*In the opinion of Kutak Rock LLP, Bond Counsel, under existing laws, regulations, rulings and judicial decisions and assuming the accuracy of certain representations and continuing compliance with certain covenants, interest on the 2025 Series C Bonds is excludable from gross income for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax imposed on individuals. Interest on the 2025 Series C Bonds may affect the federal alternative minimum tax imposed on certain corporations. Interest on the 2025 Series D Bonds is included in gross income for federal income tax purposes. In the further opinion of Bond Counsel, interest on the 2025 Bonds is excludable from gross income of the owners thereof for Kentucky income tax purposes, and the 2025 Bonds are exempt from ad valorem taxation in the Commonwealth of Kentucky (the "Commonwealth"). For a more complete description, see "TAX MATTERS" and the proposed form of opinion of Bond Counsel in **Appendix C**. Capitalized terms used and not otherwise defined on this cover page have the respective meanings given herein.*

The 2025 Bonds are issuable only as fully registered bonds in denominations of \$5,000 or integral multiples thereof. The 2025 Bonds are registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the 2025 Bonds. Purchasers will not receive certificates representing their interests in the 2025 Bonds. Interest on the 2025 Bonds is payable by The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"), to the registered owners thereof on January 1 and July 1 of each year, commencing January 1, 2026*, until maturity or earlier redemption, at the rates set forth on the inside front cover hereof. Principal on the 2025 Bonds is payable at maturity or earlier redemption upon surrender at the principal corporate trust office of the Trustee. So long as DTC or its nominee is the registered owner of the 2025 Bonds, disbursement of payments of principal, redemption price and interest to DTC is the responsibility of the Trustee; disbursement of such payments to DTC Participants is the responsibility of DTC; and disbursement of such payments to the Beneficial Owners is the responsibility of DTC Participants. See "**BOOK-ENTRY SYSTEM**" in **Appendix F**.

The 2025 Bonds are subject to redemption under the circumstances, on the dates, in the amounts and at the prices described herein. It is expected that some portion of the 2025 Bonds will be redeemed without premium prior to their respective stated maturities. See "**THE 2025 BONDS – Redemption Provisions**."

The Kentucky Housing Corporation (the "Corporation") is using the proceeds of the 2025 Bonds to purchase Guaranteed Mortgage Securities backed by Mortgage Loans originated under the Corporation's homeownership program. See "**PLAN OF FINANCE**." The 2025 Bonds are secured, on a parity with outstanding Bonds previously issued, and any Bonds subsequently issued under the General Indenture, by a pledge of and security interest in Bond proceeds, Mortgage Loans, Guaranteed Mortgage Securities and Investments purchased therefrom and other Revenues and assets and income held in and receivable by Funds and Accounts established under the Indenture. See "**SECURITY AND SOURCES OF PAYMENT**."

THE 2025 BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CORPORATION, SECURED BY AND PAYABLE SOLELY FROM THE SOURCES PLEDGED FOR THE PAYMENT THEREOF UNDER THE INDENTURE AND DO NOT CONSTITUTE A DEBT, LIABILITY OR OBLIGATION OF THE COMMONWEALTH OR OF ANY POLITICAL SUBDIVISION THEREOF, OR A PLEDGE OF THE FAITH AND CREDIT OR TAXING POWER OF THE COMMONWEALTH OR OF ANY POLITICAL SUBDIVISION THEREOF. THE CORPORATION HAS NO TAXING POWER.

The Commonwealth's name is on the 2025 Bonds for the benefit and convenience of other entities within the Commonwealth. However, the only security which is pledged for the 2025 Bonds is the independent revenues and assets pledged therefor. The General Assembly does not intend to appropriate any Commonwealth funds to fulfill the financial obligation represented by the 2025 Bonds.

THIS COVER PAGE CONTAINS INFORMATION FOR QUICK REFERENCE ONLY. IT IS NOT A SUMMARY OF THIS ISSUE. INVESTORS MUST READ THIS ENTIRE OFFICIAL STATEMENT TO OBTAIN INFORMATION ESSENTIAL AND MATERIAL TO THE MAKING OF AN INFORMED INVESTMENT DECISION.

*The 2025 Bonds are offered when, as and if issued by the Corporation, subject to the approval as to certain matters by Kutak Rock LLP, Washington, D.C., as Bond Counsel. Certain legal matters will be passed upon for the Corporation by its internal counsel, Samuel Thorner, Esq. and for the Underwriters by their counsel, Dinsmore & Shohl LLP, Covington, Kentucky. It is expected that the 2025 Bonds will be delivered to the Trustee on behalf of DTC in New York, New York, on or about June 4, 2025.**

KENTUCKY HOUSING CORPORATION
HOUSING REVENUE BONDS

2025 Series C (Non-AMT) **2025 Series D (Taxable)**

INTRODUCTION

This Official Statement (which includes the cover pages and appendices hereto) provides certain information regarding the Kentucky Housing Corporation (the “Corporation”) and the Corporation’s issuance of its Single Family Mortgage Revenue Bonds, 2025 Series C, in the aggregate principal amount of \$75,000,000* (the “2025 Series C Bonds”) and its Single Family Mortgage Revenue Bonds, 2025 Series D, in the aggregate principal amount of \$75,000,000* (the “2025 Series D Bonds” and, together with the 2025 Series C Bonds, the “2025 Bonds”). The Corporation is an independent *de jure* municipal corporation and political subdivision of the Commonwealth of Kentucky (the “Commonwealth”) created and established under the terms and provisions of Chapter 198A of the Kentucky Revised Statutes (the “Act”). See “**THE CORPORATION**” and “**CERTAIN ADDITIONAL INFORMATION REGARDING THE CORPORATION AND ITS PROGRAMS**” in *Appendix D* for more information regarding the Corporation.

The Corporation is issuing the 2025 Bonds pursuant to a General Indenture of Trust, dated as of October 1, 2023 (the “General Indenture”), the 2025 Series C Indenture, dated as of June 1, 2025 (the “2025 Series C Indenture”) and the 2025 Series D Indenture, dated as of June 1, 2025 (the “2025 Series D Indenture”, and together with the 2025 Series C Indenture, the “2025 Series CD Indentures”), each between the Corporation and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”). The General Indenture and the 2025 Series CD Indentures are collectively referred to herein as the “Indenture.” See *Appendices A* and *B* for a summary of certain definitions and terms and provisions from the Indenture; terms used in this Official Statement (including the Appendices), unless otherwise defined, shall have the meaning ascribed to such terms in *Appendix A*. Pursuant to the 2025 Series CD Indentures, the Trustee is designated as the Paying Agent, Registrar and Depository with respect to the 2025 Bonds.

The 2025 Bonds are being issued on parity with other bonds previously issued and presently outstanding under the General Indenture (the “Outstanding Bonds”). Upon satisfaction of the conditions set forth in the General Indenture, additional series of bonds (“Additional Bonds”) may be issued pursuant to the General Indenture and one or more Series Indentures on parity with the 2025 Bonds and the Outstanding Bonds, in the manner described herein. The Corporation expects to issue Additional Bonds under the General Indenture. All Outstanding Bonds, the 2025 Bonds and any Additional Bonds are herein referred to as the “Bonds.”

The General Indenture authorizes the issuance of Bonds to provide the Corporation with funds for making or purchasing mortgage loans (the “Mortgage Loans”), which are secured by first mortgage liens (subject to certain permitted encumbrances) on single family residences located within the Commonwealth. The Mortgage Loans made or purchased (the “Qualified Mortgage Loans”) must meet certain other requirements as set forth in the General Indenture and the related Series Indentures. Bonds may also be issued to provide funds to purchase mortgage-backed securities backed by or representing Qualified Mortgage Loans guaranteed as to payment of principal and interest by the Government National Mortgage Association (“Ginnie Mae”), Fannie Mae, the Federal Home Loan Mortgage Corporation (“Freddie Mac”), or any other agency or instrumentality of or chartered by the United States to which the powers of any of them have been transferred or which have similar powers to issue and/or guarantee timely payment of certificates or securities and the interest thereon (collectively, the “Guaranteed Mortgage Securities”). See “**SUMMARY OF CERTAIN MORTGAGE INSURANCE AND SECURITY GUARANTY PROGRAMS**” in *Appendix D*.

Qualified Mortgage Loans under the Corporation’s homeownership programs (collectively, the “Program”) are originated by participating mortgage lenders (the “Participating Lenders”) and are serviced by the Corporation.

*Preliminary; subject to change

Participating Lenders sell originated Qualified Mortgage Loans to the Corporation, which pools or causes to be pooled such Qualified Mortgage Loans into Guaranteed Mortgage Securities issued or guaranteed by Ginnie Mae, Fannie Mae or Freddie Mac. The Corporation then sells the Guaranteed Mortgage Securities to the Trustee. See **“ORIGINATION, SECURITIZATION AND SERVICING OF MORTGAGE LOANS AND GUARANTEED MORTGAGE SECURITIES.”** The General Indenture also authorizes the issuance of Bonds to refund Outstanding Bonds and other single family bonds of the Corporation and to provide funds for other purposes, including making grants and/or loans for down payment and closing cost assistance, depositing moneys in various Funds and Accounts established under the General Indenture and any related Series Indenture and paying costs of issuing Bonds and other obligations thereunder.

The proceeds of the 2025 Series C Bonds will be used to purchase Guaranteed Mortgage Securities (the “2025 Series C Guaranteed Mortgage Securities”) backed by Qualified Mortgage Loans (including any participations thereof, the “2025 Series C Mortgage Loans”) originated under the Program. The proceeds of the 2025 Series D Bonds will be used to purchase Guaranteed Mortgage Securities (the “2025 Series D Guaranteed Mortgage Securities”) backed by Qualified Mortgage Loans (including any participations thereof, the “2025 Series D Mortgage Loans”) originated under the Program. The 2025 Series C Guaranteed Mortgage Securities and the 2025 Series D Guaranteed Mortgage Securities are sometimes referred to herein as the “2025 Series CD Guaranteed Mortgage Securities,” and the 2025 Series C Mortgage Loans and the 2025 Series D Mortgage Loans are sometimes referred to herein as the “2025 Series CD Mortgage Loans.” See **“PLAN OF FINANCE.”**

Pursuant to separate indentures or resolutions (each, a “Prior Indenture”), the Corporation has issued and delivered multiple series of housing revenue bonds to fund its Program. Information relating to such series remaining outstanding is set forth in *Appendix D*. All series of the bonds previously issued by the Corporation pursuant to such Prior Indentures, together with any additional obligations issued on parity therewith, are separately secured by moneys and assets pledged under the particular Prior Indenture pursuant to which such series was issued. The 2025 Bonds are neither issued under nor secured by any Prior Indenture.

The Corporation may deposit or allocate a portion of the proceeds from the issuance of one or more Series of Bonds (including the 2025 Bonds) or proceeds of bonds of the Corporation issued under a Prior Indenture into a participation loan subaccount under the General Indenture or under a Prior Indenture (such proceeds, the “Participation Funds”). Participation Funds may be used from time to time to finance the purchase of Guaranteed Mortgage Securities under the General Indenture or a Prior Indenture. The Corporation may use Participation Funds, together with proceeds of the 2025 Bonds, to purchase Guaranteed Mortgage Securities. Both principal payments and prepayments of Guaranteed Mortgage Securities purchased with proceeds of the 2025 Bonds and the Participation Funds, if any, will be allocated at such percentages to be determined by the Corporation between the hereinafter-described 2025 Series CD Revenue Accounts, as applicable, established under the Indenture and the revenue subaccount related to the bonds that generated the Participation Funds. Interest payments on Guaranteed Mortgage Securities purchased with proceeds of the 2025 Bonds and the Participation Funds will be allocated at such percentages to be determined by the Corporation to reduce or increase the effective interest rate on the Mortgage Loans made under the bond issues providing the Participation Funds.

THE 2025 BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CORPORATION, SECURED BY AND PAYABLE SOLELY FROM THE SOURCES PLEDGED FOR THE PAYMENT THEREOF UNDER THE INDENTURE AND DO NOT CONSTITUTE A DEBT, LIABILITY OR OBLIGATION OF THE COMMONWEALTH OR OF ANY POLITICAL SUBDIVISION THEREOF, OR A PLEDGE OF THE FAITH AND CREDIT OR TAXING POWER OF THE COMMONWEALTH OR OF ANY POLITICAL SUBDIVISION THEREOF. THE CORPORATION HAS NO TAXING POWER. SEE “SECURITY AND SOURCES OF PAYMENT” HEREIN.

Information set forth on the cover pages and in the Appendices hereto is part of this Official Statement. Brief descriptions of the Corporation, the 2025 Bonds, the security for the Bonds, the Program, the Indenture, Ginnie Mae and the Ginnie Mae Securities, Fannie Mae and the Fannie Mae Securities, Freddie Mac and the Freddie Mac Securities and the Corporation’s continuing disclosure undertaking are included in this Official Statement. The summaries herein do not purport to be complete and are qualified in their entirety by reference to such documents, agreements and programs as may be referred to herein, and the summaries herein of the 2025 Bonds are further qualified in their entirety by reference to the forms of the 2025 Bonds included in the Indenture and the provisions

with respect thereto included in the aforesaid documents, copies of which are available from the Corporation or the Trustee.

PLAN OF FINANCE*

The Corporation expects to deposit (a) proceeds of the 2025 Series C Bonds (inclusive of any premium received from the sale of the 2025 Series C Bonds) (i) in the amount of \$75,000,000 to the 2025 Series C Mortgage Loan Account established under the Indenture and (ii) in the amount of \$575,000 to the 2025 Series CD Cost of Issuance Account established under the Indenture to pay the costs of issuance of the 2025 Series C Bonds, and (b) proceeds of the 2025 Series D Bonds (inclusive of any premium received from the sale of the 2025 Series D Bonds) (i) in the amount of \$75,000,000 to the 2025 Series D Mortgage Loan Account established under the Indenture and (ii) in the amount of \$575,000 to the 2025 Series CD Cost of Issuance Account established under the Indenture to pay the costs of issuance of the 2025 Series D Bonds. The 2025 Series C Mortgage Loan Account and the 2025 Series D Mortgage Loan Account are sometimes referred to herein as the 2025 Series CD Mortgage Loan Accounts. Thereafter, the Corporation expects to purchase (i) with amounts in the 2025 Series C Mortgage Loan Account approximately \$75,000,000 of 2025 Series C Guaranteed Mortgage Securities on or before September 22, 2025, and (ii) with amounts in the 2025 Series D Mortgage Loan Account approximately \$75,000,000 of 2025 Series D Guaranteed Mortgage Securities on or before September 22, 2025. The 2025 Series C Guaranteed Mortgage Securities are expected to have a weighted average term of 360 months and a weighted average mortgage rate of 6.283%, and the 2025 Series D Guaranteed Mortgage Securities are expected to have a weighted average term of 360 months and a weighted average mortgage rate of 6.283%.

SECURITY AND SOURCES OF PAYMENT

Limited Obligations

THE 2025 BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CORPORATION, SECURED BY AND PAYABLE SOLELY FROM THE SOURCES PLEDGED FOR THE PAYMENT THEREOF UNDER THE INDENTURE AND DO NOT CONSTITUTE A DEBT, LIABILITY OR OBLIGATION OF THE COMMONWEALTH OR OF ANY POLITICAL SUBDIVISION THEREOF, OR A PLEDGE OF THE FAITH AND CREDIT OR TAXING POWER OF THE COMMONWEALTH OR OF ANY POLITICAL SUBDIVISION THEREOF. THE CORPORATION HAS NO TAXING POWER.

General

The Bonds, including the 2025 Bonds, are secured by a pledge of and security interest in (1) all proceeds from the sale of any Bonds (other than proceeds pledged to the redemption of any prior series of Bonds), (2) all Mortgage Loans, Guaranteed Mortgage Securities and Investments financed or refinanced with such proceeds, (3) all Revenues and (4) all other assets and income held in and receivable by Funds and Accounts established by or pursuant to the General Indenture and the related Series Indentures, including the 2025 Series CD Indentures (except amounts in the Special Program Fund which are otherwise pledged). The pledge and security interest are subject to the power of the Corporation to direct the release of amounts free and clear of such pledge and security interest after satisfying the then current requirements for all Funds and Accounts and certain other conditions set forth in the General Indenture and the related Series Indentures.

The ability of the Corporation to pay debt service on the Bonds depends upon the receipt of sufficient Revenues under the Program, primarily principal and interest on Mortgage Loans and Guaranteed Mortgage Securities, and the earnings from the investment or reinvestment of moneys held in Funds and Accounts under the General Indenture and the related Series Indentures.

*Preliminary; subject to change

No Reserve Fund Deposit

The General Indenture establishes a Reserve Fund and authorizes a deposit thereto if required in connection with the issuance of any series of Bonds. No deposit was previously made to the Reserve Fund in connection with the issuance of any prior series of Bonds, and no deposit is being made to the Reserve Fund in connection with the issuance of the 2025 Bonds.

Qualified Mortgage Loans and Guaranteed Mortgage Securities

General. The Corporation expects to use the amounts deposited to the 2025 Series CD Mortgage Loan Accounts to purchase Guaranteed Mortgage Securities which are backed by Qualified Mortgage Loans. The Corporation does not expect to use amounts deposited in the 2025 Series CD Mortgage Loan Accounts to directly purchase 2025 Series CD Mortgage Loans.

Security Requirements. Each Qualified Mortgage Loan must be secured by a first mortgage lien (subject to certain permitted encumbrances) on single family, owner-occupied residential housing consisting of not more than four dwelling units, one of which must be occupied by the mortgagor (including condominium housing) in the Commonwealth, and must be covered by a title insurance policy insuring that the Qualified Mortgage Loan is a valid first lien on the residential property, subject to certain permitted encumbrances. Each residential property on which a Qualified Mortgage Loan is made must be covered by a fire and an extended coverage insurance policy at least equal to the lesser of the remaining principal balance of the Qualified Mortgage Loan or the full insurable value of the property.

Mortgage Insurance Requirements. At the time of acquisition, each Qualified Mortgage Loan made or purchased with, or backing a Guaranteed Mortgage Security purchased with, amounts deposited in the 2025 Series CD Mortgage Loan Accounts must (1) have an unpaid principal balance not exceeding 80% of the Fair Market Value of the mortgaged Home, or (2) be insured or guaranteed by (a) the Federal Housing Administration (“FHA”), the Veterans Administration (“VA”), or any other agency of the United States having similar powers to insure or guarantee mortgage loans, including but not limited to Farmers Home Administration (or its successor the Rural Housing and Community Development Service) (“RD”) or (b) a Private Mortgage Insurer (“PMI”) approved by Fannie Mae or Freddie Mac, or (3) have an equivalent insurance policy, guaranty, letter of credit or other security. The Corporation may vary from certain requirements otherwise set forth in the General Indenture relating to Qualified Mortgage Loans to the extent required by the United States or any agency or instrumentality thereof guaranteeing or insuring the Mortgage Loans, including guaranteeing Guaranteed Mortgage Securities. Subject to the limitations set forth in the General Indenture, the Corporation may modify the Program determinations to finance Mortgage Loans not meeting such initial determinations so long as financing such loans does not adversely affect the then current rating on the Bonds by each Rating Agency then rating the Bonds at the request of the Corporation.

Guaranteed Mortgage Securities. The Corporation anticipates that amounts initially deposited in the 2025 Series CD Mortgage Loan Accounts will be made available to hold and carry, acquire, purchase and finance Guaranteed Mortgage Securities issued by Fannie Mae (“Fannie Mae Securities”), Guaranteed Mortgage Securities guaranteed by Ginnie Mae (“Ginnie Mae Securities”) and Guaranteed Mortgage Securities issued by Freddie Mac (“Freddie Mac Securities”). At the time of acquisition by the Trustee, the Guaranteed Mortgage Securities backed by Qualified Mortgage Loans must have been issued by or guaranteed as to payment of principal and interest by Ginnie Mae, Fannie Mae, Freddie Mac or other agency or instrumentality of or chartered by the United States which has similar powers (or such other entity designated and approved by the Corporation as will not adversely affect the Rating Quality of the Bonds). Certain information concerning mortgage insurance and guaranty programs, the Fannie Mae Securities, the Ginnie Mae Securities and the Freddie Mac Securities, and federal legislation terminating mortgage insurance coverage in certain cases, can be found in *Appendix G*. Subject to the limitations set forth in the General Indenture, the Corporation may modify the Program determinations to finance Guaranteed Mortgage Securities not meeting such initial determinations so long as financing such securities does not adversely affect the then current rating on the Bonds by each Rating Agency then rating the Bonds at the request of the Corporation.

On June 3, 2019, Fannie Mae and Freddie Mac (each, an “Enterprise” and, together, the “Enterprises”) began issuing new, common, single mortgage-backed securities, formally known as Uniform Mortgage-Backed Securities (“UMBS”). The UMBS issued by the Enterprises finance the same types of fixed-rate mortgages that back Fannie

Mae Securities and Freddie Mac Securities and are guaranteed by either Fannie Mae or Freddie Mac depending upon which Enterprise issues the UMBS. Each UMBS is backed by fixed-rate mortgage loans purchased entirely by one of the Enterprises; thus, there is no comingling of collateral. The UMBS have characteristics similar to Fannie Mae Securities, and Freddie Mac has modified its security structure to more closely align with Fannie Mae Securities. The Enterprises may be required to consult with each other to ensure specific Enterprise programs or policies do not cause or have potential to cause cash flows to investors of mortgage-backed securities to misalign. Proceeds of the Bonds are expected to be used to purchase 2025 Series CD Guaranteed Mortgage Securities which may include UMBS issued by Fannie Mae or Freddie Mac. For purposes of this Official Statement and the 2025 Series CD Indentures, the term “Guaranteed Mortgage Securities” includes UMBS.

Valuation of Assets

As of each Interest Payment Date and as of the date of issuance of any Series of Bonds, the Corporation is required to compute the value of certain assets in accordance with the terms of the General Indenture (“Principal Assets”). The computation of Principal Asset value is prescribed for certain purposes under the General Indenture, including issuance of Series of Bonds and the release of amounts free and clear of the pledge of the General Indenture, and is not indicative of the market value of such assets. Principal Asset value is subject to fluctuation as a result of prepayments, foreclosures, purchases of additional Mortgage Loans and Guaranteed Mortgage Securities, issuance of additional Series of Bonds and the release and expenditure of funds. As of March 31, 2025, Principal Asset value was \$565,128,619.75, with the aggregate principal amount of Outstanding Bonds being \$543,090,000.00. On the delivery date of the 2025 Bonds, Principal Asset value is expected to be \$718,922,804.50* and the aggregate principal amount of the Outstanding Bonds is expected to be \$693,090,000.00*. The amount of Principal Asset value in excess of 100% of the Outstanding Bonds (the “Parity Test”) is available to the Corporation, subject to certain other conditions (including satisfaction of the Cash Flow Test hereinafter described), for any purpose under the Act, including other Programs of the Corporation.

The value of the Principal Assets is computed as follows:

- (1) For a Mortgage Loan (including any Guaranteed Mortgage Security), the unpaid principal amount thereof;
- (2) Cash and Investments held in a Mortgage Loan Account for the first two years after the issuance of the Bonds funding such account, at the par amount thereof; and
- (3) For other Investments and deposits: (a) the principal amount or amortized cost of an Investment, whichever is lower, if it matures more than twenty-four (24) months after the date of computation or is held subject to a repurchase agreement, and (b) the principal amount of a deposit or of an Investment that matures within twenty-four (24) months after the date of computation and is not held subject to a repurchase agreement, provided further that (c) accrued interest shall be excluded from each such computation.

Investments

The Corporation is permitted to invest funds on deposit in the Indenture in Investments as described in **Appendix A**. Investments may include additional investments with different characteristics which an Authorized Officer deems to be in the interest of the Corporation, as reflected in an Officer’s Certificate or in a Supplemental Indenture, if at the time of inclusion such inclusion will not, in and of itself, adversely affect the then current rating on the Bonds by each Rating Agency then rating the Bonds at the request of the Corporation.

Moneys deposited in the 2025 Series CD Mortgage Loan Accounts and the 2025 Series CD Revenue Accounts will be invested in Investments. Certain investment agreements may be delivered, from time to time, in connection with the 2025 Bonds or any Series of Bonds. The investment agreements, and any related guarantees,

*Preliminary; subject to change

entered into in connection with the Bonds are herein collectively referred to as the “Investment Agreements.” In each case, the Investment Agreements, and any related guarantees, when entered into, must not adversely affect the then current rating on the Bonds by each Rating Agency then rating the Bonds at the request of the Corporation.

In the event of a failure to receive timely payment on any Investment, including an Investment Agreement, the ability of the Corporation to pay principal of and interest on the Bonds could be adversely affected.

Additional Bonds

The General Indenture permits the issuance of Additional Bonds without limitation as to amount (except as may be limited by law) to provide funds for the purposes of making or purchasing Qualified Mortgage Loans and Guaranteed Mortgage Securities and refunding Outstanding Bonds issued under the General Indenture or other Corporation obligations issued under Prior Indentures, but only upon satisfying certain conditions set forth in the General Indenture, including the Parity Test and the Cash Flow Test (as defined in the summary of the General Indenture contained in *Appendix B*). The 2025 Bonds, any Outstanding Bonds and any Additional Bonds issued under the General Indenture on parity will be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the General Indenture. The Corporation has also reserved the right to issue other obligations not secured by the pledge and lien of the General Indenture.

THE 2025 BONDS

General

The 2025 Bonds are dated their date of delivery and bear interest at the rates and mature in the amounts and on the dates set forth on the inside front cover of this Official Statement. The Corporation is issuing the 2025 Bonds as fully registered bonds which, when initially issued, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), New York, New York. DTC is acting as securities depository for the 2025 Bonds. Purchases of Bonds are being made in book-entry form only and in denominations of \$5,000 or integral multiples thereof (an “Authorized Denomination”) through brokers and dealers who are, or who act through, DTC participants. Beneficial owners of the Bonds will not receive physical delivery of bond certificates so long as DTC or a successor acts as the securities depository with respect to the 2025 Bonds. See “**THE 2025 BONDS – Book-Entry System**” and “**BOOK-ENTRY SYSTEM**” in *Appendix F*.

Payment Provisions

The Trustee shall pay interest semiannually on January 1 and July 1 of each year (each an “Interest Payment Date”), commencing January 1, 2026*, until maturity or earlier redemption. Interest on the 2025 Bonds will be computed on the basis of a 360-day year of twelve 30-day months from their original issue date or the most recent Interest Payment Date, whichever is later. The Trustee shall pay interest to the owners of record in the bond registration books maintained by the Trustee at the close of business on the fifteenth (15th) day (whether or not a business day) preceding each Interest Payment Date (the “Record Date”). The Trustee shall pay the principal of the 2025 Bonds at maturity or earlier date of redemption, together with all interest accrued to such date and any premium, upon presentation and surrender of the 2025 Bonds at the Trustee’s designated corporate trust office. If a payment of interest, principal or the Redemption Price of 2025 Bonds is to be made on a day that is not a Business Day, it will be made on the next succeeding Business Day with the same force and effect as if made on the date of payment, and no interest shall accrue thereon for the period after such date.

The foregoing procedures and methods for payment will apply if the provisions for global book-entry bonds as described below cease to be in effect and will apply to the holding and transfer of 2025 Bonds by DTC subject to

*Preliminary; subject to change

certain modifications provided for in a Letter of Representations between the Corporation and DTC. **SO LONG AS DTC OR ITS NOMINEE IS THE REGISTERED OWNER OF THE 2025 BONDS, PAYMENT OF THE PRINCIPAL OR THE REDEMPTION PRICE THEREOF AND THE INTEREST THEREON WILL BE MADE BY WIRE TRANSFER DIRECTLY TO DTC OR ITS NOMINEE.** See “THE 2025 BONDS – Book-Entry System” and “BOOK-ENTRY SYSTEM” in *Appendix F*.

Registration and Transfer of the 2025 Bonds

The Corporation shall maintain at the Trustee’s designated trust office, books for the registration and transfer of the 2025 Bonds. Upon presentation thereof for such purpose, the Corporation shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it or the Trustee may prescribe, any 2025 Bond entitled to registration or transfer. Each 2025 Bond will be transferable only upon the books of the Trustee, at the request of the registered owner thereof in person or by his attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney. In the event of a transfer of any such 2025 Bond, the Trustee will issue in the name of the transferee a new registered 2025 Bond of the same series, aggregate principal amount and maturity as the surrendered 2025 Bond. The 2025 Bonds may be exchanged at the principal office of the Trustee for an equal aggregate principal amount of 2025 Bonds of the same series and maturity of other Authorized Denominations.

In each case in which 2025 Bonds are transferred or exchanged, the Corporation will execute and the Trustee will authenticate, as required, and deliver 2025 Bonds to the transferee or the Bondholder making the exchange. The Corporation will not be obligated to make any such exchange or transfer of 2025 Bonds, in the case of any proposed redemption of 2025 Bonds, during the ten (10) days next preceding the date of transmitting notice of such redemption.

The Corporation and the Trustee may deem and treat the person in whose name any outstanding 2025 Bond shall be registered upon the books of the Trustee to be the absolute owner of such 2025 Bond, whether such 2025 Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or premium, if any, and interest on such 2025 Bond and for all other purposes, and all such payments so made to any such registered owner or upon his written order or to his legal representative shall be valid and effectual to satisfy and discharge the liability upon such 2025 Bond to the extent of the sum or sums so paid, and neither the Corporation nor the Trustee shall be affected by any notice to the contrary.

Optional Redemption. The 2025 Bonds (other than the PAC Bonds) are subject to redemption prior to maturity, at the option of the Corporation, in whole or in part, at any time on or after July 1, 2033 from any source of funds, at a Redemption Price equal to the principal amount thereof plus accrued interest, if any, to but not including the date fixed for redemption.

The 2025 Series C PAC Bonds are subject to redemption prior to maturity, at the option of the Corporation, in whole or in part, on or after July 1, 2033, from any source of funds, at the respective Redemption Prices on the redemption dates set forth below, expressed as percentages of the principal amount thereof to be redeemed, plus accrued interest to the redemption date:

<u>Redemption Date</u>	<u>Redemption Price</u>
July 1, 2033	___%
January 1, 2034	___
July 1, 2034 and thereafter	100

The 2025 Series D PAC Bonds are subject to redemption prior to maturity, at the option of the Corporation, in whole or in part, on or after July 1, 2033, from any source of funds, at the respective Redemption Prices on the redemption dates set forth below, expressed as percentages of the principal amount thereof to be redeemed, plus accrued interest to the redemption date:

<u>Redemption Date</u>	<u>Redemption Price</u>
July 1, 2033	___%
January 1, 2034	___
July 1, 2034 and thereafter	100

Special Redemption.

Unexpended Proceeds. The 2025 Bonds are subject to redemption prior to maturity from and to the extent that proceeds thereof (including any transferred proceeds constituting unspent proceeds of the 2025 Series C Bonds) deposited in the applicable 2025 Series CD Mortgage Loan Accounts are not applied to the purchase of 2025 Series CD Mortgage Loans or 2025 Series CD Guaranteed Mortgage Securities (“Unexpended Proceeds”), at a Redemption Price equal to (1) in the case of the PAC Bonds, at a price which maintains their original yield as determined by the Corporation, and (2) in the case of the 2025 Bonds other than the PAC Bonds, the principal amount so redeemed, without premium, in each case plus accrued interest to the redemption date; provided, however, (i) Unexpended Proceeds in the 2025 Series C Mortgage Loan Account will be used to redeem only the 2025 Series C Bonds and (ii) Unexpended Proceeds in the 2025 Series D Mortgage Loan Account will be used to redeem only the 2025 Series D Bonds. The Internal Revenue Code of 1986, as amended (the “Code”) currently requires that Unexpended Proceeds allocable to the 2025 Series C Bonds must be applied to redeem the 2025 Series C Bonds within 42 months of the date of issuance thereof (or such earlier date with respect to any transferred proceeds constituting unspent proceeds of the 2025 Series C Bonds). 2025 Bonds redeemed with Unexpended Proceeds will be redeemed on a pro rata basis (within a Series), unless otherwise directed by the Corporation (provided that such direction shall not impact the respective weighted average lives of the PAC Bonds).

Prepayments and Excess Revenues. The 2025 Bonds are subject to redemption at the option of the Corporation, at any time, in whole or in part, at the principal amount thereof plus accrued interest, if any, to but not including the redemption date, without premium, from amounts deposited in the Revenue Fund in excess of the principal and interest then due and payable on Bonds, including payment of principal on a Qualified Mortgage Loan in excess of the scheduled payments of principal then due, liquidations due to default or other dispositions of Qualified Mortgage Loans, and payments on the related mortgage insurance policies (“Prepayments”), subject to the provisions described “**THE 2025 BONDS – Redemption Provisions – Special Redemption – Certain Information Relating to the 2025 Series C PAC Bonds**” and – “*Certain Information Relating to the 2025 Series D PAC Bonds*” below.

Certain Information Relating to the 2025 Series C PAC Bonds. So long as any 2025 Series C PAC Bonds remain Outstanding, all Prepayments of the 2025 Series C Guaranteed Mortgage Securities shall be applied to redeem the 2025 Series C PAC Bonds in amounts up to the cumulative amounts during the applicable redemption period ending on the dates as set forth in the following table. Such cumulative amounts are derived from certain assumptions related to the 2025 Series C Guaranteed Mortgage Securities including the assumptions that all of the Prepayments on such 2025 Series C Guaranteed Mortgage Securities are received at a rate equal to 100% of the Securities Industry and Financial Markets Association (“SIFMA”) Standard Prepayment Model and that 100% of such amounts are used to redeem the 2025 Series C PAC Bonds. Prepayments of Mortgage Loans and Guaranteed Mortgage Securities, other than those allocable to the 2025 Bonds, and other Revenues may be applied to redeem the 2025 Series C PAC Bonds, but only to the extent that such redemptions do not exceed the cumulative amounts for each redemption period set forth in the following table.

<u>Semi-Annual Period Ending</u>	<u>Cumulative Amount</u>	<u>Semi-Annual Period Ending</u>	<u>Cumulative Amount</u>
January 1, 2026	\$ -	July 1, 2030	\$14,040,000
July 1, 2026	515,000	January 1, 2031	15,760,000
January 1, 2027	1,405,000	July 1, 2031	17,410,000
July 1, 2027	2,720,000	January 1, 2032	19,000,000
January 1, 2028	4,435,000	July 1, 2032	20,525,000
July 1, 2028	6,455,000	January 1, 2033	21,990,000
January 1, 2029	8,465,000	July 1, 2033	23,310,000
July 1, 2029	10,395,000	January 1, 2034	24,405,000
January 1, 2030	12,250,000	July 1, 2034	24,875,000

If the amount available for such redemption is less than \$100,000, the Corporation may delay redemption of the Bonds until the amount of Prepayments available equals \$100,000 or more. If any 2025 Series C Bonds are redeemed from Unexpended Proceeds in the 2025 Series C Mortgage Loan Account, the cumulative amounts set forth in the preceding table will be reduced proportionately.

Prepayments of the 2025 Series C Guaranteed Mortgage Securities in excess of the amounts set forth in the above table, but less than the cumulative amounts during the applicable redemption period ending on the dates as set forth in the following table, may be applied to the redemption of Bonds other than the 2025 Series C PAC Bonds, provided that such Prepayments may be used to redeem the 2025 Series C PAC Bonds if such redemption is necessary to preserve the tax-exempt status of the interest on the 2025 Series C Bonds. Prepayments of the 2025 Series C Guaranteed Mortgage Securities in excess of the cumulative amounts for each redemption period set forth in the following table may be applied by the Corporation to the redemption of Bonds, including the 2025 Series C PAC Bonds. The cumulative amounts in the following table are derived from certain assumptions related to the 2025 Series C Guaranteed Mortgage Securities, including the assumption that all of such Prepayments are received at a rate equal to 500% of the SIFMA Standard Prepayment Model.

If any 2025 Series C Bonds are redeemed from Unexpected Proceeds in the 2025 Series C Mortgage Loan Account, the cumulative amounts set forth in the preceding table will be reduced proportionately.

The following table sets forth the projected last year outstanding and the weighted average life (in years) of the 2025 Series C PAC Bonds that will be outstanding based upon various rates of Prepayments on the 2025 Series C Guaranteed Mortgage Securities expressed as percentages of the SIFMA Standard Prepayment Model and certain assumptions related to such the 2025 Series C Guaranteed Mortgage Securities, including the assumptions that (1) all 2025 Series C Guaranteed Mortgage Securities are purchased or transferred at the times currently anticipated, (2) all 2025 Series C Guaranteed Mortgage Securities have a weighted average term of 360 months and a mortgage rate of 6.283%, (3) Prepayments on the 2025 Series C Guaranteed Mortgage Securities in amounts not exceeding a cumulative percentage of 500% of the SIFMA Standard Prepayment Model are applied semi-annually as described in the two immediately preceding paragraphs and (4) Prepayments in excess of 500% of the SIFMA Standard Prepayment Model are applied proportionally to the semi-annual redemption of the 2025 Series C Bonds then outstanding, including the 2025 Series C PAC Bonds. However, Prepayments in excess of 500% of the SIFMA Standard Prepayment Model are not required to be applied proportionally to the semi-annual redemption of the 2025 Series C Bonds then outstanding.

The “weighted average life” of a bond refers to the average length of time that will elapse from the date of issuance of such bond to the date each installment of principal is paid, weighted by the amount of such installment. The weighted average life of the 2025 Series C PAC Bonds will be influenced by, among other factors, the rate at which repayments and Prepayments on the 2025 Series C Guaranteed Mortgage Securities are received. Principal payments on such 2025 Series C Guaranteed Mortgage Securities may be in the form of scheduled amortization or Prepayments. Prepayments on mortgage loans are commonly measured by a prepayment standard or model, such as the SIFMA Prepayment Model described above.

Actual events, including, among others, the actual receipt of Prepayments on the 2025 Series C Guaranteed Mortgage Securities and the application of such Prepayments in excess of 500% of the SIFMA Standard Prepayment Model to the redemption of the 2025 Series C PAC Bonds in amounts that are less than or greater than an amount that is proportional to all the 2025 Series C Bonds then outstanding, may be different than the events assumed in

determining the above table. Therefore, the actual last year outstanding and weighted average life of the 2025 Series C PAC Bonds may differ from any of the years or weighted average lives stated above.

Certain Information Relating to the 2025 Series D PAC Bonds. So long as any 2025 Series D PAC Bonds remain Outstanding, all Prepayments of the 2025 Series D Guaranteed Mortgage Securities shall be applied to redeem the 2025 Series D PAC Bonds in amounts up to the cumulative amounts during the applicable redemption period ending on the dates as set forth in the following table. Such cumulative amounts are derived from certain assumptions related to the 2025 Series D Guaranteed Mortgage Securities including the assumptions that all of the Prepayments on such 2025 Series D Guaranteed Mortgage Securities are received at a rate equal to 100% of the SIFMA Standard Prepayment Model and that 100% of such amounts are used to redeem the 2025 Series D PAC Bonds. Prepayments of Mortgage Loans and Guaranteed Mortgage Securities, other than those allocable to the 2025 Bonds, and other Revenues may be applied to redeem the 2025 Series D PAC Bonds, but only to the extent that such redemptions do not exceed the cumulative amounts for each redemption period set forth in the following table.

<u>Semi-Annual Period Ending</u>	<u>Cumulative Amount</u>	<u>Semi-Annual Period Ending</u>	<u>Cumulative Amount</u>

If the amount available for such redemption is less than \$100,000, the Corporation may delay redemption of the Bonds until the amount of Prepayments available equals \$100,000 or more. If any 2025 Series D Bonds are redeemed from Unexpended Proceeds in the 2025 Series D Mortgage Loan Account, the cumulative amounts set forth in the preceding table will be reduced proportionately.

Prepayments of the 2025 Series D Guaranteed Mortgage Securities in excess of the amounts set forth in the above table, but less than the cumulative amounts during the applicable redemption period ending on the dates as set forth in the following table, may be applied to the redemption of Bonds other than the 2025 Series D PAC Bonds. Prepayments of the 2025 Series D Guaranteed Mortgage Securities in excess of the cumulative amounts for each redemption period set forth in the following table may be applied by the Corporation to the redemption of Bonds, including the 2025 Series D PAC Bonds. The cumulative amounts in the following table are derived from certain assumptions related to the 2025 Series D Guaranteed Mortgage Securities, including the assumption that all of such Prepayments are received at a rate equal to 500% of the SIFMA Standard Prepayment Model.

If any 2025 Series D Bonds are redeemed from Unexpected Proceeds in the 2025 Series D Mortgage Loan Account, the cumulative amounts set forth in the preceding table will be reduced proportionately.

The following table sets forth the projected last year outstanding and the weighted average life (in years) of the 2025 Series D PAC Bonds that will be outstanding based upon various rates of Prepayments on the 2025 Series D Guaranteed Mortgage Securities expressed as percentages of the SIFMA Standard Prepayment Model and certain assumptions related to such the 2025 Series D Guaranteed Mortgage Securities, including the assumptions that (1) all 2025 Series D Guaranteed Mortgage Securities are purchased or transferred at the times currently anticipated, (2) all 2025 Series D Guaranteed Mortgage Securities have a weighted average term of 360 months and a mortgage rate of 6.283%, (3) Prepayments on the 2025 Series D Guaranteed Mortgage Securities in amounts not exceeding a cumulative percentage of 500% of the SIFMA Standard Prepayment Model are applied semi-annually as described in the two immediately preceding paragraphs and (4) Prepayments in excess of 500% of the SIFMA Standard Prepayment Model are applied proportionally to the semi-annual redemption of the 2025 Series C Bonds then outstanding, including the 2025 Series D PAC Bonds. However, Prepayments in excess of 500% of the SIFMA Standard Prepayment Model are not required to be applied proportionally to the semi-annual redemption of the 2025 Series C Bonds then outstanding.

The “weighted average life” of a bond refers to the average length of time that will elapse from the date of issuance of such bond to the date each installment of principal is paid, weighted by the amount of such installment. The weighted average life of the 2025 Series D PAC Bonds will be influenced by, among other factors, the rate at which repayments and Prepayments on the 2025 Series D Guaranteed Mortgage Securities are received. Principal payments on such 2025 Series D Guaranteed Mortgage Securities may be in the form of scheduled amortization or Prepayments. Prepayments on mortgage loans are commonly measured by a prepayment standard or model, such as the SIFMA Prepayment Model described above.

Actual events, including, among others, the actual receipt of Prepayments on the 2025 Series D Guaranteed Mortgage Securities and the application of such Prepayments in excess of 400% of the SIFMA Standard Prepayment Model to the redemption of the 2025 Series D PAC Bonds in amounts that are less than or greater than an amount that is proportional to all the 2025 Series D Bonds then outstanding, may be different than the events assumed in determining the above table. Therefore, the actual last year outstanding and weighted average life of the 2025 Series D PAC Bonds may differ from any of the years or weighted average lives stated above.

“Ten-Year Rule.” To comply with federal tax law as it relates to the 2025 Series C Mortgage Loans expected to be financed with proceeds of the 2025 Series C Bonds, the following cumulative percentage of scheduled principal payments and Prepayments on all such 2025 Series C Mortgage Loans allocated to the 2025 Series C Bonds received on or after the following dates is required to be applied no later than the close of the first semiannual period beginning after the date of receipt to redeem 2025 Series C Bonds through payment thereof at maturity or redemption:

<u>Date</u>	<u>Percent</u>
June 4, 2025	0%
October 5, 2033	2%
January 31, 2034	3%
June 13, 2034	4%
June 4, 2035	100%

If the Corporation is required to apply scheduled principal payments and Prepayments as described in this paragraph, such amounts shall be applied to redeem the 2025 Series C PAC Bonds above the cumulative amounts set forth in the first table “**THE 2025 BONDS – Redemption Provisions – *Special Redemption* – Certain Information Relating to the 2025 Series C PAC Bonds**”, but only to the extent that no other 2025 Series C Bonds are outstanding.

Partial Redemptions. If less than all of the 2025 Bonds are to be redeemed at any time, the Corporation shall direct the maturities and principal amounts thereof to be redeemed. If less than all of the 2025 Bonds of any maturity are to be redeemed at any time, whether by the application of Sinking Fund Installments or otherwise, the Trustee shall select the 2025 Bonds of such maturity to be redeemed by lot to each Authorized Denomination, or such method of selection as it shall deem proper in its discretion; provided, however, that so long as all Outstanding 2025 Bonds are registered in the name of DTC or its designee, or other permitted securities depository, the 2025 Bonds to be redeemed shall be selected in accordance with the operational arrangements of the securities depository as agreed to by the Corporation.

Notice of Redemption. The Trustee will transmit notice of redemption to the registered owners of the 2025 Bonds to be redeemed not less than twenty (20) days prior to the redemption date (or such shorter period as may be acceptable to the then-registered owner). Such notice shall specify the redemption date, the Redemption Price, the place and manner of payment and that from the redemption date interest will cease to accrue on the 2025 Bonds which are the subject of such notice and shall include such other information as the Trustee shall deem appropriate or necessary at the time such notice is given to comply with any applicable law, regulation or industry standard. Subject to the terms of the 2025 Series CD Indentures, any 2025 Bonds to be purchased or redeemed, other than through the Revenue Fund, will be purchased or redeemed only upon receipt by the Trustee of a certificate signed by an officer authorized by the Corporation and stating (1) the Series of Bonds to be purchased or redeemed, (2) the maturities within such Series from which Bonds are to be purchased or redeemed, (3) the principal amount and Redemption Price of Bonds within such maturities to be purchased or redeemed, (4) if any of the Bonds to be purchased or redeemed are term Bonds, the years in which and the amounts by which the applicable Sinking Fund Installments, if any, are to be reduced and (5) that such purchase or redemption will not have any material adverse effect on the Corporation’s ability to pay, when due, the Principal Installments of and interest of the Outstanding Bonds.

Redemption Practices. The Corporation may use Prepayments and other early terminations of Mortgage Loans and Guaranteed Mortgage Securities to make new Mortgage Loans, to purchase additional Guaranteed Mortgage Securities or to purchase or redeem Outstanding Bonds. Subject to federal tax law requirements, the redemption provisions set forth in any Series Indenture, including the 2025 Series CD Indentures, and other considerations relating to the annual debt service on Outstanding Bonds, the Corporation’s policy on redemption of Bonds, in general, is to redeem Bonds within a Series on a proportionate basis.

Notwithstanding the foregoing, the Corporation reserves the right to “cross call”, i.e., use revenues with respect to one Series of Bonds to redeem Bonds of another Series, subject to the limitations, if any, set forth in the applicable Series Indenture. The Series and maturities of Bonds to be “cross called” from time to time, if any, shall be determined by the Corporation to be consistent with the General Indenture and the applicable Series Indenture. However, it is expected as a general matter that, if Bonds are to be cross called, higher yielding maturities of Bonds will be cross called from excess revenues before lower yielding maturities of Bonds are cross called (subject to the General Indenture and related Series Indenture and certain requirements of the Code, if applicable).

The Corporation’s policy with respect to redemptions may change from time to time, at the discretion of the Corporation.

Redemption – 2025 Bonds Held by DTC. If the 2025 Bonds are being held by DTC under the Book-Entry System and less than all of such 2025 Bonds within a maturity are being redeemed, DTC’s current practice is to determine by lot the amount of the interest of each DTC participant in such maturity to be called for redemption, and each DTC participant is to then select by lot the ownership interest in such maturity to be redeemed.

Book-Entry System

General. The 2025 Bonds are being made available initially in book-entry form only in Authorized Denominations. DTC will act as securities depository for the 2025 Bonds. The ownership of one fully registered

2025 Bond for each maturity, as set forth on the inside cover of this Official Statement, each in the aggregate principal amount of such maturity, will be registered in the name of Cede & Co., as the nominee for DTC. So long as Cede & Co. is the registered owner of the 2025 Bonds, reference herein to the registered owners of the 2025 Bonds shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of the 2025 Bonds. All rights of ownership must be exercised through DTC, and all notices that are to be given to registered owners by the Corporation or the Trustee will be given only to DTC. Ownership interests in the 2025 Bonds will be available to purchasers only through the book-entry system maintained by DTC (the “Book-Entry System”). A description of DTC, the Book-Entry System and definitions of initially capitalized terms used under this heading are found in **“BOOK-ENTRY SYSTEM”** in *Appendix F*.

Beneficial Owner Receipt of Payments from DTC. Beneficial Owners of the 2025 Bonds may experience some delay in their receipt of distributions of the principal or Redemption Price of and interest on the 2025 Bonds because such distributions will be transmitted by the Trustee to DTC, credited by DTC to the accounts of its Direct Participants, which will thereafter credit them to the accounts of the Beneficial Owners either directly or indirectly through Indirect Participants. No assurance can be given by the Corporation or the Trustee that DTC will distribute to the Participants, or that the Participants will distribute to the Beneficial Owners, (1) payment of debt service on the Bonds paid to DTC, or its nominee, as the registered owner, or (2) any redemption or other notices, or that DTC or the Participants will serve and act on a timely basis or in the manner described in this Official Statement.

Because transactions in the Bonds can be affected only through DTC, DTC Participants and certain banks, the ability of a Beneficial Owner to pledge a Bond to persons or entities that do not participate in the Book-Entry System, or otherwise to take actions in respect of such Bonds may be limited due to the lack of physical certificates. Beneficial Owners will not be recognized by the Trustee as registered owners for purposes of the Indenture, and Beneficial Owners will be permitted to exercise the rights of registered owners only indirectly through DTC and its DTC Participants. For the rights of Beneficial Owners with respect to the Corporation’s continuing disclosure obligation, see **“CONTINUING DISCLOSURE”** and **“FORM OF CONTINUING DISCLOSURE AGREEMENT”** in *Appendix E*.

Notice of any proposed modification or amendment of the Indenture by means of a supplemental indenture or indentures that are to be effective with the consent of the registered owners of the 2025 Bonds as well as all notices of redemption will be transmitted to DTC, as the registered owner of the 2025 Bonds then outstanding.

CUSIP Numbers. It is anticipated that CUSIP identification numbers will be printed on the 2025 Bonds, but neither the failure to print such numbers on any 2025 Bonds, nor any error in the printing of such numbers shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and payment for any 2025 Bonds.

ORIGINATION, SECURITIZATION AND SERVICING OF MORTGAGE LOANS

2025 Series CD Mortgage Loan Determinations

The Corporation has made the following initial determinations, subject to change, with respect to the 2025 Series CD Mortgage Loans to be originated under the Program:

(1) The Corporation’s Program utilizes a “first come, first served” reservation basis for qualifying borrowers applying through Participating Lenders. Notwithstanding, certain amounts will be set aside and reserved for various periods for financing 2025 Series C Mortgage Loans in certain federal designated targeted areas in the Commonwealth, provided, however, that no such set asides are expected so long as the Corporation covenants to continuously purchase or finance all 2025 Series C Mortgage Loans in such targeted areas.

(2) The Corporation reasonably expects to apply the amount deposited into the 2025 Series CD Mortgage Loan Accounts to purchase 2025 Series CD Guaranteed Mortgage Securities backed by 2025 Series CD Mortgage Loans under the Program.

(3) In accordance with the Program Guidelines and subject to the provisions of the 2025 Series CD Indentures, 2025 Series CD Guaranteed Mortgage Securities purchased with amounts credited to the

2025 Series CD Mortgage Loan Accounts are expected to be sold to the Trustee not later than June 15, 2025 (as such date may be extended as set forth in the 2025 Series CD Indentures) and to the extent that funds remain in the 2025 Series CD Mortgage Loan Accounts after such date, such amounts shall be applied to redeem 2025 Bonds as set forth in “**THE 2025 BONDS – Redemption Provisions – *Special Redemption – Unexpended Proceeds.***”

(4) The Corporation may adjust the interest rates of mortgage loans offered under its Program from time to time in order to maintain the competitiveness of its Program in the Commonwealth mortgage market. The primary goal of such adjustments is to manage amounts on deposit in the 2025 Series CD Mortgage Loan Accounts to purchase 2025 Series CD Guaranteed Mortgage Securities. In addition, the Corporation may adjust interest rates from time to time to meet yield compliance requirements of the Code.

Mortgage Origination

General. The 2025 Bonds are being issued to continue the Corporation’s Program of assisting Persons and Families of Lower and Moderate Income in the Commonwealth with their housing needs, and currently expects to use future Bond proceeds to fund the Program. For the purpose of the Program, “Persons and Families of Lower and Moderate Income” means those individuals whose family income does not exceed the lesser of the maximum amount permitted under the Act or the Code or as shall be determined as a result of such laws as may be hereafter enacted by the General Assembly of the Commonwealth.

The Corporation operates the Program on a continuing basis using a first-come, first-served method for the reservation of funds. The Corporation establishes the interest rate at which funds may be committed for the purchase of Mortgage Loans on an ongoing basis. The interest rates are determined by reference to (1) the maximum interest rate allowable with respect to either an identified or potential permanent funding source, (2) the weighted average interest rate of previous loan commitments and loan purchases against either an identified or potential permanent funding source, (3) the interest rates being offered on market-rate mortgages and (4) the level of loan demand as evidenced by current loan commitments. The Corporation may finance Mortgage Loans on a blended basis with multiple sources of funds, including Participation Funds bearing interest at 0% in order to satisfy mortgage yield limitations of the Code.

Mortgage Loans are originated pursuant to participating lender or other origination agreements (collectively, the “Loan Purchase Agreements”) with Participating Lenders and the Program Guidelines of the Corporation. Such Mortgage Loans are the sold to the Corporation acting in its capacity as servicer. The Corporation expects to service all Mortgage Loans under the Program. See “**ORIGINATION, SECURITIZATION AND SERVICING OF MORTGAGE LOANS AND GUARANTEED MORTGAGE SECURITIES – Participating Lenders and Loan Purchase Agreements – *Servicing of Mortgage Loans; Origination of Guaranteed Mortgage Securities.***”

The Program Guidelines currently require that each Mortgage Loan to be financed with proceeds of any Bonds have a term of thirty (30) years and provide for full principal amortization and payment of interest through level monthly payments.

Participating Lenders and Loan Purchase Agreements

Participating Lenders. A Participating Lender must be either a state-chartered bank or national banking association, a state or federal savings and loan association, or a mortgage banking institution or credit union approved by the Corporation, all of which must be a legally organized business entity that maintains the proper license to originate loans within the Commonwealth.

Substantially all mortgage lending institutions that have previously served or presently serve as loan originators or servicers under the Corporation’s programs have been provided information concerning the Program. Funds made available for purchase of Mortgage Loans will not be allocated or assigned to any particular Participating Lender, but will be reserved on a first-come, first-served basis for all Participating Lenders. Any reservation that does not result in a purchased Mortgage Loan within two (2) months from the date of written confirmation of the reservation by the Corporation shall lapse automatically.

Loan Purchase Agreements. The Loan Purchase Agreements provide that the Corporation shall purchase each Mortgage Loan after such Mortgage Loan has been originated, processed, closed and funded by the Participating Lender. In some cases, the Corporation underwrites the loan directly and funds the loan at closing. Upon its purchase or funding of a Mortgage Loan, the Corporation services such Mortgage Loan.

In connection with the origination of Mortgage Loans, pursuant to the Loan Purchase Agreement each Participating Lender makes certain representations, warranties and covenants concerning the Mortgage Loans and the process of originating the Mortgage Loans. Such covenants include, among others, covenants relating to requirements regarding: (1) Mortgage Loan eligibility; (2) Mortgage Loan underwriting; (3) prior ownership interests of the Borrower in a principal Residence; (4) the Borrower's occupancy of a Residence as its primary Residence; and (5) Borrower income limitations, acquisition cost limitations and related representations, which are intended to be applicable to requirements for maintaining the tax exempt status of interest on any tax exempt Bonds.

Prior to the closing of each Mortgage Loan, the prospective Mortgagor's application must be reviewed by either (a) a Participating Lender or (b) the Corporation. Before or immediately following the purchase of any Mortgage Loan by the Corporation, all relevant mortgage documents are reviewed, inspected and approved by the Corporation.

In the event that a warranty made by a Participating Lender with respect to a Mortgage Loan is found to be untrue or misleading in any material respect, the Corporation is entitled to all remedies provided by law, including but not limited to the right to tender such Mortgage Loan to the Participating Lender for repurchase.

Compensation of Participating Lenders. The Corporation will pay origination fees of the Participating Lenders through an increase in the purchase price of the Mortgage Loans. Currently, the purchase price paid by the Corporation for each Mortgage Loan is equal to 1.50% of the principal amount thereof, which price includes any servicing release premium.

Servicing of Mortgage Loans; Origination of Guaranteed Mortgage Securities. The Corporation expects to service all Mortgage Loans under the Program. The Corporation assesses a servicing fee with respect to Mortgage Loans serviced by the Corporation under the Program currently equal to: (i) 37.5 basis points for Mortgage Loans which are held by the Corporation and not pooled into Guaranteed Mortgage Securities, (ii) up to 69.0 basis points for Mortgage Loans which back Ginnie Mae Securities, (iii) 25.0 basis points for Mortgage Loans which back Fannie Mae Securities and (iv) 37.5 basis points for Mortgage Loans which back Freddie Mac Securities.

Origination and Sales of Guaranteed Mortgage Securities. The Corporation is an approved issuer of Ginnie Mae Securities and an approved seller/servicer of Fannie Mae Securities and Freddie Mac Securities. The Corporation purchases Mortgage Loans originated by Participating Lenders, to submit appropriate applications to the applicable Guaranteed Mortgage Securities provider and pays all fees required by such provider in connection with the issuance or sale of Guaranteed Mortgage Securities. The Corporation will issue, or causes the provider to issue, Guaranteed Mortgage Securities backed by a mortgage pool in a minimum outstanding principal amount of \$500,000, or such lesser amount as may be permitted or approved by the provider and to the extent permitted by the Program. Subject to the terms and conditions contained in the applicable Program Guidelines, the Corporation may, in its discretion, make the determination to provide for the issuance or purchase of Guaranteed Mortgage Securities at such time, in the judgment of the Corporation, as the amount of Mortgage Loans originated by the Participating Lenders is sufficient for the issuance of Guaranteed Mortgage Securities. In accordance with various servicing guides, the Corporation is obligated to forward to Ginnie Mae, Fannie Mae and Freddie Mac, as applicable, the regularly scheduled principal and interest on the Mortgage Loans every month whether or not such principal and interest is actually received by the Corporation.

THE CORPORATION

General

In 1972, after determining that there existed a general housing shortage severely affecting Persons and Families of Lower and Moderate income in both urban and rural areas of the Commonwealth and an inability on the part of private enterprise to produce without assistance sufficient residential housing at prices or rentals which such Persons and Families of Lower and Moderate Income could afford, the General Assembly of the Commonwealth established the Corporation by adoption of legislation now codified as Chapter 198A of the Kentucky Revised Statutes. The Corporation's principal office is located at 1231 Louisville Road, Frankfort, Kentucky 40601, and its telephone number is (502) 564-7630.

The Corporation is an independent *de jure* municipal corporation and political subdivision of the Commonwealth established to serve a public purpose by increasing the supply of decent, safe and sanitary residential housing for Persons and Families of Lower and Moderate Income through, among other things, (i) the making of or participating in the making of insured construction loans, (ii) the making of or participating in the making of insured mortgage loans and (iii) the purchasing of or participating in the purchasing of insured mortgage loans; in each case upon the Corporation's determination that construction loans or mortgage loans, as the case may be, have been refused in writing, wholly or in part, by private lenders in the Commonwealth on reasonably equivalent terms and conditions. The Act authorizes the Corporation to issue its bonds and notes from time to time in order to finance its purposes.

Directors

The powers of the Corporation, as granted by the Act, are vested in a Board of Directors. The Board of Directors consists of five (5) public directors and ten (10) additional members appointed by the Governor of the Commonwealth and chosen from the general public residing in the Commonwealth, subject to confirmation by the Senate of Kentucky. The Corporation's Directors, as of the date hereof, are as follows:

Additional Information

See *Appendix D* hereto for information concerning the Program, certain other programs of the Corporation and certain financial and operating information of the Corporation.

Neither the Prior Indentures nor the Corporation's general funds are pledged in any manner to the payment of, or otherwise encumbered with respect to, the Bonds.

TAX MATTERS

Federal Tax Matters with Respect to the 2025 Series C Bonds

General. In the opinion of Kutak Rock LLP, Bond Counsel, under existing laws, regulations, rulings and judicial decisions, interest on the 2025 Series C Bonds is excludable from gross income for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax imposed on individuals. The opinion described above assumes the accuracy of certain representations and compliance by the Corporation with covenants designed to satisfy the requirements of the Code that must be met subsequent to the issuance of the 2025 Series C Bonds. Failure to comply with such requirements could cause interest on the 2025 Series C Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance thereof. The Corporation has covenanted to comply with such requirements. Bond Counsel has expressed no opinion regarding other federal tax consequences arising with respect to the 2025 Series C Bonds. Interest on the 2025 Series C Bonds may affect the federal alternative minimum tax imposed on certain corporations. The opinion of Bond Counsel to be delivered in connection with the issuance and delivery of the 2025 Series C Bonds is expected to be substantially in the form appearing in *Appendix C* hereto.

Section 103(a) and Section 141(e)(1)(B) of the Code provide that gross income for federal income tax purposes does not include interest on a "qualified mortgage bond." Under Section 143 of the Code, a qualified mortgage bond is a bond which is issued as part of an issue the proceeds of which are used to finance owner-occupied residences meeting certain requirements relating to loan eligibility, targeted areas, yield restrictions and other matters.

The mortgage loan eligibility requirements of Section 143 of the Code generally applicable to the 2025 Series C Bonds are that (a) the residence with respect to which the Mortgage Loan is made is a single-family residence which is located in the Commonwealth and can reasonably be expected to become the principal residence of the mortgagor within a reasonable time after the Mortgage Loan is made; (b) except in certain limited circumstances, no part of the proceeds are to be used to acquire or replace any existing mortgage; (c) the acquisition cost of the completed residence meets certain limits; (d) with certain exceptions, most notably targeted areas and for certain mortgagors who are qualified veterans, the mortgagor will not have had a present ownership interest in its principal residence during the preceding three years; (e) with certain exceptions, the family income of the mortgagor will not exceed 100%, in the case of a household of less than three persons, and 115%, in the case of a household of three or more persons, of

median gross income for the area in which the residence is located or the Commonwealth, whichever is greater; and (f) the loan will not be assumable unless the requirements of (a), (c), (d) and (e) above are met at the time of the assumption. An issue is treated as meeting the loan eligibility requirements of Section 143 if (a) the issuer in good faith attempted to meet all of the requirements before the loans were executed; (b) 95% or more of the proceeds of the issue used to finance loans was devoted to residences which met all such requirements at the time the loans were executed; and (c) any failure to comply with the loan eligibility requirements is corrected within a reasonable period after such failure is first discovered.

The Code imposes additional nonmortgage loan eligibility requirements relating to the 2025 Series C Bonds to maintain the exclusion from gross income for federal income tax purposes of interest on the 2025 Series C Bonds. For example, the Code limits the amount of the costs of issuance which may be paid from the proceeds of the 2025 Series C Bonds, limits the size of reserve funds established with the proceeds of the 2025 Series C Bonds and can require earnings on nonmortgage investments in excess of the yield on the 2025 Series C Bonds to be rebated to the United States. Of the Mortgage Loans originally funded with proceeds of the 2025 Series C Bonds, such Mortgage Loan principal prepayments and repayments that are received more than 10 years after the date of issuance of the 2025 Series C Bonds or more than 10 years after the issuance of any prior bonds that are refunded from proceeds of the 2025 Series C Bonds (or the earliest date in a series of refundings) must be used to redeem or retire the 2025 Series C Bonds, and such amounts may not be recycled into new Mortgage Loan originations. Any original proceeds of the 2025 Series C Bonds (or transferred original proceeds of a prior bond refunded by the 2025 Series C Bonds) that are deposited into the Acquisition Account must either be used to either: (a) acquire Mortgage Loans within 42 months of the date of issuance of the 2025 Series C Bonds (or, as applicable, the date of issuance of the refunded prior bond); or (b) be used to redeem the 2025 Series C Bonds by such applicable date. The Code also imposes limitations on the yield of the Mortgage Loans allocable to the 2025 Series C Bonds. The Corporation will covenant to take such actions as are necessary to comply with such requirements unless, in the opinion of nationally recognized bond counsel, it is not necessary to comply with such requirements in order to assure the exclusion from gross income for federal income tax purposes of interest on the 2025 Series C Bonds.

Premium Bonds. Any 2025 Series C Bonds sold at initial public offering prices which are greater than the stated amounts to be paid at maturity constitute “Premium Bonds.” An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. A purchaser of a Premium Bond must amortize any premium over the term of such Premium Bond using constant yield principles, based on the purchaser’s yield to maturity (or, in the case of a Premium Bond callable prior to its maturity, by amortizing the premium to the call date, based on the purchaser’s yield to the call date and giving effect to any call premium). As premium is amortized, the amount of amortization offsets a corresponding amount of interest for the period, and the purchaser’s basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser’s basis may be reduced, no federal income tax deduction is allowed. Purchasers of a Premium Bond should consult with their tax advisors with respect to the determination and treatment of amortizable premium for federal income tax purposes and with respect to state and local tax consequences of owning a Premium Bond.

Other Tax Consequences. The accrual or receipt of interest on the 2025 Series C Bonds may otherwise affect a Bondholder’s federal income tax liability. The extent of these other tax consequences will depend upon the Bondholder’s particular tax status and other items of income or deduction. Bond Counsel expresses no opinion regarding any such consequences.

Purchasers of the 2025 Series C Bonds, particularly purchasers that are corporations (including S corporations, foreign corporations operating branches in the United States of America, and corporations subject to the alternative minimum tax), property and casualty insurance companies, banks, thrifts or other financial institutions or recipients of Social Security or Railroad Retirement benefits, taxpayers otherwise entitled to the earned income credit, taxpayers entitled to claim the refundable credit in Section 36B of the Code for coverage under a qualified health plan or taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax-exempt obligations, are advised to consult their tax advisors as to the tax consequences of purchasing or holding the 2025 Series C Bonds.

Federal Tax Matters with Respect to the 2025 Series D Bonds

General. In the opinion of Bond Counsel, interest on the 2025 Series D Bonds is included in gross income for federal income tax purposes. The opinion of Bond Counsel to be delivered in connection with the issuance and delivery of the 2025 Series D Bonds is expected to be substantially in the form appearing in *Appendix C* hereto.

The following is a summary of certain anticipated federal income tax consequences of the purchase, ownership and disposition of the 2025 Series D Bonds. The summary is based upon the provisions of the Code, the regulations promulgated thereunder and the judicial and administrative rulings and decisions now in effect, all of which are subject to change or possible differing interpretations. The summary does not purport to address all aspects of federal income taxation that may affect particular investors in light of their individual circumstances or certain types of investors subject to special treatment under the federal income tax laws. Potential purchasers of the 2025 Series D Bonds should consult their own tax advisors in determining the federal, state or local tax consequences to them of the purchase, holding and disposition of the 2025 Series D Bonds.

Although there are not any regulations, published rulings or judicial decisions involving the characterization for federal income tax purposes of securities with terms substantially the same as the 2025 Series D Bonds, Bond Counsel has advised the Corporation that the 2025 Series D Bonds will be treated for federal income tax purposes as evidences of indebtedness of the Corporation and not as an ownership interest in the trust estate securing the 2025 Series D Bonds or as an equity interest in the Corporation or any other party, or in a separate association taxable as a corporation. Interest on the 2025 Series D Bonds will be fully subject to federal income taxation. In general, interest paid on the 2025 Series D Bonds and recovery of accrued market discount, if any, will be treated as ordinary income to a bondholder, and principal payments will be treated as a return of capital. The Code contains special federal income tax rules for “real estate mortgage investment conduits.” The Corporation does not intend to treat the arrangement by which the trust estate secures the 2025 Series D Bonds as a “real estate mortgage investment conduit.”

Bond Premium. An investor that acquires a 2025 Series D Bond for a cost greater than its remaining stated redemption price at maturity and holds such bond as a capital asset will be considered to have purchased such bond at a premium and, subject to prior election permitted by Section 171(c) of the Code, may generally amortize such premium under the constant yield method. Except as may be provided by regulation, amortized premium will be allocated among, and treated as an offset to, interest payments. The basis reduction requirements of Section 1016(a)(5) of the Code apply to amortizable bond premium that reduces interest payments under Section 171 of the Code. Bond premium is generally amortized over the bond’s term using constant yield principles, based on the purchaser’s yield to maturity. Investors of any 2025 Series D Bond purchased with a bond premium should consult their own tax advisors as to the effect of such bond premium with respect to their own tax situation and as to the treatment of bond premium for state or local tax purposes.

Market Discount. An investor that acquires a 2025 Series D Bond for a price less than the adjusted issue price of such bond (or an investor who purchases a 2025 Series D Bond in the initial offering at a price less than the issue price) may be subject to the market discount rules of Sections 1276 through 1278 of the Code. Under these sections and the principles applied by the Regulations, “market discount” means (a) in the case of a 2025 Series D Bond originally issued at a discount, the amount by which the issue price of such bond, increased by all accrued original issue discount (as if held since the issue date), exceeds the initial tax basis of the owner therein, less any prior payments that did not constitute payments of qualified stated interest, and (b) in the case of a 2025 Series D Bond not originally issued at a discount, the amount by which the stated redemption price of such bond at maturity exceeds the initial tax basis of the owner therein. Under Section 1276 of the Code, the owner of such a 2025 Series D Bond will generally be required (i) to allocate each principal payment to accrued market discount not previously included in income and, upon sale or other disposition of the bond, to recognize the gain on such sale or disposition as ordinary income to the extent of such cumulative amount of accrued market discount as of the date of sale or other disposition of such a bond or (ii) to elect to include such market discount in income currently as it accrues on all market discount instruments acquired by such owner on or after the first day of the taxable year to which such election applies.

The Code authorizes the Treasury Department to issue regulations providing for the method for accruing market discount on debt instruments the principal of which is payable in more than one installment. Until such time as regulations are issued by the Treasury Department, certain rules described in the legislative history will apply. Under those rules, market discount will be included in income either (a) on a constant interest basis or (b) in proportion

to the accrual of stated interest or, in the case of a 2025 Series D Bond with original issue discount, in proportion to the accrual of original issue discount.

An owner of a 2025 Series D Bond that acquired such bond at a market discount also may be required to defer, until the maturity date of such bond or its earlier disposition in a taxable transaction, the deduction of a portion of the amount of interest that the owner paid or accrued during the taxable year on indebtedness incurred or maintained to purchase or carry such bond in excess of the aggregate amount of interest (including original issue discount) includable in such owner's gross income for the taxable year with respect to such bond. The amount of such net interest expense deferred in a taxable year may not exceed the amount of market discount accrued on the 2025 Series D Bond for the days during the taxable year on which the owner held such bond and, in general, would be deductible when such market discount is includable in income. The amount of any remaining deferred deduction is to be taken into account in the taxable year in which the 2025 Series D Bond matures or is disposed of in a taxable transaction. In the case of a disposition in which gain or loss is not recognized in whole or in part, any remaining deferred deduction will be allowed to the extent gain is recognized on the disposition. This deferral rule does not apply if the owner elects to include such market discount in income currently as it accrues on all market discount obligations acquired by such owner in that taxable year or thereafter.

Attention is called to the fact that Regulations implementing the market discount rules have not yet been issued. Therefore, investors should consult their own tax advisors regarding the application of these rules as well as the advisability of making any of the elections with respect thereto.

Unearned Income Medicare Contribution Tax. Pursuant to Section 1411 of the Code, as enacted by the Health Care and Education Reconciliation Act of 2010, an additional tax is imposed on individuals earning certain investment income. Holders of the 2025 Series D Bonds should consult their own tax advisors regarding the application of this tax to interest earned on the 2025 Series D Bonds and to gain on the sale of a 2025 Series D Bond.

Sales or Other Dispositions. If an owner of a 2025 Series D Bond sells the bond, such person will recognize gain or loss equal to the difference between the amount realized on such sale and such owner's basis in such bond. Ordinarily, such gain or loss will be treated as a capital gain or loss. If the terms of a 2025 Series D Bond were materially modified, in certain circumstances, a new debt obligation would be deemed created and exchanged for the prior obligation in a taxable transaction. Among the modifications that may be treated as material are those that relate to redemption provisions and, in the case of a nonrecourse obligation, those which involve the substitution of collateral. Each potential owner of a 2025 Series D Bond should consult its own tax advisor concerning the circumstances in which such bond would be deemed reissued and the likely effects, if any, of such reissuance.

Defeasance. The legal defeasance of the 2025 Series D Bonds may result in a deemed sale or exchange of such bonds under certain circumstances. Owners of such 2025 Series D Bonds should consult their tax advisors as to the federal income tax consequences of such a defeasance.

Foreign Investors. An owner of a 2025 Series D Bond that is not a "United States person" (as defined below) and is not subject to federal income tax as a result of any direct or indirect connection to the United States of America in addition to its ownership of a 2025 Series D Bond will generally not be subject to United States income or withholding tax in respect of a payment on a 2025 Series D Bond, provided that the owner complies to the extent necessary with certain identification requirements (including delivery of a statement, signed by the owner under penalties of perjury, certifying that such owner is not a United States person and providing the name and address of such owner). For this purpose the term "United States person" means a citizen or resident of the United States of America, a corporation, partnership or other entity created or organized in or under the laws of the United States of America or any political subdivision thereof, or an estate or trust whose income from sources within the United States of America is includable in gross income for United States of America income tax purposes regardless of its connection with the conduct of a trade or business within the United States of America.

Except as explained in the preceding paragraph and subject to the provisions of any applicable tax treaty, a 30% United States withholding tax will apply to interest paid and original issue discount accruing on 2025 Series D Bonds owned by foreign investors. In those instances in which payments of interest on the 2025 Series D Bonds continue to be subject to withholding, special rules apply with respect to the withholding of tax on payments of interest on, or the sale or exchange of 2025 Series D Bonds having original issue discount and held by foreign investors.

Potential investors that are foreign persons should consult their own tax advisors regarding the specific tax consequences to them of owning a 2025 Series D Bond.

Tax-Exempt Investors. In general, an entity that is exempt from federal income tax under the provisions of Section 501 of the Code is subject to tax on its unrelated business taxable income. An unrelated trade or business is any trade or business that is not substantially related to the purpose that forms the basis for such entity's exemption. However, under the provisions of Section 512 of the Code, interest may be excluded from the calculation of unrelated business taxable income unless the obligation that gave rise to such interest is subject to acquisition indebtedness. Therefore, except to the extent any owner of a 2025 Series D Bond incurs acquisition indebtedness with respect to such bond, interest paid or accrued with respect to such owner may be excluded by such tax-exempt owner from the calculation of unrelated business taxable income. Each potential tax-exempt holder of a 2025 Series D Bond is urged to consult its own tax advisor regarding the application of these provisions.

ERISA Considerations. The Employee Retirement Income Security Act of 1974, as amended ("ERISA"), imposes certain requirements on "employee benefit plans" (as defined in Section 3(3) of ERISA) subject to ERISA, including entities whose underlying assets are considered to include "plan assets" (within the meaning of 29 C.F.R. Section 2510.3 (as modified by Section 3(42) of ERISA)), such as collective investment funds and separate accounts whose underlying assets include the assets of such plans (collectively, "ERISA Plans," and together with arrangements that are subject to Section 4975 of the Code or similar provisions under any other federal, state, local, non-United States or other laws or regulations or similar law, as applicable, "Plans") and on those persons who are fiduciaries with respect to ERISA Plans. Investments by ERISA Plans are subject to ERISA's general fiduciary requirements, including the requirement of investment prudence and diversification and the requirement that an ERISA Plan's investments be made in accordance with the documents governing the ERISA Plan. The prudence of any investment by an ERISA Plan in the 2025 Series D Bonds must be determined by the responsible fiduciary of the ERISA Plan by taking into account the ERISA Plan's particular circumstances and all of the facts and circumstances of the investment. Government and non-electing church plans are generally not subject to ERISA. However, such plans may be subject to similar or other restrictions under state or local law.

In addition, ERISA and the Code generally prohibit certain transactions between an ERISA Plan or a qualified employee benefit plan under the Code and persons who, with respect to that plan, are fiduciaries or other "parties in interest" within the meaning of ERISA or "disqualified persons" within the meaning of the Code. In the absence of an applicable statutory, class or administrative exemption, transactions between an ERISA Plan and a party in interest with respect to an ERISA Plan, including the acquisition by one from the other of the 2025 Series D Bonds, could be viewed as violating those prohibitions. In addition, Section 4975 of the Code prohibits transactions between certain tax-favored vehicles such as Individual Retirement Accounts and disqualified persons. Section 503 of the Code includes similar restrictions with respect to governmental and church plans. In this regard, the Corporation or any dealer of the 2025 Series D Bonds might be considered or might become a "party in interest" within the meaning of ERISA or a "disqualified person" within the meaning of the Code, with respect to an ERISA Plan or a plan or arrangement subject to Sections 4975 or 503 of the Code. Prohibited transactions within the meaning of ERISA and the Code may arise if the 2025 Series D Bonds are acquired by such plans or arrangements with respect to which the Corporation or any dealer is a party in interest or disqualified person.

In all events, fiduciaries of ERISA Plans and plans or arrangements subject to the above sections of the Code, in consultation with their advisors, should carefully consider the impact of ERISA and the Code on an investment in the 2025 Series D Bonds. The sale of the 2025 Series D Bonds to a Plan is in no respect a representation by the Corporation or the Underwriter that such an investment meets the relevant legal requirements with respect to benefit plans generally or any particular Plan. Any ERISA Plan proposing to invest in the 2025 Series D Bonds should consult with its counsel to confirm that such investment is permitted under the plan documents and will not result in a non-exempt prohibited transaction and will satisfy the other requirements of ERISA, the Code and other applicable law.

Neither the Corporation nor the Underwriter is acting as a fiduciary, or undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, to such purchaser or transferee with respect to the decision to purchase or hold the 2025 Series D Bonds or an interest in the 2025 Series D Bonds.

The foregoing discussion is general in nature and is not intended to be all-inclusive. Due to the complexity of these rules and the penalties that may be imposed on persons involved in non-exempt prohibited transactions, it is

particularly important that fiduciaries, or other persons considering purchasing the 2025 Series D Bonds on behalf of, or with the assets of, any Plan, consult with their counsel regarding the potential applicability of ERISA, Section 4975 of the Code and any similar laws to such investment and whether an exemption would be applicable to the purchase and holding of the 2025 Series D Bonds.

Backup Withholding

An owner of an 2025 Bond may be subject to backup withholding at the applicable rate determined by statute with respect to interest paid with respect to the 2025 Bonds if such owner fails to provide to any person required to collect such information pursuant to Section 6049 of the Code with such owner's taxpayer identification number, furnishes an incorrect taxpayer identification number, fails to report interest, dividends or other "reportable payments" (as defined in the Code) properly, or, under certain circumstances, fails to provide such persons with a certified statement, under penalty of perjury, that such owner is not subject to backup withholding.

Commonwealth Tax Matters with Respect to the 2025 Bonds

In the opinion of Bond Counsel, interest on the 2025 Bonds is excludable from gross income for purposes of Kentucky income taxation and the 2025 Bonds are exempt from ad valorem taxation in the Commonwealth under present law. The opinion of Bond Counsel to be delivered in connection with the issuance and delivery of the 2025 Bonds is expected to be substantially in the form appearing in *Appendix C* hereto.

Changes in Federal and Commonwealth Tax Law

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to above or adversely affect the market value of the 2025 Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted, it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the 2025 Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved or whether the 2025 Bonds or the market value thereof would be impacted thereby. Purchasers of the 2025 Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinion expressed by Bond Counsel is based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the 2025 Bonds, and Bond Counsel has not expressed any opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

PROSPECTIVE PURCHASERS OF THE 2025 BONDS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE 2025 BONDS AS TO THE IMPACT OF THE CODE UPON THEIR ACQUISITION, HOLDING OR DISPOSITION OF THE 2025 BONDS.

LITIGATION

There is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending or, to the knowledge of the Corporation, threatened in any court in any way affecting the existence of the Corporation or the title of any of the officers or members of the Corporation to their offices, or seeking to restrain or to enjoin the issuance, sale or delivery of the 2025 Bonds, or the collection of revenues or assets of the Corporation pledged or to be pledged thereto, or in any way contesting or affecting the validity or enforceability of the 2025 Bonds, the Indenture, the Disclosure Agreement (defined below) or the purchase contracts between the Corporation and the Underwriters (the "Purchase Contracts"), or contesting in any way the completeness or accuracy of this Official Statement, or contesting the powers of the Corporation or its authority with respect to the 2025 Bonds, the Indenture, the Disclosure Agreement or the Purchase Contracts or where an unfavorable ruling would materially adversely affect the financial position or condition of the Corporation.

APPROVAL OF LEGALITY

Certain legal matters incident to the authorization, issuance, sale and delivery of the 2025 Bonds will be passed upon by Kutak Rock LLP, Washington D.C., as Bond Counsel to the Corporation. Certain legal matters will be passed upon for the Corporation by its internal counsel, Samuel Thorne, Esq. and for the Underwriters by their counsel, Dinsmore & Shohl LLP, Covington, Kentucky. The issuance of the 2025 Bonds by the Corporation and the terms thereof are subject to the approval of the Office of Financial Management of the Finance and Administration Cabinet of the Commonwealth.

CONTINUING DISCLOSURE

Pursuant to the terms of a Continuing Disclosure Agreement between the Corporation and the Trustee (the “Disclosure Agreement”), the Corporation will send or cause the Trustee to send to the Municipal Securities Rulemaking Board (the “MSRB”), through its Electronic Municipal Market Access (“EMMA”) system, certain financial information and operating data and notices of certain events with respect to the 2025 Bonds, pursuant to the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended, by the Securities and Exchange Commission (“Rule 15c2-12”). The Disclosure Agreement is expected to be executed in substantially the form attached to this Official Statement as *Appendix E*.

A failure by the Corporation to comply with the Disclosure Agreement will not constitute a default under the Indenture, although bondholders will have any available remedy at law or in equity, including seeking mandate or specific performance by court order to cause the Corporation to comply with its obligations under the Disclosure Agreement. Any such failure must be reported in accordance with Rule 15c2-12 and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the 2025 Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the 2025 Bonds and their market price.

UNDERWRITING

The Underwriters are not acting as financial advisor to the Corporation in connection with the offer and sale of the 2025 Bonds.

RATING

Moody’s Investors Service, Inc. (“Moody’s”), has assigned a long-term rating of “___” to the 2025 Bonds. An explanation of the significance of such rating may be obtained directly from Moody’s. Such rating reflects only the view of Moody’s. The rating is not a recommendation to buy, sell or hold the 2025 Bonds, and there is no assurance that such rating will continue for any given period of time or that such rating will not be suspended, revised downward or withdrawn entirely by Moody’s, if, in its judgment, circumstances so warrant. Any downward revision or withdrawal of the rating given to the 2025 Bonds may have an adverse effect on the marketability or market price of the 2025 Bonds. The Corporation has not undertaken any responsibility to bring to the attention of the owners of the 2025 Bonds any proposed suspension, revision or withdrawal of the rating on the 2025 Bonds, except in connection with the reporting of certain events as provided in the Disclosure Agreement (See “**CONTINUING DISCLOSURE**” and “**FORM OF CONTINUING DISCLOSURE AGREEMENT**” in *Appendix E*), or to oppose any such proposed suspension, revision or withdrawal.

FINANCIAL ADVISOR

Caine Mitter & Associates Incorporated (the "Financial Advisor") has been retained by the Corporation to act as Financial Advisor in connection with this financing and has assisted in the preparation of certain information in this Official Statement. The Financial Advisor will receive compensation for such services. The Financial Advisor is not a public accounting firm and has not been engaged by the Corporation to compile, review, examine or audit any information in this Official Statement in accordance with accounting standards. The Financial Advisor is an independent advisory firm and is not engaged in the business of underwriting, trading or distributing municipal securities or other public securities and therefore will not participate in the underwriting of the 2025 Bonds. The Financial Advisor has registered with the United States Securities and Exchange Commission and the MSRB as a Municipal Advisor.

ADDITIONAL INFORMATION

Pursuant to the General Indenture, the Corporation has covenanted to keep proper books of record and account in which complete and correct entries will be made of all its dealings and transactions under the General Indenture and to cause such books to be audited for each fiscal year. The General Indenture requires that such books be open to inspection by the holder of any Bond during regular business hours of the Corporation and that the Corporation furnish a copy of the auditor's report, when available, upon request of the holder of any outstanding Bond.

The references herein to the Act, the Code, the General Indenture and the 2025 Series CD Indentures are brief outlines of certain provisions thereof. The references herein to certain of the Program Guidelines are brief outlines of certain provisions which are included therein. Such outlines do not purport to be complete or definitive, and reference is made to such statutes, the General Indenture, the 2025 Series CD Indentures and the Program Guidelines for complete and definitive statements of such provisions. Copies of the Act, the General Indenture and the 2025 Series CD Indentures are available for inspection at the offices of the Corporation. The agreements of the Corporation with the Owners of the 2025 Bonds are fully set forth in the General Indenture, and this Official Statement is not to be construed as a contract with the registered owners or Beneficial Owners of the 2025 Bonds. To the extent that any statements are made in this Official Statement involving matters of opinion, whether or not expressly stated as such, they are intended merely as such and not as representations of fact. The information in this Official Statement is subject to change without notice, and no inference should be derived from the sale of the 2025 Bonds that there has been no change in the affairs of the Corporation from the date hereof.

The execution and delivery of this Official Statement by the undersigned have been duly authorized by the Corporation. Concurrently with the delivery of the 2025 Bonds, the Corporation will furnish a certificate executed on behalf of the Corporation by the undersigned to the effect that this Official Statement as of the date of this Official Statement and as of the date of delivery of the 2025 Bonds, does not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements herein, in light of the circumstances under which they were made, not misleading.

or the Commonwealth, making or holding a Mortgage Loan, whether for its own account or as agent of the Corporation, and approved by the Corporation;

Mortgage Loan: an interest-bearing loan to a Mortgagor, secured by a Mortgage on a Home and evidenced by a promissory note. The definition of “Mortgage Loan” shall not include, unless otherwise provided in a Series Indenture, any Mortgage Loan which is not credited to the Mortgage Loan Account or the Revenue Fund;

Mortgage Loan Accounts: the Accounts so designated which may be established pursuant to Section 303 of the General Indenture;

Mortgagor: the obligor or joint obligors on a Mortgage Loan;

Note: any obligation not designated as a bond, issued by the Corporation pursuant to the Act to make or purchase an obligation which is then, or thereafter becomes, a Qualified Mortgage Loan;

Officer’s Certificate: a certificate signed by an Authorized Officer;

Outstanding: a reference as of any particular time to all Bonds theretofore delivered except (i) any Bond cancelled by the Trustee, or proven to the satisfaction of the Trustee; to have been cancelled by the Corporation or by any other Fiduciary, at or before that time, (ii) any Bond for the payment or redemption of which either Investments or money in the amounts, of the maturities and otherwise described and required under the provisions of paragraph (B) or (D) of the General Indenture has been deposited with one or more Fiduciaries in trust (whether upon or prior to the maturity or redemption date of the Bond) and except in the case of a Bond to be paid at maturity, of which notice of redemption has been given or provided for in accordance with the General Indenture, and (iii) any Bond in lieu of or in substitution for which another Bond has been delivered pursuant to of the General Indenture and (iv) with respect to the General Indenture, any Bond owned by the Corporation;

Parity Test: the Value of the Principal Assets equals or exceeds one hundred percent (100%) of the Capital Value of all Outstanding Bonds;

Paying Agent: any bank, financial institution or other organization appointed by or pursuant to the General Indenture, its successor or successors and any other corporation or association which may at any time be substituted in its place pursuant to the General Indenture;

Prepayment: any money received from a payment of principal on a Mortgage Loan in excess of the scheduled payments of principal then due or from the sale of a Mortgage Loan;

Principal Assets: as of any date of computation of Value, all Mortgage Loans, deposited cash and Investments in all Mortgage Loan Accounts, in the Reserve Fund, and in the Revenue Fund, including amounts in the Special Program Fund held for the credit of the Revenue Fund, other than Investments and cash held pursuant to Section 1201 of the General Indenture or to pay accrued interest on Outstanding Bonds;

Principal Installment: as of any particular date of computation, an amount equal to the principal amount of Outstanding Bonds which mature on a single future date, reduced by the aggregate amount of any Sinking Fund Installments payable before that date toward the retirement of such Outstanding Bonds, but including the remaining amount as a Sinking Fund Installment payable on said future date;

Principal Installment Date: the date on which a Principal Installment is payable;

Principal Office: with respect to a Fiduciary, its principal or head office or corporate trust or principal trust office in the city in which the Fiduciary is described as being located;

Principal Requirement: as of any particular date of computation, for all Bonds then Outstanding, the sum of (i) all unpaid Principal Installments then due, plus (ii) all Principal Installments to become due within twelve (12) months thereafter;

Program: the Corporation’s programs of making or purchasing Qualified Mortgage Loans, including the payment, when due, of principal of and redemption premium, if any, and interest on Notes and Bonds;

Program Expenses: all the Corporation's expenses of administering the Program under the General Indenture and the Act and shall include without limiting the generality of the foregoing: salaries, supplies, utilities, labor, materials, office rent, maintenance, furnishings, equipment, machinery and apparatus; insurance premiums, legal, accounting, management, consulting and banking services and expenses; the fees and expenses of the Trustee, any Depositary and Paying Agent; Costs of Issuance not paid from proceeds of Bonds; payments to pension, retirement, health and hospitalization funds; Hedge Agreement payments so designated by an Authorized Officer including, without limitation, payments due upon the early termination of a Hedge Agreement; Credit Facility fees; bond insurer fees; remarketing agent fees; and any other expenses required or permitted to be paid by the Corporation under the provisions of the General Indenture, any Supplemental Indenture and any Series Indenture, all to the extent properly allocable to the Program;

Qualified Hedge Institution: (A) a bank, a trust company, a national banking association, a federal branch pursuant to the International Banking Act of 1978 or any successor provisions of law, a domestic branch or agency of a foreign bank which branch or agency is duly licensed or authorized to do business under the laws of any state or territory of the United States of America, a savings bank, a savings and loan association, or an insurance company or association chartered or organized under the laws of any state of the United States of America, a corporation, a trust, a partnership, an unincorporated organization, or a government or an agency, instrumentality, program, account, fund, political subdivision or corporation thereof, in each case the unsecured or uncollateralized long-term debt obligations of which, or obligations secured or supported by a letter of credit, contract, agreement or surety bond issued by any such organization, at the time a Qualified Hedge Agreement is entered into by the Corporation are rated in either of the three highest rating categories by each Rating Agency then rating the Bonds at the request of the Corporation or (B) the Government National Mortgage Association or any successor thereto, Fannie Mae or any successor thereto, the Federal Home Loan Mortgage Corporation or any successor thereto, or any other federal agency or instrumentality the obligations of which are backed by the full faith and credit of the United States of America; and further provided that it is expressly understood that the definition of the Qualified Hedge Institution shall be, and be deemed to be, expanded, or new definitions and related provisions shall be added to the General Indenture, thus permitting a Qualified Hedge Agreement with a different entity from those permitted which an Authorized Officer deems from time to time to be in the interest of the Corporation, as reflected in an Officer's Certificate or in a Supplemental Indenture, if at the time of inclusion such inclusion will not, in and of itself, adversely affect the then current rating on the Bonds by each Rating Agency then rating the Bonds at the request of the Corporation;

Qualified Mortgage Loan: a Mortgage Loan satisfying the conditions set forth in the General Indenture or a security based on and backed by a pool of Mortgage Loans, each satisfying said conditions;

Rating Agency: a nationally recognized statistical rating organization which is registered with the United States Securities and Exchange Commission in accordance with the Credit Rating Agency Reform Act of 2006;

Redemption Price: as of any date of redemption before maturity, the principal amount of a Bond, or any portion thereof, plus the applicable premium, if any, payable upon redemption thereof in accordance with its terms;

Reserve Fund: the Fund so designated which is established and created by Section 401 of the General Indenture;

Reserve Requirement: as of any particular date of computation, an amount of money equal to the sum of the amounts required by each Series Indenture to be maintained in the Reserve Fund with respect to the Series of Bonds authorized thereby, if any;

Revenue Fund: the Fund so designated which is established by Section 401 of the General Indenture;

Revenues: (i) all amounts received as repayment of principal, interest and all other charges received for, and all other income and receipts derived by the Corporation from, Mortgage Loans or any way in connection therewith, including Prepayments, (ii) moneys deposited in a sinking, redemption or reserve fund or other Fund or Account to secure Bonds or to provide for the payment of the principal of, premium or interest on Bonds, (iii) all payments and receipts received by the Corporation under a Qualified Hedge Agreement and (iv) to the extent hereinafter provided, interest earnings or income received on moneys so deposited in any Fund or Account pursuant to this Indenture and all other payments and receipts received with respect to Mortgage Loan, including the proceeds of any Mortgage

insurance claims (but excluding Service Charges, Escrow Payments, or other financing, commitment or similar fees or charges of the Corporation or a Mortgage Lender at or prior to the time of making or purchasing a Mortgage Loan).;

Serial Bonds: Bonds so designated in a Series Indenture;

Series: all Bonds delivered on original issuance in a simultaneous transaction, regardless of variations in maturity, interest rate or other provisions, and any Bond thereafter delivered in lieu of or substitution for any of such Bonds pursuant to the General Indenture;

Series Indenture: an indenture of the Corporation authorizing the issuance of Bonds pursuant to Article II of the General Indenture;

Service Charge: any charge authorized to be deducted by a Servicer from payments on a Mortgage Loan and any reimbursement of the cost of servicing by the Corporation, before deposit of the payments with the Trustee;

Servicer: the Corporation or any other public or private institution (including the Trustee or a Depository) with which the Corporation shall execute a Servicing Agreement;

Servicing Agreement: a contractual agreement of the Corporation with a Servicer for the servicing of Qualified Mortgage Loans;

APPENDIX B

SUMMARY OF CERTAIN PROVISIONS OF THE GENERAL INDENTURE

The following are summaries or extracts of certain provisions contained in the General Indenture, and are not to be considered as a full statement thereof. Reference is made to the General Indenture and the 2025 Series CD Indentures for full details of all of the terms of the 2025 Bonds, the security provisions appertaining thereto and the other terms thereof. Copies of the General Indenture and the 2025 Series CD Indentures are available from the Underwriter or the Corporation.

Mortgage Loan Account

Each Series Indenture shall establish a separate Mortgage Loan Account to be held by the Trustee, to record the receipt and disbursement of any proceeds of the Series of Bonds therein authorized for the making or purchase of Qualified Mortgage Loans or for the financing of Qualified Mortgage Loans previously made or purchased. Upon the acquisition of Qualified Mortgage Loans with proceeds of a particular Series of Bonds, the Trustee shall credit such Qualified Mortgage Loans to the applicable Account under the Revenue Fund.

The Trustee shall, from time to time, apply moneys held in each Mortgage Loan Account for the purpose of making or purchasing Qualified Mortgage Loans or of reimbursing the Corporation for payments made by it from other funds for that purpose, upon receipt by the Trustee of an Officer's Certificate stating:

- (1) The Mortgage Loan Account from which the payment is to be made, and the amount, manner and recipient of the payment, which may be made to the Corporation or to a Mortgage Lender; and
- (2) That each Qualified Mortgage Loan fully satisfied the provisions set forth below under the caption "Qualification of Mortgage Loans."

All interest and other income received from the deposit and investment of money in Mortgage Loan Accounts shall be transferred by the Trustee, as received, to the Revenue Fund.

The Corporation may, by Officer's Certificate, direct the Trustee to transfer amounts in any Mortgage Loan Account to the Revenue Fund. Any Bond proceeds remaining in any Mortgage Loan Account forty (40) months after the Issue Date of the Bonds of the Series for which the Account was established, or at such other time as may be provided in the applicable Series Indenture or an Officer's Certificate, shall be so transferred by the Trustee to the Revenue Fund. Amounts transferred to the Revenue Fund may, by Officer's Certificate, be retransferred to the Mortgage Loan Account subject to limitations set forth in the General Indenture.

Qualification of Mortgage Loans

Each Mortgage Loan made or purchased from Bond proceeds shall conform to the terms, conditions, provisions and limitations stated in the General Indenture and any applicable Series Indenture except to the extent, if any, that a variance therefrom is required by any agency or instrumentality of the United States guaranteeing or insuring or otherwise assisting in the payment of the Mortgage Loan.

Each Mortgage Loan made by the Corporation shall be made for the purpose of financing residential housing for a person or family of low or moderate income as defined in the Act and rules adopted by the Corporation pursuant thereto.

The Corporation may participate in a Mortgage Loan with another party or parties, so long as the interest of each shall have equal priority as to lien in proportion to the amount of the Mortgage Loan secured, but such interests need not be equal as to interest rate, time or rate of amortization or otherwise.

As of each Interest Payment Date, to the extent the Parity Test is not satisfied, the Corporation will cause an additional amount to be transferred to the Trustee for credit to one or more Mortgage Loan Accounts from available Revenues as provided in the General Indenture or from any funds otherwise legally available for that purpose. From the amount so transferred to such Mortgage Loan Accounts, the Trustee shall purchase additional Mortgage Loans, and from the amount so transferred to the Revenue Fund, the Trustee shall purchase Investments, as directed by

Officer's Certificate, at prices such that the aggregate Value of such Mortgage Loans and Investments, with any cash retained from the amounts transferred, will so far as possible satisfy the Parity Test. All available Revenues and other funds referred to in this paragraph shall be transferred, up to the amount necessary to produce this additional Value. The amount and use of funds transferred to any Mortgage Loan Account pursuant to this paragraph shall be subject to the following special conditions:

- (a) The aggregate amount so transferred to a Mortgage Loan Account at any time shall not exceed the aggregate principal amount of Prepayments of Mortgage Loans theretofore made or purchased from that Account; and
- (b) Mortgage Loans so purchased shall conform to all of the provisions of the General Indenture.

The Corporation shall enter into a Servicing Agreement with respect to each Mortgage Loan, unless it determines to service the Mortgage Loan itself.

Special Program Fund

The General Indenture establishes a Special Program Fund, to be held and applied by the Trustee, in which the Corporation may deposit, at any time, any available funds not pledged under the General Indenture, including, but not limited to, proceeds of a Series of Bonds, or other funds previously pledged under an indenture securing obligations satisfied and discharged by the issuance of a Series of refunding Bonds, if such proceeds or other funds are not needed to accomplish such satisfaction and discharge. Money so deposited shall be held in a general account in the Special Program Fund and, until disbursed or committed to be disbursed as provided below, shall be available to restore deficiencies in other Funds and Accounts, as provided in the General Indenture.

Subject to the foregoing, amounts in the general account in the Special Program Fund shall be disbursed or transferred, as directed by Officer's Certificates, to effectuate (a) loans by the Corporation to provide special assistance to eligible sponsors, mortgagors or occupants of housing for persons and families of low and moderate income in paying the cost of development, rental or ownership of such housing or (b) reappropriations to any fund or account pertaining to any other program for any purpose authorized by the Act.

The full amount committed at any time by the Corporation for a special assistance loan shall be transferred by the Trustee to a separate restricted account in the Special Program Fund. Such loans shall be disbursed from the restricted account at times and in amounts directed by Officer's Certificates, and repayments thereof shall be credited upon receipt to the general account. The Corporation also may direct the Trustee to establish one or more separate restricted accounts for any lawful purpose of the Corporation, including security for any obligation of the Corporation. Funds held in a restricted account or disbursed pursuant to reappropriation shall no longer be available for transfer to any other Fund or Account, except as provided in the directions to the Trustee relating to the establishment of such restricted account.

Income from the investment of the Special Program Fund shall be credited to the general account therein.

Unless otherwise set forth in a Series Indenture or an Officer's Certificate, at such time as any Series of Bonds is no longer outstanding and the related Series Indenture has been discharged, all moneys, assets and investments allocated to such Series (other than any cash and investments held by the Trustee in connection with a defeasance of such Series) shall be credited to the Special Program Fund.

Deposits of Mortgage Loan Revenues

The Corporation will collect and deposit, or will cause Servicers to collect and deposit, with the Trustee, or with depositories in the name of the Trustee, as soon after receipt as practicable, all Revenues derived from Mortgage Loans, including Defaulted Mortgage Loans, and the Trustee shall credit all such receipts to the Revenue Fund.

Revenue Fund

On or before each Interest Payment Date, and at other times as directed by an Officer's Certificate, the Trustee shall withdraw from any money in the Revenue Fund and make the following payments, or credit to each of the following Funds and Accounts the amount indicated in the following tabulation, or so much thereof as remains after

first making such payment or paying into each Fund or Account preceding it in the following tabulation the amount indicated:

- (1) to pay debt service on the Bonds (including Sinking Fund Installments) and any payments to a Hedge Provider;
- (2) to the Reserve Fund, the amount, if any, needed to increase the amount therein to the Reserve Requirement;
- (3) to one or more Mortgage Loan Accounts or to pay Program Expenses or payments to a Hedge Provider, as directed by Officer's Certificates furnished to the Trustee;
- (4) to one or more other Funds or Accounts as may be established by and as may be directed in any Series Indenture or Officer's Certificate; and
- (5) the remainder shall be held in the Revenue Fund until and unless directed by Officer's Certificate to be transferred (i) to the Special Program Fund, (ii) to make payments to a Hedge Provider or (iii) such remainder or any part thereof may be directed by an Officer's Certificate to be withdrawn for use for any purpose authorized by the Act, free and clear of any lien or pledge created by this General Indenture, but only upon the filing of an Officer's Certificate demonstrating that the Parity Test and the Cash Flow Test will still be satisfied after giving effect to such withdrawal or transfer.

The Trustee shall withdraw moneys from the Revenue Fund for application by the Trustee or the Paying Agents to the payment of unpaid interest on and principal of the Bonds when due. Moneys held in the Revenue Fund for the payment of Sinking Fund Installments shall be applied to the purchase or redemption of Bonds to which such Sinking Fund Installments relate. No such money may be used to purchase Bonds less than twenty-five days prior to the Sinking Fund Installment Date, or at a price higher than the then applicable Redemption Price.

Money in the Revenue Fund may be used to purchase Bonds designated in the Officer's Certificate, at a purchase price not exceeding the redemption price applicable on the next date when such Bonds are redeemable from said Fund, respectively, under the provisions of the applicable Series Indentures (provided that such purchase price may exceed the applicable redemption price if and to the extent the amount of such excess shall be paid from moneys not pledged under the General Indenture, or moneys which could otherwise be released to the Corporation pursuant to the General Indenture). The Corporation will not at any time cause Bonds to be purchased or redeemed, if this would have any material adverse effect on its ability to pay, when due, the Principal Installments of and interest on the Bonds Outstanding after such purchase or redemption.

Interest and other income derived from the investment or deposit of money in the Revenue Fund shall be transferred to the Revenue Fund as received.

Reserve Fund

The Corporation shall at all times maintain the Reserve Fund and do and perform or cause to be done and performed each and every act and thing with respect to the Reserve Fund provided to be done or performed by or on behalf of the Corporation or the Trustee. The amount of the deposit to the Reserve Fund, if any, in connection with the issuance of any Series of Bonds shall be set forth in the related Series Indenture.

If the Revenue Fund lacks sufficient and available amounts to provide for the payment when due of Principal Installments of and interest on the Bonds, the Trustee shall withdraw from the Reserve Fund and pay into the Revenue Fund the amount of the deficiency. The Trustee shall notify the Corporation in writing prior to any such withdrawal from the Reserve Fund. If, on the Principal Installment Date, all withdrawals from the Reserve Fund have been made as required on the same or any prior date by any other provision of General Indenture, within five (5) days thereafter the Trustee shall withdraw any amount therein in excess of the Reserve Requirement and credit it to the Revenue Fund unless otherwise directed in an Officer's Certificate.

The Corporation may satisfy the Reserve Requirement by the deposit of a surety bond, insurance policy or letter of credit as shall be specified in the Series Indenture establishing such Reserve Requirement. All matters relating to the procedures for making a claim or draw under such credit instruments and the obligation of the Corporation to

reimburse the issuer of any such credit instruments for any such claims or draws shall be set forth in the Series Indenture establishing such Reserve Requirement; provided, however, that the obligation of the Corporation to reimburse such issuer shall be subordinate to the payment of the principal of and interest on the Bonds.

Hedging Transaction

A Hedge Agreement is a Qualified Hedge Agreement if, at the time of execution of such Hedge Agreement, (1) the provider of the Hedge Agreement is a Qualified Hedge Institution or the provider's obligations under the Hedge Agreement are unconditionally guaranteed by a Qualified Hedge Institution and (2) the Corporation designates the Hedge Agreement as a Qualified Hedge Agreement by an Officer's Certificate.

If the Corporation shall enter into any Qualified Hedge Agreement with respect to any Bonds and the Corporation has made a determination that the Qualified Hedge Agreement was entered into for the purpose of hedging or managing the interest due with respect to specified Bonds, then during the term of the Qualified Hedge Agreement and so long as the Hedge Provider of the Qualified Hedge Agreement is not in default:

(1) for purposes of any calculation of debt service, the interest rate on the Bonds with respect to which the Qualified Hedge Agreement applies shall be determined as if such Bonds had interest payments equal to the interest payable on those Bonds less any payments reasonably expected to be made to the Corporation by the Hedge Provider and plus any payments reasonably expected to be made by the Corporation to the Hedge Provider in accordance with the terms of the Qualified Hedge Agreement (other than fees, expenses or termination payments payable to such Hedge Provider for providing the Qualified Hedge Agreement);

(2) any such payments (other than fees, expenses and termination payments) required to be made by the Corporation to the Hedge Provider pursuant to such Qualified Hedge Agreement shall be made from amounts on deposit in the Revenue Fund pursuant to the General Indenture, unless otherwise specified by the Corporation to be paid from other moneys;

(3) any such payments received by or for the account of the Corporation from the Hedge Provider pursuant to such Qualified Hedge Agreement shall constitute Revenues and be deposited in the Revenue Fund; and

(4) fees not equivalent to regular Bond debt service payments, as well as expenses and termination payments, if any, payable to the Hedge Provider may be paid from amounts on deposit in the Revenue Fund pursuant to the General Indenture, or such other funds as are specifically designated by the Corporation, in each case if and to the extent expressly provided in the Qualified Hedge Agreement or applicable Series Indenture.

Securities Lending

The Trustee may lend any Investments as described in subclauses (i), (ii) or (iii) of the definition of "Investments" from time to time pertaining to any Fund or Account created by or pursuant to the General Indenture in exchange for such consideration and upon such terms and conditions as are specified in a written agreement entered into by and between the Corporation and the Trustee. Such written agreement will require that the Investments lent be collateralized at the time of the transaction by delivery to the Trustee or its agent of cash or Investments as described in subclauses (i), (ii) or (iii) of the definition of "Investments" with a market value not less than 102% of the market value of the Investments lent, that the Investments lent and such collateral be marked to market on a daily basis and that additional collateral be provided to restore the collateral level to 102% at any time the market value of the collateral falls to or below 100%. No securities lending transaction may have a term in excess of one year. Investments may only be lent to securities broker-dealers or to commercial or savings banks. Investments may not be lent to the Trustee or to any of its affiliates.

Pledge of Trust Estate

The Trust Estate has been pledged to the payment of the principal and Redemption Price of, Sinking Fund Installments with respect to and interest on the Bonds in accordance with the terms and provisions of the General Indenture, and the Trustee has been granted a security interest therein. The Corporation shall cause to be filed or

recorded all such financing statements, continuation statements and other instruments as may be necessary to perfect, and maintain perfected, such security interests to the extent that such perfection can be accomplished by such filing. The Corporation may pledge additional assets and revenues to the Bonds or any Series of Bonds pursuant to a Supplemental Indenture or a Series Indenture.

Payment of Bonds

The Corporation shall duly and punctually pay or cause to be paid the principal of and interest on the Bonds, at the dates and places and in the manner mentioned in such Bonds, according to the true intent and meaning thereof, and shall pay or cause to be paid to the Trustee any part of any Sinking Fund Installments pursuant to any provision of General Indenture and any related Series Indenture, all from the Trust Estate pledged under the General Indenture and any other assets pledged pursuant to a Series Indenture; provided, that the Bonds shall be special, limited obligations of the Corporation.

Accounts and Reports

The Corporation shall keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all its transactions relating to the Program and all Funds and Accounts established by or pursuant to the General Indenture.

Annually, within six (6) months after the close of each Fiscal Year, the Corporation shall cause a report of audit of its financial records and an Auditor's Opinion with respect thereto to be made and filed with the Trustee. The report shall show (i) revenues and expenses for the Fiscal Year and (ii) assets, liabilities and fund balances at the end of the Fiscal Year for all Funds and Accounts established by the General Indenture (which may be consolidated). Notwithstanding any other provision of the General Indenture, revenues and expenses shall be accrued, and assets shall be valued in such manner as is deemed by the Corporation and the accountant issuing the Auditor's Opinion to be necessary to present fairly the financial position of such Funds and Accounts at the end of the Fiscal Year and the results of operations for the Fiscal Year, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding Fiscal Year.

Cash Flow Certificates

The Corporation shall file a Cash Flow Certificate with the Trustee (i) whenever Bonds are issued pursuant to the General Indenture and a related Series Indenture, (ii) prior to or concurrent with the issuance or conversion (i.e., in conjunction with the resetting of the interest rate determination method thereon) of any Series of Bonds, (iii) no later than six (6) months following the end of each Fiscal Year and (iv) at such other times as required by the General Indenture or as may be required by a Supplemental Indenture, and may file a Cash Flow Certificate at any time in its discretion, provided that the Corporation is not required to file a Cash Flow Certificate as aforesaid if the Corporation certifies to the Trustee that the assumptions for the most recently filed Cash Flow Certificate still reflect the Corporation's reasonable expectations, and provided further that the Corporation is not required to file a Cash Flow Certificate as required by (iii) above if the Corporation notifies each Rating Agency then rating the Bonds of the Corporation's intention to not prepare a new Cash Flow Certificate and each such Rating Agency does not object to the same within ten (10) days, in which case such most recently filed Cash Flow Certificate shall be deemed a newly filed Cash Flow Certificate as required aforesaid.

A Cash Flow Certificate shall set forth projected Revenues, Program Expenses and the interest payments and Principal Installments for each Bond Year during which Bonds will be Outstanding based upon the reasonable expectations of the Corporation at the time such Certificate is filed. The Cash Flow Certificate shall also set forth the assumptions upon which the estimates therein are based, which assumptions shall be based upon the Corporation's reasonable expectations at the time such Cash Flow Certificate is filed. Except with respect to actions being taken contemporaneously with the delivery of a Cash Flow Certificate, events reflected in a Cash Flow Certificate may be as of a date or reasonably adjusted to a date not more than six (6) months prior to the date of delivery of such statement. The listing of Revenues from Mortgage Loans and Investments shall be supported by a schedule identifying the Mortgage Loans and Investments by maturity and interest rate which shall be furnished to the Trustee upon request.

Amendments to the General Indenture

The General Indenture may be amended or supplemented at any time without the consent of any of the Bondholders or of the Trustee for the following purposes:

- (1) To close the General Indenture against, or provide limitations and restrictions in addition to, the limitations and restrictions contained in the General Indenture on the issuance in future of Bonds or of other notes, bonds, obligations or evidences of indebtedness;
- (2) To add to the covenants or agreements of the Corporation in the General Indenture other covenants or agreements to be observed by the Corporation which are not contrary to or inconsistent with the General Indenture as theretofore in effect;
- (3) To add to the limitations or restrictions in the General Indenture other limitations or restrictions to be observed by the Corporation which are not contrary to or inconsistent with the General Indenture as theretofore in effect;
- (4) To surrender any right, power or privilege reserved to or conferred upon the Corporation by the General Indenture;
- (5) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, the General Indenture, of the Revenues or any other money, securities, Funds or Accounts; or
- (6) To specify, determine or authorize by Series Indenture any and all matters and things relative to the Bonds of a Series or the proceeds thereof which are not contrary to or inconsistent with the General Indenture as theretofore in effect.

Supplemental Indentures Not Affecting Bondholders

The General Indenture may be amended or supplemented at any time without the consent of any of the Bondholders or of the Trustee to modify any of the provisions of the General Indenture or to release the Corporation from any of the obligations, covenants, agreements, limitations, conditions or restrictions contained in the General Indenture, provided that:

- (1) No Bonds are Outstanding at the time the resolution becomes effective; or
- (2) Such resolution, by its terms, is applicable only to the obligations, covenants, agreements, limitations, conditions and restrictions of and upon the Corporation in relation to the Holders of Bonds issued after it becomes effective.

Supplemental Indentures Effective Upon Consent of Trustee

The General Indenture may be amended or supplemented at any time with the consent of the Trustee, but without the consent of any of the Bondholders, for any of the following purposes:

- (1) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the General Indenture;
- (2) To insert such provisions clarifying matters or questions arising under the General Indenture as are necessary or desirable and are not contrary to or inconsistent with the General Indenture as theretofore in effect; or
- (3) To make any other change as shall not be, in the opinion of the Trustee, materially adverse to the security or other interests of the Bondholders (and the Trustee may rely upon the respective opinions of the nationally recognized Rating Agencies then rating the Bonds at the request of the Corporation as to whether the rating of the Bonds will be adversely affected as conclusively establishing whether the change is materially adverse to the security of the Bondholders).

The General Indenture may be amended or supplemented at any time for any purpose with the written consent of the Holders of at least a majority in principal amount of the Bonds Outstanding at the time such consent is given; provided that if such modification or amendment, by its terms, will not take effect so long as any Bonds of any specified Series, maturity and interest rate remain outstanding or will not affect the obligations, covenants, agreements, limitations, conditions and restrictions of and upon the Corporation in relation to the Holders of such Bonds, the consent of the Holders of such Bonds shall not be required, and such Bonds shall not be deemed to be outstanding for the purpose of any such calculation of Outstanding Bonds; and provided further that no such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bonds or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the description of Bonds, the consent of the Holders of which is required to effect any such modification or amendment. No such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the Fiduciary's written consent.

The General Indenture may be amended or supplemented at any time for any purpose with the consent of all the Bondholders, except that none of the rights or obligations of a Fiduciary may be changed or modified without its written consent.

Defeasance

The pledge of Revenues and other moneys, securities and funds in the General Indenture, and the covenants, agreements and other obligations of the Corporation to the Bondholders therein, will be discharged and satisfied, if the Corporation shall pay or cause to be paid to the Holders of the Bonds and coupons the principal and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in the General Indenture.

Any Bond or coupon or interest installment will be deemed paid, if moneys for the payment or redemption thereof shall have been deposited with the Trustee by or on behalf of the Corporation, whether at or prior to the maturity or the redemption date of such Bond; provided that if any Bond is to be redeemed prior to its maturity, all action necessary to call such Bond for redemption shall have been taken, notice of such redemption shall have been duly given, or provision satisfactory to the Trustee shall have been made for the giving of such notice. Any moneys so held by the Trustee shall be invested, at the direction of an Authorized Officer of the Corporation, in Investments maturing on or before the date when payment to the Holder of the Bond or interest coupon is due, and all interest and earnings on such Investments shall be deposited in the Revenue Fund.

Any Bond and any coupon or interest installment thereon, whether at or prior to the maturity or the redemption date or Interest Payment Date, shall be deemed paid if:

- (1) In case such Bond is to be redeemed prior to its maturity, there shall have been taken all action necessary to call such Bond for redemption, and notice of such redemption shall have been duly given or provision satisfactory to the Trustee shall have been made for the giving of such notice;
- (2) There shall have been deposited with the Trustee by or on behalf of the Corporation either (i) moneys in an amount which shall be sufficient, or (ii) Investments (not redeemable at the option of the issuer thereof) of the type described in (i) or (ii) of the definition thereof, or in (iv) of the definition thereof if at that time accepted as a permitted defeasance investment by each Rating Agency then rating the Bonds at the request of the Corporation, the principal of and the interest on which when due (or redeemable at the option of the holder), will provide money which, together with the money, if any, deposited with the Trustee at the same time, shall be sufficient to pay, when due, the principal or Redemption Price, if applicable, to become due on said Bond on the redemption date or maturity date thereof, as the case may be, and to pay each such coupon or interest installment at the proper Interest Payment Date; and
- (3) Neither such Investments, nor any money so deposited with the Trustee, nor any money received by the Trustee on account of principal or interest on said Investments may be withdrawn or used for any purpose other than, and all such money shall be held in trust for and be applied to the payment, when due, of the principal, redemption premiums or interest for the payment or redemption of which they were deposited.

Refunding Bonds

Upon compliance with certain provisions of the General Indenture, Bonds may be issued thereunder to refund Bonds previously issued under the General Indenture or other obligations issued under the provisions of any prior indentures of the Corporation.

Events of Default

Each of the following shall constitute an event of default under the General Indenture:

- (1) Interest on any of the Bonds shall become due on any date and shall not be paid on said date, or the principal or redemption price of any of the Bonds shall become due on any date, whether at maturity or upon call for redemption, and shall not be paid on said date;
- (2) Bonds subject to redemption by operation of Sinking Fund Installments shall not have been redeemed and paid in the amount required in the Indentures on any date;
- (3) A default shall be made in observance or performance of any covenant, contract or other provision in the Bonds or Indentures contained, and such default shall continue for a period of ninety (90) days after written notice of the Corporation from a Bondholder or from the Trustee specifying such default and requiring the same to be remedied; or
- (4) There shall be filed a petition seeking a composition of indebtedness of the Corporation under any applicable law or statute of the United States or of the Commonwealth.

Remedies

Upon the happening and continuance of an event of default, the Trustee may, and shall upon the written request of the Holders of not less than a majority in principal amount of the Bonds affected by an event of default described in clause (1) or (2) of "Events of Default" above, or not less than a majority in principal amount of all Bonds if the event of default is one described in clause (3) or (4) of "Events of Default" above, proceed to protect the rights of the Bondholders under the laws of the Commonwealth or under the General Indenture. No Bondholder shall have the right to institute any proceedings for any remedy under the Indentures unless the Trustee, after being so requested to institute such proceedings and offered satisfactory indemnity, shall have refused or neglected to comply with such request within a reasonable time and unless the proceeding is brought for the ratable benefit of all Holders of all Bonds. However, nothing in the Indenture shall affect or impair the right of any Bondholder to enforce the payment of the principal of and interest on his Bonds.

APPENDIX C

The following text of opinion is proposed to be rendered by Kutak Rock, as Bond Counsel, on the date of the issuance of the 2025 Bonds.

_____, 2025

Kentucky Housing Corporation
1231 Louisville Road
Frankfort, Kentucky 40601

Kentucky Housing Corporation
Single Family Mortgage Revenue Bonds
2025 Series C (Non-AMT)
and
2025 Series D (Taxable)

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance and sale by the Kentucky Housing Corporation (the “Corporation”), a de jure municipal corporation and political subdivision of the Commonwealth of Kentucky (the “Commonwealth”), of \$75,000,000* aggregate principal amount of its Single Family Mortgage Revenue Bonds, 2025 Series C (the “2025 Series C Bonds”) and \$75,000,000* aggregate principal amount of its Single Family Mortgage Revenue Bonds, 2025 Series D (the “2025 Series D Bonds” and, together with the 2025 Series C Bonds, the “Bonds”). The Bonds are issued under and pursuant to Chapters 198A and 58 of the Kentucky Revised Statutes, as amended (collectively, the “Act”), the General Indenture of Trust, dated as of October 1, 2023 (the “General Indenture”), the 2025 Series C Indenture, dated as of June 1, 2025 (the “2025 Series C Indenture”) and the 2025 Series D Indenture, dated as of June 1, 2025 (the “2025 Series D Indenture”, and together with the 2025 Series C Indenture, the “Series Indentures”, and collectively with the General Indenture, the “Indenture”), each between the Corporation and The Bank of New York Mellon Trust Company, N.A. (the “Trustee”).

The Bonds are dated, mature in the years and in the principal amounts, bear interest at the rates, are subject to redemption prior to maturity and are otherwise in the form described in the Indenture.

It is our opinion as bond counsel that:

1. The Bonds have been duly and validly authorized and issued in accordance with law and in pursuant to the Indenture. The Bonds, together with the interest payable with respect thereto, are legal, valid and binding special, limited obligations of the Corporation, payable solely from the Revenues and other assets pledged thereto under the Indenture.

2. The Indenture has been duly authorized by the Corporation and duly executed and delivered by authorized officials of the Corporation, and, assuming due authorization, execution and delivery by the Trustee, the Indenture constitutes a valid and binding obligation of the Corporation enforceable in accordance with its terms.

3. To secure the payment of the principal of and interest on the Bonds, the Indenture creates a valid pledge of the rights, title and interest of the Corporation in and to (a) the proceeds of the sale of the Bonds and all Funds and Accounts established under the Indenture (except any bond purchase fund, any special escrow account and amounts in the Special Program Fund which are otherwise pledged) and moneys and securities therein, and (b) the Qualified Mortgage Loans (including Guaranteed Mortgage Securities representing pools of Mortgage Loans), Revenues, moneys, securities and assets held and to be set aside under the Indenture.

*Preliminary; subject to change.

4. Under existing laws, regulations, rulings and judicial decisions, interest on the 2025 Series C Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. Interest on the 2025 Series C Bonds may affect the federal alternative minimum tax imposed on certain corporations.

5. Interest on the 2025 Series D Bonds is included in gross income federal income tax purposes.

6. Interest on the Bonds is excluded from the gross income of the recipients thereof for Commonwealth income tax purposes, and the Bonds are exempt from ad valorem taxes by the Commonwealth and all political subdivisions thereof.

The Internal Revenue Code of 1986, as amended (the “Code”) establishes certain requirements which must be met subsequent to the issuance of the 2025 Series C Bonds in order that interest thereon be and remain excludable from gross income for federal income tax purposes. The requirements include provisions that restrict the yield and set forth limitations within which the proceeds of the 2025 Series C Bonds are to be invested, including eligibility requirements for mortgages, and require that certain investment earnings be rebated on a periodic basis to the United States Treasury. The Corporation has covenanted to comply with such requirements. Failure to comply with such requirements could cause interest on the 2025 Series C Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance thereof. The opinions described in paragraph (4) above assume the accuracy of certain representations of and compliance by the Corporation with its covenants to satisfy the requirements of the Code. We express no opinion regarding other federal tax consequences arising with respect to the 2025 Series C Bonds.

The accrual or receipt of interest on the 2025 Series C Bonds may otherwise affect the federal income tax liability of the owners thereof. The extent of these other tax consequences will depend on such owners’ particular tax status and other items of income or deduction. We express no opinion regarding any such consequences.

Purchasers of the 2025 Series C Bonds, particularly purchasers that are corporations (including S corporations, foreign corporations operating branches in the United States of America, and corporations subject to the alternative minimum tax), property or casualty insurance companies, banks, thrifts or other financial institutions, certain recipients of social security or railroad retirement benefits, taxpayers entitled to claim the earned income credit, taxpayers entitled to claim the refundable credit in Section 36B of the Code for coverage under a qualified health plan or taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, should consult their tax advisors as to the tax consequences of purchasing or owning the 2025 Series C Bonds.

The obligations of the parties, and the enforceability thereof, with respect to the documents described above are subject to the provisions of the bankruptcy laws of the United States of America and other applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting the enforcement of creditors’ rights generally, now or hereafter in effect. Certain of the obligations, and the enforcement thereof, contained in the documents described above are also subject to general principles of equity, which may limit the specific enforcement of certain remedies but which do not affect the validity of such documents.

Certain requirements and procedures contained or referred to in the Indenture and other relevant documents may be changed, and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents, upon the advice or with the approving opinion of nationally recognized bond counsel. No opinion is expressed as to the 2025 Series C Bonds or the interest thereon if any such change occurs or action is taken or omitted upon the advice or approval of counsel other than ourselves.

The scope of our engagement has not extended beyond the examinations and the rendering of the opinions expressed herein. The opinions expressed herein are based upon existing law as of the date hereof and we express no opinion herein as of any subsequent date or with respect to any pending legislation. Each purchaser of the Bonds should consult his or her own tax advisor as regards any pending or proposed federal tax legislation.

Respectfully submitted,

APPENDIX D

CERTAIN ADDITIONAL INFORMATION REGARDING THE CORPORATION AND ITS PROGRAMS

The Corporation's Homeownership Loan Program

The 1973 HRB Resolution. Pursuant to the Corporation's General Bond Resolution dated November 7, 1973, as supplemented and amended (the "HRB Resolution"), the Corporation has issued bonds (collectively, the "Housing Revenue Bonds") to finance mortgage loans and construction loans for housing. All Housing Revenue Bonds issued under the HRB Resolution are of equal rank and priority and are secured by trust estate pledged under the HRB Resolution. Since November 7, 1973, the Corporation has issued approximately \$5,924,958,723 aggregate principal amount of its Housing Revenue Bonds of which \$114,970,000 were outstanding as of March 31, 2025 in the following series:

<u>Bond Series</u>	<u>Bonds Outstanding</u>
2006 Series O	\$10,880,000
2006 Series T	6,260,000
2006 Series W	8,905,000
2007 Series J	9,705,000
2007 Series O	4,570,000
2014 Series A	5,470,000
2014 Series B	6,335,000
2016 Series A	18,460,000
2016 Series B	5,495,000
2021 Series A	2,740,000
2021 Series B	<u>36,150,000</u>
	\$114,970,000

The Corporation does not presently intend to issue additional series of Housing Revenue Bonds pursuant to the Resolution. Bonds to finance the Program or to refinance the Housing Revenue Bonds or other bonds which financed the Corporation's prior homeownership programs are expected to be issued pursuant to the hereinafter described General Indenture on parity basis with the General Indenture Bonds.

The 2025 Bonds are not being issued under or secured by the HRB Resolution. No Housing Revenue Bonds are secured by the General Indenture.

The General Indenture. Pursuant to the General Indenture of Trust, dated as of October 1, 2023 (the "General Indenture"), the Corporation has previously issued the series of single family mortgage revenue bonds (the "General Indenture Bonds") as described in the table below. All General Indenture Bonds issued under the General Indenture are of equal rank and priority and are secured by trust estate pledged under the General Indenture.

The proceeds of the General Indenture Bonds were applied to finance and refinance Guaranteed Mortgage Securities backed by Mortgage Loans originated under the Program. The Corporation presently intends to issue additional Series of General Indenture Bonds pursuant to the General Indenture to finance and refinance the Program. The 2025 Bonds are being issued pursuant to the General Indenture.

The General Indenture Bonds issued and remaining outstanding under the General Indenture as of March 31, 2025 are set forth below:

Bond Series	Principal Amount of Bonds Issued	Interest Rate Ranges¹	Maturities	Bonds Outstanding as of March 31, 2025
2023 Series A	\$98,115,000	3.45% - 6.00%	January 1, 2025 – July 1, 2054	\$96,290,000
2024 Series A	72,175,000	3.05% - 6.25%	January 1, 2025 – July 1, 2054	71,155,000
2024 Series B ²	76,125,000	4.910% - 5.911%	January 1, 2025 – July 1, 2054	75,645,000
2024 Series C	75,000,000	3.25% - 6.25%	January 1, 2026 – January 1, 2055	75,000,000
2024 Series D ²	75,000,000	4.661% - 6.250%	January 1, 2026 – January 1, 2055	75,000,000
2024 Series E	50,000,000	3.05% - 6.25%	January 1, 2026 – July 1, 2055	50,000,000
2025 Series A	40,000,000	3.15% - 6.25%	January 1, 2026 – July 1, 2055	40,000,000
2025 Series B ²	60,000,000	4.545% - 6.750%	January 1, 2026 – July 1, 2055	60,000,000
Total	\$546,415,000			\$543,090,000

Secondary Market Mortgage Purchase Program

The Corporation operates a program to finance Guaranteed Mortgage Securities in the secondary market and hedge market risk in the “to be announced” (“TBA”) market. The Corporation initiated its TBA Program in 2011 in response to prevailing mortgage rates. Under this program, the Corporation uses its funds to originate certain mortgage loans and either sells such mortgage loans on an individual basis to Fannie Mae or Freddie Mac or pools such mortgage loans to back Guaranteed Mortgage Securities issued by Ginnie Mae. Such securities are thereafter sold by the Corporation in the secondary market and the proceeds are used to reimburse the Corporation. As of March 31, 2025, the Corporation had completed the sale and settlement of approximately \$5.3 billion of loans to Fannie Mae, Freddie Mac or Guaranteed Mortgage Securities through the TBA market and had commitments to settle and deliver approximately \$36 million of Guaranteed Mortgage Securities. The Corporation retains servicing on these loans and as of March 31, 2025, principal balances of loans “serviced for others” totaled \$2.8 billion, which are not recorded as assets on the Corporation’s financial statements. The Corporation expects the interest rates on mortgage loans financed under the TBA program to be higher than the interest rates on Mortgage Loans financed with proceeds of General Indenture Bonds.

None of the loans, securities or moneys constituting the TBA Program are pledged to the payment of the Bonds.

Down Payment and Closing Cost Assistance

Under the Downpayment Assistance Program (the “DAP Program”), the Corporation currently makes second mortgage loans available to qualified borrowers to assist them with funds needed to close on the related first mortgage loan in an amount not to exceed \$10,000. Such second mortgage loans are made at below market fixed rates and mature in ten years from the date of origination. Second mortgage are originated by private financial institutions and funded by the Corporation using funds other than those under the General Indenture and are not pledged as security for the Bonds. The Corporation underwrites and services the second mortgage loans. It is anticipated that Mortgage Loans with a related second mortgage loan made under the DAP Program will bear interest at a slightly higher rate than Mortgage Loans without a related second mortgage.

Multi-Family Housing Finance Programs

The Corporation has implemented a conduit multifamily lending program for the financing of multifamily developments in the Commonwealth. The conduit multifamily bonds issued to fund the conduit multifamily lending

program will not be issued pursuant to the General Indenture and loans financed under the conduit multifamily lending program will not be pledged as security for the Bonds.

Business Disruption Risk

Certain adverse external events, such as pandemics, natural disasters, severe weather, technological emergencies, riots, acts of war or terrorism or other circumstances, could potentially disrupt the Corporation's ability to conduct its business. A prolonged disruption in the Corporation's operations could have an adverse effect on the Corporation's financial condition and results of operations. To plan for and minimize the impact such an event may have on its operations, the Corporation undertook, and continues to undertake, a series of loss mitigation efforts, which include mortgage loan modification, temporary loan payment forbearance and participation in federal programs, all designed to assist homeowners during difficult financial times as well as minimize any financial consequences to the Corporation. The Corporation expects to regularly review its policies and procedures with respect to its loan collection, modification and other loss mitigation activities. No assurance can be given that the Corporation will not change loan modification strategies in the future or that the Corporation's loss mitigation and foreclosure prevention efforts will be successful.

Cybersecurity

The Corporation relies on a complex technology environment to conduct its operations. As a recipient and provider of personal, private and sensitive information, the Corporation faces multiple cyber threats including, but not limited to, hacking, viruses, malware, ransomware, phishing, business email compromise, theft, destruction and other attacks on computers, servers, cloud resources and other sensitive digital networks, systems, and assets. Housing finance agencies and other public finance entities have been targeted by outside third parties, including technically sophisticated and well-resourced actors, attempting to misappropriate assets or information or cause operational disruption and damage. Further, third parties, such as hosted solution providers, that provide various technological services to the Corporation, could also be a source of security risk in the event of a failure of their own security systems and infrastructure.

The Corporation uses a layered cyber security defense approach that employs sound operational strategies and security technology solutions to secure against, detect, and mitigate the effects of cyber threats on its infrastructure and information assets. The Corporation conducts regular information security and privacy awareness training that is mandatory for all Corporation staff and regularly conducts risk assessments and tests of its cybersecurity systems and infrastructure. The Corporation's Cyber Security Services department focuses on and leads the efforts of the Corporation with respect to the security of the Corporation's cyber assets.

Despite its efforts, no assurances can be given that the Corporation's security and operational control measures will be successful in guarding against any and each cyber threat and attack. The techniques used by those seeking to attack cyber assets are increasingly sophisticated, change frequently, are complex and are often not recognized until launched. To date, attempted cyberattacks have not had a material impact on the financial condition, results or business of the Corporation. However, the Corporation is not able to predict the severity of future attacks. The results of any attack on the Corporation's computer and information technology systems could impact its operations for an unknown period of time, damage the Corporation's digital networks and systems, and damage the Corporation's reputation, financial performance, and customer or vendor relationships. Such an attack could also result in litigation or regulatory investigations or actions, including regulatory actions by state and federal governmental authorities. The costs of remedying any such damage could be substantial and such damage to the Corporation's reputation and relationships could adversely affect its ability to finance loans and issue bonds in the future.

APPENDIX E

FORM OF CONTINUING DISCLOSURE AGREEMENT

THIS CONTINUING DISCLOSURE AGREEMENT (this “Agreement”), dated as of _____, 2025 by and between **KENTUCKY HOUSING CORPORATION** (the “Corporation”) and **THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A.**, as Trustee (the “Trustee”), is executed and delivered in connection with the issuance of by the Corporation of its Single Family Mortgage Revenue Bonds, 2025 Series C (Non-AMT) in the aggregate principal amount of \$75,000,000* (the “2025 Series C Bonds”) and its and its Single Family Mortgage Revenue Bonds, 2025 Series D (Taxable) in the aggregate principal amount of \$75,000,000* (the “2025 Series D Bonds” and, together with the 2025 Series C Bonds, the “2025 Bonds”). The 2025 Bonds have been issued pursuant to a General Indenture of Trust, dated as of October 1, 2023 (the “General Indenture”), the 2025 Series C Indenture, dated as of June 1, 2025 (the “2025 Series C Indenture”) and the 2025 Series D Indenture dated as of June 1, 2025 (the “2025 Series D Indenture”, and together with the 2025 Series C Indenture, the “Series Indentures”, and collectively with the General Indenture, the “Indenture”), each by and between the Corporation and the Trustee. Capitalized terms used in this Agreement which are not otherwise defined in the Indenture shall have the respective meanings specified above or in Article IV hereof. The parties hereby covenant and agree, each with the other, as follows:

ARTICLE I

THE UNDERTAKING

Section 1.01. Purpose. This Agreement shall constitute a written undertaking for the benefit of the Beneficial Owners of the 2025 Bonds and is being executed and delivered solely to assist the Underwriters in complying with subsection (b)(5) of the Rule. To the best knowledge of the Corporation, the Corporation is the only “obligated person” in respect of the 2025 Bonds under the Rule.

Section 1.02. Annual Financial and Operating Information.

(a) Following the issuance of the 2025 Bonds, the Corporation shall provide continuing Annual Financial Information with respect to each fiscal year of the Corporation, commencing with the fiscal year ended June 30, 2025, by no later than nine (9) months after the end of each respective fiscal year of the Corporation, to the MSRB in Prescribed Form in accordance with EMMA.

(b) The Corporation shall provide, in a timely manner, notice to the MSRB in Prescribed Form in accordance with EMMA of any failure of the Corporation to provide the Annual Financial Information by the date specified in subsection (a) above.

Section 1.03. Audited Financial Statements. If not provided as a part of the Annual Financial Information by the date required by Section 1.02(a) hereof, the Corporation shall provide Audited Financial Statements, when and if available, to the MSRB in Prescribed Form in accordance with EMMA.

Section 1.04. Notices of Events.

(a) If an Event occurs, the Corporation shall provide, in a timely manner, but not in excess of ten (10) business days after the occurrence of such Event, an Event Notice to the MSRB in Prescribed Form in accordance with EMMA and to the Trustee.

(b) The Trustee shall promptly advise the Corporation whenever, in the course of performing its duties as Trustee under the Indenture, the Trustee has actual notice of an occurrence which may require the Corporation to provide an Event Notice hereunder; provided, however, that the failure of the Trustee so to advise the Corporation shall not constitute a breach by the Trustee of any of its duties and responsibilities under this Agreement or the Indenture and the Trustee shall not incur any liability for any such failure.

*Preliminary; subject to change.

Section 1.05. Additional Information. Nothing in this Agreement shall be deemed to prevent the Corporation from disseminating any other information using the means of dissemination set forth in this Agreement or any other means of communication, or including any other information in any Annual Financial Information or notice of occurrence of an Event, in addition to that which is required by this Agreement. If the Corporation chooses to include any information in any Annual Financial Information or notice of occurrence of an Event in addition to that which is specifically required by this Agreement, the Corporation shall have no obligation under this Agreement to update such information or include it in any future Annual Financial Information or notice of occurrence of an Event.

ARTICLE II

OPERATING RULES

Section 2.01. Inclusion by Reference. It shall be sufficient for purposes of Section 1.02 hereof if the Corporation provides Annual Financial Information by specific reference to documents previously provided to the MSRB and available to the public on the MSRB's website or filed with the SEC. If such document is an official statement, it also must be available from the MSRB.

Section 2.02. Submission of Information. Annual Financial Information may be provided in one document or multiple documents, and at one time or in part from time to time.

Section 2.03. Transmission of Information and Notices. All Annual Financial Information, Event Notices, Audited Financial Statements and any other notices required to be made to the MSRB as described herein shall be provided to the MSRB electronically in Prescribed Form in accordance with EMMA.

Section 2.04. Fiscal Year. Annual Financial Information shall be provided at least annually notwithstanding any fiscal year longer than 12 calendar months. As of the date of this Agreement, the Corporation's current fiscal year is July 1, 2024 - June 30, 2025, and the Corporation shall promptly notify the MSRB in Prescribed Form in accordance with EMMA of any change to the Corporation's fiscal year.

ARTICLE III

TERMINATION, AMENDMENT AND ENFORCEMENT

Section 3.01. Termination.

(a) The Corporation's and the Trustee's obligations under this Agreement shall terminate upon (i) a legal defeasance of the 2025 Bonds pursuant to the Indenture, (ii) prior redemption of all of the 2025 Bonds or (iii) payment in full of all of the 2025 Bonds.

(b) This Agreement, or any provision hereof, shall be null and void in the event that the Corporation (i) delivers to the Trustee an opinion of Securities Counsel, addressed to the Corporation and Trustee, to the effect that those portions of the Rule which require the provision of this Agreement, or any of such provisions, do not or no longer apply to the 2025 Bonds, whether because such portions of the Rule are invalid, have been repealed, or otherwise, as shall be specified in such opinion, and (ii) delivers notice of such delivery and cancellation to the MSRB in Prescribed Form in accordance with EMMA.

Section 3.02. Amendment.

(a) This Agreement may be amended, by written agreement of the parties, without the consent of the Holders of the 2025 Bonds or the Beneficial Owners (except to the extent required under clause (iv)(B) below), if all of the following conditions are satisfied: (i) such amendment is made in connection with a change in circumstances that arises from a change in legal (including regulatory) requirements, a change in law (including rules or regulations) or in interpretations thereof, or a change in the identity, nature or status of the Corporation or the type of business conducted thereby, (ii) this Agreement as so amended would have complied with the requirements of the Rule applicable to this Agreement, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, (iii) the Corporation shall have delivered to the Trustee an opinion of Securities Counsel, addressed to the Corporation and the Trustee, to the same effect as set forth in clause (ii) above, (iv) either (A) the Corporation shall have delivered to the

Trustee an opinion of Securities Counsel, addressed to the Corporation and the Trustee, to the effect that the amendment does not materially impair the interests of the Holders of the 2025 Bonds or the Trustee, without having any duty to do so, shall have determined that the amendment does not materially impair the interests of the Holders of the 2025 Bonds or (B) the Holders of the 2025 Bonds consent to the amendment to this Agreement pursuant to the same procedures as are required under the Indenture for amendments to the Indenture with consent of Holders of 2025 Bonds, and (v) the Corporation shall have provided notice of such amendment to the MSRB in Prescribed Form in accordance with EMMA.

(b) In addition to clause (a) above, the Corporation and the Trustee may amend this Agreement, and any provision of this Agreement may be waived, if the Trustee shall have received an opinion of Securities Counsel, addressed to the Corporation and the Trustee to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule, taking into account any subsequent change in or official interpretation of the Rule.

(c) To the extent any amendment to this Agreement results in a change in the type of financial information or operating data provided pursuant to this Agreement, the first Annual Financial Information provided thereafter shall include a narrative explanation of the reasons for the amendment and the impact of the change.

(d) If an amendment is made to the basis on which financial statements are prepared, the Annual Financial Information for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. Such comparison shall include a quantitative and, to the extent reasonably feasible, qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information.

Section 3.03. Benefit; Third Party Beneficiaries; Enforcement.

(a) The provisions of this Agreement shall inure solely to the benefit of the Trustee and the Holders from time to time of the 2025 Bonds, except that Beneficial Owners of 2025 Bonds shall be third party beneficiaries of this Agreement.

(b) Except as provided in this subsection (b), the provisions of this Agreement shall create no rights in any person or entity. The obligations of the Corporation to comply with the provisions of this Agreement shall be enforceable (i) in the case of enforcement of obligations to provide financial statements, financial information, operating data and notices, by any Beneficial Owner of Outstanding 2025 Bonds, or by the Trustee on behalf of the Holders of Outstanding 2025 Bonds, or, (ii) in the case of challenges to the adequacy of the financial statements, financial information and operating data so provided, by the Trustee on behalf of the Holders of Outstanding 2025 Bonds; provided, however, that the Trustee shall not be required to take any enforcement action except at the written direction of the Holders of not less than a majority in aggregate principal amount of the 2025 Bonds at the time Outstanding who shall have provided the Trustee with adequate security and indemnity. The rights of the Beneficial Owners, Holders and Trustee to enforce the provisions of this Agreement shall be limited solely to a right, by action in mandamus or for specific performance, to compel performance of the Corporation's obligations under this Agreement and the Corporation, its directors, officers and employees shall incur no liability under this Agreement by reason of any act or failure to act hereunder. Without limiting the generality of the foregoing and except as otherwise provided in the Indenture and in Section 5.01 hereof with respect to the Trustee, neither the commencement nor the successful completion of an action to compel performance under this Section shall entitle the Trustee or any other person to attorney's fees, financial damages of any sort or any other relief other than an order or injunction compelling performance.

(c) Any failure by the Corporation or the Trustee to perform in accordance with this Agreement shall not constitute a default or an Event of Default under the Indenture, and the rights and remedies provided by the Indenture upon the occurrence of a default or an Event of Default shall not apply to any such failure.

(d) This Agreement shall be construed and interpreted in accordance (i) interpretive guidance and no-action letters published from time to time by the SEC and its staff or the MSRB and its staff with

respect to the Rule or EMMA, as the case may be, and (ii) the laws of the Commonwealth of Kentucky. Any suits and actions arising out of this Agreement shall be instituted in a court of competent jurisdiction in the Commonwealth of Kentucky.

ARTICLE IV

DEFINITIONS

Section 4.01. Definitions. The following terms used in this Agreement shall have the following respective meanings:

“Annual Financial Information” means, with respect to the Corporation, for each fiscal year of the Corporation, the Corporation’s Audited Financial Statements, if available, by the date which is no later than nine (9) months after the end of the Corporation’s fiscal year (or Unaudited Financial Statements if Audited Financial Statements are not available by such date), together with the financial information and operating data of the type contained in the following sections of the Official Statement: **“SECURITY AND SOURCES OF PAYMENT – Valuation of Assets”, “ORIGINATION, SECURITIZATION AND SERVICING OF MORTGAGE LOANS AND GUARANTEED MORTGAGE SECURITIES – Guaranteed Mortgage Securities Balances Outstanding Under the General Indenture”** and **“CERTAIN ADDITIONAL INFORMATION REGARDING THE CORPORATION AND ITS PROGRAMS”** in *Appendix D*.

“Audited Financial Statements” means the annual financial statements, if any, of the Corporation, audited by such auditor as shall be required or permitted by Commonwealth law or the Indenture. Audited Financial Statements shall be prepared in accordance with GAAP; provided, however, that the Corporation may from time to time, if required by federal or Commonwealth legal requirements, modify the basis upon which its financial statements are prepared. Notice of any such modification shall be provided to the MSRB in Prescribed Form in accordance with EMMA, and shall include a reference to the specific federal or Commonwealth law or regulation describing such accounting basis.

“Beneficial Owner” means any person or entity who has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any 2025 Bonds, including persons holding such 2025 Bonds through nominees or depositories, but not including nominees or depositories holding 2025 Bonds in their capacity as nominees or depositories.

“EMMA” means the Electronic Municipal Market Access facility for municipal securities disclosure of the MSRB, located as of the date hereof at www.emma.msrb.org.

“Event” means any of the following events with respect to the 2025 Bonds:

- (i) principal and interest payment delinquencies;
- (ii) non payment related defaults, if material;
- (iii) unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) substitution of credit or liquidity providers, or their failure to perform;
- (vi) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of any tax exempt 2025 Bonds, or other material events affecting the tax status of any tax exempt 2025 Bonds;
- (vii) modifications to rights of Bond Holders, if material;
- (viii) bond calls, if material, and tender offers (except in the case of a mandatory, scheduled redemption, not otherwise contingent upon the occurrence of an event, if the terms under which the

redemption is to occur are set forth in detail in the Official Statement and the only open issue is which 2025 Bonds will be redeemed in the case of a partial redemption, provided notice of the redemption is given to the Bondholders and the public); (See Exchange Act Release No. 23856, Dec. 3, 1986);

(ix) defeasances;

(x) release, substitution, or sale of property securing repayment of the 2025 Bonds, if material;

(xi) rating changes;

(xii) bankruptcy, insolvency, receivership or similar event of the obligated person (Note: For the purposes of this event, the event is considered to occur when any of the following occur: The appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person);

(xiii) a final, nonappealable judgment or order for the payment of money in excess of Five Million Dollars in the aggregate payable from assets pledged under the General Indenture or two or more final, nonappealable judgments or orders for the payment of money in excess of Ten Million Dollars in the aggregate payable from assets pledged under the General Indenture, which judgments or orders shall have been unsatisfied or unstayed for a period of thirty (30) days;

(xiv) the consummation of a merger, consolidation, or acquisition involving the Corporation or the sale of all or substantially all of the assets of the Corporation, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

(xv) appointment of a successor or additional trustee or the change of name of a trustee, if material;

(xvi) incurrence of a Financial Obligation of the Corporation, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Corporation, any of which affect security holders, if material; and

(xvii) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Corporation, any of which reflect financial difficulties.

“Event Notice” means written or electronic notice of an Event.

“GAAP” means generally accepted accounting principles as prescribed for governmental units by the Governmental Accounting Standards Board.

“MSRB” means the Municipal Securities Rulemaking Board.

“Financial Obligation” means a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii). The term Financial Obligation shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

“Official Statement” means the “final official statement”, as defined in paragraph (f)(3) of the Rule, relating to the 2025 Bonds, dated _____, 2025.

“Prescribed Form” means in such electronic format and accompanied by such identifying information as shall have been prescribed by the MSRB and which shall be in effect on the date of filing of such information.

“Rule” means Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934 (17 CFR Part 240.15c2-12), as in effect on the date of this Agreement, including any official interpretations thereof.

“SEC” means the United States Securities and Exchange Commission.

“Securities Counsel” means counsel recognized as expert in federal securities laws and reasonably acceptable to the Trustee.

“Unaudited Financial Statements” means the same as Audited Financial Statements, except that they shall not have been audited.

ARTICLE V

MISCELLANEOUS

Section 5.01 Duties, Immunities and Liabilities of Trustee. The Trustee shall have only such duties under the Agreement as are specifically set forth in this Agreement, and the Corporation agrees to indemnify and save, but solely from the property and funds pledged under the Indenture, the Trustee, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorney’s fees) of defending against any claim of liability, but excluding liabilities due to the Trustee’s negligence or willful misconduct in the performance of its duties hereunder. Any successor to the Trustee pursuant to the General Indenture shall also be the Trustee’s successor under this Agreement without execution of any document. The Trustee shall be entitled to the same protections, immunities and indemnities in so acting under this Agreement as it has in acting as Trustee under the Indenture, including its right to compensation thereunder for any services it performs hereunder.

Section 5.02 Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties have each caused this Agreement to be executed by their duly authorized representatives, all as of the date first above written.

[Signatures Omitted].

APPENDIX F

BOOK-ENTRY SYSTEM

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the 2025 Bonds. The 2025 Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered 2025 Bond certificate will be issued for each maturity of each series of the 2025 Bonds, each in the aggregate principal amount of such maturity and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of “AA+.” The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com (information on the DTC website is not a part of this Official Statement).

Purchases of the 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2025 Bonds on DTC’s records. The ownership interest of each actual purchaser of each 2025 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the 2025 Bonds, except in the event that use of the book-entry system for the 2025 Bonds is discontinued.

To facilitate subsequent transfers, all 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2025 Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of 2025 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2025 Bonds, such as redemptions, tenders, defaults and proposed amendments to the Bond documents. For example, Beneficial Owners of 2025 Bonds may wish to ascertain that the nominee holding the 2025 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the 2025 Bonds of the same series and maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series and maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Corporation as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, redemption price and interest payments on the 2025 Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Corporation or the Trustee, on each payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the Corporation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, redemption price (if applicable) and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Corporation or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to Beneficial Owners is the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the 2025 Bonds at any time by giving reasonable notice to the Corporation or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, 2025 Bond certificates are required to be printed and delivered.

The Corporation may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor depository). In that event, 2025 Bond certificates will be printed and delivered to DTC.

The information in this Appendix concerning DTC and DTC's book-entry system has been obtained from sources that the Corporation believes to be reliable, but the Corporation takes no responsibility for the accuracy thereof.

The Corporation, Bond Counsel, the Trustee and the Underwriter cannot and do not give any assurances that the DTC Participants will distribute to the Beneficial Owners of the 2025 Bonds: (i) payments of principal of or interest on the 2025 Bonds; (ii) certificates representing an ownership interest or other confirmation of Beneficial Ownership interests in the 2025 Bonds; or (iii) redemption or other notices sent to DTC or its nominee, as the Registered Owners of the 2025 Bonds; or that they will do so on a timely basis or that DTC or its participants will serve and act in the manner described in this Official Statement. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

None of the Corporation, Bond Counsel, the Trustee or the Underwriter will have any responsibility or obligation to such DTC Participants (Direct or Indirect) or the persons for whom they act as nominees with respect to: (i) the 2025 Bonds; (ii) the accuracy of any records maintained by DTC or any DTC Participant; (iii) the payment by any DTC Participant of any amount due to any Beneficial Owner in respect of the principal amount of or interest on the 2025 Bonds; (iv) the delivery by any DTC Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the General Indenture to be given to Registered Owners; (v) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the 2025 Bonds; or (vi) any consent given or other action taken by DTC as Registered Owner.

In reading this Official Statement, it should be understood that while the 2025 Bonds are in the Book Entry system, references in other sections of this Official Statement to Registered Owner should be read to include the Beneficial Owners of the 2025 Bonds, but: (i) all rights of ownership must be exercised through DTC and the Book Entry system; and (ii) notices that are to be given to Registered Owners by the Corporation or the Trustee will be given only to DTC.

APPENDIX G

SUMMARY OF CERTAIN MORTGAGE INSURANCE AND SECURITY GUARANTY PROGRAMS

Introduction

The United States Department of Housing and Urban Development (“HUD”), created by the Housing and Urban Development Act of 1965, is responsible for the administration of various federal programs authorized under the National Housing Act of 1934, as amended (the “National Housing Act”), and the United States Housing Act of 1937, as amended. The Department of Veterans Affairs (“VA”) administers the mortgage guarantee program authorized under the Servicemen’s Readjustment Act of 1944, as amended (the “Servicemen’s Readjustment Act”). The Cranston-Gonzalez National Affordable Housing Act of 1990 authorized the establishment of FmHA Guaranteed Rural Housing Loan Program. These programs may be financed by annual appropriations from Congress, as well as by mortgage insurance premiums and fees; subsidies and insurance payments are in some cases made from trust funds established under the various programs.

Following is a summary of programs relating to mortgages which the Corporation may finance under the Program and is only a brief outline and does not purport to summarize or describe all of the provisions of such programs. For a more complete description of the terms of such programs, reference is made to the provisions of the contracts embodied in the regulations of the FHA, the VA and the USDA/RD, respectively, and of the regulations, master insurance contracts and other such information of the various private mortgage insurers and federal government guarantors.

Federal Authorization and Funding

The continued availability of certain governmental mortgage insurance and guarantee programs depends on periodic action by the United States Congress and the President, which action may be influenced by federal fiscal and budgetary considerations and controversies. In addition, other funding made available to, or administered by, the Corporation may be curtailed or provided in a different manner. It is not possible to predict what effect, if any, future governmental action may have on the ability of the Corporation to purchase insured or guaranteed mortgage loans or on its other operations.

Federal Housing Administration Mortgage Insurance Programs

The National Housing Act authorizes various Federal Housing Administration (“FHA”) mortgage insurance programs, which differ in some respects depending primarily upon whether the premises contain five or more dwelling units or less than five such units. FHA imposes loan-to-value ratio limitations and other requirements on all single family mortgage loans it insures. Under the Section 203(b) program, which is the most widely used FHA insurance program, FHA insures mortgage loans of up to 30 years’ duration for the purchase of one-to-four family dwelling units. The maximum loan-to-value factor for one-family residences may generally not exceed an amount equal to 96.50% of the appraised value of the property, plus the initial FHA insurance premium. In addition, loans under the Section 203(b) program, together with any subordinate loans, may not exceed 100% of the appraised value of the property and the mortgagor must pay, at a minimum, 3.50% of the lesser of the appraised value or the sales price of the property.

Insurance benefits are payable only upon foreclosure (or other acquisition of possession) and conveyance of the premises to FHA or if the servicer elects to use FHA’s Claim Without Conveyance of Title (CWCOT) program upon completion of the foreclosure action. Assignment of a defaulted loan to FHA is not permitted. Insurance claims are paid by FHA in cash unless the insured specifically requests payment in debentures issued by FHA. FHA has the option at its discretion to pay insurance claims in cash or in such debentures. FHA debentures issued in satisfaction of FHA insurance claims bear interest payable semiannually on January 1 and July 1 of each year at the FHA debenture interest rate (which may be lower than the rate on the insured mortgage), which is the monthly average yield for the month in which the default on the mortgage occurred, on United States Treasury Securities adjusted to a constant maturity of 10 years.

When entitlement to insurance benefits results from foreclosure (or other acquisition of possession) and conveyance, the insurance payment is computed as of the date of the institution of foreclosure or the date of acquisition of the property, whichever is earlier, and the insured generally is not compensated for interest accrued and unpaid prior to that date. Under such circumstances, the amount of insurance benefits generally paid by FHA is equal to the unpaid principal amount of the mortgage loan adjusted to reimburse the mortgagee for certain tax, insurance and similar payments made by it and to deduct certain amounts received or retained by the mortgagee after default, plus reimbursement not to exceed two-thirds of the mortgagee's foreclosure costs. The regulations under all insurance programs described above provide that the insurance payment itself bears interest from the date of default by the mortgagor, which under HUD regulations will occur no less than 30 days after the due date of a mortgage payment to the date of payment of the claim at the same interest rate as the applicable HUD debenture interest rate determined in the manner set forth above.

When any property conveyed to FHA has been damaged by fire, earthquake, flood or tornado or the property has suffered damage due to failure of the mortgagee to make required inspections, it is required, as a condition to payment of an insurance claim, that such property be repaired by the mortgage lender prior to such conveyance. In some instances, when damage has resulted from failure of the mortgagee to inspect and preserve the property, FHA may deduct the amount of such damages from the insurance payment made by FHA.

The availability of FHA mortgage insurance depends on congressional action to increase the limitation on the aggregate amount of loan guarantees. The fees and standards for participation in FHA insurance programs may change as a result of congressional action or changes in regulations by HUD. It is not possible to predict the effect of legislative or regulatory action, if any, on the ability of the Corporation to purchase Mortgage Loans or Guaranteed Mortgage Securities.

Department of Veterans Affairs Mortgage Guaranty Program

The Servicemen's Readjustment Act, as amended, permits a veteran (or, in certain instances, the spouse of a veteran) to obtain a mortgage loan guaranty by the VA covering mortgage financing of the purchase of a one-to-four family dwelling unit. This program has no mortgage loan limits, requires no down payment from the purchaser and permits the guaranty of mortgage loans with terms limited by the estimated economic life of the property, up to approximately 30 years.

Under the VA's three tier guaranty system, the maximum guaranty allowed is based on the size of the mortgage loan. The Blue Water Navy Vietnam Veterans Act of 2019, effective January 1, 2020, eliminated county loan limits for certain veterans on loans greater than \$144,000. The current maximum guaranty is as follows: (i) for mortgage loans of \$45,000 or less, 50% of the loan; (ii) for mortgage loans greater than \$45,000 to \$56,250, an amount of \$22,500; (iii) for mortgage loans greater than \$56,250 to \$144,000, the lesser of 40% of the loan or \$36,000; and (iv) for loans greater than \$144,000, (x) 25% of the loan amount for veterans with full VA home loan guaranty entitlement and (y) 25% of the Freddie Mac conforming loan limits for veterans who have previously used and not restored the guaranty entitlement. The actual guaranty may be less than the maximum guaranty as described above in the event a veteran's guaranty entitlement previously used for a guaranteed loan has not been restored by the VA.

The liability on the guaranty is reduced or increased pro rata with any reduction or increase in the amount of the guaranteed indebtedness, but in no event will the amount payable on the guaranty exceed the amount of the original guaranty. Notwithstanding the dollar and percentage limitations of the guaranty, a mortgage holder will ordinarily suffer a monetary loss only where the difference between the unsatisfied indebtedness and the proceeds of a foreclosure sale of the mortgaged premises is greater than the original guaranty, as adjusted. The VA may, at its option and without regard to the guaranty, make full payment to a mortgagee of unsatisfied indebtedness on a mortgage upon its assignment to the VA. Under certain circumstances, a mortgagee is required to accept partial payments on a loan that is more than 60 days overdue.

When a VA loan is foreclosed, the VA must decide whether to (i) acquire the property and pay off the debt or (ii) not acquire the property through the "no bid" process. Under option (ii), the VA gives instructions to the mortgagee to make "no bid" at the foreclosure sale and pays the guaranty amount to the mortgagee, leaving the mortgagee responsible for the disposition of the property. Mortgagees may also "buy down" the veteran's indebtedness at the time of the foreclosure sale to convert a no bid into a VA acquisition. "No bids" are more likely

if the property has significantly declined in value, because the cost to the VA may be less than their expected cost to acquire, manage and dispose of the property.

**United States Department of
Agriculture/Rural Development
Guaranteed Rural Housing Loan Program**

The Cranston-Gonzalez National Affordable Housing Act of 1990 revised and expanded the interest assistance program for guaranteed loans pursuant to Section 502 of Title V of the Housing Act of 1949, as amended, by creating the Rural Development (formerly the FmHA) Guaranteed Rural Housing Loan Program, acting through the United States Department of Agriculture, (“USDA/RD”). A USDA/RD guaranty is supported by the full faith and credit of the United States and is available with mortgage loans for the acquisition of existing or newly constructed single family, nonfarm principal residences occupied by the borrower. Such mortgage loans are limited to properties in certain rural areas with populations not greater than 20,000 and to borrowers whose adjusted annual income does not exceed 115% of median area income.

The interest assistance paid monthly by USDA/RD to the loan servicer reduces the borrower’s effective interest rate. The amount of interest rate reduction is dependent upon the household’s annual income, which is recertified by the loan servicer annually. Legislation is annually introduced as part of the federal appropriation process which would provide additional funding; however there is no assurance that such legislation will be adopted.

The maximum loss payment pursuant to the USDA/RD guaranty is the lesser of (i) any loss of an amount equal to 90% of the principal amount actually advanced to the borrower or (ii) any loss sustained by the lender of an amount up to 35% of the principal amount actually advanced to the borrower, plus any additional loss sustained by the lender of an amount up to 85% of the remaining 65% of the principal amount actually advanced to the borrower. Under this program, “lender” includes a purchaser of a guaranteed loan, such as the Corporation. “Loss” includes only (i) principal and interest on the loan, (ii) if applicable, any loan subsidy due and owing, and (iii) any principal and interest indebtedness on USDA/RD-approved protective advances made for protection and preservation of the property, and (iv) certain foreclosure costs. Interest is covered to the date of final loss settlement upon lender’s liquidation of the property in an expeditious manner. If the property is sold in liquidation to a bona fide third-party purchaser, the net proceeds of such sale is the basis for calculating the loss to the lender. If the lender acquires the property in the liquidation process, the lender is allowed up to six months from the date the property is acquired to sell the property. The net payment will be based on the net proceeds received for the property. If no sale offer is accepted within six months, the basis for determining the loss to the lender is the current appraised market value of the property as of the date of acquisition by the lender, less the estimated liquidation costs, including an allowance for the estimated time the property will be held by the lender. USDA/RD does not accept conveyance of the property, but rather pays the lender’s claim upon foreclosure. The claim payment includes actual costs incurred by the lender, including interest expense, and an allowance for the costs associated with liquidating the property.

Private Mortgage Insurance

In general, private mortgage insurance (“PMI”) contracts provide for payment of insurance benefits to a mortgage lender upon the failure of a mortgagor to make any payment or to perform any obligation under the insured mortgage loan and the continuance of such failure for a stated period. Under most PMI policies, the maximum insurable amounts range from 90% to 95% of the appraised value or selling price for owner-occupied dwellings, whichever is lower. Requirements of borrower equity vary according to the percentage of the mortgage to be insured. Certain insurers will credit toward the value of the land to be improved, trade-in property or work equity, a specified percentage of this amount, if at least a minimum cash equity is met and the home is to be owner-occupied. Although there may be variations among insurers, available coverage by private mortgage insurers is generally limited to first mortgage loans or contracts on improved real estate, with amortization over the term of the loan or contract in substantially equal monthly payments, including accruals for taxes and insurance.

The Homeowners Protection Act of 1998 (the “HPA”) provides for cancellation of PMI upon the following: (i) at the homeowners request upon the date on which the principal balance of the mortgage loan is scheduled to reach 80% of the original value of the residence or the principal balance reaches 80% of the original value of the residence, (ii) automatically on the date on which the principal balance of the mortgage loan is scheduled to reach 78% of the original value of the residence, or if the borrower is not then current on his mortgage loan payments, on the date on which the mortgagor subsequently becomes current on such payments, or (iii) in any event, on the first day of the

month immediately following the date that is the midpoint of the amortization period of the mortgage loan if the mortgagor is then current on his mortgage loan payments. The HPA also requires that mortgagors be provided with certain disclosures and notices regarding termination and cancellation of private mortgage insurance.

Under the various policies, delinquencies must be reported to the insurer within a specified period of time after default, and proceedings to recover title are required to be commenced within a specified period of time after default. It is standard practice for private mortgage insurers to require that lending institutions, prior to presenting a claim under the mortgage insurance, acquire and tender to the private mortgage insurer title to the property, free and clear of all liens and encumbrances, including any right of redemption by the mortgagor. When such claim is presented, the private mortgage insurer will normally retain the option to pay the claim in full and take title to the property and arrange for its sale or pay the insured percentage of the claim and allow the insured mortgage lender to retain title to the property.

The amount of loss payable generally includes the principal balance due under the mortgage loan, plus accumulated interest, real estate taxes and hazard insurance premiums which have been advanced, expenses incurred in the preservation of the insured property, and other expenses necessarily incurred in the recovery proceedings, although in no event will the insurer be required to pay an amount which exceeds the coverage under a policy.

Prior to insuring loans for any mortgage lender, the insurer investigates and evaluates such mortgage lender in the areas of (a) quality of appraisal ability, (b) quality of underwriting ability, (c) net worth and quality of assets and (d) ability and past performance of servicing staff and adequacy of servicing procedures.

Ginnie Mae and the Ginnie Mae Securities

General. The summary of the Ginnie Mae Program, Ginnie Mae Securities and other documents referred to herein does not purport to be comprehensive and is qualified in its entirety by reference to the Ginnie Mae Guide (copies of which may be obtained from Ginnie Mae at the Office of Mortgage-Backed Securities, 451 Seventh Street, S.W., Washington, D.C. 20410) and to the Ginnie Mae Securities and other documents for full and complete statements of their provisions.

Ginnie Mae is a wholly owned corporate instrumentality of the United States of America within the Department of Housing and Urban Development ("HUD") whose principal office is located in Washington, D.C.

Ginnie Mae is authorized by Section 306(g) of Title III of the National Housing Act to guarantee the timely payment of the principal of, and interest on, securities that are based on and backed by trusts or pools composed of mortgage loans insured or guaranteed under the National Housing Act, Title V of the Housing Act of 1949, the Servicemen's Readjustment Act, Chapter 37 of Title 38 of the United States Code or Section 184 of the Housing and Community Development Act of 1992 or guaranteed by the USDA/RD under its guaranteed Single Family Rural Housing Program. Section 306(g) further provides that "the full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guaranty by Ginnie Mae."

There are two Ginnie Mae MBS programs, Ginnie Mae I and Ginnie Mae II. Any Ginnie Mae Security acquired pursuant to the Program will be a "fully modified pass-through" security (guaranteed by Ginnie Mae pursuant to its Ginnie Mae I or Ginnie Mae II MBS program) which will require the servicer to pass through to the holder thereof the regular monthly payments on the underlying mortgage loans (less the service fees), whether or not the servicer receives such payments from the mortgagors on the underlying mortgage loans, plus any unscheduled recoveries of principal of the mortgage loans received by the servicer during the previous month. In order to meet its obligations under such guaranty, Ginnie Mae, in its corporate capacity under Section 306(d) of Title III of the National Housing Act, may issue its general obligations to the United States Treasury Department in an amount outstanding at any one time sufficient to enable Ginnie Mae, with no limitations as to amount, to perform its obligations under its guaranty of the timely payment of the principal of and interest on the Ginnie Mae Security. The Treasury Department is authorized to purchase any obligations so issued by Ginnie Mae and has indicated in a letter, dated February 13, 1970, from the Secretary of the Treasury to the Secretary of HUD, that the Treasury Department will make loans to Ginnie Mae, if needed, to implement the aforementioned guaranty.

Under the terms of its guaranty, Ginnie Mae also warrants to the holder of the Ginnie Mae Security that, in the event Ginnie Mae is called upon at any time to make payment on its guaranty of the principal of and interest on the Ginnie Mae Security, it will, if necessary, in accordance with Section 306(d) of Title III of the National Housing

Act, apply to the Secretary of the United States Treasury Department for a loan or loans in amounts sufficient to make such payments of principal and interest.

Ginnie Mae shall have no responsibility to determine whether or not the Program complies with the requirements of the Code or whether or not interest on the Bonds may be exempt from federal income taxation. The payments due to the Trustee, as holder, pursuant to the terms of the Ginnie Mae Securities, will not change if the interest on the Bonds for any reason is determined to be subject to federal income taxation.

Servicing of the Mortgages. Under contractual agreements entered into by and between the servicer and Ginnie Mae, the servicer is responsible for servicing and otherwise administering the mortgage loans underlying the Ginnie Mae Securities in accordance with generally accepted practices of the mortgage banking industry and the Ginnie Mae Servicer's Guide (the "Ginnie Mae Guide").

The monthly remuneration of the servicer, for its servicing and administrative functions, and the guaranty fee charged by Ginnie Mae are based on the unpaid principal amount of the Ginnie Mae Securities outstanding. The Ginnie Mae Securities carry an interest rate that is below the interest rate on the underlying mortgage loans (after taking into account the servicing and guaranty fees which are deducted from payments on the mortgage loans before payments are passed through to the holder of the Ginnie Mae Security).

It is expected that interest and principal payments on the mortgage loans underlying the Ginnie Mae Securities received by the servicer will be the source of payments on the Ginnie Mae Securities. If such payments are less than what is due, the servicer is obligated to advance its own funds to ensure timely payment of all amounts coming due on the Ginnie Mae Securities. Ginnie Mae guarantees such timely payment in the event of the failure of the servicer to pay an amount equal to the scheduled payments (whether or not made by the mortgagors on the underlying mortgages).

The servicer is required to advise Ginnie Mae in advance of any impending or actual default on scheduled payments so that Ginnie Mae, as guarantor, will be able to continue such payments as scheduled on the applicable payment date. If, however, such payments are not received as scheduled, the holder has recourse directly to Ginnie Mae.

Default by Servicer. In the event of a default by the servicer, Ginnie Mae shall have the right, by letter to the servicer, to effect and complete the extinguishment of the servicer's interest in the mortgage loans underlying the Ginnie Mae Securities, and such mortgage loans shall thereupon become the absolute property of Ginnie Mae, subject only to the unsatisfied rights of the owner of the Ginnie Mae Security. In such event, Ginnie Mae will be the successor in all respects to the servicer with respect to the transaction and the agreements set forth or arranged for in the Ginnie Mae Guide.

Payment of Principal and Interest on the Ginnie Mae Securities. Under the Ginnie Mae I Program, the servicer makes separate payments, by the fifteenth day of each month, directly to each owner of Ginnie Mae Securities for each of the Ginnie Mae Securities held.

Payment of principal of each Ginnie Mae I Security and Ginnie Mae II Security is expected to commence on the fifteenth and twentieth day of the month, respectively, following issuance of such Ginnie Mae Security.

Each installment on a Ginnie Mae Security is required to be applied first to interest and then in reduction of the principal balance then outstanding on the Ginnie Mae Security. Interest is to be paid at the specified rate on the unpaid portion of the principal of the Ginnie Mae Security. The amount of principal due on the Ginnie Mae Security shall be in an amount at least equal to the scheduled principal amortization currently due on the mortgage loans. However, payment of principal and interest is to be adjustable as set forth below.

Each of the monthly installments on a Ginnie Mae Security is subject to adjustment by reason of any prepayments or other unscheduled recoveries of principal on the underlying mortgage loans. In any event, the servicer will pay to the holder of the Ginnie Mae Security monthly installments of not less than the interest due on the Ginnie Mae Security at the rate specified in the Ginnie Mae Security, together with any scheduled installments of principal, whether or not such interest or principal is collected from the mortgagors, and any prepayments or unscheduled recovery of principal. Final payment shall be made upon surrender of the outstanding Ginnie Mae Security.

Fannie Mae and the Fannie Mae Securities

The summary of the Fannie Mae MBS Program (as defined below), the Fannie Mae Securities and other documents referred to herein does not purport to be comprehensive and is qualified in its entirety by reference to the Fannie Mae Guides and the Fannie Mae Securities and other documents for full and complete statements of their provisions.

Fannie Mae Guaranteed Mortgage Securities Program. Fannie Mae is a federally government-sponsored enterprise organized and existing under the Federal National Mortgage Association Charter Act (12 U.S.C. Section 1716 et seq.). Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market. Fannie Mae is subject to the supervision and regulation of the Federal Housing Finance Corporation (“FHFA”) to the extent provided in the Housing and Economic Recovery Act of 2008 (“HERA”). The FHFA has placed Fannie Mae into conservatorship.

THE SECURITIES OF FANNIE MAE ARE NOT GUARANTEED BY THE UNITED STATES GOVERNMENT (INCLUDING THE DEPARTMENT OF THE TREASURY) AND DO NOT CONSTITUTE A DEBT OR AN OBLIGATION OF THE UNITED STATES OR ANY AGENCY OR INSTRUMENTALITY THEREOF, INCLUDING THE DEPARTMENT OF THE TREASURY AND FHFA, OTHER THAN FANNIE MAE.

Although the Secretary of the Treasury has certain discretionary authority to purchase obligations of Fannie Mae, neither the United States nor any agency thereof is obligated to finance Fannie Mae’s obligations or to assist Fannie Mae in any manner.

Fannie Mae has implemented a mortgage-backed securities program pursuant to which Fannie Mae issues securities backed by pools of mortgage loans (the “Fannie Mae MBS Program”). The obligations of Fannie Mae, including its obligations under the Fannie Mae Securities, are obligations solely of Fannie Mae and are not backed by, or entitled to, the full faith and credit of the United States.

The terms of the Fannie Mae MBS Program are governed by the Fannie Mae Guides, as modified by a Pool Contract, and, in the case of mortgage loans such as the Mortgage Loans, a Trust Indenture, dated as of November 1, 1981, as amended (the “Fannie Mae Trust Indenture”), and a supplement thereto to be issued by Fannie Mae in connection with each pool. The Fannie Mae MBS Program is further described in a prospectus issued by Fannie Mae (the “Fannie Mae Prospectus”). The Fannie Mae Prospectus is updated from time to time. No Fannie Mae Prospectus Supplement will be available as to any Fannie Mae Securities acquired pursuant to the Program.

Copies of the Fannie Mae Prospectus and Fannie Mae’s most recent annual and quarterly reports and proxy statement are available from Fannie Mae, Office of Investor Relations, 3900 Wisconsin Avenue, N.W., Washington, D.C. 20016.

Fannie Mae Securities. Any Fannie Mae Security acquired pursuant to the Program will represent the entire interest in a specified pool of conventional mortgage loans purchased by Fannie Mae from the servicer and identified in records maintained by Fannie Mae. The pool contract will require that each Fannie Mae Security be in a minimum amount of \$250,000. The conventional mortgage loans backing each Fannie Mae Security will bear interest at a specified rate per annum, and each Fannie Mae Security will bear interest at a lower rate per annum (the “pass-through rate”). The difference between the interest rate on the conventional mortgage loans and the pass-through rate on the Fannie Mae Security will be collected by the servicer and used to pay the servicer’s servicing fee and Fannie Mae’s guaranty fee. Fannie Mae may change such fee and impose other charges from time to time.

Fannie Mae will guarantee to the registered holder of the Fannie Mae Securities that it will distribute amounts representing scheduled principal and interest at the applicable pass-through rate on the conventional mortgage loans in the pools represented by such Fannie Mae Securities, whether or not received, and the full principal balance of any foreclosed or other finally liquidated mortgage loan, whether or not such principal balance is actually received. THE OBLIGATIONS OF FANNIE MAE UNDER SUCH GUARANTEES ARE OBLIGATIONS SOLELY OF FANNIE MAE AND ARE NOT BACKED BY, NOR ENTITLED TO, THE FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. IF FANNIE MAE WERE UNABLE TO SATISFY SUCH OBLIGATIONS, DISTRIBUTIONS TO THE REGISTERED HOLDER OF FANNIE MAE SECURITIES WOULD CONSIST SOLELY OF PAYMENTS AND OTHER RECOVERIES ON THE UNDERLYING MORTGAGE LOANS AND,

ACCORDINGLY, MONTHLY DISTRIBUTIONS TO THE HOLDER OF FANNIE MAE SECURITIES WOULD BE AFFECTED BY DELINQUENT PAYMENTS AND DEFAULTS ON SUCH MORTGAGE LOANS.

Payments on Mortgage Loans; Distributions on Fannie Mae Securities. Payments on a Fannie Mae Security are made to the owner thereof on the twenty-fifth day of each month (beginning with the month following the month such Fannie Mae Security is issued) or, if such twenty-fifth day is not a business day, on the first business day next succeeding such twenty-fifth day. With respect to each Fannie Mae Security, Fannie Mae will distribute to the beneficial owner an amount equal to the total of (i) the principal due on the mortgage loans in the related pool underlying such Fannie Mae Security during the period beginning on the second day of the month prior to the month of such distribution and ending on the first day of such month of distribution, (ii) the stated principal balance of any mortgage loan that was prepaid in full during the second month next preceding the month of such distribution (including as prepaid for this purpose any mortgage loan repurchased by Fannie Mae because of Fannie Mae's election to repurchase the mortgage loan after it is delinquent, in whole or in part with respect to four consecutive installments of principal and interest, or because of Fannie Mae's election to repurchase such mortgage loan under certain other circumstances as permitted by the Fannie Mae Trust Indenture), (iii) the amount of any partial prepayment of a mortgage loan received in the second month next preceding the month of distribution and (iv) one month's interest at the pass-through rate on the principal balance of the Fannie Mae Security as reported to the holder thereof in connection with the previous distribution (or, with respect to the first distribution, the principal balance of the Fannie Mae Security on its issue date).

For purposes of distributions, a mortgage loan will be considered to have been prepaid in full if, in Fannie Mae's reasonable judgment, the full amount finally recoverable on account of such mortgage loan has been received, whether or not such full amount is equal to the stated principal balance of the mortgage loan. Fannie Mae may, in its discretion, include with any distribution principal prepayments, both full and partial, received during the month prior to the month of distribution, but is under no obligation to do so.

Freddie Mac and Freddie Mac Certificates

General. The summary of the Federal Home Loan Mortgage Corporation ("Freddie Mac"), the Freddie Mac Guarantor Program, Freddie Mac Certificates and Freddie Mac's mortgage purchase and servicing standards does not purport to be complete and is qualified in its entirety by reference to Freddie Mac's current Mortgage Participation Certificates Offering Circular, any applicable Offering Circular and Pool Supplements, Freddie Mac's current Mortgage Participation Certificates Agreement, as amended, Freddie Mac's Information Statement, any Information Statement Supplements and any other documents made available by Freddie Mac. Copies of these documents can be obtained from Freddie Mac at 8200 Jones Branch Drive, McLean, Virginia 22102. At the time of printing this Official Statement, the documents mentioned above and general information regarding Freddie Mac can be accessed at <http://www.freddiemac.com>. However, the Corporation makes no representation regarding the content, accuracy or availability of any such document or any information provided at such web site. Such web site is not part of this Official Statement.

Freddie Mac is a shareholder-owned government-sponsored enterprise created on July 24, 1970 pursuant to the Federal Home Loan Mortgage Corporation Act and Title III of the Emergency Home Finance Act of 1970, as amended, 12 U.S.C. Sections 1451-1459 (the "Freddie Mac Act"). Freddie Mac is subject to the supervision and regulation of the Federal Housing Finance Corporation ("FHFA") to the extent provided in HERA. The FHFA has placed Freddie Mac into conservatorship.

The securities of Freddie Mac are not guaranteed by the United States government (including the Department of the Treasury) and do not constitute a debt or an obligation of the United States or any agency or instrumentality thereof, including the Department of the Treasury and FHFA, other than Freddie Mac.

Although the Secretary of the Treasury has certain discretionary authority to purchase obligations of Freddie Mac, neither the United States nor any agency thereof is obligated to finance Freddie Mac's obligations or to assist Freddie Mac in any manner.

Freddie Mac's statutory mission is to provide stability in the secondary market for home mortgages, to respond appropriately to the private capital market and to provide ongoing assistance to the home mortgage secondary market by increasing the liquidity of mortgage investments and improving the distribution of investment capital available for home mortgage financing. The principal activity of Freddie Mac consists of the purchase of first lien,

conventional, residential mortgages and participation interests in such mortgages from mortgage lending institutions and the resale of the whole loans and participations so purchased in the form of guaranteed mortgage securities (the “Freddie Mac Certificates”). Freddie Mac generally matches its purchases of mortgages with sales of Freddie Mac Certificates. Mortgages retained by Freddie Mac are financed with short- and long-term debt and equity capital.

Freddie Mac Certificates. Each Freddie Mac Certificate which qualifies as a Mortgage-Backed Security under the General Indenture will represent an undivided interest in a pool of fixed-rate, first-lien conventional mortgage loans or FHA- and VA-guaranteed mortgage loans, or participation interests therein. Freddie Mac guarantees to each registered holder of a Freddie Mac Certificate that it will distribute amounts representing such holder’s proportionate interest in interest payments on the mortgage loans in the pool represented by such Freddie Mac Certificates (less servicing and guarantee fees aggregating the excess of the interest on such mortgage loans over the Freddie Mac Certificates’ pass-through rate), whether or not such amount is actually received. With respect to certain Freddie Mac Certificates, Freddie Mac guarantees the holder’s proportionate interest in scheduled principal payments on such mortgage loans, if timely received, and also guarantees ultimate collection of scheduled principal payments, prepayments of principal and the remaining principal balance in the event of a foreclosure or other disposition of a mortgage loan. With respect to such Freddie Mac Certificates, Freddie Mac may remit the amount due on account of its guarantee of collection of principal at any time after default on an underlying mortgage, but not later than (i) 30 days following foreclosure sale, (ii) 30 days following payment of the claim by any mortgage insurer or (iii) 30 days following the expiration of any right of redemption, whichever occurs later, but in any event no later than one year after demand has been made upon the mortgagor for accelerated payment of principal. Freddie Mac Certificates may also include those Freddie Mac Certificates (the “Fully Guaranteed Freddie Mac Certificates”) as to which Freddie Mac has guaranteed the timely payment of the holder’s proportionate interest in scheduled principal payments on the underlying mortgage loans, as calculated by Freddie Mac.

THE OBLIGATIONS OF FREDDIE MAC UNDER ITS GUARANTEES ARE OBLIGATIONS SOLELY OF FREDDIE MAC AND ARE NOT BACKED BY, OR ENTITLED TO, THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. IF FREDDIE MAC WERE UNABLE TO SATISFY SUCH OBLIGATIONS, DISTRIBUTIONS TO THE REGISTERED HOLDERS OF FREDDIE MAC CERTIFICATES WOULD CONSIST SOLELY OF PAYMENTS AND OTHER RECOVERIES ON THE UNDERLYING MORTGAGE LOANS AND, ACCORDINGLY, MONTHLY DISTRIBUTIONS TO THE HOLDERS OF FREDDIE MAC CERTIFICATES WOULD BE AFFECTED BY DELINQUENT PAYMENTS AND DEFAULTS ON SUCH MORTGAGE LOANS.

Conforming Loan Limits. The Freddie Mac Act limits the maximum original principal amount of single-family mortgages that Freddie Mac may purchase. These limits are referred to as “conforming loan limits.” For loans delivered during 2024, Freddie Mac’s conforming loan limit for a first lien conventional single-family mortgage is \$766,550 for a one-family dwelling in the Commonwealth. The conforming loan limit for second-lien mortgages is 50 percent of the limit for first-lien mortgages on one-family dwellings. When Freddie Mac purchases both the first-lien and second-lien mortgage on the same property, the Freddie Mac Act provides that the total amount Freddie Mac may purchase may not exceed the applicable conforming loan limit.

The Freddie Mac Act also prohibits Freddie Mac from purchasing first-lien conventional single-family mortgages if the outstanding principal balance at the time of purchase exceeds 80 percent of the value of the real property securing the mortgage unless Freddie Mac has a level of credit protection (such as mortgage insurance from an approved mortgage insurer, a seller’s agreement to repurchase or replace any mortgage that has defaulted) or the retention of at least a 10 percent participation interest in the mortgages by the seller. This requirement does not apply to FHA- or VA-guaranteed mortgage loans.

The single-family mortgages purchased and guaranteed by Freddie Mac generally are subject to the credit, appraisal, underwriting and other purchase policies and guidelines set forth in Freddie Mac’s Single-Family Seller/Servicer Guide. Freddie Mac may modify these guidelines or grant waivers for certain mortgages that it purchases.

Servicing of the Mortgages. Freddie Mac services or supervises the servicing of the mortgages it purchases. In performing its servicing responsibilities, Freddie Mac may employ servicing agents or independent contractors. Each such servicer generally is required to perform all activities concerning the calculation, collection and processing of mortgage payments and related borrower inquiries, as well as all mortgage administrative responsibilities, including claims collection, workouts, foreclosures and reports. Servicers service mortgages, either directly or through approved

sub servicers, and receive fees for their services. Freddie Mac monitors a servicer's performance through periodic and special reports and inspections to ensure it complies with its obligations. Freddie Mac will retain from monthly interest payments on each mortgage a management and guarantee fee, which equals any interest received by Freddie Mac from the servicer over the amount of interest payable to holders of the Freddie Mac Certificate.

Property Insurance Requirements for Mortgage Loans

Primary Hazard Insurance. Each Mortgage Loan must contain covenants relating to insurance of the residence. The coverage must include all fire and extended coverage risks customarily insured against in the geographical area in which the residence is located. The insurance policy must provide, as a minimum, fire and extended coverage insurance in an amount at least equal to the lesser of the unpaid principal amount of the Mortgage Loan from time to time outstanding or the full replacement cost of the residence and other improvements on said property (but in no event shall the amount required be greater than the maximum insurable value of such residence and other improvements). Such insurance must be in effect (or there must be a binder for the issuance of the same) on the date of delivery of the Mortgage Loan to the Corporation; the coverage provided thereby must meet the requirements, if applicable, of FHA, VA, USDA/RD or the private mortgage insurer. Each hazard insurance policy must be written by an insurance carrier licensed or authorized by law to transact business in Nebraska, and the policy must contain a standard mortgagee clause naming the Corporation as an insured and provide notice to the Corporation at least 10 days in advance of the effective date of any reduction in coverage or cancellation of the policy.

Unless the servicer maintains a mortgagee single-interest hazard insurance policy (with the Corporation named as additional insured in the case of Mortgage Loans that are not represented by, or supporting, a mortgage-backed security) insuring the servicer against loss from a mortgagor's failure to maintain a hazard insurance policy, the mortgagor will be required to escrow hazard insurance premiums on a monthly basis with the servicer, and the servicer will retain possession of the insurance policy and be responsible for assuring that such insurance is in force and effect.

In general, a standard form of fire and extended coverage policy covers physical damage to, or destruction of, the improvements on the property by fire, lightning, explosion, smoke, windstorm, hail, riot, vandalism, aircraft, vehicles, theft and civil commotion, subject to the conditions and exclusions particularized in each policy. Although policies relating to different Mortgage Loans may be issued by different insurance companies and, therefore, may have minor differences in coverage, the basic terms are dictated by Nebraska law. Policies typically exclude physical damage resulting from the following: enemy attack by armed forces, invasion, insurrection, rebellion, revolution, civil war, usurped power, floods and water damage, power interruption, earth movement, nuclear reaction and neglect. In addition, such policies typically exclude losses which occur while the hazard is increased by any means within the control or knowledge of the insured or while the premises are vacant or unoccupied beyond a period of 30 consecutive days.

Special Hazard Insurance. To the extent required by the Corporation, a separate special hazard insurance policy may be obtained to provide protection with respect to direct physical loss arising from perils not insured under the primary hazard insurance as described above and losses that may result from the application of a coinsurance clause with respect to a defaulted mortgage loan secured by damaged property. However, certain perils are not insured under special hazard insurance such as loss resulting from fraudulently created loans, war, certain governmental actions, nuclear reaction or radiation and damage by flood to the extent covered by required flood insurance as described below.

Uninsured Casualties. Certain risks, including, but not limited to, losses attributable to nuclear reaction or radiation or losses caused by hostile or warlike action, or attributable to insurrection, revolution or civil war, are normally not covered by the insurance policies described above. To the extent any of such uninsured risks occur or claims do not result in full recoveries or the required insurance is not purchased or maintained with respect to a significant number of mortgage loans, the security for the Bonds may be impaired.

Flood Insurance. Each Residence which is in a "designated flood hazard area," as that term is defined under the National Flood Insurance Program, must be insured from loss by floods in an amount equal to the maximum insurance available under the National Flood Insurance Program.

Servicer's Obligations Regarding Insurance. The servicer of Mortgage Loans is required to use its best efforts to maintain in effect, or to require the mortgagor to maintain, the primary hazard and flood insurance required under the Program on all residences as long as the Bonds are outstanding. In addition, the servicer is obligated to perform its duties in a manner which will preserve all claims against insurers.

Errors and Omissions Insurance; Fidelity Insurance; Theft and Forgery Insurance. The Master Servicer is required to maintain in full force and effect, at its own expense, errors and omissions insurance, fidelity insurance (or a direct surety bond) and theft and forgery insurance on those of its officers and employees having access to any amounts paid by mortgagors under the Program. The Master Servicer may provide such insurance under any blanket policy or policies which it customarily carries.

Servicemembers Civil Relief Act of 2003

The Servicemembers Civil Relief Act of 2003 (the "SCRA") protects service men and women called to active military duty by suspending enforcement of civil liabilities through foreclosure and providing relief from current obligations. The SCRA revises and replaces the Soldiers' and Sailors' Civil Relief Act of 1940. Except in certain limited circumstances, the SCRA provides that no obligation or liability incurred by a person on active military duty before the member entered active military duty shall bear interest at a rate in excess of 6% per annum during the period of active duty (and in the case of a mortgage obligation, one year thereafter). The benefits of such act constitute a forgiveness of the obligation in excess of 6% per annum, rather than a forbearance of collection. The Corporation is unable to predict whether the SCRA will have any adverse effect on the Corporation's ability to pay debt service on the Bonds or whether the provisions of the SCRA may be modified in the future.
