INTRODUCTION

This Official Statement sets forth certain information concerning the issuance and sale by the Alachua County Housing Finance Authority (the “Issuer”), a public body corporate and politic, duly organized and existing under the laws of the State of Florida (the “State”), of its \$29,000,000* aggregate principal amount of Multifamily Mortgage Revenue Bonds, Series 2024 (Harbor Cove Apartments) (the “Bonds”). The Bonds will be issued pursuant to Ordinance No. 99-25, enacted by the Board of County Commissioners of Alachua County, Florida (the “Board”) on December 14, 1999, and in accordance with the provisions of the Florida Housing Finance Authority Law, Chapter 159, Part IV, Florida Statutes, and the Florida Industrial Development Financing Act, as amended Chapter 159, Part II, Florida Statutes (collectively, the “Act”), and that certain resolution of the Issuer adopted on October 23, 2024, (the “Bond Resolution”), and secured by a Trust Indenture, dated as of November 1, 2024 (the “Indenture”), between the Issuer and U.S Bank Trust Company, National Association, a national banking association, as trustee (in such capacity, the “Trustee”). The Bonds are being issued to make a loan (the “Loan”) to OK Harbor Cove TC LLC, a Delaware limited liability company (the “Borrower”), for the acquisition, rehabilitation and equipping of an approximately 208-unit multifamily rental housing development located in Gainesville, Florida (the “Project”). The terms of the financing are to be as set forth in the Loan Agreement, dated as of November 1, 2024, between the Issuer and the Borrower (the “Loan Agreement”). The obligation of the Borrower to repay the Loan pursuant to the Loan Agreement will be evidenced by a promissory note (the “Note”).

Unless otherwise defined herein, all capitalized terms shall have the meanings assigned to them in “APPENDIX A — DEFINITIONS OF CERTAIN TERMS” hereto.

Under the terms of the Indenture, on the date of delivery an amount equal to the proceeds of the Bonds is to be deposited into the Project Fund established under the Indenture, and invested in Eligible Investments, as defined in the Indenture. See “APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Investment of Special Funds and Rebate Fund” hereto.

The principal of and interest on the Bonds (the “Bond Service Charges”) are payable from the security pledged under the Indenture, including the payments on the investment of funds under the Indenture. Under the Indenture, the Trustee is to invest amounts held under the Indenture in Eligible Investments (as defined below).

At all times, the Bonds will be secured by amounts on deposit under the Indenture, which shall constitute Eligible Funds and shall be invested in Eligible Investments and such amounts will be sufficient, along with investment earnings thereon, without the need for reinvestment, to pay all of the interest on the Bonds when due and to pay the principal of the Bonds at the earlier of any Redemption Date or any Mandatory Tender Date, as further described herein. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS” herein.

Simultaneously with the issuance of the Bonds, the Borrower will receive from Berkadia Commercial Mortgage LLC, a Delaware limited liability company (the “Lender”), a mortgage loan with respect to the project (the “Mortgage Loan”), from OK Harbor Cove LLC, a Florida limited liability

* Preliminary; subject to change.

company (the “Seller”) a seller loan (the “Seller Loan”) and from PNC Bank, National Association (the “Bridge Lender”) an equity bridge loan (the “Bridge Loan”) with respect to the project. The Lender and the Seller will make the proceeds of the Mortgage Loan and the Seller Loan available to the Borrower in connection with the Project and will deliver certain of these proceeds, as Eligible Funds, to the Trustee for deposit into the Collateral Fund held by the Trustee under the Indenture, and the Borrower will agree to make funds available to fund development and construction costs for the project. Upon the deposit of Eligible Funds into the Collateral Fund, and subject to the other provisions set forth in the Indenture, a like amount of funds will be disbursed by the Trustee from the Project Fund to or at the direction of the Borrower pay the costs of the Project. See “ELIGIBLE FUNDS AND DISBURSEMENT OF BOND PROCEEDS” herein.

The Borrower’s operation of the Project will be subject to the terms of the Certificate as to Arbitrage and Certain Other Tax Matters and the Borrower’s Tax Certificate, each dated the Closing Date, by and among the Borrower, the Trustee and the Issuer (the “Tax Certificate”), and an Amended and Restated Land Use Restriction Agreement by and among the Borrower, the Trustee and the Issuer (the “Regulatory Agreement”), each of which contains covenants required to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes. The Regulatory Agreement will require that for the Qualified Project Period (as defined in the Regulatory Agreement), 100% of the dwelling units in the Project (except for dwelling units reserved for a resident manager, security personnel and maintenance personnel) are reserved for tenants whose combined annual income does not exceed 60% of the median gross income for the area in which the Project is located, adjusted for family size. See “APPENDIX D — SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT” hereto.

The Bonds will bear interest on the outstanding principal amount thereof at the Initial Interest Rate set forth on the cover page hereof from their date of delivery, to but not including, June 1, 2027* (the “Initial Mandatory Tender Date”), payable on each June 1 and December 1, commencing June 1, 2025* (each an “Interest Payment Date”).

The Bonds are subject to mandatory tender for purchase or mandatory redemption on the Initial Mandatory Tender Date. In the event the conditions to remarketing set forth in the Indenture are not met, or if all or a portion of the Bonds cannot be remarketed, all of the Bonds will be subject to mandatory redemption on the Initial Mandatory Tender Date. All Bondholders must tender their Bonds for purchase on the Initial Mandatory Tender Date. A new interest rate for the Bonds may be determined on the Initial Mandatory Tender Date in accordance with the terms of the Indenture. If the Bonds are remarketed on the Initial Mandatory Tender Date, the terms of the Bonds after such date may differ materially from the description provided in this Official Statement. Therefore, prospective purchasers of the Bonds on and after the Initial Mandatory Tender Date cannot rely on this Official Statement, but rather must rely upon any disclosure documents prepared in connection with such remarketing.

In the event of any conflict and to the extent that there is any inconsistency or ambiguity between the provisions of the Bond Documents (as defined herein) and the provisions of the Controlling HUD and GNMA Requirements (as defined herein) or the Mortgage Loan Documents (as defined herein), other than any provisions relating to the indemnification or limited obligation of the Issuer, the Controlling HUD and GNMA Requirements and Mortgage Loan Documents will be deemed to be controlling, and any such ambiguity or inconsistency will be resolved in favor of, and pursuant to the terms of the Controlling HUD and GNMA Requirements and Mortgage Loan Documents, as applicable. See “APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE” hereto.

* Preliminary; subject to change.

Brief descriptions of the Issuer, the Bonds, the security for the Bonds, the Borrower, the Project, the Indenture, the Regulatory Agreement, the Tax Certificate and the Loan Agreement are included in this Official Statement. All references herein to the Indenture, the Loan Agreement, the Regulatory Agreement, the Tax Certificate and other documents and agreements are qualified in their entirety by reference to such documents and agreements, copies of which are available for inspection at the offices of the Trustee.

ELIGIBLE FUNDS AND DISBURSEMENT OF BOND PROCEEDS

Simultaneously with the issuance of the Bonds, the Borrower will obtain the Mortgage Loan from the Lender and the Borrower will cause the Lender to deliver Eligible Funds (as defined herein) which will be deposited into the Collateral Fund in an amount equal to all or a portion of such disbursement as security for the Bonds in exchange for a like amount of Bond proceeds from the Project Fund, which is to be disbursed by the Trustee for purposes of paying costs of the Project, all in accordance with the Loan Agreement and the Indenture. The maximum aggregate amount of Eligible Funds to be delivered to the Trustee for deposit into the Collateral Fund will be \$29,000,000*.

Bond Service Charges will be payable as they become due, in the following order: (i) from money on deposit in the Bond Fund (other than the Negative Arbitrage Account within the Bond Fund), (ii) from money on deposit in the Negative Arbitrage Account within the Bond Fund, (iii) from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund, and (iv) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund.

Notwithstanding any provision of the Loan Agreement or the Indenture to the contrary, the Trustee will not disburse funds from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until (i) an amount equal to or greater than the requested disbursement amount has been deposited into the Collateral Fund in accordance with the provisions of the Indenture and (ii) the Trustee has determined that the sum of the amount then held in the Collateral Fund and the amount then on deposit in the Project Fund, less the anticipated amount of the disbursement from the Project Fund, is at least equal to the then outstanding principal amount of the Bonds. Upon receipt of Eligible Funds, subject to the foregoing provisions, the Trustee may disburse Bond proceeds to or at the direction of the respective Lender for use by the Borrower to pay costs of the Project, in accordance with the terms of the Loan Agreement.

The amounts on deposit in the Project Fund, the Bond Fund and the Collateral Fund will be invested on the date of delivery of the Bonds in Eligible Investments. See “APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Investment of Special Funds and Rebate Fund.” An amount equal to the aggregate interest payments on the Bonds from the date of delivery of the Bonds to the Initial Mandatory Tender Date is required, pursuant to the Indenture, to be deposited on the date of delivery of the Bonds to the Negative Arbitrage Account of the Bond Fund by or on behalf of the Borrower.

Purchase in Lieu of Redemption

At the election of the Borrower upon a redemption in whole of the Bonds, by written notice to the Trustee and the Remarketing Agent given not less than five (5) Business Days in advance of such Redemption Date, the Bonds will be deemed tendered for purchase in lieu of the redemption on such date and the call for redemption shall be cancelled. So long as DTC is the registered owner of the Bonds, notice of any redemption with respect to Bonds will be given only to DTC or its nominee. Any failure of DTC to notify the Beneficial Owners of any such notice and its contents or effect will not affect the validity of such notice of any proceedings for the redemption of such Bonds. Failure to receive notice by mailing shall not affect the validity of any notice properly given under the Indenture. Any defect in that notice regarding any Bond, shall not affect the validity of the proceedings for the redemption of any other Bond. With respect to a mandatory redemption, the notice of Mandatory Tender provided to Holders pursuant to the Indenture as described herein under "Notice of Mandatory Tender" will serve as the notice of redemption, and no further notice of redemption will be required to the Holders.

All official notices of redemption shall be dated and shall state:

- (a) the Redemption Date,
- (b) the redemption price,
- (c) if less than all Outstanding Bonds are to be redeemed, the identification by designation, letters, numbers or other distinguishing marks (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (d) that on the Redemption Date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the Designated Office of the Trustee, and

(f) that the notice of redemption may be conditioned upon a specified event or condition, including but not limited to there being deposited with the Trustee on or prior to the date of redemption money sufficient to pay the redemption price of the Bonds to be redeemed and, in the case of any redemption premium on Bonds, that there be on deposit Eligible Funds sufficient to pay such redemption premium. In the case of any such revocation, the Trustee shall send notice thereof to all Holder of the Bonds in the same manner as notice of redemption was given.

Notices of optional redemption shall be revocable in the event that there is not on deposit with the Trustee prior to the date of redemption money sufficient to pay the redemption price of the Bonds to be redeemed or, in the case of any redemption premium on Bonds, there is not on deposit Eligible Funds sufficient to pay such redemption premium.

If the Bonds are not then held in a Book-Entry System, in addition to the foregoing notice, further notice shall be given by the Trustee as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all Bonds being redeemed; (ii) the date of issue of the Bonds as originally issued; (iii) the rate of interest borne by each Bond being redeemed; and (iv) the maturity date of each Bond being redeemed.

(b) Each further notice of redemption shall be sent at least 15 days before the Redemption Date by electronic mail, registered or certified mail or overnight delivery service to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number (if any) identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Failure to receive notice by mailing shall not affect the validity of any notice properly given hereunder. Any defect in that notice regarding any Bond shall not affect the validity of the proceedings for the redemption of any other Bond.

Notice of any redemption hereunder with respect to Bonds held under a Book-Entry System shall be given by the Trustee only to the Depository, or its nominee, as the Holder of such Bonds. Selection of Beneficial Ownership Interests in the Bonds called for redemption and notice of the redemption to the Beneficial Owners are the responsibility of the Depository and any failure of such Depository to notify the Beneficial Owners of any such notice and its contents or effect will not affect the validity of such notice of any proceedings for the redemption of such Bonds. Notices of redemption may state that no representation is made as to the accuracy or correctness of the CUSIP numbers provided therein or on the Bonds.

Mandatory Tender

Purchase of Bonds on Mandatory Tender Dates. All Outstanding Bonds shall be subject to Mandatory Tender by the Holders for purchase in whole and not in part on each Mandatory Tender Date. The purchase price for each such Bond shall be payable in lawful money of the United States of America by wire, check or draft, shall equal 100% of the principal amount to be purchased and accrued interest, if any, to the Mandatory Tender Date, and shall be paid in full on the applicable Mandatory Tender Date.

Holding of Tendered Bonds. While Tendered Bonds are in the custody of the Trustee pending purchase pursuant to the Indenture, the tendering Holders thereof shall be deemed the owners thereof for all purposes, and interest accruing on Tendered Bonds through the day preceding the applicable Mandatory Tender Date is to be paid as if such Bonds had not been tendered for purchase.

Purchase of Tendered Bonds. The Trustee shall utilize amounts representing proceeds of remarketed Bonds on deposit in the Remarketing Proceeds Account to pay the principal amount, plus accrued interest, of Bonds tendered for purchase not later than 11:30 a.m. Local Time on the Mandatory Tender Date.

Cancellation of Remarketing. In the event the Bonds must be redeemed as a result of the occurrence of any of the events listed in the Indenture, the remarketing shall be cancelled and all Bonds outstanding on the Mandatory Tender Date shall be redeemed in accordance with the Indenture.

Undelivered Bonds. Bonds shall be deemed to have been tendered for purposes of the Indenture whether or not the Holders shall have delivered such Undelivered Bonds to the Trustee, and subject to the right of the Holders of such Undelivered Bonds to receive the purchase price of such Bonds on the Mandatory Tender Date, such Undelivered Bonds shall be null and void. If such Undelivered Bonds are to be remarketed, the Trustee shall authenticate and deliver new Bonds in replacement thereof pursuant to the remarketing of such Undelivered Bonds.

Notice of Mandatory Tender

Notice to Holders. Not later than the 30th day prior to a Mandatory Tender Date, the Trustee shall give written notice of a mandatory tender on the Mandatory Tender Date to the Holders of the Bonds then Outstanding (with a copy to the Borrower, the Issuer, the Investor Member and the Remarketing Agent) by first class mail, postage prepaid, at their respective addresses then appearing on the Register stating:

- (i) the Mandatory Tender Date and that (A) if certain conditions are met, all Outstanding Bonds are subject to Mandatory Tender for purchase on the Mandatory Tender Date, (B) all Outstanding Bonds must be tendered for purchase no later than 9:00 a.m. Local Time, on the Mandatory Tender Date and (C) Holders will not have the right to elect to retain their Bonds;
- (ii) the address of the Designated Office of the Trustee at which Holders should deliver their Bonds for purchase and the date of the required delivery;
- (iii) that all Outstanding Bonds will be purchased on the Mandatory Tender Date at a price equal to the principal amount of the Outstanding Bonds plus interest accrued to the Mandatory Tender Date;
- (iv) that if, in the event that the conditions to remarketing set forth in the Indenture are not met as set forth therein, or, if proceeds from the remarketing are insufficient to pay the purchase price of the Bonds on the Mandatory Tender Date or if the rate of interest would exceed the Maximum Interest Rate, all of the Bonds will be redeemed, without further notice, on the Mandatory Tender Date; and
- (v) that any Bonds not tendered will nevertheless be deemed to have been tendered and will cease to bear interest from and after the Mandatory Tender Date.

Second Notice. In the event that any Bond required to be delivered to the Trustee for payment of the purchase price of such Bond shall not have been delivered to the Trustee on or before the 30th day

following a Mandatory Tender Date, the Trustee shall mail a second notice to the Holder of the Bond at its address as shown on the Register setting forth the requirements set forth in the Indenture for delivery of the Bond to the Trustee and stating that delivery of the Bond to the Trustee (or compliance with the provisions of the Indenture concerning payment of lost, stolen or destroyed Bonds) must be accomplished as a condition to payment of the purchase price applicable to the Bond.

Failure to Give Notice. Neither failure to give or receive any notice described in this heading, nor the lack of timeliness of such notice or any defect in any notice (or in its content) shall affect the validity or sufficiency of any action required or provided for in this heading.

No Additional Parity Bonds

The Indenture does not permit the Issuer to issue additional indebtedness prior to or on a parity with the Bonds.

BOOK-ENTRY ONLY SYSTEM

The following information on the Book-Entry System applicable to all Bonds has been supplied by DTC and neither the Issuer, the Borrower nor the Underwriter make any representation, warranties or guarantees with respect to its accuracy or completeness.

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC or its agent.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a S&P Global Ratings’ rating of “AA+.” The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records.

Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions and dividends ("debt charges payments") on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Issuer or Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions or dividends ("debt charges") to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered. The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information above in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer and the Underwriter take no responsibility for the accuracy thereof. The Issuer has no role in the purchases, transfers or sales of book entry interests. The rights of Beneficial Owners to transfer or pledge their interests, and the manner of transferring or pledging those interests, may be subject to applicable state law. Beneficial Owners may want to discuss with their legal advisers the manner of transferring or pledging their book-entry interests. The Issuer has no responsibility or liability for any aspects of the records or notices relating to, or payments made on account of, beneficial ownership, or for maintaining, supervising or reviewing any records relating to that ownership. The Issuer cannot and does not give any assurances that DTC, Direct Participants, Indirect Participants or others will distribute to the Beneficial Owners payments of debt charges on the Bonds made to DTC as the registered owner, or any redemption, if any, or other notices, or that they will do so on a timely basis, or that DTC, Direct Participants or Indirect Participants will serve or act in a manner described in this Official Statement.

Direct Participants and Indirect Participants may impose service charges on Beneficial Owners in certain cases. Purchasers of book-entry interests should discuss that possibility with their brokers.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

At all times, the Bonds will be secured by amounts on deposit in the Indenture, which shall constitute Eligible Funds and invested in Eligible Investments and such amounts will be sufficient, along with investment earnings thereon, without the need for reinvestment, to pay all of the interest on the Bonds when due and to pay the principal of the Bonds at the earlier of any Redemption Date or any Mandatory Tender Date, as further described herein.

The Bonds will be secured under the Indenture by all right, title and interest of the Issuer in and to (i) the Revenues, including, without limitation, all Loan Payments, Eligible Funds and other amounts receivable by or on behalf of the Issuer under the Loan Agreement in respect of repayment of the Loan, (ii) the Special Funds, including all accounts in those Funds and all money deposited therein and the investment earnings on such money, (iii) subject to the provisions of the Bond Resolution, all right, title and interest of the Issuer in the proceeds derived from the sale of the Bonds, and any securities in which money in the Special Funds are invested, and (except for money required to be rebated to the United States of America under the Code) the proceeds derived therefrom, and any and all other real or personal property of every name and nature from time to time hereafter by delivery or by writing of any kind pledged, assigned or transferred, as and for additional security under the Indenture by the Issuer or by anyone on its behalf, or with its written consent, to the Trustee, which is authorized to receive any and all such property at any and all times and to hold and apply the same subject to the terms of the Indenture, (iv) the Note, and (v) the Loan Agreement (the foregoing collectively referred to as the "Trust Estate").

Amounts deposited into the Special Funds and the Rebate Fund are to be invested in Eligible Investments. See "APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Investment of Special Funds and Rebate Fund" hereto.

THE BONDS ARE LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED AND ASSIGNED UNDER THE INDENTURE. NEITHER THE

ISSUER, ANY OF ITS PROGRAM PARTICIPANTS, THE STATE OF FLORIDA, NOR ANY POLITICAL SUBDIVISION THEREOF NOR ANY PUBLIC AGENCY (EXCEPT THE ISSUER, TO THE LIMITED EXTENT SET FORTH IN THE INDENTURE) SHALL IN ANY EVENT BE LIABLE FOR THE PAYMENT OF THE PRINCIPAL OF, PREMIUM (IF ANY) OR INTEREST ON THE BONDS OR FOR THE PERFORMANCE OF ANY PLEDGE, OBLIGATION OR AGREEMENT OF ANY KIND WHATSOEVER EXCEPT AS SET FORTH IN THE INDENTURE, AND NONE OF THE BONDS OR ANY OF THE ISSUER'S AGREEMENTS OR OBLIGATIONS SHALL BE CONSTRUED TO CONSTITUTE AN INDEBTEDNESS OF OR A PLEDGE OF THE FAITH AND CREDIT OF OR A LOAN OF THE CREDIT OF OR A MORAL OBLIGATION OF ANY OF THE FOREGOING WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION WHATSOEVER. THE ISSUER HAS NO TAXING POWER.

THE PROJECT AND THE BORROWER

The information under this heading has been provided solely by the Borrower and has not been independently verified by the Issuer, the Underwriter or any of their respective counsel, members, officers or employees, or Bond Counsel. No representation whatsoever as to the accuracy, adequacy or completeness of such information is made by the Issuer, the Underwriter or any of their respective counsel, members, officers or employees or Bond Counsel.

All costs of issuing the Bonds, including the underwriter's fee, will be paid by the Borrower.

The Mortgage Loan. The Project will utilize a mortgage loan (the "Mortgage Loan") insured by the Federal Housing Administration ("FHA") under Section 221(d)(4) of the National Housing Act of 1934, as amended, and applicable regulations promulgated thereunder. The Mortgage Loan is expected to close simultaneously with the issuance of the Bonds.

The Mortgage Loan is expected to be in the original principal amount of \$26,200,000* and is expected to bear interest at the estimated rate of 5.00%* per annum. The Mortgage Loan proceeds will be disbursed by the Lender to the Borrower based upon approved advances. Such advances will be evidenced by the Mortgage Note, secured by the Mortgage on the Project, and the Lender will issue, with respect to the Mortgage Note, fully amortized mortgage-backed securities ("GNMA Securities") guaranteed as to timely payment of principal and interest by the Government National Mortgage Association ("GNMA"). The Mortgage Loan will be amortized over 40* years.

The Seller Loan. The Project will also utilize a seller loan in the principal amount of approximately \$6,115,688* (the "Seller Loan"). The obligation to repay the Seller Loan will be set forth in a promissory note (the "Seller Note") from the Borrower to OK Harbor Cove LLC (the "Seller") and will be repayable out of cash flow and other non-Project sources on the terms and conditions set forth therein. The Seller

* Preliminary; subject to change.

Note will be unsecured. The Seller Note will have a term equal to that of the Mortgage Loan and will bear interest at a rate of 5.3* % per annum, with annual principal and interest not otherwise paid, due at maturity.

The Low Income Housing Tax Credit Proceeds. Simultaneous to the issuance of the Bonds, the Borrower admitted the Investor Member as a member with a 99.99% ownership interest in the Borrower. In exchange for its interest, the Investor Member will fund Federal Low Income Housing Tax Credit equity in the total approximate amount of \$17,894,840*, with an initial capital contribution of \$1,768,805*. The funding levels and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the projections set forth above and neither the Issuer nor the Underwriter makes any representation as to the availability of such funds.

Deferred Developer Fee. The Project will also utilize a deferred developer fee in the amount of \$7,004,094* as a source of funding. The deferred developer fee will be repaid through surplus cash flow received from the operation of the Project.

The Bridge Loan. The Project will also utilize an equity bridge loan in the principal amount of approximately \$12,943,600* (the “Bridge Loan”). The obligation to repay the Bridge Loan will be set forth in a promissory note (the “Bridge Loan Note”) from the Borrower to PNC Bank, National Association (the “Bridge Lender”) and will be repayable with a portion of the capital contributions from the Investor Member pursuant to the amended and restated limited partnership agreement of the Borrower. The Bridge Loan Note will be secured by an assignment of Investor Member’s capital contributions and an assignment and pledge of the Managing Member’s interests in the Borrower. The Bridge Loan Note will have a term of 60* months and will bear interest at a rate equal to Daily SOFR (as defined in the Bridge Loan Note) plus 2.85%* per annum, with annual principal and interest not otherwise paid, due at maturity.

The Project

The Project, known as Harbor Cove Apartments, is located in Gainesville, Florida, on an approximately 16.119-acre site. The Project contains 208 apartment units located in 14 buildings. Construction of the Project is anticipated to commence in November 2024 and be completed approximately 12 months later.

The building construction consists of 14 buildings, including 208 residential units with community space. Common area amenities include a security system, gated entrance, exercise facility, business center, playground, pool, car care center, and volleyball court. Unit amenities include: gas oven/range, microwave, garbage disposal, dishwasher, refrigerator/freezer, washer/dryers, walk in closets, and ceiling fans. All kitchen appliances will be stainless steel. There are 519 parking spaces for resident use only.

The unit mix and approximate square footage for the units of the Project will be as follows:

Unit Type	Average Square Feet	Number of Units
1 bedroom 1 bath	718	48

Project Regulation

The Borrower intends to rehabilitate and operate the Project as a qualified residential rental project in accordance with the provisions of Section 142(d) of the Code. Concurrently with the issuance of the Bonds and closing of the Mortgage Loan, the Borrower, the Issuer and the Trustee will enter into the Regulatory Agreement. Under the Regulatory Agreement, the Borrower will agree that, at all times during the Qualified Project Period, the Borrower will rent 100% of the units in the Project to persons whose adjusted family income (determined in accordance with the provisions of the Code) is less than 60% of the median area income (adjusted for family size). The Qualified Project Period commences on the later of the Closing Date or the first day on which at least 10% of the units are occupied and continues until the latest of (a) the date which is fifteen (15) years after the later of the Closing Date or the date on which at least ten percent (10%) of the units in the Project are first occupied, (b) the first date on which no tax-exempt private activity bonds with respect to the Project are outstanding, or (c) the date on which any assistance provided with respect to the Project under Section 8 of the National Housing Act terminates. The failure of the Borrower to comply with the Regulatory Agreement could cause interest on the Bonds to be included in gross income for federal income tax purposes. See APPENDIX D — SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT.”

The Project will also be encumbered by an Extended Use Agreement required by Section 42 of the Code relating to tax credits, which will (a) restrict the income levels of 100% of the units in the Project to amounts not greater than 60% of the area median income adjusted for family size, and (b) restrict the rents which may be charged to the tenants for occupancy of units in the Project to not more than 30% of 60% of area median income, adjusted for family size.

Additional restrictions are imposed on the Project pursuant to the HUD Regulatory Agreement entered into by the Borrower in connection with the Mortgage Loan.

HAP Contract

The Borrower will receive the benefit of a Section 8 Housing Assistance Payment Contract (the “HAP Contract”) covering 52 of the 208 units at the Project.

Funding under the HAP Contract is subject to annual Congressional appropriations, as more particularly described below. The Section 8 project-based housing assistance payment program (the “Section 8 Program”) is authorized by Section 8 of the United States Housing Act of 1937, as amended, and in the case of Section 8 contracts is administered by contract administrators selected by HUD. Renewals of Section 8 HAP Contracts are governed by the Multifamily Housing Mortgage and Assistance Restructuring Act, as amended (“MAHRA”). The Section 8 Program authorizes housing assistance payments to owners of qualified housing for the benefit of low-income families (defined generally as families whose incomes do not exceed 80% of the area median income for the area as determined by HUD), and very low-income families (defined generally as families whose income do not exceed 50% of the AMI as determined by HUD). Section 8 housing assistance payments generally represent the difference between the “contract rent” for the unit approved by HUD and the eligible tenant’s contribution, which is generally 30% of income, as adjusted for family size and certain expenses, subject to a minimum rent contribution. The rents approved by HUD for the Project, as they may be adjusted from time to time with procedures set forth in the MAHRA and the HAP Contract, are the “contract rents” for the Project. The HAP Contract will require the Borrower to maintain the Project in decent, safe and sanitary condition and to comply with other statutory and regulatory requirements governing the operation of the Project, use of project funds, and other matters. If the Borrower fails to comply with the terms of the HAP Contract, HUD or the contract administrator could seek to abate or terminate the payments under the HAP Contract or take other sanctions. MAHRA requires that upon the request of the Borrower, HUD shall renew the HAP Contract under the

Section 8 Program. However, because the HAP Contract is subject to receipt of annual appropriations by Congress, there is no assurance that the HAP Contract will be renewed or replaced upon its expiration. Funding for HAP contracts is appropriated by Congress on an annual basis, and there is no assurance that adequate funding will be appropriated each year during the term of the HAP Contract. Since payments received under the HAP Contract constitute a primary source of revenues for the Project, the expiration of the HAP Contract, or the failure of Congress to appropriate funds sufficient to fund the HAP Contract during each year of its term, would have a material adverse effect on the ability of the Project to generate revenues sufficient to pay the principal of and interest of the Loan.

The Borrower

The Borrower is OK Harbor Cove TC LLC, a Delaware limited liability company, a single asset entity formed for the specific purpose of acquiring, owning, and operating the Project. The managing member of the Borrower is OAHS Florida MM II LLC, a Delaware limited liability company (the “Managing Member”), which will have a 0.01% ownership interest in the Borrower. PNC Bank, National Association, a national banking association and Columbia Housing SLP Corporation, an Oregon corporation (collectively, the “Investor Member”), will own a 99.99% interest in the Borrower.

The Borrower has not acquired and does not intend to acquire any substantial assets or engage in any substantial business activities other than those related to the Project. However, affiliates of the Borrower may engage in the acquisition, development, ownership and management of other similar types of projects that may be competitive with the Project.

The Investor Member

Simultaneously with the issuance of the Bonds, the Borrower expects the Managing Member and the Investor Member to enter into an Amended and Restated Operating Agreement of the Borrower pursuant to which the Investor Member will acquire a 99.99% ownership interest in the Borrower. Pursuant to the offer, the equity funding arrangements for the funding of the tax credit equity are expected to be in the total amount set forth under “THE PROJECT AND THE BORROWER — Plan of Financing” herein paid in stages during and after rehabilitation of the Project. These funding levels and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the estimates set forth herein and neither the Issuer nor the Underwriter makes any representation as to the availability of such funds.

The Developer

The developer is Orbach Affordable Housing Solutions LLC, a Delaware limited liability company (the “Developer”). The Developer was established in 2009 and has nearly two decades of experience in affordable housing development. The Developer’s portfolio consists of roughly 5,500 multifamily units and over 60 retail units throughout New York, New Jersey, Pennsylvania, Minnesota, Delaware, North Carolina, South Carolina, Illinois, Wisconsin, Florida and California.

The Property Manager

The Project will be managed by Orbach Affordable Management LLC or its affiliates (collectively, the “Property Manager”). The Property Manager is an affiliate of the Developer. The Property Manager has been involved in the management of apartment complexes since 2017. The Property Manager currently directly manages 28 apartment complexes comprising a total of approximately 4,500 units throughout the United States. The Property Manager was formed in 2017 and currently has a staff of more than 150 employees.

The General Contractor

The general contractor for the Project will be Pyramid ETC Companies LLC, a New Jersey limited liability company. (the “General Contractor”). The General Contractor is not an affiliate of the Developer. The General Contractor and its partners have been constructing and rehabilitating multifamily rental housing developments for over 60 years and have constructed over 100 projects, with nearly 30,000 units.

The Architect

The architect for the Project is Gallo Herbert Architects, LLC, a Florida limited liability company (the “Architect”). The Architect is not an affiliate of the Developer. The Architect has been a licensed architect for approximately 50 years and has been the principal architect for at least 16 multifamily developments with an excess of 2,500 units throughout Florida. The Architect is licensed to provide design services in Florida, Alabama, South Carolina, Georgia, Washington D.C., Pennsylvania, Massachusetts, Delaware, New York, New Jersey, Colorado, North Carolina, Texas and Ohio.

Limited Assets and Obligation of Borrower, Managing Member and Investor Member

The Borrower and the Managing Member have no substantial assets other than the Project and do not intend to acquire any other substantial assets or to engage in any substantial business activities other than those related to the ownership of the Project. However, the Managing Member, the Investor Member, and their affiliates are engaged in and will continue to engage in the acquisition, development, ownership and management of similar types of housing projects. They may be financially interested in, as officers, partners or otherwise, and devote substantial time to, business and activities that may be inconsistent or competitive with the interests of the Project.

The obligations and liabilities of the Borrower under the Loan Agreement and the Note are of a non-recourse nature and are limited to the Project and moneys derived from the operation of the Project. Neither the Borrower nor its partners have any personal liability for payments on the Note to be applied to pay the principal of and interest on the Bonds. Furthermore, no representation is made that the Borrower has substantial funds available for the Project. Accordingly, neither the Borrower’s financial statements nor those of its members are included in this Official Statement.

The Mortgage Lender

Berkadia Commercial Mortgage LLC, a Delaware limited liability company (the “Mortgage Lender”), will, upon satisfaction of certain conditions precedent, make the Mortgage Loan to the Borrower. The Mortgage Lender is a mortgage banking firm specializing in FHA-insured construction and permanent mortgage loans, Fannie Mae forward commitments and permanent mortgage loans, and both Fannie Mae and FHA bond credit enhancements for multifamily and seniors housing projects across the United States. The Mortgage Lender has been approved by HUD as an eligible issuer and servicer of loans guaranteed by GNMA. To be approved by GNMA to issue GNMA guaranteed certificates with respect to long-term mortgages on multifamily projects, the Mortgage Lender is required to have a net worth (based on audited financial statements) equal to at least \$500,000 plus 0.2% of any securities outstanding in excess of \$35 million.

The obligations of the Trustee are described in the Indenture. The Trustee has undertaken only those duties and

obligations that are expressly set forth in the Indenture. The Trustee has not independently passed upon the validity of the Bonds, the security of the payment therefor, the value or condition of any assets pledged to the payment thereof, the adequacy of the provisions for such payment, the status for federal or state income tax purposes of the interest on the Bonds, or the investment quality of the Bonds. Except for the contents in this section, the Trustee has not reviewed or participated in the preparation of this Official Statement and has assumed no responsibility for the nature, content, accuracy or completeness of the information included in this Official Statement.

CERTAIN BONDHOLDERS' RISKS

The purchase of the Bonds will involve a number of risks. The following is a summary, which does not purport to be comprehensive or definitive, of some of such risk factors.

Limited Security; Investment of Funds

The Bonds are special limited obligations of the Issuer payable solely from the Trust Estate, which includes certain funds pledged to and held by the Trustee pursuant to the Indenture.

The Bonds are offered solely on the basis of the amounts held under the Indenture and are not offered on the basis of the credit of the Borrower, the feasibility of the Project or any other security. As a consequence, limited information about the Project and no information about the financial condition or results of operations of the Borrower is included in this Official Statement. The Bonds are offered only to investors who, in making their investment decision, rely solely on the amounts held under the Indenture and not on the credit of the Borrower, the feasibility of the Project or any other security.

The principal of and interest on the Bonds are payable from and secured by certain revenues and funds pledged thereto under the Indenture. On the date of delivery of the Bonds, an amount equal to the principal amount of the Bonds is to be deposited into the Project Fund, and an amount equal to the aggregate interest payments on the Bonds from the date of delivery to the Initial Mandatory Tender Date is to be deposited into the Negative Arbitrage Account. Such amounts are to be invested in Eligible Investments pursuant to the Indenture.

The Trustee is required to invest amounts held in the Special Funds in Eligible Investments, as defined in the Indenture. See "APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Investment of Special Funds and Rebate Fund." Debt Service on the Bonds has been scheduled assuming that the amounts held in the Special Funds earn no interest prior to the Initial

Mandatory Tender Date. Failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds.

Taxability

The Bonds would not be subject to redemption, and the rate of interest on the Bonds would not be subject to adjustment, if the interest on the Bonds were to become included in gross income for purposes of federal income taxation. Such event could occur if the Borrower (or any subsequent owner of the Project) does not comply with the provisions of the Regulatory Agreement, the Tax Certificate and the Loan Agreement that are designed, if complied with, to satisfy the continuing compliance requirements of the Code in order for the interest on the Bonds to be excludable from gross income for purposes of federal income tax.

Enforceability of Remedies

The remedies available to the Trustee and the owners of the Bonds upon an event of default under the Loan Agreement or the Indenture are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, the remedies provided for under the Loan Agreement or the Indenture may not be readily available, and the Borrower will have no personal liability for the satisfaction of any obligation of the Borrower under such agreements or of any claim against the Borrower arising out of such agreements or the Indenture.

If a default in the payment of the Loan occurs and is continuing, the Issuer has agreed with the Borrower and the Lender not to commence foreclosure proceedings with respect to the Project or exercise any other rights or remedies it may have under the Note or the Loan Agreement, including, but not limited to, accelerating the Loan, without the Lender's prior written consent.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Bonds and the documents described above is subject to limitations imposed by such things as the exercise of judicial discretion in accordance with general principles of equity (whether applied by a court of law or a court of equity), including judicial limitations on rights to specific performance and bankruptcy, insolvency, reorganization, moratorium or other similar laws heretofore or hereafter in effect affecting creditors' rights, to the extent constitutionally applicable.

Secondary Markets and Prices

The Underwriter will not be obligated to repurchase any of the Bonds, and no representation is made concerning the existence of any secondary market for the Bonds. No assurance can be given that any secondary market will develop following the completion of the offering of the Bonds contemplated by this Official Statement, and no assurance can be given that the Bonds can be resold at their initial offering prices for any period of time.

Issuer Limited Liability

The Bonds will not be insured or guaranteed by any governmental entity or by the Issuer or any member or program participant of the foregoing. The holders of the Bonds will have no recourse to the Issuer in the event of an event of default on the Bonds.

Potential Impact of Pandemics or Public Health Crisis

The spread of the strain of a virus and resulting disease could alter the behavior of businesses and people in a manner that could have negative effects on global, state and local economies. There can be no assurances that the spread of a pandemic would not materially impact both local and national economies and, accordingly, have a materially adverse impact on the Project's operating and financial viability. The effects of a pandemic could include, among other things, an increase in the time necessary to complete the construction and/or rehabilitation of the Project, suspension or delay of site inspections and other on-site meetings, interruption in the engagement of material participants in the Project, increase in the time necessary to conduct lease-up at the Project, and increased delinquencies and/or vacancies, all of which could impact the Borrower's ability to make payments on the loans and result in a default and acceleration thereof.

TAX MATTERS

Legal matters incident to the authorization, validity and issuance of the Bonds are subject to the unqualified approving opinion of Nabors, Giblin, & Nickerson, P.A., Tampa, Florida, whose opinion will be available at the time of delivery of the Bonds. It is anticipated that the approving opinion will be in substantially the form attached to this Official Statement as Appendix E.

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements which the Issuer and the Borrower must continue to meet after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes. The Issuer or the Borrower's failure to meet these requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The Issuer and the Borrower have covenanted in the Indenture, the Loan Agreement and the Regulatory Agreement to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds.

In the opinion of Bond Counsel, assuming continuing compliance by the Issuer and the Borrower with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, (i) interest on the Bonds is excluded from gross income for federal income tax purposes, and (ii) interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax, provided, however, with respect to certain corporations, interest on the Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations.

Bond Counsel is further of the opinion that the Bonds and the interest thereon are exempt from all present intangible personal property taxes imposed pursuant to Chapter 199, Florida Statutes. Bond Counsel is further of the opinion that the Bonds and the interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined therein.

As to questions of fact material to the opinion of Bond Counsel, Bond Counsel will rely upon representations and covenants made on behalf of the Issuer and the Borrower in the Indenture, the Loan Agreement and the Regulatory Agreement, certificates of appropriate officers and certificates of public officials (including certifications as to the use of proceeds of the Bonds and of the property refinanced thereby), without undertaking to verify the same by independent investigation.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Bonds.

Prospective purchasers of Bonds should be aware that the ownership of Bonds may result in other collateral federal tax consequences. For example, ownership of the Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry Bonds, (2) the branch profits tax and (3) the inclusion of interest on the Bonds in passive income for certain S corporations. In addition, the interest on the Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE BONDHOLDERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

Other Tax Matters

Interest on the Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Bonds should consult their tax advisors as to the income tax status of interest on the Bonds in their particular state or local jurisdictions.

During recent years legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Bonds and their market value. For example, proposals have been discussed in connection with deficit spending reduction, job creation and other tax reform efforts, that could significantly reduce the benefit of, or otherwise effect the exclusion from gross income of, interest on obligations such as the Bonds. The further introduction or enactment of one or more of such proposals could affect the market price or marketability of the Bonds. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Bonds.

Original Issue Discount

Certain of the Bonds (the "Discount Bonds") may be offered and sold to the public at an original issue discount, which is the excess of the principal amount of the Discount Bonds over the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity was sold. Original issue discount represents interest which is excluded from gross income for federal income tax purposes to the same extent as interest on the Bonds. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded semi-annually. A purchaser who acquires a Discount Bond at the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period he holds such Discount Bonds and will increase its adjusted basis in such Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bonds. The federal income tax consequences of the purchase, ownership and prepayment, sale or other disposition of Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Owners of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, prepayment or other disposition

of such Discount Bonds and with respect to the state and local tax consequences of owning and disposing of such Discount Bonds.

Original Issue Premium

Certain of the Bonds (the “Premium Bonds”) may be offered and sold to the public at a price in excess of the principal amount of such Premium Bond, which excess constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Bonds which term ends on the earlier of the maturity or call date for each Premium Bond which minimizes the yield on said Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bonds, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. The federal income tax consequences of the purchase, ownership and sale or other disposition of Premium Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

Robert Thomas CPA (the “Verifier”), concurrently with the issuance of the Bonds, will deliver to the Underwriter its verification report indicating that it has verified the arithmetical accuracy of certain computations provided by the Underwriter relating to the (a) computation of forecasted receipts of principal and interest on the obligations and certain cash deposited as security for the Bonds, and the forecasted payments of principal and interest to pay the Bonds at their redemption, mandatory tender or maturity dates. All such computations have been based solely upon assumptions and information supplied by the Underwriter. The Verifier restricted its procedures to verifying the arithmetical accuracy of the computations described above and has not made any study or evaluation of the assumptions and information on which the computations are based, and the Verifier has not expressed any opinion on the data used, the reasonableness of the assumptions or the achievability of the forecasted outcomes.

RATING

Moody’s Investors Service, Inc. (the “Rating Agency”) has assigned to the Bonds the rating set forth on the cover page hereof. An explanation of the significance of such rating may be obtained from the Rating Agency. The rating is not a recommendation to buy, sell or hold the Bonds. There is no assurance that any such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of such rating can be expected to have an adverse effect on the market price of the Bonds.

CERTAIN LEGAL MATTERS

The validity of the Bonds and certain other legal matters are subject to the approving opinion of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Bond Counsel to the Issuer. A complete copy of the proposed form of the Bond Counsel opinion is attached hereto as “APPENDIX E — FORM OF OPINION OF BOND COUNSEL.” Bond Counsel undertakes no responsibility for the accuracy, completeness or fairness of this Official Statement. ABSENCE OF LITIGATION

The Issuer

To the knowledge of the Issuer, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending against the Issuer seeking to restrain or enjoin the sale or issuance of the Bonds, or in any way contesting or affecting any proceedings of the Issuer taken concerning the sale thereof, the pledge or application of any moneys or security provided for the payment of the Bonds, the validity or enforceability of the documents executed by the Issuer in connection with the Bonds, the completeness or accuracy of this Official Statement or the existence or powers of the Issuer relating to the sale of the Bonds.

The Borrower

It is a condition to the Underwriter's acceptance of the Bonds on the date of delivery that the Borrower deliver a certificate to the effect that there are no legal proceedings pending or, to the Borrower's knowledge threatened, to restrain or enjoin the issuance, sale or delivery of the Bonds or the payment, collection or application of the proceeds thereof or of the revenues and other money and securities pledged or to be pledged under the Indenture or in any way contesting or affecting any authority for or the validity of the Bonds or the Indenture.

DISCLOSURE REQUIRED BY SECTION 517.051(1), FLORIDA STATUTES

Rule 69W-400.003, Rules of Government Securities, promulgated by the Florida Department of Banking and Finance, Division of Securities, under Section 517.051(1), Florida Statutes ("Rule 69W-400.003"), requires the Issuer to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the Issuer after December 31, 1975. Rule 69W-400.003 further provides, however, that if the Issuer in good faith believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted.

The Bonds do not constitute a general debt, liability or obligation of the Issuer, but are instead secured by amounts on deposit under the Indenture and by other security discussed herein. The Bonds are not being offered on the basis of the financial strength of the Issuer. Accordingly, the Issuer, in good faith, believes that disclosure of any such default on bonds with respect to which the Issuer was merely a conduit issuer and which are secured solely by payments of the borrower under a loan agreement, lease agreement or installment sale agreement, would not be considered material by a reasonable investor in the Bonds.

CONTINUING DISCLOSURE

The Borrower has undertaken responsibility for any continuing disclosure to Bondholders as described below, and the Issuer will have no liability to the Holders of the Bonds or any other person with respect to such disclosures.

The Borrower will enter into a Continuing Disclosure Agreement dated as of November 1, 2024 (the "Continuing Disclosure Agreement") with U.S. Bank Trust Company, National Association, a national banking association, as the Dissemination Agent, obligating the Borrower to send, or cause to be sent, certain financial information with respect to the Project to certain information repositories annually and to provide notice, or cause notice to be provided, to the Municipal Securities Rulemaking Board, if any, of certain enumerated events for the benefit of the Beneficial Owners and Holders of any of the Bonds, in order to allow the Underwriter to meet the requirements of Section (b)(5)(i) of Securities Exchange

Commission Rule 15c2-12 (the “Rule”). See “APPENDIX F — FORM OF CONTINUING DISCLOSURE AGREEMENT” hereto.

A failure by the Borrower to comply with the provisions of the Continuing Disclosure Agreement will not constitute a default under the Loan Agreement (although Holders will have any available remedy at law or in equity for obtaining necessary disclosures). Nevertheless, such a failure to comply is required to be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds.

The Borrower has not previously been subject to the continuing disclosure requirements of the Rule.

MISCELLANEOUS

The foregoing summaries and explanations do not purport to be comprehensive, and are expressly made subject to the exact provisions of documents referred to herein. Copies of the Indenture and the Loan Agreement may be obtained from the Trustee or, during the initial marketing of the Bonds, the Underwriter. Any statements in this Official Statement involving matters of opinion or forecast, whether or not expressly so stated, are intended as such and not as representations of fact. This Official Statement is not to be construed as a contract or agreement among the Issuer, the Borrower, or the Underwriter and the purchasers or Holders of any Bonds.

Creation of Funds

The following funds are to be established and maintained by the Trustee under the Indenture:

- (a) the Bond Fund, and therein the Negative Arbitrage Account and the Remarketing Proceeds Account (but only at such times as money is to be deposited or held in such Accounts as provided in the Indenture);
- (b) the Project Fund;

- (d) the Collateral Fund;
- (e) the Rebate Fund (but only at such times as money is to be deposited or held in such fund as provided in the Indenture); and
- (f) the Expense Fund.

Each fund and account therein shall be maintained by the Trustee as a separate and distinct trust fund or account to be held, managed, invested, disbursed and administered as provided in the Indenture. All money deposited into the funds and accounts created hereunder shall be used solely for the purposes set forth in the Indenture. The Trustee shall keep and maintain accurate records pertaining to each fund and account, and all disbursements therefrom, in accordance with its general practices and procedures in effect from time to time. The Trustee may also terminate funds and accounts that are no longer needed.

The Trustee shall, at the written direction of an Authorized Borrower Representative and may, in its discretion, establish such additional accounts within any fund, and subaccounts within any of the accounts, as the Issuer or the Trustee may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that fund and its accounts, or for the purpose of complying with the requirements of the Code, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of the Indenture with respect to a deposit or use of money in the Special Funds or the Rebate Fund, or result in commingling of funds not permitted under the Indenture.

Bond Fund

On the Closing Date, there shall be deposited into the Negative Arbitrage Account of the Bond Fund the Initial Deposit. The portion of any Extension Payment received by the Trustee in connection with a remarketing in accordance with the Indenture designated for the payment of Bond Service Charges shall also be deposited into the Negative Arbitrage Account.

So long as there are any Outstanding Bonds, to the extent the Borrower has not received a credit against Loan Payments, all Loan Payments under the Loan Agreement shall be paid by the Borrower on or before each Interest Payment Date directly to the Trustee, and deposited into the Bond Fund, in at least the

amount necessary to pay the Bond Service Charges due on the Bonds on such Interest Payment Date. Any such payments made to the Trustee on a Bond Payment Date shall be remitted on or prior to 11:30 a.m. Eastern Time.

The Bond Fund (and accounts therein for which provision is made in the Indenture) and the money and Eligible Investments therein shall be used solely and exclusively for the payment of Bond Service Charges as they become due.

Bond Service Charges shall be payable, as they become due, in the following order (1) from money on deposit in Bond Fund (other than the Negative Arbitrage Account within the Bond Fund), (2) from the money in the Negative Arbitrage Account within the Bond Fund, (3) from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund, and (4) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund.

Upon receipt by the Trustee of a Cash Flow Projection provided on behalf of the Borrower, the Trustee is authorized by the Indenture to release from the Negative Arbitrage Account the amount set forth in the Cash Flow Projection to or at the written direction of the Borrower.

Project Fund

Upon the deposit of Eligible Funds into the Collateral Fund as provided in the Indenture, and subject to the provisions of this heading, the Trustee may disburse a corresponding amount of the Bond proceeds on deposit in the Project Fund to or at the written direction of the Borrower into the Collateral Fund, for use by the Borrower to pay of the Project Costs in accordance with the Loan Agreement pursuant to a completed disbursement request in the form attached as an exhibit to the Loan Agreement. To the extent money on deposit in the Project Fund is invested in Eligible Investments at the time of any such requested and permitted disbursement under the Indenture, the Trustee is authorized to allocate and exchange an amount of such Eligible Investments in the Project Fund for a like amount of Eligible Funds on deposit in the Collateral Fund and then disburse such amounts from the Project Fund without the need to sell or terminate such Eligible Investments prior to their stated maturity date; provided, however, that any such allocation and exchange must be accompanied by a requisition in the form attached to the Loan Agreement as an exhibit, signed by the Authorized Borrower Representative pursuant to the Loan Agreement that designates the Project Costs to which amounts withdrawn from the Project Fund are allocated. To the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund or the Collateral Fund, the Trustee shall transfer from the Project Fund to the Bond Fund sufficient money to pay Bond Service Charges on each Interest Payment Date without further written direction.

The Trustee shall cause to be kept and maintained accurate records pertaining to the Project Fund and all disbursements therefrom. If requested in writing by the Issuer, the Investor Member or the Borrower, after the Project has been completed and a Completion Certificate is filed as provided in the Indenture, the Trustee shall provide copies of the records pertaining to the Project Fund and disbursements therefrom with the Issuer, the Managing Member and the Investor Member. The Trustee may satisfy this obligation by providing trust statements for all periods in which there are funds in the Project Fund.

Notwithstanding any provision of the Loan Agreement or any other provision of the Indenture to the contrary, the Trustee shall not disburse money from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until (i) the Trustee has received a certificate from an Authorized Borrower Representative evidencing the closing of the Seller Loan, and (ii) the Eligible Funds in an amount equal to or greater than the requested disbursement amount have been deposited in the Collateral Fund. Prior to making any disbursement (except to the extent necessary to pay Bond Service Charges), the Trustee shall determine that the aggregate principal amount that will be held in (a) the Collateral Fund and (b) the

Project Fund, after the disbursement and deposit, is at least equal to the then-Outstanding principal amount of the Bonds; provided, however, to the extent money on deposit in the Project Fund is invested in Eligible Investments, the Trustee is authorized by the Indenture to make the following allocations and exchanges, which allocations and exchanges shall occur prior to the disbursement of amounts on deposit in the Project Fund to pay Project Costs: (i) allocate all or a portion of the Eligible Investments in the Project Fund, in the amount specified in the request for disbursement, to the Collateral Fund and (ii) transfer a like amount from the Collateral Fund to the Project Fund. The Trustee shall have no duty or responsibility to determine whether funds received for deposit into the Collateral Fund constitute Eligible Funds or to inquire as to the source of such funds.

On any Redemption Date, the Trustee shall transfer any amounts then on deposit in the Project Fund into the Bond Fund to pay Bond Service Charges on the Bonds.

Upon the occurrence and continuance of an Event of Default under the Indenture because of which the principal amount of the Bonds has been declared to be due and immediately payable pursuant to the Indenture, any money remaining in the Project Fund shall be promptly transferred by the Trustee to the Bond Fund.

The Trustee shall be fully protected in relying upon the disbursement requests of the Borrower and shall have no duty to verify or ensure the truth or accuracy of any information contained therein. Receipt by the Trustee of funds for deposit in the Collateral Fund in an amount equal to the requested disbursement shall be deemed to be a certification, and shall constitute conclusive evidence to the Trustee, that all of the terms, conditions and requirements of the Loan Agreement applicable to such disbursement have been fully satisfied or waived; subject, however, to the Trustee's duty to confirm that aggregate principal amount held in the Collateral Fund and the Project Fund, after the deposit and disbursement, is at least equal to the then-Outstanding principal amount of the Bonds.

Collateral Fund

Upon receipt, the Trustee shall deposit into the Collateral Fund all Eligible Funds received pursuant to the Loan Agreement and any other Eligible Funds received by the Trustee for deposit into the Collateral Fund in each case identified to the Trustee as such by the Borrower. The Loan Agreement requires the Borrower to cause the Eligible Funds to be paid to the Trustee for deposit into the Collateral Fund in a principal amount equal to, and as a prerequisite to the disbursement of, the amount of Bond proceeds on deposit in the Project Fund to be disbursed by the Trustee to pay Project Costs.

Each deposit into the Collateral Fund shall constitute an irrevocable deposit solely for the benefit of the Holders, subject to the provisions of the Indenture.

The Trustee shall transfer money in the Collateral Fund as follows: (a) on each Bond Payment Date, to the Bond Fund, the amount necessary to pay Bond Service Charges due on such Bond Payment Date (to the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund); (b) on the Mandatory Tender Date, to the Bond Fund, the amount necessary to pay the redemption price, to the extent the Bonds are not remarketed on any Mandatory Tender Date; and (c) on the Maturity Date of the Bonds, to the Bond Fund, the amount necessary to pay all amounts due on the Bonds on such date.

On any Redemption Date, the Trustee shall transfer an amount then on deposit in the Collateral Fund into the Bond Fund which is sufficient to pay Bond Service Charges on the Bonds being redeemed.

Amounts on deposit in the Collateral Fund in excess of the amount required to pay Bond Service Charges after payment in full of the Bonds shall be applied in accordance with the Loan Agreement.

The Bonds shall not be, and shall not be deemed to be, paid or prepaid by reason of any deposit into the Collateral Fund unless and until the amount on deposit in the Collateral Fund is transferred to the Bond Fund and applied to the payment of the principal of any of the Bonds, or the principal component of the redemption price of any of the Bonds, all as provided in the Indenture.

Investment of Special Funds and Rebate Fund

Except as otherwise set forth in this section, and subject to the requirements of the Tax Certificate, moneys in the Special Funds and the Rebate Fund shall be invested and reinvested by the Trustee in Eligible Investments at the written direction of the Authorized Borrower Representative with the written consent of an Authorized Signatory. At no time shall the Authorized Borrower Representative direct that any funds constituting gross proceeds of the Bonds be used in any manner as would constitute failure of compliance with Section 148 of the Code and the Tax Certificate. Investments of moneys in the Bond Fund shall mature or be redeemable at par at the times and in the amounts necessary to provide moneys to pay Bond Service Charges on the Bonds. Each investment of moneys in the Project Fund will mature or be redeemable without penalty at such time as may be necessary to make payments from the Project Fund, including on each Interest Payment Date, a Mandatory Tender Date, a Redemption Date and the Maturity Date. Any of those investments may be purchased from or sold to the Trustee, the registrar, an authenticating agent or a paying agent, or any bank, trust company or savings and loan association affiliated with any of the foregoing. The Issuer, the Borrower and the Investor Member shall waive the issuance by the Trustee of broker confirmations of such investments. The Trustee shall sell or redeem investments credited to the Special Funds to produce sufficient moneys applicable under the Indenture to and at the times required for the purposes of paying Bond Service Charges when due as aforesaid, and will do so without necessity for any order on behalf of the Issuer and without restriction by reason of any order. If the Trustee is required to sell or otherwise dispose of any Eligible Investments prior to maturity at a price below par, the Borrower shall, at the Borrower's expense, deliver to the Trustee (x) a Cash Flow Projection and (y) Eligible Funds in the amount set forth in such Cash Flow Projection, if any. An investment made from moneys credited to the Special Funds will constitute part of that respective Fund. All investment earnings from amounts on deposit in the Special Funds shall be credited to the Bond Fund. All gains resulting from the sale of, or income from, any investment made from moneys credited to the Special Funds shall be credited to and become part of the Bond Fund. The Trustee shall not be liable for any losses incurred upon investments made as set forth in the Indenture. To the extent that the Trustee has not received written directions from the Authorized Borrower Representative regarding investment of moneys, the Trustee shall, until such directions are received, hold such moneys in (i) First American Funds Government Obligations Class Y or if such fund is unavailable, (ii) investments described in paragraph (b) of the definition of Eligible Investments. The Trustee shall be fully protected in relying on the written investment directions of the Authorized Borrower Representative with the written consent of an Authorized Signatory as provided above as to the legality and suitability of such directed investments and shall have no obligation to determine that any investment made pursuant to such written directions or as otherwise described under the Indenture constitutes an Eligible Investment or that such directed investments comply with the requirements of Section 148 of the Code and the Tax Certificate. Following the Closing Date, at the direction of the Borrower, the Trustee is permitted to purchase, sell or exchange Eligible Investments with a Cash Flow Projection. Notwithstanding anything in the Indenture to the contrary, (A) earnings received by the Trustee with respect to Eligible Investments purchased for the purpose of paying Bond Service Charges shall be held uninvested and (B) Bond proceeds and the Initial Deposit to the Negative Arbitrage Account shall be held uninvested until the Trustee has purchased, sold or exchanged Eligible Investments. The Trustee may elect to credit funds and accounts under the Indenture with moneys representing income or principal payments due on, or sales proceeds due in respect of, the investments therein, or to credit funds and accounts under the Indenture with the investments it is directed to purchase with such moneys, in each case before actually receiving the requisite moneys from the payment source. Any such crediting shall be provisional in nature, and the Trustee shall be authorized to reverse such crediting in the event that it does not receive

good funds with respect thereto. Nothing in the Indenture shall constitute a waiver of any of the Trustee's rights as a securities intermediary under Uniform Commercial Code § 9-206.

Trustee's Acceptance and Responsibilities

Prior to the occurrence of a default or an Event of Default under the Indenture of which the Trustee has been notified (or is deemed to have notice) as provided in the Indenture, and after the cure or waiver of all defaults or Events of Default which may have occurred, (i) the Trustee undertakes to perform only those duties and obligations which are set forth specifically in the Indenture, and no duties or obligations shall be implied to the Trustee; and (ii) in the absence of bad faith on its part, the Trustee may rely conclusively, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of the Indenture; but in the case of any such certificates or opinions which by any provision of the Indenture are required specifically to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of the Indenture.

In case an Event of Default has occurred and is continuing under the Indenture (of which the Trustee has been notified, or is deemed to have notice), the Trustee shall exercise those rights and powers vested in it by the Indenture and shall use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

Certain Rights and Obligations of the Trustee

Before taking action under the Indenture, the Trustee may require that a satisfactory indemnity bond be furnished to it for the payment of its compensation and the reimbursement of all expenses that it may incur and to protect it against all liability by reason of any action so taken, except liability resulting from its negligence or willful misconduct. The Trustee may take action without that indemnity, and in that case, the Borrower shall pay and reimburse the Trustee for all of the Trustee's fees and expenses pursuant to the Indenture.

Resignation by the Trustee

The Trustee may resign at any time from the trusts created by the Indenture by giving thirty (30) days' written notice of the resignation to the Issuer, the Borrower and the Remarketing Agent, and by mailing written notice of the resignation to the Holders as their names and addresses appear on the Register at the close of business fifteen (15) days prior to the mailing. The resignation shall take effect upon the appointment and acceptance of a successor Trustee as provided for in the Indenture or an order of a court of competent jurisdiction allowing the Trustee to resign; provided, however, that after giving notice of resignation, the Trustee may petition any court of competent jurisdiction for appointment of a temporary Trustee until a successor Trustee is appointed. The rights of the Trustee to indemnity, compensation and reimbursement of fees and expenses shall survive the Trustee's resignation as set forth in the Indenture.

Defaults; Events of Default

The occurrence of any of the following events is defined as and declared to be and to constitute an "Event of Default" under the Indenture:

- (a) Payment of any interest on any Bond is not made when and as that interest becomes due and payable;
- (b) Payment of the principal of any Bond is not made when and as that principal becomes due and payable, whether at stated maturity, upon acceleration or otherwise;

(c) Failure by the Issuer to observe or perform any other covenant, agreement or obligation on its part to be observed or performed as contained in the Indenture or in the Bonds, which failure has continued for a period of 30 days after written notice (or such longer period of time as shall be necessary to effect a cure if the default is not susceptible of cure within 30 days, as certified to the Trustee in writing by the Issuer or the Borrower) by registered or certified mail, to the Issuer and the Borrower specifying the failure and requiring that it be remedied, which notice may be given by the Trustee in its discretion and shall be given by the Trustee at the written request of the Holders of at least 50% in aggregate principal amount of Bonds then Outstanding; and

(d) The occurrence and continuance of an Event of Default as defined in the Loan Agreement.

The term “default” or “failure” as used above means (i) a default or failure by the Issuer in the observance or performance of any of the covenants, agreements or obligations on its part to be observed or performed contained in the Indenture or in the Bonds, or (ii) a default or failure by the Borrower under the Loan Agreement, exclusive of any period of grace or notice required to constitute an Event of Default, as provided above or in the Loan Agreement.

Acceleration

Upon the occurrence of an Event of Default described in (a) and (b) under “—Events of Default” above, the Trustee shall declare, by written notice delivered to the Borrower and the Issuer (with a copy to the Investor Member), the principal of all Bonds then Outstanding (if not then due and payable), and the interest accrued thereon, to be due and payable immediately. Notwithstanding the foregoing, if the Trustee is unable to determine that sufficient funds will be available to pay (not out of the Trustee’s own funds) the full amount of the principal and accrued but unpaid interest to the Holders of the Bonds as of the date of acceleration, the Trustee shall declare the principal of the Bonds immediately due and payable, only upon the written direction of Controlling Holders of the Bonds then Outstanding. Upon the occurrence of any Event of Default other than those described in (a) or (b) above, the Trustee may, and upon the written consent of the Controlling Holders shall, declare by a notice in writing delivered to the Borrower, the principal of all Bonds then Outstanding (if not then due and payable), and the interest thereon, to be due and payable immediately. Upon such declaration, that principal and interest shall become and be due and payable immediately. Interest on the Bonds shall accrue to the date determined by the Trustee for the tender of payment to the Holders pursuant to that declaration; provided that interest on any unpaid principal of Bonds Outstanding shall continue to accrue from the date determined by the Trustee for the tender of payment to the Holders of those Bonds.

The provisions described in the preceding paragraph are subject, however, to the condition that if, at any time after declaration of acceleration and prior to the entry of a judgment in a court for enforcement under the Indenture (after an opportunity for hearing by the Issuer and the Borrower),

(i) all sums payable under the Indenture (except the principal of and interest on Bonds which have not reached their stated maturity dates but which are due and payable solely by reason of that declaration of acceleration), plus interest to the extent permitted by law on any overdue installments of interest at the rate borne by the Bonds shall have been duly paid or provision shall have been duly made therefor by deposit with the Trustee, and

(ii) all existing Events of Default shall have been cured,

then and in every case, the Trustee shall waive the Event of Default and its consequences and shall rescind and annul that declaration. No waiver or rescission and annulment shall extend to or affect any subsequent Event of Default or shall impair any rights consequent thereon.

The Investor Member is entitled (but not obligated) to cure any Event of Default under the Indenture within the time frame provided to the Borrower under the Indenture. The Issuer and the Trustee agree that cure of any default or Event of Default made or tendered by the Investor Member shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Other Remedies; Rights of Holders

With or without taking action described under “Acceleration” above, upon the occurrence and continuance of an Event of Default, the Trustee may pursue any available remedy, including without limitation actions at law or equity to enforce the payment of Bond Service Charges or the observance and performance of any other covenant, agreement or obligation under the Indenture, the Loan Agreement, the Regulatory Agreement or the Note or any other instrument providing security, directly or indirectly, for the Bonds.

If, upon the occurrence and continuance of an Event of Default, the Trustee is requested so to do by the Holders of at least 50% in aggregate principal amount of Bonds Outstanding, the Trustee (subject to the provisions of the Indenture), is to exercise any rights and powers conferred by the Indenture.

No remedy conferred upon or reserved to the Trustee (or to the Holders) by the Indenture is intended to be exclusive of any other remedy. Each remedy is to be cumulative and in addition to every other remedy given under the Indenture or otherwise to the Trustee or to the Holders now or hereafter existing.

No delay in exercising or omission to exercise any remedy, right or power accruing upon any default or Event of Default is to impair that remedy, right or power or is to be construed to be a waiver of any default or Event of Default or acquiescence therein. Every remedy, right and power may be exercised from time to time and as often as may be deemed to be expedient.

No waiver of any default or Event of Default under the Indenture, whether by the Trustee or by the Holders, is to extend to or is to affect any subsequent default or Event of Default or is to impair any remedy, right or power consequent thereon.

As the assignee of all right, title and interest of the Issuer in and to the Loan Agreement (except for the Reserved Rights), the Trustee is empowered to enforce each remedy, right and power granted to the Issuer under the Loan Agreement. In exercising any remedy, right or power under the Indenture or the Loan Agreement, the Trustee shall take any action which would best serve the interests of the Holders in the judgment of the Trustee, applying the standards described in the Indenture.

Nothing in the Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment, or composition affecting the Bonds or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding without the approval of the Holders so affected.

Any term of the Indenture, the Financing Documents or of any related document to the contrary notwithstanding, and notwithstanding an agreement of indemnity, the Trustee shall have no responsibility, obligation or duty to enter upon, or otherwise take possession or control of, the Project, or take any other action which could constitute taking possession or control of the Project (i) if it will require the approval of a governmental regulator that cannot be obtained, (ii) until the Trustee shall be indemnified to its sole satisfaction and (iii) until the Trustee shall be satisfied, in its sole discretion and determination, that neither it nor the trusts created hereby shall incur, by reason of such action, any personal liability under any federal

or State law for hazardous wastes, hazardous materials or other environmental liabilities or any other liability.

Right of Holders to Direct Proceedings

Anything to the contrary in the Indenture notwithstanding, the Holders of a majority in aggregate principal amount of Bonds then Outstanding will have the right at any time to direct, by an instrument or document in writing executed and delivered to the Trustee, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture or any other proceedings under the Indenture; provided, that (i) any direction is not to be other than in accordance with the provisions of the Indenture, (ii) the Trustee is indemnified as provided in the Indenture, and (iii) the Trustee may take any other action that it deems to be proper and that is not inconsistent with the direction.

Application of Money

If at any time after the occurrence of an Event of Default, the money held by the Trustee under the Indenture (other than amounts in the Rebate Fund) is not sufficient to pay the principal of and interest on the Bonds as the same become due and payable, such money, together with any money then available or thereafter becoming available for such purpose, whether through the exercise of remedies in the Indenture or otherwise, is to be applied by the Trustee as described below.

After payment of any costs, expenses, liabilities and advances paid, incurred or made by the Trustee in the collection of money and of all fees of the Trustee for Ordinary and Extraordinary Expenses pursuant to any right given or action taken under the provisions of the Financing Documents (including without limitation, reasonable attorneys' fees and expenses, except as limited by law or judicial order or decision entered in any action taken under the Indenture), all money received by the Trustee is to be applied as follows, subject to the provisions of the Indenture:

- (a) Unless the principal of all of the Bonds has become, or has been declared to be, due and payable, all of such money is to be deposited into the Bond Fund and applied:

First -- To the payment to the Holders entitled thereto of all installments of interest then due on the Bonds, in the order of the dates of maturity of the installments of that interest, beginning with the earliest date of maturity and, if the amount available is not sufficient to pay in full any particular installment, then to the payment thereof ratably, according to the amounts due on that installment, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds; and

Second -- To the payment to the Holders entitled thereto of the unpaid principal of any of the Bonds that has become due, in the order of their due dates, beginning with the earliest due date, with interest on those Bonds from the respective dates upon which they became due at the rates specified in those Bonds, and if the amount available is not sufficient to pay in full all Bonds due on any particular date, together with that interest, then to the payment thereof ratably, according to the amounts of principal due on that date, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

- (b) If the principal of all of the Bonds has become due or has been declared to be due and payable pursuant to the Indenture, all of such money is to be deposited into the Bond Fund and applied to the payment of the principal and interest then due and unpaid upon the Bonds, without

preference or priority of principal over interest, of interest over principal, of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

(c) If the principal of all of the Bonds has been declared to be due and payable, and if that declaration thereafter has been rescinded and annulled, subject to the provisions of paragraph (b) above in the event that the principal of all of the Bonds becomes due and payable later, money on deposit in the Bond Fund is to be applied in accordance with the provisions of the Indenture.

(d) Whenever money is to be applied pursuant to the provisions described under this subcaption, such money is to be applied at such times, and from time to time, as the Trustee determines, having due regard to the amount of money available for application and the likelihood of additional money becoming available for application in the future. Whenever the Trustee directs the application of such money, it is to fix the date upon which the application is to be made, and upon that date, interest is to cease to accrue on the amounts of principal, if any, to be paid on that date, provided the money is available therefor. The Trustee is to give notice of the deposit with it of any money and of the fixing of that date, all consistent with the requirements of the Indenture for the establishment of, and for giving notice with respect to, a Special Record Date for the payment of overdue interest. The Trustee will not be required to make payment of principal of a Bond to the Holder thereof until the Bond is presented to the Trustee for appropriate endorsement or for cancellation if it is paid fully.

Rights and Remedies of Holders

A Holder will not have any right to institute any suit, action or proceeding for the enforcement of the Indenture, for the execution of any trust under the Indenture, or for the exercise of any other remedy under the Indenture, unless:

(a) there has occurred and is continuing an Event of Default of which the Trustee has been notified, as provided in the Indenture, or of which it is deemed to have notice under the Indenture,

(b) the Holders of at least 50% in aggregate principal amount of Bonds then Outstanding have made written request to the Trustee and have afforded the Trustee reasonable opportunity to proceed to exercise the remedies, rights and powers granted under the Indenture or to institute the suit, action or proceeding in its own name, and have offered indemnity to the Trustee as provided in the Indenture, and

(c) the Trustee thereafter has failed or refused to exercise the remedies, rights and powers granted under the Indenture or to institute the suit, action or proceeding in its own name within fifteen (15) days of receipt of such request and offer of indemnity.

At the option of the Trustee, that notification (or notice), request, opportunity and offer of indemnity are conditions precedent, in every case, to the institution of any suit, action or proceeding described above.

No one or more Holders of the Bonds will have any right to affect, disturb or prejudice in any manner whatsoever the security or benefit of the Indenture by its or their action, to obtain a preference of one Bond over another, or to enforce, except in the manner provided therein, any remedy, right or power under the Indenture. Any suit, action or proceedings are to be instituted, had and maintained in the manner provided in the Indenture for the benefit of the Holders of all Bonds then Outstanding. Nothing in the

Indenture is to affect or impair, however, the right of any Holder to enforce the payment of the Bond Service Charges on any Bond owned by that Holder at and after the maturity thereof, at the place, from the sources and in the manner expressed in that Bond.

Waivers of Events of Default

Except as described below, at any time, in its discretion, the Trustee may waive any Event of Default under the Indenture and its consequences and may rescind and annul any declaration of maturity of principal of or interest on the Bonds. The Trustee must do so upon the written request of the Holders of:

- (a) at least a majority in aggregate principal amount of all Bonds then Outstanding in respect of which an Event of Default in the payment of Bond Service Charges exists, or
- (b) at least 50% in aggregate principal amount of all Bonds then Outstanding, in the case of any other Event of Default.

There is not to be so waived, however, any Event of Default described in (a) or (b) under “—Events of Default” above or any declaration of acceleration in connection therewith rescinded or annulled, unless, at the time of that waiver or rescission and annulment, payments of the amounts provided in the Indenture for waiver and rescission and annulment in connection with acceleration of maturity have been made or provision has been made therefor. In the case of the waiver or rescission and annulment, or in case any suit, action or proceedings taken by the Trustee on account of any Event of Default have been discontinued, abandoned or determined adversely to it, the Issuer, the Trustee and the Holders are to be restored to their former positions and rights under the Indenture, respectively. No waiver or rescission is to extend to any subsequent or other Event of Default or impair any right consequent thereon.

Supplemental Indentures Not Requiring Consent of Holders

Without the consent of, or notice to, any of the Holders, the Issuer and the Trustee may enter into indentures supplemental to the Indenture that are not, in the opinion of the Issuer, inconsistent with the terms and provisions of the Indenture for any one or more of the following purposes:

- (a) to cure any ambiguity, inconsistency or formal defect or omission in the Indenture;
- (b) to grant to or confer upon the Trustee for the benefit of the Holders any additional rights, remedies, powers or authority that lawfully may be granted to or conferred upon the Holders or the Trustee;
- (c) to assign additional revenues under the Indenture;
- (d) to accept additional security and instruments and documents of further assurance with respect to the Project;
- (e) to add to the covenants, agreements and obligations of the Issuer under the Indenture, other covenants, agreements and obligations to be observed for the protection of the Holders, or to surrender or limit any right, power or authority reserved to or conferred upon the Issuer in the Indenture;
- (f) to evidence any succession to the Issuer and the assumption by its successor of the covenants, agreements and obligations of the Issuer under the Indenture, the Loan Agreement and the Bonds;

(g) to facilitate (i) the transfer of Bonds issued by the Issuer under the Indenture and held in Book Entry Form from one Depository to another and the succession of Depositories, or (ii) the withdrawal of Bonds issued by the Issuer under the Indenture and delivered to a Depository for use in a Book Entry System and the issuance of replacement Bonds in fully registered form and in the form of physical certificates to others than a Depository;

(h) to permit the Trustee to comply with any obligations imposed upon it by law;

(i) to specify further the duties and responsibilities of the Trustee;

(j) to achieve compliance of the Indenture with any applicable federal securities or tax law; and

(k) to make amendments to the provisions of the Indenture relating to arbitrage matters under Section 148 of the Code, if, in the Opinion of Bond Counsel, those amendments would not, in and of themselves, adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes, which amendments may, among other things, change the responsibility for making the relevant calculations, provided that in no event is such amendment to delegate to the Trustee, without its consent, in its sole discretion the obligation to make or perform the calculations required under Section 148 of the Code.

The provisions of subsections (h) and (j) shall not be deemed to constitute a waiver by the Trustee, the Issuer or any Holder of any right which it may have in the absence of those provisions to contest the application of any change in law to the Indenture or the Bonds. In no case shall the Trustee be required to enter into any amendment which adversely impacts its rights.

Supplemental Indentures Requiring Consent of Holders

Exclusive of Supplemental Indentures described above and subject to the terms, provisions and limitations described below, and not otherwise, with the consent of the Holders of not less than a majority of the aggregate principal amount of the Bonds at the time Outstanding, evidenced as provided in the Indenture, and with the consent of the Borrower (if required by the Indenture), the Issuer and the Trustee may execute and deliver Supplemental Indentures adding any provisions to, changing in any manner or eliminating any of the provisions of the Indenture or any Supplemental Indenture or restricting in any manner the rights of the Holders. Nothing in the Indenture is to permit, however, or be construed as permitting,

(a) without the consent of the Holder of each Bond so affected: (i) an extension of the maturity of the principal of or the interest on any Bond, or (ii) a reduction in the principal amount of any Bond or the rate of interest thereon, or

(b) without the consent of the Holders of all Bonds then Outstanding, (i) the creation of a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (ii) a reduction in the aggregate principal amount of the Bonds required for consent to a Supplemental Indenture.

If the Issuer requests that the Trustee execute and deliver any Supplemental Indenture for any of the purposes described under this subcaption, upon (i) being satisfactorily indemnified with respect to its expenses in connection therewith, and (ii) if required by the Indenture, receipt of the Borrower's consent to the proposed execution and delivery of the Supplemental Indenture, the Trustee is to cause notice of the proposed execution and delivery of the Supplemental Indenture to be mailed by first-class mail, postage prepaid, to all Holders of Bonds then Outstanding at their addresses as they appear on the Register at the close of business on the fifteenth day preceding that mailing.

The Trustee will not be subject to any liability to any Holder by reason of the Trustee's failure to mail, or the failure of any Holder to receive, the notice described above. Any failure of that nature will not affect the validity of the Supplemental Indenture when there has been consent thereto as described above. The notice shall be prepared by or on behalf of the Issuer, at the expense of the Borrower, and shall set forth briefly the nature of the proposed Supplemental Indenture and state that copies thereof are on file at the Designated Office of the Trustee for inspection by all Holders.

If the Trustee receives, within a period prescribed by the Borrower, of not less than 60 days, but not exceeding one year, following the mailing of the notice, an instrument or document or instruments or documents, in form to which the Trustee does not reasonably object, purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding (which instrument or document or instruments or documents refer to the proposed Supplemental Indenture in the form described in the notice and specifically consent to the Supplemental Indenture in substantially that form), the Trustee shall, but shall not otherwise, execute and deliver the Supplemental Indenture in substantially the form to which reference is made in the notice as being on file with the Trustee, without liability or responsibility to any Holder, regardless of whether that Holder has consented thereto.

Any consent will be binding upon the Holder of the Bond giving the consent and, anything in the Indenture to the contrary notwithstanding, upon any subsequent Holder of that Bond and of any Bond issued in exchange therefor (regardless of whether the subsequent Holder has notice of the consent to the Supplemental Indenture). A consent may be revoked in writing, however, by the Holder who gave the consent or by a subsequent Holder of the Bond by a revocation of such consent received by the Trustee prior to the execution and delivery by the Trustee of the Supplemental Indenture. At any time after the Holders of the required percentage of Bonds have filed their consents to the Supplemental Indenture, the Trustee is to make and file with the Issuer a written statement that the Holders of the required percentage of Bonds have filed those consents. That written statement will be conclusive evidence that the consents have been so filed.

If the Holders of the required percentage in aggregate principal amount of Bonds Outstanding shall have consented to the Supplemental Indenture, as described above, no Holder shall have any right (a) to object to (i) the execution or delivery of the Supplemental Indenture, (ii) any of the terms and provisions contained therein, or (iii) the operation thereof, (b) to question the propriety of the execution and delivery thereof, or (c) to enjoin or restrain the Trustee or the Issuer from that execution or delivery or from taking any action pursuant to the provisions thereof.

Consent of Borrower and Investor Member

Anything contained in the Indenture to the contrary notwithstanding, any Supplemental Indenture executed and delivered in accordance with the Indenture which affects in any material respect any rights or obligations of the Borrower shall not become effective unless and until the Borrower and the Investor Member have consented in writing to the execution and delivery of that Supplemental Indenture. The Trustee will cause notice of the proposed execution and delivery of any Supplemental Indenture and a copy of the proposed Supplemental Indenture to be mailed to the Borrower, as provided in the Indenture, at least 30 days (unless waived by the Borrower) before the giving of notice of the proposed execution and delivery of a Supplemental Indenture for which provision is made in the Indenture.

Defeasance

Release of Indenture. If (a) the Issuer shall pay all of the Outstanding Bonds, or shall cause them to be paid and discharged, or if there otherwise shall be paid to the Holders of the Outstanding Bonds, all Bond Service Charges due or to become due thereon, and (b) provision also shall be made for the payment of all other sums payable under the Indenture or the Loan Agreement, the Regulatory Agreement and the

Note, then the Indenture shall cease, determine and become null and void (except for those provisions surviving by reason of the Indenture in the event the Bonds are deemed paid and discharged pursuant to “Payment and Discharge of Bonds” below), and the covenants, agreements and obligations of the Issuer under the Indenture shall be released, discharged and satisfied.

Thereupon, and subject to the provisions of the Indenture if applicable,

(a) the Trustee shall release the Indenture (except for those provisions surviving by reason of the Indenture in the event the Bonds are deemed paid and discharged pursuant to “Payment and Discharge of Bonds” below), and shall execute and deliver to the Issuer any instruments or documents in writing as shall be requisite to evidence that release and discharge or as reasonably may be requested by the Issuer, and

(b) the Trustee shall assign and deliver to the Issuer any property subject at the time to the lien of the Indenture which then may be in their possession, except amounts in the Bond Fund required (i) to be paid to the Borrower under the Indenture, or (ii) to be held by the Trustee under the Indenture or otherwise for the payment of Bond Service Charges.

Payment and Discharge of Bonds. All or any part of the Bonds will be deemed to have been paid and discharged within the meaning of the Indenture if:

(a) the Trustee as paying agent has received, in trust for and irrevocably committed thereto, sufficient money, or

(b) the Trustee has received, in trust for and irrevocably committed thereto, noncallable Government Obligations which are certified by an Independent public accounting firm of national reputation, selected by the Borrower, to be of such maturities or redemption dates and interest payment dates, and to bear such interest, as will be sufficient together with any money to which reference is made in subparagraph (a) above, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (which earnings are to be held likewise in trust and so committed, except as provided in the Indenture), for the payment of all Bond Service Charges on those Bonds at their maturity.

Any money so held by the Trustee may be invested by the Trustee only at the written direction of the Authorized Borrower Representative in noncallable Government Obligations having maturity dates, or having redemption dates which, at the option of the holder of those obligations, shall be not later than the date or dates at which money will be required for the purposes described above. To the extent that any income or interest earned by, or increment to, the investments so held is verified by a revised certification as described in (b) above to be in excess of the amount required to be held by the Trustee for such purposes, that income, interest or increment is to be transferred at the time of that determination in the manner provided in the Indenture for transfers of amounts remaining in the Bond Fund.

If any Bonds shall be deemed paid and discharged pursuant to this heading, then within 15 days after such Bonds are so deemed paid and discharged the Trustee shall cause a written notice to be given to each Holder as shown on the Register on the date on which such Bonds are deemed paid and discharged. Such notice shall state the numbers of the Bonds deemed paid and discharged or state that all Bonds are deemed paid and discharged, set forth a description of the obligations held pursuant to subparagraph (b) of the first paragraph of this heading.

Mortgage Loan Documents and Regulations Control

In the event of any conflict and to the extent that there is any inconsistency or ambiguity between the provisions of the Bond Documents and the provisions of the Controlling HUD and GNMA Requirements or the Mortgage Loan Documents, other than any provisions relating to the indemnification or limited obligation of the Issuer, the Controlling HUD and GNMA Requirements and Mortgage Loan Documents will be deemed to be controlling, and any such ambiguity or inconsistency will be resolved in favor of, and pursuant to the terms of the Controlling HUD and GNMA Requirements and Mortgage Loan Documents, as applicable.

Enforcement of the covenants in the Bond Documents will not result in, and neither the Issuer nor the Trustee has or shall be entitled to assert, any claim against the Project, the Mortgage Loan proceeds, any reserves or deposits required by HUD in connection with the Mortgage Loan transaction, or the rents or deposits or other income of the Project other than available "Surplus Cash" as defined in the HUD Regulatory Agreement.

Failure of the Issuer or the Borrower to comply with any of the covenants set forth in the Bond Documents will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE LOAN AGREEMENT

The following is a summary of certain provisions of the Loan Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Loan Agreement, copies of which are on file with the Issuer and the Trustee.

The Loan

The Issuer agrees, upon the terms and conditions in the Loan Agreement, to make the Loan to the Borrower with the proceeds received by the Issuer from the sale of the Bonds by causing such proceeds to be deposited with the Trustee for disposition as provided in the Indenture. The obligation of the Issuer to finance the Loan shall be deemed fully discharged upon the deposit of the proceeds of the Bonds with the Trustee. The Loan shall be evidenced by the Note payable to the Trustee.

Mortgage Loan to Borrower; GNMA Certificates

To provide and secure funds for the repayment of the Loan, and to provide for the delivery of a portion of the Eligible Funds, the Borrower shall proceed with obtaining the Mortgage Loan, the Seller Loan, the Bridge Loan and entering into a Loan Disbursement Procedures Agreement among Borrower, Lender, Trustee, Bridge Lender, General Contractor and the Title Company (the "Disbursement Agreement"). In particular, the Borrower will promptly take all necessary actions on its part to (i) close the Mortgage Loan and satisfy all other terms and conditions of the FHA Commitment and the requirements of the Lender and (ii) satisfy all of the terms and conditions set forth in the Disbursement Agreement to provide for the delivery of Eligible Funds under the Disbursement Agreement.

The Borrower represents that the Mortgage Loan is to be insured by FHA pursuant to and in accordance with the provisions of Section 221(d)(4) of the National Housing Act and applicable regulations thereunder. The Mortgage Loan will be secured on a non-recourse basis pursuant to the Mortgage Loan Documents.

In connection with the Mortgage Loan, the Borrower shall execute and deliver such documents as may be customarily utilized for insured mortgage loans under the provisions of Section 221(d)(4) of the National Housing Act and applicable regulations thereunder, with such omissions, insertions and variations as may be permitted by such regulations and as may be consistent with the terms and provisions of the Loan Agreement.

The GNMA Certificate issued by the Lender with respect to the Mortgage Loan shall be delivered by the Lender to the purchaser determined by the Lender and the Lender shall be entitled to retain the proceeds from the sale thereof. The Borrower agrees to cooperate with the Lender in any manner reasonably requested in order to achieve the timely delivery of the GNMA Certificate to the purchaser thereof.

Disbursements from the Project Fund

Subject to the provisions below and so long as no Event of Default under the Loan Agreement has occurred and is continuing for which the principal amount of the Bonds has been declared to be immediately due and payable pursuant to the Loan Agreement and the Indenture, and no Determination of Taxability has occurred, disbursements from the Project Fund shall be made only to pay any of the following Project Costs:

- (a) Costs incurred directly or indirectly for or in connection with the acquisition, rehabilitation, improvement and equipping of the Project, including costs incurred in respect of the

Project for preliminary planning and studies; architectural, legal, engineering, accounting, consulting, supervisory and other services; labor, services and materials; and recording of documents and title work.

(b) Premiums attributable to any surety bonds and insurance required to be taken out and maintained during the construction period with respect to the Project.

(c) Taxes, assessments and other governmental charges in respect of the Project that may become due and payable during the construction period.

(d) Costs incurred directly or indirectly in seeking to enforce any remedy against any contractor or subcontractor in respect of any actual or claimed default under any contract relating to the Project.

(e) Subject to the limitations set forth in the Tax Certificate, Costs of Issuance of the Bonds, including, financial, legal, accounting, cash flow verification, printing and engraving fees, charges and expenses, and all other such fees, charges and expenses incurred in connection with the authorization, sale, issuance and delivery of the Bonds, including, without limitation, the fees and expenses of the Trustee properly incurred under the Indenture that may become due and payable during the construction period.

(f) Any other costs, expenses, fees and charges properly chargeable to the cost of acquisition, rehabilitation, improvement and equipping of the Project.

(g) Payment of interest on the Bonds during the construction period.

(h) Payments to the Rebate Fund.

Any disbursements from the Project Fund for the payment of Project Costs shall be made by the Trustee only upon the receipt by the Trustee of: (a) a disbursement request in the form attached to the Loan Agreement as an exhibit on which the Trustee may conclusively rely; (b) Eligible Funds in an amount equal to the amount of any such disbursement request for deposit in the Collateral Fund as provided in the Loan Agreement; and (c) written approval of the Issuer Servicer. The Borrower acknowledges and agrees that it shall submit disbursement requests to the Trustee and the Issuer Servicer no more frequently than once each calendar month. Each such disbursement request shall be consecutively numbered. Proceeds of the Bonds disbursed pursuant to the provisions of the Loan Agreement may only be used to pay those Project Costs identified in the Sources and Uses of Funds attached to the Loan Agreement as an exhibit, as it may be amended pursuant to the agreement of FHA (if required), the Lender and the Borrower. The Trustee shall be fully protected in making the disbursements requested in such disbursement requests provided to it and shall have no duty of obligation to confirm that such requested disbursements constitute Project Costs or fulfill the requirements set forth below.

Any disbursement for any item not described in, or the cost for which item is other than as described in, the information statement filed by the Issuer in connection with the issuance of the Bonds as required by Section 149(e) of the Code, and in the notice of public hearing pertaining to the Bonds shall be accompanied by an Opinion of Bond Counsel to the effect that such disbursement will not adversely affect the Federal Tax Status of the Bonds.

Any money in the Project Fund remaining after the Completion Date and payment, or provision for payment, in full of the Project Costs, at the direction of the Authorized Borrower Representative, promptly shall be paid into the Bond Fund for payment of Bond Service Charges.

Notwithstanding any provision of the Loan Agreement or any provision of the Indenture to the contrary, the Trustee shall not disburse funds from the Project Fund unless and until the Trustee confirms that Eligible Funds in the Collateral Fund plus Eligible Funds in the Project Fund, less the amount of the requested disbursement from the Project Fund, is at least equal to then-outstanding principal amount of the Bonds.

Eligible Funds

In consideration of and as a condition to the disbursement of Bond proceeds in the Project Fund to pay Project Costs, and to secure the Borrower's obligation to make Loan Payments, the Borrower shall cause the delivery of Eligible Funds equal to the amount of the proposed disbursement to the Trustee on the date of each such disbursement. All Eligible Funds shall be paid to the Trustee for the account of the Issuer and shall be held in the Collateral Fund and disbursed in accordance with the provisions of the Indenture.

Assignment of Agreement and Revenues; Trustee is Third Party Beneficiary

To secure the payment of Bond Service Charges, the Issuer will assign to the Trustee, by the Indenture, its rights under and interest in the Loan Agreement (except for the Reserved Rights). In the Loan Agreement, the Borrower agrees and consents to those assignments. The Issuer has agreed in the Loan Agreement that it will not attempt to further assign, transfer or convey its interest in the Revenues or the Loan Agreement or create any pledge or lien of any form or nature with respect to the Revenues, Loan Payments or Eligible Funds under the Loan Agreement.

The Trustee shall be a third-party beneficiary to the Loan Agreement.

Tax Covenants

The Borrower, for the benefit of the Issuer and each Holder, represents that it has taken and caused to be taken, and covenants that it will take and cause to be taken, all actions that may be required of it, alone or in conjunction with the Issuer, to maintain the Federal Tax Status of the Bonds. The Borrower represents that it has not taken or permitted to be taken on its behalf, and covenants that it will not take or permit to be taken on its behalf (other than an action required by HUD under the Controlling HUD and GNMA Requirements or the Mortgage Loan Documents), any actions that would adversely affect such Federal Tax Status. The Borrower agrees that it will not make any changes in the Project which will result in a violation of the limitation of the maturity of the Bonds under Section 147(b) of the Code. The covenants of the Borrower in the Loan Agreement with respect to preservation of such Federal Tax Status of the Bonds are made expressly subject to all Controlling HUD and GNMA Requirements and the Mortgage Loan Documents.

Events of Default

Each of the following is an "Event of Default" under the Loan Agreement:

(a) The Borrower fails to pay any Loan Payment on or prior to the date on which that Loan Payment is due and payable to the extent amounts on deposit in the Bond Fund, including amounts transferred from the Collateral Fund and the Project Fund, are insufficient to pay the Bond Service Charges due on the next Bond Payment Date;

(b) The Borrower fails to observe and perform any other agreement, term or condition contained in the Loan Agreement and the continuation of such failure for a period of 30 days after written notice thereof has been given to the Borrower by the Issuer or the Trustee, or for such longer

period as the Borrower may certify that it shall diligently work to cure such failure and the Issuer and the Trustee may, but shall not be required to, agree to in writing; provided, that if the failure is other than the payment of money and is of such nature that it can be corrected but not within the applicable period, that failure will not constitute an Event of Default so long as the Borrower institutes curative action within the applicable period and diligently pursues that action to completion, which must be resolved within 180 days after the aforementioned notice and provided further that no such failure shall constitute an Event of Default solely because it results in a Determination of Taxability;

(c) The Borrower: (i) admits in writing its inability to pay its debts generally as they become due; (ii) has an order for relief entered in any case commenced by or against it under the federal bankruptcy laws, as now or hereafter in effect, which is not dismissed within ninety (90) days; (iii) commences a proceeding under any other federal or state bankruptcy, insolvency, reorganization or similar law, or has such a proceeding commenced against it and either has an order of insolvency or reorganization entered against it or has the proceeding remain undismissed and unstayed for ninety (90) days; (iv) makes an assignment for the benefit of creditors; or (v) has a receiver or trustee appointed for it or for the whole or any substantial part of its property which appointment is not vacated within a period of ninety (90) days;

(d) Any representation or warranty made by the Borrower in the Loan Agreement or any statement in any report, certificate, financial statement or other instrument furnished in connection with the Loan Agreement or with the purchase of the Bonds at any time proves to have been false or misleading in any adverse material respect when made or given;

(e) There occurs an Event of Default as defined in the Indenture; and

(f) There occurs a default by the Borrower under the Regulatory Agreement that is continuing after any applicable notice and cure period.

Notwithstanding the foregoing, if, by reason of Force Majeure, the Borrower is unable to perform or observe any agreement, term or condition of the Loan Agreement which would give rise to an Event of Default under subsection (b) above, the Borrower will not be deemed in default during the continuance of such inability. However, the Borrower is to promptly give notice to the Trustee and the Issuer of the existence of an event of Force Majeure and is to use commercially reasonable efforts to remove the effects thereof; provided that the settlement of strikes or other industrial disturbances shall be entirely within its discretion.

The term Force Majeure means, without limitation, the following:

(i) acts of God; strikes, lockouts or other industrial disturbances; acts of terrorism or of public enemies; orders or restraints of any kind of the government of the United States of America or of the State or any of their departments, agencies, political subdivisions or officials, or any civil or military authority; insurrections; civil disturbances; riots; epidemics; pandemics; landslides; lightning; earthquakes; fires; hurricanes; tornados; storms; droughts; floods; arrests; restraint of government and people; explosions; breakage, malfunction or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; shortages of labor, materials, supplies or transportation; or

(ii) any cause, circumstance or event not reasonably within the control of the Borrower.

The declaration of an Event of Default described under subsection (c) above, and the exercise of remedies upon any such declaration, will be subject to any applicable limitations of federal bankruptcy law affecting or precluding that declaration or exercise during the pendency of or immediately following any bankruptcy, liquidation or reorganization proceedings.

Amendments and Supplements

Except as otherwise expressly provided in the Loan Agreement or the Indenture, subsequent to the issuance of the Bonds and prior to all conditions provided for in the Indenture for release of the Indenture having been met, the Loan Agreement, the Regulatory Agreement and the Note may not be effectively amended, changed, modified, altered or terminated except in accordance with the provisions of the Indenture, as applicable.

Mortgage Loan Documents and Regulations Control

In the event of any conflict and to the extent that there is any inconsistency or ambiguity between the provisions of the Bond Documents and the provisions of the Controlling HUD and GNMA Requirements or the Mortgage Loan Documents, other than any provisions relating to the indemnification or limited obligation of the Issuer, the Controlling HUD and GNMA Requirements and Mortgage Loan Documents will be deemed to be controlling, and any such ambiguity or inconsistency will be resolved in favor of, and pursuant to the terms of the Controlling HUD and GNMA Requirements and Mortgage Loan Documents, as applicable.

Enforcement of the covenants in the Bond Documents will not result in, and neither the Issuer nor the Trustee has or shall be entitled to assert, any claim against the Project, the Mortgage Loan proceeds, any reserves or deposits required by HUD in connection with the Mortgage Loan transaction, or the rents or deposits or other income of the Project other than available “Surplus Cash” as defined in the HUD Regulatory Agreement.

Failure of the Issuer or the Borrower to comply with any of the covenants set forth in the Bond Documents will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT

The following is a summary of certain provisions of the Regulatory Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Regulatory Agreement, copies of which are on file with the Issuer and the Trustee.

All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture and the Regulatory Agreement.

Residential Rental Property

The Issuer and the Borrower declare their understanding and intent that, during the term of the Regulatory Agreement, the Project Facilities are to be owned, managed and operated as a "project for residential rental property" as such phrase is utilized in Section 142(d) of the Code and shall be owned, managed and operated as Rental Housing. The Borrower represents, covenants, warrants and agrees that:

(a) (1) The Project Facilities are being acquired and rehabilitated for the purpose of providing a "qualified residential rental project" as such phrase is used in Section 142(d) of the Code, (2) the Borrower shall own the entire Project Facilities for federal tax purposes, and (3) the Project Facilities shall be owned, managed and operated as a multifamily residential rental property comprised of a building or structure or several proximate buildings or structures containing similarly constructed units, together with any functionally related and subordinate facilities and no other facilities, in accordance with Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, and in accordance with such requirements as may be imposed thereby on the Project Facilities from time to time.

(b) The Project Facilities are comprised of one or more similarly constructed units, each of which contains separate and complete facilities for living, sleeping, eating, cooking and sanitation for an individual or a family, including a living area, a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a refrigerator and sink.

(c) None of the units in the Project Facilities will at any time be (1) utilized on a transient basis, (2) used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, nursing home, hospital, sanitarium, rest home, trailer court or park, or (3) rented for lease periods of less than six (6) months.

(d) All of the units in the Project Facilities will be rented or available for rent on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the units in the Project Facilities, except to the extent that units are required to be leased or rented to Lower-Income Tenants or Eligible Persons, and units may be restricted as required pursuant to any restrictive agreement existing or thereafter recorded against the Project Facilities in connection with qualifying low-income housing tax credits under Section 42 of the Code. Lower-Income Tenants will have equal access to and enjoyment of all common facilities of the Project Facilities.

(e) The Land consists of a parcel of real property or parcels of real property that are contiguous except for the interposition of a road, street, stream or similar property, and the Project Facilities comprise buildings, structures and facilities that are geographically contiguous and functionally related.

(f) The Borrower or a related person, as defined in Section 147(a) of the Code, shall not occupy any of the units in the Project Facilities; provided, however, that the Borrower or a related person may occupy a unit in a building or structure that contains five or more units if the Borrower or

related person is a resident manager or other necessary employee (e.g., maintenance and security personnel).

(g) None of the proceeds of the Bonds (including investment earnings) will be used to provide a health club facility, skybox or any other private luxury box, an airplane, or store the principal business of which is the sale of alcoholic beverages for consumption off premises or a facility used primarily for gambling.

(h) The Borrower shall not discriminate in violation of fair housing laws on the basis of race, creed, religion, color, sex, marital status, family status, handicapped status or national origin in the lease, use or occupancy of the Project Facilities or in connection with the employment or application for employment of persons for the operation and management of the Project Facilities.

The requirements of this section shall terminate on the later of (i) the end of the Qualified Project Period or (ii) the end of the remaining term of the Bonds, as such requirement is interpreted pursuant to the Code, unless otherwise terminated pursuant to provisions under "Term" below.

Term

The Regulatory Agreement shall remain in full force and effect until the later of (i) the expiration of the Qualified Project Period and (ii) the date as of which the Bonds are no longer outstanding; provided, however, that the Regulatory Agreement shall terminate in the event of involuntary noncompliance with the provisions of the Regulatory Agreement caused by fire, seizure, requisition, foreclosure or transfer by deed in lieu of foreclosure, change in a federal law or an action of a federal agency that prevents the Issuer from enforcing the provisions of the Regulatory Agreement, or condemnation or a similar event (as determined by Qualified Tax Counsel), but only if within a reasonable period thereafter (i) the Bonds are retired in full or rendered no longer outstanding by means of foreclosure or a deed in lieu of foreclosure or (ii) the proceeds received as a result of such event are used to finance a development that complies with the provisions of the Regulatory Agreement and any other applicable requirements of the Code and the Regulations. In such event, upon the request of the Borrower, with the consent of the Issuer which consent shall not be unreasonably withheld or delayed and at the expense of the Borrower, the parties to the Regulatory Agreement shall execute an appropriate document in recordable form to evidence such automatic termination. In the case of foreclosure or transfer of title by deed in lieu of foreclosure or similar event (as determined by Qualified Tax Counsel), such termination will cease to be in effect if, at any time during the remainder of the Qualified Project Period, the Borrower, or a "related person" to any such person within the meaning of Section 147(a) of the Code, obtains an interest in the Project Facilities for federal tax purposes. Once the Bonds are no longer outstanding, if the Regulatory Agreement by its terms will remain in effect, the Regulatory Agreement shall be deemed automatically amended so that the Trustee shall no longer be a party to the Regulatory Agreement or have any obligations or duties under the Regulatory Agreement.

Transfer of Project Facilities; Covenants to Run with the Land

The Borrower covenants with respect to the Project Facilities as follows:

(a) Except as specifically authorized pursuant and subject to the terms and provisions of the Bond Documents, the Borrower shall not (a) sell, lease, exchange, assign, convey, transfer or otherwise dispose (collectively, a "Disposition") of all or substantially all of the Project Facilities or (b) place any mortgage lien, assignment of leases and rents or security interests on or pertaining to the Project Facilities, without in each instance the prior written consent of the Issuer. The Issuer shall not unreasonably withhold, condition or delay its written consent to a Disposition, as long as the requirements of this section are fully satisfied. It is expressly agreed that, in connection with determining whether to grant or withhold such

consent, the Issuer may (but is not obligated to), among other things: (i) consider the creditworthiness of the party to whom such Disposition will be made (the "Proposed New Owner") and such party's management ability with respect to the Project Facilities; (ii) consider the compliance history of the Proposed New Owner with respect to any other multifamily projects owned by the Proposed New Owner; (iii) consider whether or not the security for repayment of the Loan and other payment obligations under the Loan Agreement and other Bond Documents, and the performance of the covenants and other obligations under the Regulatory Agreement (without regard to whether the Bonds are outstanding) or the Issuer's ability to enforce its rights, remedies and recourses with respect to such security or performance will be impaired in any way or to any degree by the proposed Disposition; (iv) require that the Issuer be reimbursed for all reasonable costs and expenses incurred by the Issuer, to the extent applicable, in connection with investigating the creditworthiness and management ability of the party to whom such Disposition will be made in determining whether the Issuer's security will be impaired by the proposed Disposition; (v) require the payment of all payment obligations of the Borrower under the Loan Agreement in the event the Loan is not assumed, including but not limited to accrued obligations not yet payable and, in the event of a Disposition in connection with a redemption of the Bonds prior to the termination of the Qualified Project Period, an undertaking by the Proposed New Owner to pay the Issuer Fee for the balance of the Qualified Project Period in the manner and means satisfactory to the Issuer; (vi) require the payment of the Issuer's reasonable attorneys' fees and expenses in connection with such Disposition; (vii) require the express, unconditional assumption of all payment obligations and all performance obligations under the Regulatory Agreement and to the extent same remain in effect, the Loan Agreement and any other document, agreement or instrument evidencing or securing the Borrower's obligations under the Loan Agreement by the party to whom such Disposition will be made (with or without the release of the transferor Borrower from liability for such obligations), which assumption shall be in form and substance satisfactory to the Issuer and its counsel, and require the recording of such assumption document; (viii) require the execution of modification agreements, supplemental mortgage documents, financing statements and such other documents, agreements and instruments as the Issuer or its counsel may reasonably require, and (ix) require endorsements to any existing Issuer's or Trustee's title insurance policies insuring the Issuer's or the Trustee's liens and security interests covering the Project Facilities. The Issuer may in its discretion, release the Borrower from liability under the Regulatory Agreement without releasing the Borrower from liability under any other agreement relating to the Project Facilities and may limit any such release from liability to events and occurrences arising after such Disposition, whether or not the Issuer has knowledge of prior events or occurrences creating such liability at the time of the Disposition.

(b) The restrictions contained in paragraph (a) under "Transfer of Project Facilities; Covenants to Run with the Land" above, shall not be applicable to any of the following: (i) any sale, transfer, assignment, encumbrance or addition, deletion or exchange of interests in the Borrower, including, but not limited to, the limited liability company and/or manager interests of the Borrower, provided such sale, transfer, assignment, encumbrance or addition does not constitute a change in ownership of the Project Facilities for federal income tax purposes which would adversely affect the exclusion from gross income of the Bonds, as certified in writing by the Borrower to the Issuer and the Trustee; (ii) grants of utility-related easements and governmental easements, approved by the Issuer and any other construction easement which may be consented to by the Issuer and service-related leases or easements, such as laundry service leases or television cable easements, over portions of the Project Facilities, provided, however, the same are granted in the ordinary course of business in connection with the operation of the Project Facilities as contemplated by the Regulatory Agreement; (iii) leases of apartment units to tenants, including Lower-Income Tenants and Eligible Persons, in accordance with the requirements of the Regulatory Agreement; (iv) any sale or conveyance to a condemning governmental authority as a direct result of a condemnation or a governmental taking or a threat thereof; (v) the placing of a subordinate mortgage lien, assignment of leases and rents or security interests on or pertaining to the Project Facilities if made expressly subject and subordinate to the Regulatory Agreement and the Bond Documents and provided that such subordinate mortgage lien, assignment of leases and rents or security interests is permitted by the Bond Documents; or (vi) any change in allocations or preferred return of capital, depreciation or losses or any final adjustment

in capital accounts (all of which may be freely transferred or adjusted by the Borrower pursuant to the Borrower's creation documents), provided that such change does not result in a change in ownership of the Project Facilities for federal income tax purposes; provided, however, the Issuer may require the mortgagee or any person acquiring the Project Facilities through foreclosure or by deed in lieu of foreclosure to assume expressly and unconditionally all payment obligations (in the same manner as provided in the Loan Agreement with respect to the Borrower) and all performance obligations under the Regulatory Agreement and the Loan Agreement relating to the Project Facilities and any other document, agreement or instrument evidencing or securing the Borrower's obligations under the Loan Agreement by the mortgagee or person acquiring the Project Facilities, which assumption shall be in form and substance satisfactory to the Issuer and its counsel, and require the recording of such assumption document.

(c) The covenants, reservations and restrictions set forth in the Regulatory Agreement shall be deemed covenants running with the Land and, except as provided in the Regulatory Agreement, shall pass to and be binding upon the Borrower's assigns, and successors in title to the Land or the Project Facilities; provided, however, that upon the termination of the Regulatory Agreement in accordance with the terms of the Regulatory Agreement, said covenants, reservations and restrictions shall expire. Except as provided in the Regulatory Agreement, each and every contract, deed or other instrument thereafter executed covering or conveying the Land or the Project Facilities or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. If a portion or portions of the Project Facilities are conveyed, all such covenants, reservations and restrictions shall run to each portion of the Project Facilities.

(d) Any transfer of the manager's interest in Borrower or removal and replacement of the Borrower's manager pursuant to the Borrower's operating agreement shall not be considered a change in ownership under this section.

In connection with any Disposition under paragraph (a) above or any transfer or other action addressed in paragraph (b)(i) above other than a transfer of limited liability company interests, in addition to the Issuer and the Trustee shall be entitled to require the Borrower to cause an opinion of Qualified Tax Counsel to be delivered to them to the effect that the proposed transfer of the Project Facilities will not adversely affect the exclusion of interest on the Bonds from the gross income of the holders thereof for federal income tax purposes.

Amendments

(a) The Regulatory Agreement shall not, except as may otherwise occur pursuant to the Regulatory Agreement, be amended, revised, or terminated except by a written instrument, executed by the parties to the Regulatory Agreement or their successors in title, and duly recorded in the office of the Clerk of Court of Alachua County. Anything to the contrary notwithstanding, the parties agree to amend the Regulatory Agreement to the extent required in the opinion of Qualified Tax Counsel, in order for interest on the Bonds to remain exempt from federal income taxation under Section 103 of the Code. The Borrower agrees, from time to time, to take such other actions and steps necessary to comply, and to cause the Project Facilities to comply, with the requirements of Section 142(d) of the Code and to enter into modifications and amendments to the Regulatory Agreement to the extent required by any interpretation of federal law, by any amendment to the Code or by any Regulation promulgated thereunder (and the parties to the Regulatory Agreement agree that the Regulatory Agreement shall be deemed to be automatically amended to impose such requirements pending execution of any such amendment), in each case so that interest on the Bonds remains exempt from federal income taxes. If either the Borrower or the Issuer fails to perform its obligations under this clause (a) within a reasonable period of time after gaining actual knowledge of such failure, the Trustee shall be authorized by such other parties (and is appointed as their respective true and lawful attorney-in-fact) to execute, deliver and record, on behalf of such other parties, as applicable,

any such amendment; provided that the Trustee shall not take action pursuant to this sentence without first notifying the Borrower and the Issuer in writing of its intention to take such action and without first providing the Borrower or the Issuer, as applicable, an opportunity to comply with the requirements of this clause (a), and the Trustee is indemnified or provision for indemnity is provided, for any costs or fees incurred by the Trustee in connection therewith.

(b) Subject in all respects to the other provisions of the Regulatory Agreement and the Indenture, the Issuer, the Trustee and the Borrower may from time to time enter into one or more amendments or supplements to the Regulatory Agreement for any of the following purposes:

- (i) To correct or amplify the description of the Project Facilities;
- (ii) To evidence the succession of another person or entity to the Issuer, the Trustee or the Borrower and the agreement by any successor to perform the covenants of their predecessor;
- (iii) To make such changes to the covenants of the Regulatory Agreement to the extent required by provisions of the Regulatory Agreement and paragraph (a) under “Amendments” above, in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds;
- (iv) To cure any ambiguities, to correct or supplement any provisions of the Regulatory Agreement which may be inconsistent with any other provision in the Regulatory Agreement, or to make any other provision with respect to matters or questions arising under the Regulatory Agreement, which will not be inconsistent with the provisions of the Regulatory Agreement, provided that such action will not adversely affect the interests of the owners of the Bonds; or
- (v) Upon delivery of an opinion of Qualified Tax Counsel to the effect that such amendment or supplement will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds, to amend the covenants of the Borrower under the Regulatory Agreement to the extent consistent with any applicable amendment to the Code or Regulations.

APPENDIX E
FORM OF OPINION OF BOND COUNSEL

[Date of Closing]

Alachua County Housing Finance Authority
Gainesville, Florida

Ladies and Gentlemen:

In our capacity as Bond Counsel we have examined a record of proceedings relating to the issuance by the Alachua County Housing Finance Authority (the "Issuer") of its \$29,000,000* Multifamily Mortgage Revenue Bonds, Series 2024 (Harbor Cove Apartments) (the "Bonds").

The Bonds are issued under and pursuant to the Laws of the State of Florida, including the Florida Industrial Development Financing Act, Chapter 159, Part II, Florida Statutes, as amended, the Florida Housing Finance Authority Law, Chapter 159, Part IV, Florida Statutes, and other applicable provisions of law (the "Act"), pursuant to a Resolution adopted by the Issuer on October 23, 2024 (the "Resolution"), and pursuant to a Trust Indenture, dated as of November 1, 2024 (the "Indenture") between the Issuer and U.S. Bank Trust Company, National Association, as trustee (the "Trustee").

The Bonds are being issued for the principal purpose of acquiring, rehabilitating and equipping a 96-unit multifamily residential housing project known as Harbor Cove Apartments, located in Alachua County, Florida, as more particularly described in the Indenture.

The Bonds are payable from and secured solely by a pledge of and lien upon the Trust Estate (as defined in the Indenture), including loan repayments made by OK Harbor Cove TC LLC (the "Borrower") to the Issuer pursuant to that certain Loan Agreement, dated as of November 1, 2024, by and between the Issuer and the Borrower (the "Loan Agreement"). Pursuant to the Loan Agreement, the Borrower (i) agrees to make loan payments sufficient to pay, among other obligations, the principal of and interest on the Bonds, when due, and to make any required deposits into certain funds established by the Indenture and (ii) expressly assumes the performance of all of the Issuer's obligations to repay the Bonds under the Indenture. In order to comply with certain requirements of the Internal Revenue Code of 1986, as amended (the "Code"), the Borrower, the Issuer and the Trustee will enter into an Amended and Restated Land Use Restriction Agreement, dated as of November 1, 2024 (the "Regulatory Agreement").

None of the Issuer, the State of Florida (the "State") nor any political subdivision or agency of the State shall in any event be liable for the payment of the principal of, premium, if any, or interest on the Bonds or for the performance of any pledge, obligation or agreement undertaken by the Issuer, except to the extent of the Trust Estate created under the Indenture. No owner of the Bonds has the right to compel any exercise of the taxing power of the State or any political subdivision or agency thereof to pay the Bonds or the interest thereon, and the Bonds do not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation. The Issuer has no taxing power.

The Bonds are dated and shall bear interest from their date of delivery, except as otherwise provided in the Indenture. The Bonds will mature on the dates and in the principal amounts, and will bear interest at the rates per annum, as provided in the Indenture. The Bonds are subject to prepayment prior to maturity in accordance with the terms of the Indenture. The Bonds are issued initially in the form of fully registered Bonds in Authorized Denominations of \$5,000, or any integral multiples of \$1,000 in excess thereof.

* Preliminary; subject to change.

Reference is made to the opinion of even date of Nixon Peabody LLP, New York, New York, counsel to the Borrower, with respect to various matters, including, (i) the power of the Borrower to enter into and perform its obligations under the Loan Agreement, the Regulatory Agreement and the Note (as defined in the Indenture), and (ii) the authorization, execution and delivery of the Note, the Regulatory Agreement and the Loan Agreement, by the Borrower. In rendering the opinions set forth herein we have relied on said opinion.

As to questions of fact material to our opinion we have relied upon representations of the Issuer, the Borrower and the certified proceedings and other certifications of appropriate officials of the Issuer and the Borrower furnished to us (including certifications as to the use of the proceeds of the Bonds), without undertaking to verify the same by independent investigation. We have not undertaken an independent audit, examination, investigation or inspection of such matters and have relied solely on the facts, estimates and circumstances described in such proceedings and certifications. We have assumed the genuineness of signatures on all documents and instruments, the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

Based on the foregoing, under existing law, we are of the opinion that:

1. The Issuer is a public body corporate and politic, a public instrumentality and a local agency organized and existing under the laws of the State, including, particularly, the Act, and has full power and authority to enter into, execute and deliver the Indenture and the Loan Agreement, to sell and deliver the Bonds, and to perform its obligations under the terms and conditions of the Indenture and the Loan Agreement.

2. The Resolution has been duly adopted by the Issuer, and no further action of the Issuer is required for its continued validity.

3. The Indenture and the Loan Agreement have each been duly authorized and approved by the Issuer, have each been duly executed and delivered by the Issuer, and, assuming the due authorization, execution and delivery of such documents by the other parties thereto, constitute legal, valid and binding obligations of the Issuer enforceable in accordance with their respective terms.

4. The Bonds have been duly authorized by the Issuer, duly executed by authorized representatives of the Issuer and validly delivered by the Issuer and constitute the legal, valid and binding limited obligations of the Issuer enforceable in accordance with their respective terms, and are entitled to the benefit and security of the Trust Estate created under the Indenture.

5. The Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

6. Under existing statutes, regulations, rulings and court decisions, the interest on the Bonds is excluded from gross income for federal income tax purposes, except that such exclusion shall not apply to interest on the Bonds for any period which such Bonds are held by a person who is a "substantial user" of the project or a "related person" within the meaning of Section 147(a) of the Code. Such interest is not an item of tax preference for purposes of the federal alternative minimum tax. For tax years beginning after December 31, 2022, interest on the Bonds that is included in the "adjusted financial statement income" of certain corporations is not excluded from the federal corporate alternative minimum tax. The opinions set forth in this paragraph are subject to the condition that the Issuer and the Borrower comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continues to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the Bonds to be so included in gross

income retroactive to the date of issuance of the Bonds. The Issuer and the Borrower have covenanted to comply with all such requirements. Ownership of the Bonds may result in collateral federal tax consequences to certain taxpayers, and we express no opinion regarding such collateral federal tax consequences.

Except as may expressly be set forth in an opinion delivered by us to the purchaser of the Bonds on the date hereof (upon which only the purchaser may rely), we have not been engaged or undertaken to review the compliance with federal or state law with respect to the sale or distribution of the Bonds, and we express no opinion relating thereto.

The opinions expressed in paragraphs 3 and 4 hereof are qualified to the extent that the enforceability of the Bonds, the Loan Agreement and the Indenture, respectively, may be limited by any applicable bankruptcy, insolvency, moratorium, reorganization, or other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity.

The opinions set forth herein are expressly limited to, and we opine only with respect to, the laws of the State of Florida and the United States of America. The only opinions rendered hereby shall be those expressly stated as such herein, and no opinion shall be implied or inferred as a result of anything contained herein or omitted herefrom.

This opinion is given as of the date hereof and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

We have examined the form of the Bonds and, in our opinion, the form of the Bonds is regular and proper.

Respectfully submitted,

Section 3. Provision of Annual Reports.

(a) The Borrower will, or will cause the Dissemination Agent to, not later than 180 days following the end of the Borrower’s fiscal year, commencing with the fiscal year ending on December 31, 2025, provide to the MSRB an Annual Report which is consistent with the requirements described below. No later than 15 Business Days prior to said date, the Borrower will provide the Annual Report to the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent). In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package and may cross reference other information, provided that the audited financial statements for the prior calendar year of the Borrower may be submitted separately from the balance of the Annual Report.

If the Borrower’s Audited Financial Statements are not available by the time the Annual Report is required to be filed, the Annual Report will contain unaudited financial statements, and the Audited Financial Statements will be filed in the same manner as the Annual Report when and if they become available.

Any or all of the items described in Exhibit A may be incorporated by reference from other documents, including official statements of debt issues with respect to which the Borrower is an “Obligated

Person” (as defined by the Rule), which have been filed with the MSRB. The Borrower will clearly identify each such other document so incorporated by reference.

Each annual report submitted hereunder shall be in readable portable document format (“PDF”) or other acceptable electronic form.

(b) The Dissemination Agent shall, within three (3) Business Days of obtaining actual knowledge of the occurrence of any potential Listed Event, pursuant to subsection (c) of this Section 5 or otherwise, provide the Disclosure Representative with notice by facsimile transmission confirmed by telephone or by email). While the Dissemination Agent is not also the Trustee, the Dissemination Agent shall not be deemed to have actual knowledge of any items listed in clauses (i) - (xvii) above without the Dissemination Agent having received written notice of such event. For purposes of providing notice to the Disclosure Representative, the Dissemination Agent shall assume that the unscheduled draws described in clauses (iii) and (iv) reflect financial difficulty.

(c) Whenever the Borrower obtains knowledge of the occurrence of a potential Listed Event, the Borrower shall, within five (5) Business Days of obtaining such knowledge and in any event no more than eight (8) Business Days after the occurrence of such event, determine if such event is in fact a Listed Event that is required by the Rule to be disclosed and provide the Dissemination Agent with notice and instructions pursuant to subsection (d) below.

(d) If the Borrower has determined that a Listed Event is required to be disclosed, then the Borrower shall prepare a written notice describing the Listed Event and provide the same to the Dissemination Agent along with instructions to file the same pursuant to subsection (e) below.

Section 6. Amendment; Waiver. Notwithstanding any other provision of this Continuing Disclosure Agreement, the Borrower and the Dissemination Agent may amend this Continuing Disclosure

Agreement (and the Dissemination Agent will agree to any amendment so requested by the Borrower unless such amendment adversely affects its rights, duties, protections, immunities, indemnities or standard of care, as determined by the Dissemination Agent) and any provision of this Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions described under paragraph (a) under “Provision of Annual Reports,” “Contents of Annual Reports” or paragraph (a) under “Reporting of Listed Events,” it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of an Obligated Person (as defined in the Rule) with respect to the Bonds or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Holders or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Continuing Disclosure Agreement, the Borrower will describe such amendment in the next Annual Report and will include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information being presented by the Borrower. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change will be given in the same manner as for a Listed Event under Section 5(e) hereof and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 7. Default. In the event of a failure of the Borrower or the Dissemination Agent to comply with any provision of this Continuing Disclosure Agreement and such failure to comply continues beyond a period of thirty (30) days following written notice to the Borrower, the Borrower or any Holder or Beneficial Owner of the Bonds may, take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Borrower or the Dissemination Agent, as the case may be, to comply with its obligations under this Continuing Disclosure Agreement. A default under this Continuing Disclosure Agreement will not be deemed an Event of Default under the Indenture or the Loan Agreement, and the sole remedy under this Continuing Disclosure Agreement in the event of any failure of the Borrower or the Dissemination Agent to comply with this Continuing Disclosure Agreement will be an action to compel performance.

Section 8. Beneficiaries. This Continuing Disclosure Agreement will inure solely to the benefit of the Borrower, the Dissemination Agent, the Participating Underwriter and Holders from time to time of the Bonds and will create no rights in any other person or entity.

If the Borrower chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Continuing Disclosure Agreement, the Borrower shall have no obligation under this Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

The Dissemination Agent shall have no responsibility for the Borrower's failure to report to the Dissemination Agent a Listed Event or a duty to determine the materiality thereof. The Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Borrower has complied with this Continuing Disclosure Agreement. The Dissemination Agent may conclusively rely upon Certifications of the Borrower at all times.

The obligations of the Borrower under this Section 11 shall survive resignation or removal of the Dissemination Agent and defeasance, redemption or payment of the Bonds.
