fannie Mae's behalf. The entity with whom Fannie Mae contracts may be the seller that sold the loans to Fannie Mae. Duties generally performed by the servicer include general loan servicing responsibilities, collection and remittance of payments on the mortgage loans, administration of mortgage escrow accounts, collection of insurance claims and foreclosure, if necessary. Fannie Mae remains responsible to certificateholders for all the servicing and administrative functions related to the mortgage loans, even if it hires a servicer. Servicers are required to meet the eligibility standards and performance obligations in the Fannie Mae Guides. Fannie Mae may remove any servicer at any time Fannie Mae considers its removal to be in the certificateholders' best interest.

Freddie Mac and the Freddie Mac Certificates

The following summary of the Federal Home Loan Mortgage Corporation ("FHLMC" or "Freddie Mac"), the Freddie Mac Guarantor Program, the Freddie Mac Certificates and Freddie Mac's mortgage purchase and servicing standards does not purport to be complete and is qualified in its entirety by reference to Freddie Mac's current Mortgage Participation Certificates Offering Circular, any applicable Offering Circular and Pool Supplements, Freddie Mac's current Mortgage Participation Certificates Agreement, as amended, Freddie Mac's Information Statement, any Information Statement Supplements and any other documents made available by Freddie Mac. At the time of printing this Official Statement, the documents mentioned above and general information regarding Freddie Mac (including, but not limited to, its financial condition and the status of its conservatorship) can be accessed at <http://www.freddiemac.com>. However, the Commission makes no representation regarding the content, accuracy or availability of any such document or any information provided at such web site. Such web site is not part of this Official Statement.

On July 18, 2008, Freddie Mac voluntarily registered its common stock with the SEC, thereby subjecting Freddie Mac to reporting requirements applicable to registered securities. In addition, pursuant to the Senior Preferred Stock Purchase Agreement between the Treasury and Freddie Mac, Freddie Mac is required to provide the Treasury with annual reports on Form 10-K, quarterly reports on Form 10-Q, and current reports on Form 8-K. These reports and other information can be read and copied at the SEC's public reference room at 450 Fifth Street, N.W., Washington, D.C. 20549. The SEC currently maintains a web site (<http://www.sec.gov>) that contains reports, proxy statements and other information that Freddie Mac has filed with the SEC. The Commission makes no representations regarding the content, accuracy or availability of any such reports or information filed by Freddie Mac with the SEC, any information provided at on the SEC's web site, or how long Freddie Mac will continue to file reports with the SEC. The SEC's web site is not part of this Official Statement.

In accordance with the Regulatory Reform Act, the FHFA was named as the conservator of Freddie Mac on September 6, 2008. The Commission cannot predict the long-term consequences of the conservatorship of the Freddie Mac and the corresponding impacts, if any, on the Commission and the Freddie Mac Certificates held under the Indenture.

Freddie Mac is a shareholder-owned, government-sponsored enterprise chartered on July 24, 1970, pursuant to the Federal Home Loan Mortgage Corporation Act (Title III of the Emergency Home Finance Act of 1970, as amended (12 U.S.C. §§ 1451-1459) (the “Freddie Mac Act”).

Freddie Mac purchases and guarantees a variety of single-family mortgages. Most of these mortgages are conventional mortgages that are not guaranteed or insured by the United States or any of its agencies or instrumentalities. However, Freddie Mac purchases some mortgages that are fully insured by the Federal Housing Administration (“FHA”) or guaranteed, in part, by the Department of Veterans Affairs (“VA”) (collectively, “FHA/VA mortgages”). Freddie Mac operates a program in which purchases and pools single-family mortgages for the purpose of issuing mortgage participation certificates (including any Freddie Mac Certificates that may be purchased by the Trustee). These mortgage participation certificates represent beneficial ownership interests in pools of mortgages that Freddie Mac has purchased. As of June 3, 2019, each Freddie Mac Certificate will be a UMBS. See the heading “SECURITY FOR THE BONDS—Eligible Collateral” of this Official Statement.

Freddie Mac is required to pay principal to the holders of its fixed-rate mortgage participation certificates originated on or after June 3, 2019, on the 25th of each month (or, if the 25th is not a business day, the next business day), beginning in the month after each such certificate is issued (each, a “Payment Date”). The principal balance of the mortgage pool underlying the certificate may differ from the aggregate principal balance of the underlying mortgages due to delays or errors in processing mortgage information, such as a servicer’s failure to file an accurate or timely report of its collections of principal or its having filed a report that cannot be processed. Freddie Mac is required to account for any differences as soon as practicable.

The aggregate principal payment in any month on a fixed-rate mortgage participation certificate reflects: (i) the scheduled principal payments due on the mortgages in the related mortgage pool for the monthly reporting period ending in the current month; (ii) prepayments on the related mortgages as reported by servicers for the monthly reporting period ending in the previous month; and (iii) any adjustments necessary to reconcile the principal balance of the mortgage pool with the aggregate balance of the related mortgages reported to Freddie Mac by servicers. Freddie Mac is required to calculate the scheduled principal due on the related mortgages based upon the actual principal balance, interest rate and remaining term to maturity of each mortgage in the mortgage pool. Its calculation of scheduled principal may not reflect actual payments on the mortgages.

Interest accrues on each Freddie Mac Certificate during the calendar month preceding the month of the Payment Date at the interest rate specified for the mortgage participation certificate. The interest rate is set at the time of issuance and does not change. Interest accrues on the principal amount of a certificate as determined by its “pool factor” for the month preceding the month of the Payment Date.

Freddie Mac guarantees to each holder of each mortgage participation certificate (i) the timely payment of interest at the applicable interest rate for the certificate; (ii) the timely payment of scheduled principal on the underlying mortgages; and (iii) the full and final payment of principal on the underlying mortgages by the Payment Date that falls in the latest month in which Freddie Mac reduces the related “pool factor” to zero.

The obligations of Freddie Mac under its guarantees of mortgage participation certificates are obligations of Freddie Mac only. Such certificates, including the interest thereon, are not guaranteed by the United States and do not constitute debts or obligations of the United States or any agency or instrumentality of the United States other than Freddie Mac. If Freddie Mac were unable to satisfy its obligations under its guarantees, distributions on the mortgage participation certificate would consist solely of payment and other recoveries on the related mortgage. Accordingly, delinquencies and defaults on the mortgages would affect distributions on the certificates.

The Freddie Mac Act limits the maximum original principal amount of single-family mortgages that Freddie Mac may purchase. These limits are referred to as “conforming loan limits.” For loans acquired during 2023, Freddie Mac’s conforming loan limit for conventional loans secured by first liens on single-unit residences in Washington State is \$726,200 in all counties other than King, Pierce and Snohomish (in each of which the limit is \$977,500).

The Freddie Mac Act also prohibits Freddie Mac from purchasing first-lien conventional single-family mortgages if the outstanding principal balance at the time of purchase exceeds 80 percent of the value of the real property securing the mortgage unless Freddie Mac have a level of credit protection (such as mortgage insurance from an approved mortgage insurer, a seller’s agreement to repurchase or replace any mortgage that has defaulted) or the retention of at least a 10 percent participation interest in the mortgages by the seller. This requirement does not apply to FHA/VA mortgages.

The single-family mortgages purchased and guaranteed by Freddie Mac generally are subject to the credit, appraisal, underwriting and other purchase policies and guidelines set forth in Freddie Mac's *Single-Family Seller/Servicer Guide*. Freddie Mac may modify these guidelines or grant waivers for certain mortgages that it purchases.

Freddie Mac services or supervises the servicing of the mortgages it purchases. In performing its servicing responsibilities, Freddie Mac may employ servicing agents or independent contractors. Each such servicer generally is required to perform all activities concerning the calculation, collection and processing of mortgage payments and related borrower inquiries, as well as all mortgage administrative responsibilities, including claims collection, workouts, foreclosures and reports. Servicers service mortgages, either directly or through approved subservicers, and receive fees for their services. Freddie Mac monitors a servicer's performance through periodic and special reports and inspections to ensure it complies with its obligations.

The interest rates of the mortgages in a mortgage pool underlying a fixed-rate mortgage participation certificate are within a range from (i) the certificate interest rate plus any minimum required servicing fee through (ii) 2.5% above the certificate interest rate. Subject to certain adjustments, Freddie Mac retains from monthly interest payments on each mortgage a management and guarantee fee, which equals any interest received by Freddie Mac from the servicer over the amount of interest payable to holders of the certificate.

**APPENDIX C:
DTC AND THE BOOK-ENTRY SYSTEM**

The information in this Appendix concerning The Depository Trust Company, New York, New York (“DTC”) and DTC’s book-entry system has been obtained from DTC. Neither the Underwriters nor the Commission take responsibility for the accuracy or completeness thereof, or for any material changes in such information subsequent to the date hereof, or for any information provided at the web sites referenced below. Beneficial Owners should confirm the following with DTC or the Direct Participants (as hereinafter defined). So long as Cede & Co. is the Registered Owner of the 2024 Series 1 Bonds, as nominee of DTC, references in the Official Statement to the Bondowners or Registered Owners of the 2024 Series 1 Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the 2024 Series 1 Bonds.

1. The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the securities (the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each issue of the Securities, each in the aggregate principal amount of such issue, and will be deposited with DTC.

2. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding

the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. [Omitted.]

10. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

11. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

Single-Family Program Bonds, 2024 Series 1A (AMT)
Single-Family Program Bonds, 2024 Series 1N (Non-AMT)
Single-Family Program Bonds, 2024 Series 1T (Taxable)

Ladies and Gentlemen:

We have examined the Constitution and laws of the State of Washington (the "State") and a certified transcript of the proceedings taken by the Washington State Housing Finance Commission (the "Commission"), a public body corporate and politic organized and existing under the laws of the State, in the matter of the issuance and sale by the Commission of the Single-Family Program Bonds, 2024 Series 1A (AMT), Single-Family Program Bonds, 2024 Series 1N (Non-AMT) and Single-Family Program Bonds, 2024 Series 1T (Taxable), in the aggregate principal amount of \$99,550,000* (the "2024 Series 1 Bonds") for the purpose of providing funds to refund certain outstanding obligations of the Commission and to acquire mortgage backed securities of the Government National Mortgage Association, the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation (together, the "Certificates"). The Certificates will evidence the guarantee of the timely payment of principal of and interest on qualifying mortgage loans (the "Mortgage Loans"). The Mortgage Loans are originated pursuant to Mortgage Origination Agreements (the "Origination Agreements") among certain lending institutions doing business in the state of Washington, the Idaho Housing and Finance Association (the "Servicer"), and the Commission and to be serviced by the Servicer under a Program Administration and Servicing Agreement dated as of January 20, 2023, as amended by a First Amendment to Program Administration and Servicing Agreement dated as of May 1, 2023 (the "Servicing Agreement") by and among the Commission, the Servicer and Wilmington Trust, National Association, as successor to Wells Fargo Bank, National Association (the "Trustee").

The 2024 Series 1 Bonds are issued under an Amended and Restated General Trust Indenture dated as of November 1, 2010, as amended, and the 2024 Series 1 Indenture, dated as of May 1, 2024, by and between the Commission and the Trustee (together, the "Indenture"). The issuance of the 2024 Series 1 Bonds has been authorized pursuant to Chapter 161, Laws of Washington, 1983, as amended, and Resolution No. 23-57 of the Commission adopted on June 22, 2023, as amended by Resolution No. 24-64 adopted on March 28, 2024 (the "Resolution").

Capitalized terms used herein and not otherwise defined shall have the same definitions as in the Indenture.

The 2024 Series 1 Bonds are dated May 30, 2024* and pay interest semiannually on each June 1 and December 1, commencing December 1, 2024. The 2024 Series 1 Bonds are fully registered, mature on the dates and bear interest from their date, as provided therein and in the Indenture and may be exchanged or transferred as provided in the Indenture. The 2024 Series 1 Bonds are subject to special, mandatory and optional redemption as provided in the Indenture.

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of officers of the Commission furnished to us without undertaking to verify the same by independent investigation. Furthermore, we have examined executed counterparts of the Servicing Agreement, the Indenture and

* Preliminary, subject to change.

such other documents, rules, regulations or other matters as we have deemed relevant in arriving at the opinions stated below.

From our examination, it is our opinion that:

1. The Commission has been duly created as a public body corporate and politic constituting an instrumentality of the State with lawful authority to adopt the Resolution, to enter into the Indenture, the Origination Agreements and the Servicing Agreements, to issue and deliver the 2024 Series 1 Bonds and to perform its obligations under the Resolution, the Indenture, the Origination Agreements and the Servicing Agreement and to carry out the transactions contemplated thereby.

2. The Commission has duly adopted the Resolution and has duly authorized and executed the Indenture, the Origination Agreements and the Servicing Agreements, and the Indenture, the Origination Agreements and the Servicing Agreements constitute the legal, valid and binding obligations of the Commission enforceable in accordance with their terms.

3. The 2024 Series 1 Bonds have been duly authorized, executed and delivered, constitute legal, valid and binding special obligations of the Commission enforceable in accordance with their terms and are entitled to the benefits and security provided by the Indenture.

4. The Indenture creates the valid pledge of and lien which it purports to create on the Revenues, Eligible Collateral and other funds held by the Trustee under the Indenture to secure the payment of the principal of, redemption premium, if any, and interest on the 2024 Series 1 Bonds, subject to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Indenture.

5. The 2024 Series 1 Bonds are limited obligations of the Commission and are payable solely out of the Revenues, Eligible Collateral and other funds held under the Indenture. The 2024 Series 1 Bonds are not a debt of the State or of any political subdivision of the State or of any municipal corporation or other subdivision of the State other than the Commission. Neither the State nor any municipal corporation or other subdivision of the State other than the Commission is liable on the 2024 Series 1 Bonds. The 2024 Series 1 Bonds are not a debt, indebtedness or the borrowing of money within the meaning of any limitation or restriction on the issuance of bonds contained in the Constitution of the State.

With respect to the opinions expressed herein, the enforceability of rights and obligations under the 2024 Series 1 Bonds, the Indenture, the Resolution, the Servicing Agreement and the Origination Agreements and against the assets pledged by the Indenture are subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws heretofore or hereafter enacted to the extent constitutionally applicable and subject to the exercise of judicial discretion in appropriate cases.

Very truly yours,

Single-Family Program Bonds
2024 Series 1A (AMT)
2024 Series 1N (Non-AMT)
2024 Series 1T (Taxable)
Ladies and Gentlemen:

We have acted as Special Tax Counsel in connection with the issuance and sale by the Washington State Housing Finance Commission of the \$99,550,000* aggregate principal amount Single-Family Program Bonds, 2024 Series 1A (AMT) (the “2024 Series 1A Bonds”), the Single-Family Program Bonds, 2024 Series 1N (Non-AMT) (the “2024 Series 1N Bonds”) and the Single-Family Program Bonds, 2024 Series 1T (Taxable) (the “2024 Series 1T Bonds”) and, together with the 2024 Series 1A Bonds and the 2024 Series 1N Bonds, the “2024 Series 1 Bonds”). The 2024 Series 1 Bonds will be issued pursuant to the Amended and Restated General Trust Indenture dated as of November 1, 2010, as amended (the “General Indenture”), by and between the Washington State Housing Finance Commission (the “Commission”) and Wilmington Trust, National Association, as the successor trustee to Wells Fargo Bank, National Association (the “Trustee”), and a Series Indenture dated as of May 1, 2024 (the “2024 Series 1 Indenture”), between the Commission and the Trustee, authorizing the issuance of the 2024 Series 1 Bonds. Capitalized terms not otherwise defined herein are used as defined in the General Indenture and the 2024 Series 1 Indenture.

In connection with the issuance of the 2024 Series 1 Bonds, we have examined the General Indenture and the 2024 Series 1 Indenture, the Arbitrage and Tax Certification (the “Tax Certificate”) and such other opinions, documents, certificates and letters as we deem relevant and necessary in rendering this opinion.

From such examination, we are of the opinion that, assuming compliance by the Commission with certain restrictions, conditions and requirements contained in the General Indenture, the 2024 Series 1 Indenture and the Tax Certificate designed to meet the requirements of the Internal Revenue Code of 1986, as amended (the “Code”), under existing laws, regulations, rulings and judicial decisions, (1) interest on the 2024 Series 1A Bonds and 2024 Series 1N Bonds is excludable from gross income of the owners thereof for purposes of federal income taxation, (2) interest on the 2024 Series 1A Bonds is a specific preference item for purposes of the federal alternative minimum tax imposed on individuals, (3) interest on the 2024 Series 1N Bonds is not a specific preference item for purposes of the federal alternative minimum tax imposed on individuals. Interest on the 2024 Series 1A Bonds and 2024 Series 1N Bonds may affect the federal alternative minimum tax imposed on certain corporations.

Under existing laws, regulations, rulings and judicial decisions, interest on the 2024 Series 1T Bonds is included in gross income for purposes of federal income taxation.

We express no opinion regarding any other consequences affecting the federal income tax liability of a recipient of interest on the 2024 Series 1 Bonds.

The opinions expressed herein are rendered in reliance upon the opinion of Pacifica Law Group LLP, Bond Counsel, as to the validity of the 2024 Series 1 Bonds under the Constitution and laws of the State of Washington.

Very truly yours,

* Preliminary, subject to change.
