**RATING: Moody's "Aaa/VMIG 1"
See "RATING" herein.**

In the opinion of Bass, Berry & Sims PLC, Bond Counsel, under existing laws, regulations, rulings and judicial decisions and assuming the accuracy of certain representations and continuing compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes, except for interest on any Bond for any period during which such Bond is held by a "substantial user" of the facilities financed by the Bonds or a "related person" within the meaning of Section 147(a) of the Internal Revenue Code of 1986, as amended. Additionally, interest on the Bonds is not a specific preference item for purposes of the federal alternative minimum tax, except as discussed herein. Bond Counsel is further of the opinion that, under existing law, the Bonds and the interest on the Bonds are exempt from all state, county and municipal taxation in the State of Tennessee, except for inheritance, estate, gift and certain other transfer taxes and except to the extent that interest on the Bonds is included within the measure of certain franchise and excise taxes imposed under Tennessee law. For a more complete description, see "TAX MATTERS" herein.

At all times the Bonds will be secured by Eligible Investments or other Eligible Funds sufficient, along with earnings thereon (without the need for reinvestment), to pay all of the interest on the Bonds when due and to pay the principal of the Bonds at the earlier of the Initial Mandatory Tender Date or any preceding Mandatory Tender Date or Redemption Date, as further described herein. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS" herein.

THE BONDS, THE PRINCIPAL OF AND THE INTEREST THEREON ARE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED TO SUCH PURPOSES IN THE MANNER AND TO THE EXTENT PROVIDED IN THE INDENTURE AND NO OTHER REVENUES OR ASSETS OF THE ISSUER. **The Health, Educational and Housing Facility Board of
the City of Chattanooga, Tennessee
Multifamily Housing Revenue Bonds
(One Westside Phase 1B Project)
Series 2024**

INTRODUCTION

This Official Statement (this “Official Statement”) has been prepared in connection with the issuance of the above-captioned Bonds (the “Bonds”) by The Health, Educational and Housing Facility Board of the City of Chattanooga, Tennessee (the “Issuer”), a public nonprofit corporation and instrumentality of the State of Tennessee (the “State”). The Board of the Issuer has authorized the issuance of the Bonds by its duly adopted Resolution dated _____, 2024 (the “Resolution”) and the Bonds are issued pursuant to a Trust Indenture dated as of November 1, 2024 (the “Indenture”), by and between the Issuer and U.S. Bank Trust Company, National Association, a national banking association, as trustee (the “Trustee”). Certain capitalized terms that are used in this Official Statement and not otherwise defined shall have the definitions ascribed to them in “APPENDIX A — DEFINITIONS OF CERTAIN TERMS” hereto.

The Bonds are to be issued pursuant to Title 48, Chapter 101, Part 3 of the Tennessee Code Annotated, as amended and supplemented from time to time (the “Act”), for the purpose of providing funds to make a loan (the “Loan”) to One Westside Phase 1B, LP, a Tennessee limited partnership (the “Borrower”), to enable the Borrower to pay a portion of the cost of acquiring, constructing and equipping a 166-unit multifamily residential rental project located in Chattanooga, Tennessee, and known as One Westside Phase 1B (the “Project”). See “PRIVATE PARTICIPANTS” and “THE PROJECT” herein.

The Loan will be made to the Borrower under a Loan Agreement dated as of November 1, 2024 (the “Loan Agreement”), by and between the Issuer and the Borrower. Pursuant to the Loan Agreement, the Borrower has agreed to make payments to the Issuer in amounts sufficient to pay the principal of and interest on the Bonds when due (the “Bond Service Charges”) to the extent that amounts otherwise available for such payment are insufficient therefor. The Loan will be evidenced by a promissory note in the principal amount of \$35,000,000* (the “Note”) from the Borrower to the Issuer and endorsed to the Trustee.

The aggregate funds and Eligible Investments on deposit in the Project Fund and the Collateral Fund will, at all times, equal the principal amount of Bonds Outstanding. Bond Service Charges will be paid from amounts on deposit in the Bond Fund, the Collateral Fund and the Project Fund, and investment earnings thereon. Amounts on deposit in the Collateral Fund, the Bond Fund and the Project Fund will be invested in Eligible Investments. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS” herein.

The Bonds shall bear interest on the outstanding principal amount thereof at a rate equal to the Initial Interest Rate set forth on the cover page hereof from the date of delivery to, but not including, June 1, 2028* (the “Initial Mandatory Tender Date”), payable on each June 1 and December 1, commencing June 1, 2025* (each an “Interest Payment Date”).

The Bonds are subject to mandatory tender for purchase, subject to satisfaction of the applicable terms and conditions set forth in the Indenture, on or prior to the Initial Mandatory Tender Date, including on the Conversion Date. All Bondholders must tender their Bonds for purchase on each Mandatory Tender Date, as set forth in the Indenture. A new interest rate for the Bonds may be determined on the Initial Remarketing Date in accordance with the terms of the Indenture. If the Bonds are remarketed on the Initial Mandatory Tender Date, the terms of the Bonds after such date may differ materially from the description provided in this Official Statement. Therefore, prospective

* Preliminary; subject to change.

purchasers of the Bonds on and after the Initial Mandatory Tender Date cannot rely on this Official Statement, but rather must rely upon any disclosure documents prepared in connection with such remarketing.

Subject to the satisfaction of certain conditions expected to be set forth in the Permanent Lender Commitment, if such commitment is provided, and the Permanent Loan Documents, if such documents are executed, the Permanent Lender is expected to agree to facilitate the financing of the Project in the Permanent Phase as described in the Indenture.

Brief descriptions of the Issuer, the Borrower, the Mortgage Lender, the Mortgage Loan, the Project, the Bonds, the security for the Bonds, the Indenture, the Loan Agreement and the Tax Regulatory Agreement are included in this Official Statement. The summaries herein do not purport to be complete and are qualified in their entirety by reference to such documents, agreements and programs as may be referred to herein, and the summaries herein of the Bonds are further qualified in their entirety by reference to the form of the Bonds included in the Indenture and the provisions with respect thereto included in the aforesaid documents.

In accordance with the Act, and by proper resolutions of the Issuer, the Issuer is authorized and empowered to issue the Bonds, to loan the proceeds thereof to the Borrower and to secure the Bonds by a pledge of the amounts payable by the Borrower under the Loan Agreement.

Power

The Issuer is authorized under the Act to carry out the public purposes described in the Act by issuance of its revenue bonds to provide funds for the financing of the acquisition, construction and equipping of multifamily housing facilities located in Chattanooga, Tennessee.

Although the Issuer is a public instrumentality of the City, the City is not liable for the payment of the principal of or interest on the Bonds or any other bonds of the Issuer, or for the performance of any pledge, mortgage, obligation or agreement undertaken by the Issuer under the Indenture, the Loan Agreement, or otherwise. The Issuer has other series of bonds outstanding for other parties. The Issuer has no taxing power.

Operation and Membership

The Act provides that the Issuer shall be governed by a board of not less than seven directors who are appointed by the Mayor of the City and approved by the City Council. Directors hold the office for a six-year term and receive no compensation except reimbursement for actual expenses incurred in the performance of their duties.

Indebtedness of the Issuer

The Issuer adopted a final bond resolution on _____, 2024.

The Issuer has previously issued and may in the future issue bonds to finance facilities, which may compete with the Project.

Each series of bonds issued by the Issuer is payable only from revenues provided by the entity on whose behalf such series was issued and general funds of the Issuer are not available for the payment of such bonds. The Issuer has no taxing power.

Limitations on Liability

The officers, agents, employees, directors and members of the Issuer shall not be personally liable for any costs, losses, damages or liabilities caused or incurred by the Issuer or the Trustee in connection with the Indenture or the Loan Agreement or for the payment of any obligation under the Indenture or the Loan Agreement.

THE ISSUER MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER CONCERNING THE ECONOMIC FEASIBILITY OF THE PROJECT OR THE CREDIT-WORTHINESS OF THE PROJECT, AND NO SUCH REPRESENTATION OR WARRANTY SHALL BE IMPLIED FROM THE ISSUANCE OF THE BONDS OR THE OTHER TRANSACTIONS DESCRIBED OR CONTEMPLATED HEREIN. THE ISSUER HAS NOT INDEPENDENTLY VERIFIED ANY INFORMATION CONTAINED IN THIS OFFICIAL STATEMENT OTHER THAN THE INFORMATION UNDER THIS CAPTION.

The Issuer has not prepared or assisted in the preparation of this Official Statement, including any financial information included herein or attached hereto; and, except for the information contained under this section, the Issuer is not responsible for any statements made in this Official Statement. Accordingly, the Issuer disclaims responsibility for the disclosures set forth in this Official Statement or otherwise made in connection with the offer, sale and distribution of the Bonds.

No agreement or obligation contained in the Indenture shall be deemed to be an agreement or obligation of any director, officer, employee, commissioner, servant or agent of the Issuer in his or her individual capacity, and neither the directors of the Issuer nor any officer thereof executing any Bond shall be liable personally on such Bond or be subject to any personal liability or accountability by reason of the issuance thereof. No director, officer, employee, commissioner, servant or agent of the Issuer shall incur any personal liability with respect to any other action taken by him or her pursuant to the Indenture.

EXCEPT FOR INFORMATION CONCERNING THE ISSUER IN THIS SECTION AND “ABSENCE OF LITIGATION” (WITH RESPECT TO THE ISSUER), NONE OF THE INFORMATION IN THIS OFFICIAL STATEMENT HAS BEEN SUPPLIED OR VERIFIED BY THE ISSUER, AND THE ISSUER MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

THE MORTGAGE LOAN, DEPOSITS INTO THE COLLATERAL FUND AND DISBURSEMENT OF BOND PROCEEDS

Shortly following the issuance of the Bonds, the Borrower expects to obtain a mortgage loan (the “Mortgage Loan”) from Truist Bank, in its capacity as maker of the Mortgage Loan (the “Mortgage Lender”) and an equity bridge loan (the “Equity Bridge Loan”) from Truist Bank, in its capacity as maker of the Equity Bridge Loan (the “Equity Bridge Lender”). Over time, Eligible Funds, including proceeds of the Mortgage Loan and the Equity Bridge Loan, are expected to be delivered to the Trustee for deposit into the Collateral Fund established by the Trustee under the Indenture. Upon the deposit of Eligible Funds into the Collateral Fund, and subject to the other applicable provisions set forth in the Indenture and the Loan Agreement, the Trustee shall disburse a like amount of Bond proceeds from the Project Fund to or at the direction of the Mortgage Lender or the Equity Bridge Lender, as applicable, for purposes of paying costs of the Project, all in accordance with the Loan Agreement and the Indenture. The maximum aggregate amount of funds representing proceeds of the Mortgage Loan and the Equity Bridge Loan to be delivered to the Trustee for deposit into the Collateral Fund will be \$35,000,000*.

Bond Service Charges shall be payable as they become due, (i) in the first instance from money on deposit in the Bond Fund (excluding the Negative Arbitrage Account therein), (ii) next from money on deposit in the Negative Arbitrage Account of the Bond Fund, (iii) next from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund and (iv) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund. The Indenture provides that the amount of funds disbursed from the Project Fund on any given date for payment of Qualified Project Costs shall at all times equal the amount of Eligible Funds deposited into the

* Preliminary; subject to change.

Collateral Fund in connection with such disbursement. Accordingly, the aggregate amount in the Collateral Fund and the Project Fund shall at all times equal 100% of the principal amount of the Bonds outstanding.

Notwithstanding any provision of the Loan Agreement or the Indenture to the contrary, the Trustee will not act upon the delivery of a certified copy of the request for disbursement of funds from the Project Fund, unless and until (i) an amount equal to or greater than the requested disbursement amount has been deposited into the Collateral Fund in accordance with the provisions of the Indenture and (ii) the Trustee has verified that the sum of the amount then held in the Collateral Fund and the amount then on deposit in the Project Fund, less the anticipated amount of the disbursement from the Project Fund, is at least equal to the then-outstanding principal amount of the Bonds. Neither the Mortgage Lender nor the Equity Bridge Lender will deliver Eligible Funds to the Trustee for deposit into the Collateral Fund until the Trustee has first confirmed this calculation to the Mortgage Lender or the Equity Bridge Lender, as applicable. Upon receipt of Eligible Funds, Trustee shall be unconditionally and irrevocably obligated to disburse Bond proceeds in the amount of such installment of Eligible Funds to pay for Costs of the Project as set forth in the Indenture.

Amounts on deposit in the Project Fund, the Bond Fund and the Collateral Fund will be invested on the Closing Date in Eligible Investments. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS — Investment of Bond Fund, Project Fund and Collateral Fund; Eligible Investments” herein.

THE BONDS

Terms of Bonds Generally

The Bonds shall be issued in Authorized Denominations and shall mature on June 1, 2048* (the “Maturity Date”). The Bonds are dated as of the Closing Date and shall bear interest at the Initial Interest Rate from the Closing Date, to but not including the Initial Mandatory Tender Date, payable on each Interest Payment Date, commencing June 1, 2025* and on each Mandatory Tender Date.

Interest on the Bonds shall be computed on the basis of a 360-day year of 12 months of 30 days each.

The principal of and interest on any of the Bonds shall be payable in lawful money of the United States of America. Except as described below under the subcaption “Book-Entry-Only System,” (a) the principal of any Bond shall be payable when due to a Holder upon presentation and surrender of such Bond at the Designated Office of the Trustee or at the office, designated by the Trustee, of any Paying Agent and (b) interest on any Bond shall be paid on each Interest Payment Date by check or draft which the Trustee shall cause to be mailed on that date to the Person in whose name the Bond is registered at the close of business of the Regular Record Date applicable to that Interest Payment Date on the Register at the address appearing therein.

Mandatory Tender

All Outstanding Bonds shall be subject to mandatory tender by the Holders for purchase in whole and not in part on each Mandatory Tender Date. The purchase price for each such Bond shall be payable in lawful money of the United States of America by check or draft, shall equal 100% of the principal amount to be purchased and accrued interest, if any, to the Mandatory Tender Date and shall be paid in full on the applicable Mandatory Tender Date.

The Mandatory Tender Dates shall consist of (i) the earliest of (A) the Initial Mandatory Tender Date, (B) the Conversion Date and (C) the Forward Commitment Maturity Date, and (ii) any subsequent dates for mandatory tender of the Bonds established by the Borrower with the consent of the Remarketing Agent in connection with a remarketing of the Bonds pursuant to the Indenture.

* Preliminary; subject to change.

While tendered Bonds are in the custody of the Trustee pending purchase pursuant to the Indenture, the tendering Holders thereof shall be deemed the owners thereof for all purposes, and interest accruing on tendered Bonds through the day preceding the applicable Mandatory Tender Date is to be paid to such tendering Holders as if such Bonds had not been tendered for purchase.

Notwithstanding anything in the Indenture to the contrary, any Bond tendered under this heading will not be purchased if such Bond matures or is redeemed on or prior to the applicable Mandatory Tender Date.

The Trustee shall utilize the following sources of payments to pay the tender price of the Bonds not later than 2:30 p.m. Local Time on the Mandatory Tender Date in the following priority: (i) amounts representing proceeds of remarketed Bonds deposited into the Remarketing Proceeds Account, to pay the principal amount, plus accrued interest, of Bonds tendered for purchase; (ii) on the Conversion Date, amounts on deposit in the Permanent Loan Purchase Fund, to pay the tender price of Bonds tendered for purchase in an amount equal to the Actual Project Loan Amount, (iii) on any Mandatory Tender Date other than the Conversion Date, amounts on deposit in the Collateral Fund, to pay the principal amount of Bonds tendered for purchase; (iv) amounts on deposit in the Negative Arbitrage Account of the Bond Fund to pay the accrued interest; if any, on Bonds tendered for purchase; (v) available interest earnings on amounts on deposit in the Project Fund to pay the accrued interest, if any, on the Bonds tendered for purchase and (vi) any other Eligible Funds available or made available for such purpose at the direction of the Borrower, with the consent of the Issuer.

Bonds shall be deemed to have been tendered for purposes of this heading whether or not the Holders shall have delivered such Undelivered Bonds to the Trustee and, subject to the right of the Holders of such Undelivered Bonds to receive the purchase price of such Bonds and interest accrued thereon to the Mandatory Tender Date, such Undelivered Bonds shall be null and void. If such Undelivered Bonds are to be remarketed, the Trustee shall authenticate and deliver new Bonds in replacement thereof pursuant to the remarketing of such Undelivered Bonds.

With respect to any mandatory tender on the Conversion Date, at the written direction of the Borrower, the Trustee shall sell or redeem Eligible Investments on deposit in the Project Fund and Collateral Fund and use the proceeds thereof, along with any deposit of Eligible Funds from the Borrower as required pursuant to the paragraph below, to redeem Bonds in excess of the Actual Project Loan Amount at the mandatory redemption price thereof.

In the event of a mandatory tender prior to the Initial Mandatory Tender Date, the Borrower shall comply with the provisions of the Indenture described under the heading “Investment of Bond Fund, Project Fund and Collateral Fund” in “APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE” hereto not less than two Business Days prior to the applicable Mandatory Tender Date.

Mandatory Tender Notice

Notice to Holders. Not less than thirty (30) days preceding a Mandatory Tender Date (or ten (10) days in connection with a Mandatory Tender Date that is the Conversion Date), the Trustee shall give written notice of mandatory tender to the Holders of the Bonds then Outstanding (with a copy to the Borrower, the Investor Limited Partner and the Remarketing Agent) by first class mail, postage prepaid, at their respective addresses appearing on the Register stating:

(i) the Mandatory Tender Date and that (a) all Outstanding Bonds are subject to mandatory tender for purchase on the Mandatory Tender Date, (b) all Outstanding Bonds must be tendered for purchase no later than 12:00 noon Local Time on the Mandatory Tender Date and (c) Holders will not have the right to elect to retain their Bonds;

(ii) the address of the Designated Office of the Trustee at which Holders should deliver their Bonds for purchase and the date of the required delivery;

(iii) that all Outstanding Bonds will be purchased on the Mandatory Tender Date at a price equal to the principal amount of the Outstanding Bonds plus interest accrued to the Mandatory Tender Date; and

(iv) any Bonds not tendered will nevertheless be deemed to have been tendered and will cease to bear interest from and after the Mandatory Tender Date.

Second Notice. In the event that any Bond required to be delivered to the Trustee for payment of the purchase price of such Bond shall not have been delivered to the Trustee on or before the twentieth (20th) day following a Mandatory Tender Date, the Trustee shall mail a second notice to the Holder of the Bond at its address as shown on the Register setting forth the requirements set forth in the Indenture for delivery of the Bond to the Trustee and stating that delivery of the Bond to the Trustee (or compliance with the provisions of the Indenture concerning payment of lost, stolen or destroyed Bonds) must be accomplished as a condition to payment of the purchase price applicable to the Bond.

Neither failure to give or receive any notice described in this heading, nor the lack of timeliness of such notice or any defect in any notice (or in its content) shall affect the validity or sufficiency of any action required or provided for in this heading.

Notice delivered as required under the Indenture with respect to a mandatory tender in connection with Conversion may be rescinded and annulled on or before the tender date set forth in such notice if Conversion does not occur by the Conversion Date.

Mandatory Redemption

The Bonds are subject to mandatory redemption, in whole, on any Mandatory Tender Date other than the Conversion Date, upon the occurrence of any of the following events: (i) the Borrower has not previously elected pursuant to the Indenture and the Loan Agreement to cause the remarketing of the Bonds, (ii) the conditions to remarketing set forth in the Indenture have not been met by the dates and times set forth therein, or (iii) the proceeds of a remarketing on deposit in the Remarketing Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Bonds on such Mandatory Tender Date. The Bonds shall be redeemed at a redemption price equal to 100% of the principal amount of such Bonds plus accrued interest to the applicable Redemption Date from funds on deposit in, or transferred from, the Bond Fund, the Collateral Fund, and the Project Fund.

Optional Redemption

The Bonds are subject to optional redemption prior to their maturity, at direction of the Borrower, either in whole or in part, on any date on or after the later to occur of (i) the date that the Project is placed in service, as certified in writing by the Borrower to the Trustee, and (ii) the Initial Mandatory Tender Date, at a redemption price equal to the principal amount of the Bonds to be redeemed, plus accrued interest, but without premium, to the applicable Redemption Date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (i) amounts on deposit in the Collateral Fund, (ii) amounts on deposit in the Bond Fund, other than funds in the Negative Arbitrage Account therein, (iii) amounts on deposit in the Project Fund, and (iv) any other Eligible Funds available or made available for such purpose at the direction of the Borrower.

For Bonds subject to optional redemption pursuant to this section, the Trustee shall give at least thirty (30) calendar days' notice (or, with respect to the Securities Depository, such shorter period in order to comply with the policies or procedures of the Securities Depository), in the name of the Issuer, of the redemption of the Bonds, which notice shall be provided to the Securities Depository and made available on the Electronic Municipal Market Access System (EMMA) of the Municipal Securities Rulemaking Board, specifying (i) the maturity and principal amounts of the Bonds to be redeemed; (ii) the CUSIP number, if any, of the Bonds to be redeemed; (iii) the date of such notice; (iv) the issuance date for such Bonds; (v) the interest rate on the Bonds to be redeemed; (vi) the planned Redemption Date; (vii) any conditions to the occurrence of the redemption (including whether such notice shall be subject to rescission if the conditions are not satisfied); (viii) the place or places where amounts due upon such redemption will be payable; (ix) the redemption price; (x) the Trustee's name and address with a contact and a phone number, if necessary or convenient as determined by the Trustee; and (xi) that on the Redemption Date, the redemption price shall be paid and from and after such date, interest on the Bonds so called for redemption shall cease to accrue, said Bonds (or portions thereof) shall cease to be entitled to any benefit or security under the Indenture, and the Owners of said Bonds shall have no rights in respect thereof except to receive payment of said redemption price. Neither the

giving of such notice by the Trustee nor the receipt of such notice by the Bondholder, nor any defect in such notice shall affect the sufficiency of the proceedings for redemption of any Bonds or constitute a condition precedent to the effectiveness of any such redemption. The Bonds to be redeemed in part pursuant shall be selected in accordance with the operational arrangements of DTC or any successor Securities Depository, and any payments in respect of a redemption in part shall be made in accordance with DTC procedures.

Book-Entry Only System

The following information on the Book-Entry System applicable to all Bonds has been supplied by DTC and none of the Issuer, the Borrower or the Underwriter make any representation, warranties or guarantees with respect to its accuracy or completeness.

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Bond certificate will be issued for each issue of the Bonds, each in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

General

The Bonds will be secured by all right, title and interest of the Issuer in the Trust Estate, including, but not limited to (i) all right, title and interest of the Issuer in and to all Revenues, derived or to be derived by the Issuer or the Trustee for the account of the Issuer under the terms of the Indenture and the Loan Agreement (other than the

Reserved Rights of the Issuer), together with all other Revenues received by the Trustee for the account of the Issuer arising out of or on account of the Trust Estate, (ii) all right, title and interest of the Issuer in and to the Note (other than the Reserved Rights of the Issuer) including all payments and proceeds with respect thereto or replacement thereof, (iii) all moneys (including Eligible Funds) which are at any time or from time to time on deposit in any fund or account created under the Indenture (excluding funds in the Costs of Issuance Fund (but only to the extent such moneys are not proceeds of the Bonds) and the Rebate Fund), (iv) all right, title and interest of the Issuer in and to, and remedies under, the Loan Agreement; and (v) all funds, moneys and securities and any and all other rights and interests in property whether tangible or intangible from time to time hereafter by delivery or by writing of any kind, conveyed, mortgaged, pledged, assigned or transferred as and for additional security under the Indenture for the Bonds by the Issuer or by anyone on its behalf or with its written consent to the Trustee, which is authorized by the Indenture to receive any and all such property at any and all times and to hold and apply the same subject to the terms of the Indenture (the foregoing collectively referred to as the “Trust Estate”).

THE BONDS, THE PRINCIPAL OF AND THE INTEREST THEREON ARE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED TO SUCH PURPOSES IN THE MANNER AND TO THE EXTENT PROVIDED IN THE INDENTURE AND NO OTHER REVENUES OR ASSETS OF THE ISSUER. THE BONDS, THE PRINCIPAL OF AND THE INTEREST THEREON DO NOT CONSTITUTE AN INDEBTEDNESS OR OBLIGATION OF THE STATE OF TENNESSEE, AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OF TENNESSEE IS PLEDGED TO THE PAYMENT OF PRINCIPAL OF OR INTEREST ON THE BONDS. THE ISSUER HAS NO TAXING POWER.

Repayment of Loan

The Loan Agreement and the Note obligate the Borrower to cause to be paid to the Trustee amounts which shall be sufficient to pay Bond Service Charges coming due on each Interest Payment Date. At all times the Eligible Funds required to be deposited into the Collateral Fund and amounts on deposit in the Bond Fund and the Project Fund, if any, along with interest earnings thereon (without the need for reinvestment), will be sufficient to pay such Bond Service Charges and such amounts will be a credit against the Borrower’s payment obligations under the Loan Agreement and the Note.

Investment of Bond Fund, Project Fund and Collateral Fund; Eligible Investments

On the Closing Date, all amounts on deposit in the Bond Fund and Collateral Fund will be invested in Eligible Investments. It is anticipated that all of the Bond proceeds in the Project Fund will be disbursed to pay Costs of the Project on and after the Closing Date and that Bond Service Charges will be paid from amounts on deposit in the Bond Fund and Collateral Fund and any investment earnings thereon.

Additional Bonds

No additional Bonds on parity with the Bonds may be issued pursuant to the Indenture.

PRIVATE PARTICIPANTS

The following information concerning the private participants has been provided by representatives of the private participants and has not been independently confirmed or verified by either the Underwriter or the Issuer. No representation is made herein as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

The Borrower

The Borrower is One Westside Phase 1B, LP, a Tennessee limited partnership, a single-asset entity formed for the specific purpose of developing and owning the Project. The general partner of the Borrower is One Westside IB GP Corporation, a Tennessee corporation (the “General Partner”), which will own a 0.01% interest in the Borrower and will have a 0.003% interest in profits, losses and tax credits. Columbia One Westside 1B Partners, LLC, a

Tennessee limited liability company is the Class B Limited Partner which will have a 0.007% interest in profits, losses and tax credits. It is expected that, concurrently with the closing of the Mortgage Loan, an entity (the “Investor Limited Partner”) to be formed and wholly owned by Truist Community Capital, LLC, a Georgia limited liability company, will acquire a 99.99% ownership interest in the Borrower. CDC Special Limited Partner, L.L.C. will not hold any ownership interest in the Borrower but will have certain rights under the Borrower’s Partnership Agreement.

The Investor Limited Partner

Shortly following the issuance of the Bonds, the Investor Limited Partner is expected to acquire a 99.99% ownership interest in the Borrower. In connection with such acquisition, the Investor Limited Partner is expected to fund approximately \$21,775,328* of federal low-income housing tax credit equity (the “Federal Tax Credit Equity”) to the Project, to be paid in stages during and after construction of the Project. These funding levels and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the estimates set forth herein and neither the Issuer nor the Underwriter makes any representation as to the availability of such funds.

The Developer and the Co-Developer

The developer of the Project is New Affordable Housing Partners, LLC, a Georgia limited liability company (the “Developer”), located in Atlanta, Georgia. The Developer is a successor of Columbia Residential that was started in 1991 and has 33 years of experience in affordable housing, public housing, and mix income multifamily developments. The Developer has developed over 11,000 units in four states and maintains an active pipeline. The Chattanooga Housing Authority will serve as co-developer of the Project (the “Co-Developer”).

Limited Assets and Obligation of Borrower, General Partner and Investor Limited Partner

The Borrower and the General Partner have no substantial assets other than the Project and do not intend to acquire any other substantial assets or to engage in any substantial business activities other than those related to the ownership of the Project. However, partners of the Developer, the Co-Developer, the General Partner, the Investor Limited Partner, and their affiliates are engaged in and will continue to engage in the acquisition, development, ownership and management of similar types of housing projects. They may be financially interested in, as officers, members or otherwise, and devote substantial time to, business and activities that may be inconsistent or competitive with the interests of the Project.

The obligations and liabilities of the Borrower under the Loan Agreement and the Note are of a non-recourse nature and are limited to the Project and moneys derived from the operation of the Project. Neither the Borrower nor its partners have any personal liability for payments on the Note to be applied to pay the principal of and interest on the Bonds. Furthermore, no representation is made that the Borrower has substantial funds available for the Project. Accordingly, neither the Borrower’s financial statements nor those of its partners are included in this Official Statement.

The Property Manager

The Borrower is expected to enter into a management agreement with Columbia Residential Properties, LLC, a Georgia limited liability company (the “Property Manager”) to manage the day-to-day operations of the Project. The Property Manager is an affiliate of the Developer. The Property Manager has been involved in the management of affordable housing since 1996. The Property Manager currently manages over 10,000 apartment units in Florida, Georgia, Louisiana and Texas.

* Preliminary; subject to change.

The General Contractor

The general contractor for the Project will be selected at the time of the closing of the Mortgage Loan. The General Contractor is expected to be experienced in the construction or rehabilitation of affordable apartment projects.

The Architect

The architect for the Project is Smith Gee Studio (the “Architect”). The Architect is not an affiliate of the Developer. The Architect has been a licensed architect for six years and has been the principal architect for 16 multifamily developments with a total of 3,177 units.

THE PROJECT

The following information concerning the Project has been provided by representatives of the Borrower and has not been independently confirmed or verified by either the Underwriter or the Issuer. No representation is made herein as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

The Project, known as One Westside Phase 1B, is located in Chattanooga, Tennessee, on an approximately 3.76-acre site. The Project contains 166 apartment units in three buildings located at 501 West 12th Street, Chattanooga, Tennessee. Common area improvements will include: five-story podium building, fitness center, lounge/club/café space, community room, resident lobby, mail and package rooms, and leasing office space. These common areas will have free and accessible internet connectivity for residents. Along the exterior wall that wraps around the building, there will be a mural showcasing the history and future of the Westside neighborhood. Unit amenities include: energy star appliances (range, dishwasher, refrigerator), washer and dryer hookups, nine foot ceilings, and high speed internet. There are 284 parking spaces for resident use only.

It is anticipated that construction will commence approximately five months following the issuance of the Bonds, upon funding of the initial installment of the Federal Tax Credit Equity, and that it will be completed approximately 21 months thereafter.

The unit type, the unit mix and approximate square footage for the units of the Project will be as follows:

Unit Type	Average Square Feet	Number of Units
1 BR/1 BA	785	68
2 BR/2 BA	1,088	91
3 BR/2 BA	1,413	7

¹ Subject to the satisfaction of the Conditions to Conversion, the Bonds may be subject to mandatory tender prior to the Initial Mandatory Tender Date with certain Eligible Funds, including the proceeds of a tax-exempt loan (the "Funding Loan") from a government-sponsored enterprise or institutional lender selected by the Borrower (the "Permanent Lender"). On such tender date, Bonds so tendered may be redeemed in part in an amount sufficient to reduce the outstanding principal balance thereof to \$18,000,000* and may be delivered in the form of a note evidencing the Funding Loan (the "Governmental Note") to the Permanent Lender.

² A portion of the Federal Tax Credit Equity is expected to be initially funded using the Equity Bridge Loan in the amount of \$14,000,000*, which will be repaid with capital contributions from the Investor Limited Partner.

All costs of issuing the Bonds, including the Underwriter's fee, will be paid by the Borrower.

The Mortgage Loan. The Project is expected to utilize a construction loan in the principal amount of up to \$21,000,000* (the "Mortgage Loan"). The Mortgage Loan will be secured by a senior mortgage on the Project and the obligation to repay the Mortgage Loan will be evidenced by a promissory note (the "Mortgage Note") from the Borrower to Truist Bank, in its capacity as maker of the Mortgage Loan (the "Mortgage Lender"). The Mortgage Note is expected to have a term of 36* months, with the right to one six-month extension, and will bear interest at a rate equal to the Prime Rate less 4%* per annum, with no payments of principal during the term, and with all unpaid principal and interest due at maturity. The proceeds of the Mortgage Loan, if such loan is made, will be disbursed from time to time by the Mortgage Lender to the Trustee for deposit into the Collateral Fund to allow for a

* Preliminary; subject to change.

corresponding amount of Bond proceeds to be disbursed to the Project. The closing of the Mortgage Loan is expected to occur shortly following the issuance of the Bonds.

The Low-Income Housing Tax Credit Equity Proceeds. Shortly following the issuance of the Bonds, the Investor Limited Partner expects to acquire a 99.99% ownership interest in the Borrower. In connection with such acquisition, the funding of the Federal Tax Credit Equity is expected to total approximately \$21,775,328*, with approximately \$4,355,066* expected to be funded in connection with the issuance of the Bonds. The funding levels and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the projections set forth above and neither the Issuer nor the Underwriter makes any representation as to the availability of such funds.

The City of Chattanooga HOME Loan. The Project is also expected to utilize a subordinate loan in the principal amount of \$3,000,000* (the "HOME Loan"). The obligation to repay the HOME Loan will be set forth in a promissory note (the "HOME Loan Note") from the Borrower to City of Chattanooga, and the HOME Loan will be repayable on the terms and conditions set forth therein. The HOME Loan Note will be secured by a subordinate mortgage against the Project subordinate to the Mortgage Loan. The HOME Loan Note will have a term of 40* years and will bear interest at a rate of 0%* per annum, with annual principal and interest not otherwise paid, due at maturity.

The CHA Charitable Benefit Corporation Loan. The Project is also expected to utilize a subordinate loan in the principal amount of \$12,400,000* (the "Corporation Loan"). The obligation to repay the Corporation Loan will be set forth in a promissory note (the "Corporation Loan Note") from the Borrower to CHA Charitable Benefit Corporation, and the Corporation Loan will be repayable out of cash flow and other non-Project sources on the terms and conditions set forth therein. The Corporation Loan Note will be secured by a subordinate mortgage against the Project subordinate to the Mortgage Loan. The Corporation Loan Note will have a term of 40* years and will bear interest at a rate of 0%* per annum, with annual principal and interest not otherwise paid, due at maturity.

The 45 L Equity. The Project is also expected to utilize equity related to tax credits available to residential buildings that meet certain federal energy efficiency guidelines (the "45L Credits"). If the Project qualifies for the 45L Credits at the time of stabilization, the Investor Limited Partner is expected to fund the proceeds thereof in the approximate amount of \$767,674*.

Deferred Developer Fee. The Project will utilize deferred developer fee in the anticipated amount of \$10,315,239* as a source of funding. The deferred developer fee will be repaid through surplus cash flow received from the operation of the Project.

The Equity Bridge Loan. The project is expected to utilize an equity bridge loan in the principal amount of up to \$14,000,000* (the "Equity Bridge Loan"). The Equity Bridge Loan will be secured by a senior mortgage on the Project and the obligation to repay the Equity Bridge Loan will be evidenced by a promissory note (the "Equity Bridge Loan Note") from the Borrower to Truist Bank, in its capacity as maker of the Equity Bridge Loan (the "Equity Bridge Lender"). The Equity Bridge Loan is expected to have a term of 30* months, with the right to one six-month extension, and will bear interest at a rate equal to the Prime Rate less 4%* per annum, with no payments of principal during the term, and with all unpaid principal and interest due at maturity. The Equity Bridge Loan proceeds, if such loan is made, will be disbursed from time to time by the Equity Bridge Lender to the Trustee for deposit into the Collateral Fund to allow for a corresponding amount of Bond proceeds to be disbursed to the Project. The closing of the Equity Bridge Loan is expected to occur shortly following the issuance of the Bonds.

The HAP Contract

The Project has an existing Housing Assistance Payment Contract (the “HAP Contract”) covering 66 of the 166 units at the Project. Concurrently with the Closing of the Mortgage Loan, the HAP Contract will be assigned to the Borrower and will be renewed for an additional twenty (20) year term in order to service debt during the term of the Mortgage Loan.

Funding under the HAP Contract is subject to annual Congressional appropriations, as more particularly described below. The Section 8 project-based housing assistance payment program (the “Section 8 Program”) is authorized by Section 8 of the United States Housing Act of 1937, as amended, and in the case of Section 8 contracts is administered by local public housing authorities. Renewals of Section 8 HAP contracts are governed by the Multifamily Assisted Housing Reform and Affordability Act, as amended (“MAHRA”). The Section 8 Program authorizes housing assistance payments to owners of qualified housing for the benefit of low-income families (defined generally as families whose incomes do not exceed 80% of the area median income (“AMI”) for the area as determined by HUD), and very low-income families (defined generally as families whose income do not exceed 50% of the AMI as determined by HUD). Section 8 housing assistance payments generally represent the difference between the “contract rent” for the unit approved by HUD and the eligible tenant’s contribution, which is generally 30% of income, as adjusted for family size and certain expenses, subject to a minimum rent contribution. The rents approved by HUD for the Project, as they may be adjusted from time to time with procedures set forth in MAHRA and the HAP Contract, are the “contract rents” for the Project. The HAP Contract will require the Borrower to maintain the Project in decent, safe and sanitary condition and to comply with other statutory and regulatory requirements governing the operation of the Project, use of project funds, and other matters. If the Borrower fails to comply with the terms of the HAP Contract, HUD or the contract administrator could seek to abate or terminate the payments under the HAP Contract or impose other sanctions. MAHRA requires that upon the request of the Borrower, HUD shall renew the HAP Contract under the Section 8 Program. However, because the HAP Contract is subject to receipt of annual appropriations by Congress, there is no assurance that the HAP Contract will be renewed or replaced upon its expiration. Funding for HAP contracts is appropriated by Congress on an annual basis, and there is no assurance that adequate funding will be appropriated each year during the term of the HAP Contract. Since payments received under the HAP Contract constitute a primary source of revenues for the Project, the expiration of the HAP Contract, or the failure of Congress to appropriate funds sufficient to fund the HAP Contract during each year of its term, would have a material adverse effect on the ability of the Project to generate revenues sufficient to pay the principal of and interest of the Mortgage Loan.

Project Regulation

The Borrower intends to operate the Project as a qualified residential rental project in accordance with the provisions of Section 142(d) of the Code. Upon the admission of the Investor Limited Partner as a limited partner in the Borrower, which is contemplated to occur shortly following the Closing Date the Borrower, the Trustee and the Issuer will enter into the Land Use Restriction Agreement (the “Tax Regulatory Agreement”), which then will be recorded. Under the Tax Regulatory Agreement, the Borrower will agree that, at all times during the qualified project period (as defined in the Tax Regulatory Agreement), the Borrower will rent at least 40% of the units in the Project to

* Preliminary; subject to change.

persons whose adjusted family income (determined in accordance with the provisions of the Code) is no more than 60% of the area median income (adjusted for family size) (“AMI”). See “APPENDIX D – SUMMARY OF CERTAIN PROVISIONS OF THE TAX REGULATORY AGREEMENT” herein.

In addition to the rental restrictions imposed upon the Project by the Tax Regulatory Agreement, the Project will be further encumbered by a Declaration of Land Use Restrictive Covenants for Low-Income Housing Tax Credits to be executed by the Borrower in connection with the federal low-income housing tax credits anticipated to be granted for the Project and in compliance with the requirements of Section 42 of the Code. Section 42 of the Code will restrict the income levels of 100% of the residential units in the Project (the “Tax Credit Units”). 16 of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 30% of the AMI, adjusted for family size, 50 of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 40% of the AMI, adjusted for family size, 18 of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 60% of the AMI, adjusted for family size, and 34 of the Tax Credit Units shall be held available for rental to persons whose adjusted family income is equal to or less than 80% of the AMI adjusted for family size. The rents which may be charged for occupancy of such units will be restricted to not more than 30% of the applicable AMI restriction.

In connection with the HAP Contract, the Borrower will enter into a new Section 8 Use Agreement that encumbers the Project and will require the Borrower to maintain the Project as affordable housing for low-income families for a period of 20 years in accordance with the Section 8 Program. Additional restrictions are imposed on the operation of the Project pursuant to the HAP Contract. See “THE PROJECT — The HAP Contract” above.

CERTAIN BONDHOLDERS’ RISKS

The purchase of the Bonds will involve a number of risks. The following is a summary, which does not purport to be comprehensive or definitive, of some of such risk factors.

General

Payment of the Bond Service Charges, and the Borrower’s obligations with respect to the Bond Service Charges, will be secured by and payable from Bond proceeds held in the Project Fund, if any, and moneys deposited into the Collateral Fund and the Bond Fund, including the Negative Arbitrage Account held in the Bond Fund. Although the Borrower will execute the Note to evidence its obligation to repay the Loan, it is not expected that any revenues from the Project or other amounts, except moneys in the Bond Fund, Project Fund, if any, and Collateral Fund, will be available to satisfy that obligation. The Indenture requires the Trustee to verify, before any disbursement of funds from the Project Fund, that the sum of the funds on deposit in the Project Fund and the Collateral Fund is at least equal to the then outstanding principal amount of the Bonds. It is expected that all of the Bond proceeds in the Project Fund will be disbursed to pay Costs of the Project on and after the Closing Date. At all times funds on deposit in the Collateral Fund and Negative Arbitrage Account of the Bond Fund, and the interest earnings thereon (without the need for reinvestment), will be sufficient to pay the debt service on the Bonds.

Limited Security for Bonds

The Bonds are not secured by the Mortgage Loan. Investors should look exclusively to amounts on deposit in the Bond Fund, Project Fund, if any, and Collateral Fund under the Indenture and investment earnings on each as the source of payment of debt service on the Bonds.

Future Determination of Taxability of the Bonds

Failure of the Borrower to have complied with and to continue to comply with certain covenants contained in the Loan Agreement and the Tax Regulatory Agreement could result in interest on the Bonds being taxable retroactive to the date of original issuance of the Bonds. The Bonds are not subject to redemption upon a determination of taxability and are not subject to payment of additional interest in such an event, and neither the Issuer nor the Borrower will be liable under the Bonds, the Indenture or the Loan Agreement for any such payment of additional interest on the Bonds.

Issuer Limited Liability

The Bonds will not be insured or guaranteed by any governmental entity or by the Issuer or any member or program participant of the foregoing. The Bondholders will have no recourse to the Issuer in the event of an Event of Default on the Bonds. The Trust Estate for the Bonds will be the only source of payment on the Bonds.

Enforceability of Remedies upon an Event of Default

The remedies available to the Trustee and the owners of the Bonds upon an Event of Default under the Indenture, the Loan Agreement, the Tax Regulatory Agreement or any other document described herein are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, the remedies provided for under such documents may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Bonds is subject to limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by equitable remedies and proceedings generally.

Secondary Markets and Prices

No representation is made concerning the existence of any secondary market for the Bonds. The Remarketing Agent will not be obligated to repurchase any of the Bonds, nor can any assurance be given that any secondary market will develop following the completion of the offering of the Bonds. Further, there can be no assurance that the initial offering prices for the Bonds will continue for any period of time. Furthermore, the Bonds should be purchased for their projected returns only and not for any resale potential, which may or may not exist.

Eligible Investments

Proceeds of the Bonds deposited into the Project Fund and Eligible Funds received by the Trustee for deposit into the Collateral Fund are required to be invested in Eligible Investments. See “APPENDIX A — DEFINITIONS OF CERTAIN TERMS” hereto for the definition of Eligible Investments. There can be no assurance that there will not be a loss resulting from any investment held for the credit of the Project Fund or the Collateral Fund, and any failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds.

Rating Based on Eligible Investments

The rating on the Bonds is based on the amounts in the Project Fund, Bond Fund and the Collateral Fund being invested in Eligible Investments. If one or more of such investments fail to meet the rating standards for Eligible Investments after their acquisition and prior to maturity, such a change may result in a downgrade or withdrawal of the rating on the Bonds.

Subordination to Mortgage Loan Documents

The Indenture, the Loan Agreement, the Note, and the Tax Regulatory Agreement contain provisions regarding subordination of such documents to the Mortgage Loan Documents. No assurance can be given that such provisions will not impair the excludability of interest on the Bonds from gross income for federal income tax purposes.

Future Legislation; IRS Examination

The Project, its operation and the treatment of interest on the Bonds are subject to various laws, rules and regulations adopted by the local, State and federal governments and their agencies. There can be no assurance that relevant local, State or federal laws, rules and regulations may not be amended or modified or interpreted in the future in a manner that could adversely affect the Bonds, the trust estate created under the Indenture, the Project, or the

financial condition of or ability of the Borrower to comply with its obligations under the various transaction documents.

In recent years, the Internal Revenue Service (“IRS”) has increased the frequency and scope of its examination and other enforcement activity regarding tax exempt bonds. Currently, the primary penalty available to the IRS under the Code is a determination that interest on bonds is subject to federal income taxation. Such event could occur for a variety of reasons, including, without limitation, failure to comply with certain requirements imposed by the Code relating to investment restrictions, periodic payments of arbitrage profits to the United States of America, the timely and proper use of Bond proceeds and the facilities financed therewith and certain other matters. See “TAX MATTERS” herein. No assurance can be given that the IRS will not examine the Issuer, the Borrower, the Project or the Bonds. If the Bonds are examined, it may have an adverse impact on their price and marketability.

Potential Impact of Pandemics or Public Health Crises

The spread of the strain of a virus and resulting disease could alter the behavior of businesses and people in a manner that could have negative effects on global, state and local economies. There can be no assurances that the spread of a pandemic would not materially impact both local and national economies and, accordingly, have a materially adverse impact on the Project’s operating and financial viability. The effects of a pandemic could include, among other things, an increase in the time necessary to complete the construction and/or rehabilitation of the Project, suspension or delay of site inspections and other on-site meetings, interruption in the engagement of material participants in the Project, increase in the time necessary to conduct lease-up at the Project, and increased delinquencies and/or vacancies, all of which could impact the Borrower’s ability to make payments on the loans and result in a default and acceleration thereof.

Summary

The foregoing is intended only as a summary of certain risk factors attendant to an investment in the Bonds. In order for potential investors to identify risk factors and make an informed investment decision, potential investors should be thoroughly familiar with this entire Official Statement and the Appendices hereto.

TAX MATTERS

Legal matters incident to the authorization, validity and issuance of the Bonds are subject to the unqualified approving opinion of Bass, Berry & Sims PLC, Bond Counsel, whose opinion will be available at the time of delivery of the Bonds. It is anticipated that the approving opinion will be in substantially the form attached to this Official Statement as Appendix F.

Federal Taxes

General. Bass, Berry & Sims PLC, Knoxville, Tennessee, is Bond Counsel for the Bonds. Their opinion under existing law, relying on certain statements by the Issuer and the Borrower and assuming compliance by the Issuer and Borrower with certain covenants, is that interest on the Bonds:

- is excluded from a bondholder’s federal gross income under the Internal Revenue Code of 1986, as amended (the “Code”), except for interest on any Bond during any period while it is held by a “substantial user” of the Project or a “related person” within the meaning of the Code, and
- is not a preference item for a bondholder under the federal alternative minimum tax; however, such interest is taken into account in determining the annual adjusted financial statement income of applicable corporations (as defined in Section 59(k) of the Code) for the purpose of computing the alternative minimum tax imposed on corporations for tax years beginning after December 31, 2022.

The Code imposes requirements on the Bonds that the Issuer and the Borrower must continue to meet after the Bonds are issued. These requirements generally involve the way that Bond proceeds must be invested and ultimately used. If the Issuer and the Borrower do not meet these requirements, it is possible that a bondholder may

have to include interest on the Bonds in its federal gross income on a retroactive basis to the date of issue. The Issuer and/or the Borrower have covenanted to do everything necessary to meet these requirements of the Code, including, without limitation, agreeing to certain covenants regarding the use of the Project as provided in the Tax Regulatory Agreement.

A bondholder who is a particular kind of taxpayer may also have additional tax consequences from owning the Bonds. This is possible if a bondholder is:

- (a) an S corporation,
- (b) a United States branch of a foreign corporation,
- (c) a financial institution,
- (d) a property and casualty or a life insurance company,
- (e) an individual receiving Social Security or railroad retirement benefits,
- (f) an individual claiming the earned income credit,
- (g) a borrower of money to purchase or carry the Bonds, or
- (h) an “applicable corporation” as defined in Section 59(k) of the Code.

If a bondholder is in any of these categories, it should consult its tax advisor.

Bond Counsel is not responsible for updating its opinion in the future. It is possible that future events or changes in applicable law could change the tax treatment of the interest on the Bonds or affect the market price of the Bonds. See also “Changes in Federal and State Tax Law” below under this heading.

Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel on the federal income tax treatment of interest on the Bonds, or under State, local or foreign tax law.

Bond Premium. If a bondholder purchases a Bond for a price that is more than the principal amount, generally the excess is “bond premium” on that Bond. The tax accounting treatment of bond premium is complex. It is amortized over time and as it is amortized a bondholder’s tax basis in that Bond will be reduced. The holder of a Bond that is callable before its stated maturity date may be required to amortize the premium over a shorter period, resulting in a lower yield on such Bonds. A bondholder in certain circumstances may realize a taxable gain upon the sale of a Bond with bond premium, even though the Bond is sold for an amount less than or equal to the owner’s original cost. If a bondholder owns any Bonds with bond premium, it should consult its tax advisor regarding the tax accounting treatment of bond premium.

Original Issue Discount. A Bond will have “original issue discount” if the price paid by the original purchaser of such Bond is less than the principal amount of such Bond. Bond Counsel’s opinion is that any original issue discount on these Bonds as it accrues is excluded from a bondholder’s federal gross income under the Internal Revenue Code. The tax accounting treatment of original issue discount is complex. It accrues on an actuarial basis and as it accrues a bondholder’s tax basis in these Bonds will be increased. If a bondholder owns one of these Bonds, it should consult its tax advisor regarding the tax treatment of original issue discount.

Information Reporting and Backup Withholding. Information reporting requirements apply to interest on tax-exempt obligations, including the Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with a Form W-9, “Request for Taxpayer Identification Number and Certification,” or if the recipient is one of a limited class of exempt recipients. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to “backup withholding,” which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set

forth in the Code. For the foregoing purpose, a “payor” generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the Bonds from gross income for Federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner’s Federal income tax once the required information is furnished to the Internal Revenue Service.

State Taxes

Under existing law, the Bonds and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on all or a portion of the interest on any of the Bonds during the period such Bonds are held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Bonds in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

Changes In Federal and State Tax Law

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal and state tax consequences resulting from ownership of the Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Bonds. For example, in connection with federal deficit reduction, job creation and tax law reform efforts, proposals have been and others are likely to be made that could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income of interest on obligations like the Bonds. There can be no assurance that any such legislation or proposal will be enacted, and if enacted, what form it may take. The introduction or enactment of any such legislative proposals may affect, perhaps significantly, the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors as to the tax consequences of owning the Bonds in their particular state or local jurisdiction and regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value, marketability or tax status of the Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Bonds would be impacted thereby. Purchasers of the Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation.

The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any proposed or pending legislation, regulatory initiatives or litigation.

Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

The opinion of Bond Counsel will be delivered contemporaneously with the issuance of the Bonds substantially in the form attached hereto as APPENDIX F.

UNDERWRITING

Raymond James & Associates, Inc. (the “Underwriter”), is offering the Bonds at the price set forth on the cover page hereof. The initial offering price may be changed from time to time and concessions from the offering price may be allowed to dealers, banks and others. The Underwriter has agreed to purchase the Bonds at the price set forth on the cover page hereof. For its services as such, the Underwriter is to be paid a fee equal to \$_____, but not including the fees and expenses of its counsel. From its fees, the Underwriter will pay certain of its expenses relating to the offering.

The Underwriter and its respective affiliates are full-service financial institutions engaged in various activities that may include securities trading, commercial and investment banking, municipal advisory, brokerage, and asset management. In the ordinary course of business, the Underwriter and its respective affiliates may actively trade debt and, if applicable, equity securities (or related derivative securities) and provide financial instruments (which may include bank loans, credit support or interest rate swaps). The Underwriter and its respective affiliates may engage in transactions for their own accounts involving the securities and instruments made the subject of this securities offering or other offering of the Issuer and/or Borrower. The Underwriter and its respective affiliates may make a market in credit default swaps with respect to municipal securities in the future. The Underwriter and its respective affiliates may also communicate independent investment recommendations, market color or trading ideas and publish independent research views in respect of this securities offering or other offerings of the Issuer and/or Borrower.

The Underwriter does not guarantee a secondary market for the Bonds and is not obligated to make any such market in the Bonds. No assurance can be made that such a market will develop or continue. Consequently, investors may not be able to resell Bonds should they need or wish to do so for emergency or other purposes.

In addition to serving as Underwriter, Raymond James & Associates, Inc. has been designated to serve as Remarketing Agent and will receive a fee for its remarketing services in connection with any remarketing of the Bonds on the Initial Mandatory Tender Date.

ESCROW VERIFICATION REPORT

Robert Thomas CPA (the “Verifier”), concurrently with the issuance of the Bonds, will deliver to the Underwriter its verification report indicating that it has verified the arithmetical accuracy of certain computations provided by the Underwriter relating to the (a) computation of forecasted receipts of principal and interest on the obligations and certain cash deposited as security for the Bonds, and the forecasted payments of principal and interest to pay the Bonds at their redemption, mandatory tender or maturity dates. All such computations have been based solely upon assumptions and information supplied by the Underwriter. The Verifier restricted its procedures to verifying the arithmetical accuracy of the computations described above and has not made any study or evaluation of the assumptions and information on which the computations are based, and the Verifier has not expressed any opinion on the data used, the reasonableness of the assumptions or the achievability of the forecasted outcomes.

REGISTERED INVESTMENT ADVISOR

Raymond James & Associates, Inc. may act as a registered investment advisor to the Borrower in its capacity as bidding agent in conducting a procurement for the purchase of open market securities to be held in the Special Funds. Raymond James & Associates, Inc. may receive compensation for bidding agent services contingent on the sale and delivery of the Bonds.

RATING

Moody’s Investors Service, Inc., a Delaware corporation (the “Rating Agency”) has assigned to the Bonds the rating set forth on the cover page hereof. The rating reflects only the view of the Rating Agency at the time the rating was issued and an explanation of the significance of such rating may be obtained from the Rating Agency. The rating is not a recommendation to buy, sell or hold the Bonds. There is no assurance that any such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency if, in

its judgment, circumstances so warrant. Any such downward revision or withdrawal of such rating can be expected to have an adverse effect on the market price of the Bonds.

UNDERTAKING TO PROVIDE CONTINUING DISCLOSURE

Prior to the issuance of the Bonds, the Borrower will execute and deliver a Continuing Disclosure Agreement pursuant to which the Borrower will agree to provide ongoing disclosure pursuant to the requirements of Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”). Financial statements and other operating data will be provided at least annually to the Municipal Securities Rulemaking Board (the “MSRB”) and notices of certain events will be issued pursuant to the Rule. Information will be filed with the MSRB through its Electronic Municipal Market Access (“EMMA”) system, unless otherwise directed by the MSRB. A form of the Continuing Disclosure Agreement is attached hereto as APPENDIX E.

A failure by the Borrower to comply with the Continuing Disclosure Agreement will not constitute an Event of Default under the Loan Agreement. Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by a broker or dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price and the ability of the Issuer to issue and sell bonds in the future.

The Borrower has not previously been subject to the continuing disclosure requirements of the Rule.

CERTAIN LEGAL MATTERS

Certain legal matters relating to the authorization and validity of the Bonds will be subject to an approving opinion of Bass, Berry & Sims PLC, Knoxville, Tennessee, Bond Counsel. Certain legal matters will be passed upon for the Borrower by its counsel, Reno & Cavanaugh PLLC, Nashville, Tennessee, and for the Underwriter by its counsel, Tiber Hudson LLC, Washington, D.C. Payment of the fees of certain counsel to the transaction is contingent upon the issuance and delivery of the Bonds as described herein.

The

Funds in the Costs of Issuance Fund and the Rebate Fund shall not be pledged to the payment of the Bonds and shall not be part of the Trust Estate.

Deposits into and Use of Moneys in the Bond Fund

On the Closing Date, the Trustee shall deposit the Initial Deposit, if any, into the Negative Arbitrage Account of the Bond Fund; amounts on deposit in the Bond Fund are to be invested pursuant to the Indenture. Any Extension Payment received by the Trustee in connection with an extension of the Mandatory Tender Date pursuant to the Indenture shall also be deposited into the Negative Arbitrage Account. The Trustee is authorized to release funds in the Negative Arbitrage Account to the Borrower upon receipt of an updated Cash Flow Projection and a rating confirmation from the Rating Agency.

Bond Service Charges shall be payable as they become due, (i) in the first instance from money on deposit in the Bond Fund (excluding the Negative Arbitrage Account therein), (ii) next from money on deposit in the Negative Arbitrage Account of the Bond Fund, (iii) next from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund and (iv) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund.

Except as otherwise provided in the Indenture, moneys in the Bond Fund shall be used solely for the payment of the principal of and interest on the Bonds when due.

Collateral Fund; Project Fund

Upon receipt, the Trustee shall deposit into the Collateral Fund all Eligible Funds received pursuant to the Loan Agreement and any other Eligible Funds received by the Trustee for deposit into the Collateral Fund. The Loan

Agreement requires the Borrower to cause Eligible Funds to be delivered to the Trustee for deposit into the Collateral Fund in a principal amount equal to, and as a prerequisite to the disbursement of, the amount of Bond proceeds on deposit in the Project Fund to be disbursed by the Trustee to pay Project Costs.

Each deposit into the Collateral Fund shall constitute an irrevocable deposit solely for the benefit of the Holders, subject to the provisions of the Indenture.

The Trustee shall transfer money in the Collateral Fund as follows: (i) on the Conversion Date, (A) to the Bond Fund in an amount sufficient to (1) pay any accrued but unpaid interest on the Bonds and (2) to cause the partial redemption of the Bonds in an amount sufficient to reduce the outstanding principal amount of the Bonds to the Permanent Loan Amount set forth in the Conversion Notice, and (B) to or at the direction of the Mortgage Lender, in partial repayment of the outstanding principal balance of the Mortgage Loan and the Equity Bridge Loan, (ii) on a Mandatory Tender Date other than the Conversion Date, to the Bond Fund, the amount necessary to pay the purchase price of the Bonds, to the extent amounts on deposit in the Remarketing Proceeds Account and the Negative Arbitrage Account of the Bond Fund are insufficient therefor; and (iii) on any Redemption Date, to the Bond Fund the amount, together with amounts on deposit in the Bond Fund, necessary to pay the principal and interest due on the Bonds on such date.

The Bonds shall not be, and shall not be deemed to be, paid or prepaid by reason of any deposit into the Collateral Fund unless and until the amount on deposit in the Collateral Fund is transferred to the Bond Fund and applied to the payment of the principal of any of the Bonds or the principal component of the redemption price of any of the Bonds, all as provided in the Indenture.

To the extent moneys are not otherwise provided to the Trustee to make the necessary interest and principal payments on each Interest Payment Date, including moneys deposited into the Bond Fund or the Collateral Fund, the Trustee shall, without further written direction, transfer from the Project Fund to the Bond Fund sufficient Eligible Funds to make such necessary interest and principal payments on each Interest Payment Date.

If requested by the Issuer or the Borrower, after the Project has been completed and a certificate of payment of all costs is filed as provided in the Indenture, the Trustee shall file copies of the records pertaining to the Project Fund and disbursements therefrom with the Issuer and the Borrower.

The Borrower expects that the Project will proceed substantially in accordance with the Construction Draw Schedule. Each Requisition submitted to the Trustee shall evidence and request disbursements from the Project Fund, and/or the Costs of Issuance Fund.

Notwithstanding any other provision of the Indenture to the contrary, after the Closing Date the Trustee shall not disburse moneys from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until the Trustee receives satisfactory evidence that Eligible Funds in an amount equal to or greater than the requested disbursement amount (the "Collateral Deposit") has been deposited in the Collateral Fund. Prior to making any disbursement, the Trustee shall verify that upon making the disbursement, the aggregate amount to be held in (i) the Collateral Fund and (ii) the Project Fund, together with projected investment earnings thereon, will be sufficient to pay Bond Service Charges on the outstanding Bonds as and when they become due. In the event that, following receipt of the Collateral Deposit, the Trustee determines that it cannot correspondingly disburse Bond proceeds to or at the direction of the Borrower, the Mortgage Lender or the Equity Bridge Lender, the Trustee shall immediately notify the Borrower and the Mortgage Lender or the Equity Bridge Lender, as applicable, of the reason for such determination and shall, immediately upon the request of the Borrower, the Mortgage Lender or the Equity Bridge Lender, return the subject Collateral Deposit to the party that deposited such Collateral Deposit with the Trustee.

The proceeds of the Bonds shall be allocated exclusively to pay costs that (i) are (A) capital expenditures (as defined in Section 1.150-1(a) of the Code's regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 142(d) of the Code; and (ii) shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located, so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Bonds for the purpose of complying with Section 42(h)(4)(B) of the Code; provided, however, the foregoing representation, covenant and warranty is made for

the benefit of the Borrower and its partners and neither the Trustee nor the Issuer shall have any obligation to enforce this covenant nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other affiliate of the Borrower or the holders of the Bonds for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or Event of Default under the Indenture.

Upon the occurrence and continuance of an Event of Default under the Indenture because of which the principal amount for the Bonds has been declared to be due and immediately payable under the Indenture, any moneys remaining in the Project Fund shall be promptly transferred by the Trustee to the Bond Fund for payment of Bond Service Charges.

Notwithstanding anything to the contrary to the Indenture, on the Conversion Date, the Issuer may direct the Trustee to deposit to the Collateral Fund amounts provided by the Issuer and described in clause (h) of the definition of Eligible Funds for further transfer to the Bond Fund to be applied to the principal portion of any partial redemption of the Bonds, all in furtherance of the Issuer's program of volume cap recycling.

Permanent Loan Purchase Fund

The Trustee shall establish and maintain a separate fund to be known as the "Permanent Loan Purchase Fund." On or before the Conversion Date, the Permanent Lender shall cause funds in an amount equal to the Actual Project Loan Amount as set forth in the Conversion Notice to be deposited into the Permanent Loan Purchase Fund. On the Conversion Date, all funds in the Permanent Loan Purchase Fund shall be applied by the Trustee towards the payment of the purchase price of Bonds in a principal amount equal to the Actual Project Loan Amount. After such purchase, the Permanent Loan Purchase Fund shall be closed.

Upon the delivery to the Trustee of (i) a signed Requisition in substantially the form attached an appendix to the Indenture, (ii) Eligible Funds in an amount equal to the amount of Bond proceeds being requested for disbursement pursuant to such Requisition, as provided in the Indenture, and (iii) certification by a Borrower Representative that the Costs of the Project intended to be paid with such Bond proceeds are qualified costs pursuant to Section 142 of the Code, the Trustee shall, on such date, deposit such Eligible Funds into the Collateral Fund and disburse from the Project Fund Bond proceeds, in the amount set forth in the applicable Requisition, solely to pay Costs of the Project. To the extent money on deposit in the Project Fund is invested in Eligible Investments, the Trustee shall not sell or otherwise terminate such Eligible Investments prior to their stated maturity date and instead the Trustee is instructed by the Indenture to make the following allocations and exchanges, which allocations and exchanges shall occur prior to the disbursement of amounts on deposit in the Project Fund to pay Costs of the Project: (a) allocate all or a portion of the Eligible Investments in the Project Fund, in the amount specified in the request for disbursement, to the Collateral Fund, and (b) transfer to the Project Fund a like amount of Eligible Funds on deposit in the Collateral Fund to be disbursed in accordance with the Indenture.

The Trustee shall not disburse money from the Project Fund, other than to pay interest and principal on the Bonds as otherwise permitted under the Indenture, unless and until Eligible Funds in an amount equal to or greater than the requested disbursement amount have been deposited into the Collateral Fund in accordance with the Indenture; provided, however, that the Trustee shall transfer funds from the Project Fund to the Collateral Fund upon receipt of an opinion of Bond Counsel to the effect that such transfer shall not cause the interest on any of the Bonds to be or become includible in the gross income of the owners thereof for federal income tax purposes. In accordance with the Loan Agreement, and prior to making any disbursement from the Project Fund (except to make necessary interest and principal payments as otherwise permitted under the Indenture), the Trustee shall determine that the aggregate account balance in (a) the Collateral Fund and (b) the Project Fund (less the requested disbursement amount) is at least equal to the then-Outstanding principal amount of the Bonds.

Money in the Project Fund shall be disbursed in accordance with the provisions of the Loan Agreement and the Indenture. To the extent moneys are not otherwise provided to the Trustee to make the necessary interest and principal payments on each Interest Payment Date, including moneys deposited into the Bond Fund or the Collateral

Fund, the Trustee shall, without further written direction, transfer from the Project Fund to the Bond Fund sufficient Eligible Funds to make such necessary interest and principal payments on each Interest Payment Date.

Notwithstanding anything contained in the Indenture or any of the Borrower Documents to the contrary: (a) with respect to Eligible Funds funded by the Mortgage Lender for deposit into the Collateral Fund, the Trustee shall be irrevocably and unconditionally obligated to disburse an equal amount of funds from the Project Fund to either the Mortgage Lender, the Borrower or the Closing Agent pursuant to a Requisition as directed by the Mortgage Lender; and (b) with respect to Eligible Funds funded by the Equity Bridge Lender for deposit into the Collateral Fund, the Trustee shall be irrevocably and unconditionally obligated to disburse an equal amount of funds from the Project Fund to either the Borrower or the Closing Agent as directed by the Equity Bridge Lender pursuant to a Requisition. Such disbursements shall be made pursuant to a Requisition and shall not be made more frequently than once per month, unless approved by the Issuer, in its sole discretion.

Subject to the Trustee's obligation to return the Eligible Funds to the Mortgage Lender or the Equity Bridge Lender as set forth above, the Trustee and the Issuer shall not, in any event, be responsible or liable to any person (other than the Borrower, but only in the case of the Trustee, and only in the event of a failure by the Trustee to make disbursements following request for disbursements in accordance with the Documents, when such failure is within the Trustee's sole control, and after receipt of written notice of such failure and a three-day opportunity to cure such failure) for the disbursement of, or failure to disburse, moneys from the Project Fund or any part thereof, and no contractor, subcontractor or material or equipment supplier or their respective successors and assigns shall have any right or claim against the Trustee or the Issuer under the Indenture.

Notwithstanding anything contained in the Indenture or any of the Borrower Documents to the contrary, if for any reason the Trustee is not able to disburse a corresponding amount of Bond proceeds from the Project Fund to or at the direction of the Mortgage Lender or the Equity Bridge Lender, as applicable, immediately following receipt of Eligible Funds from the Mortgage Lender or the Equity Bridge Lender, as applicable, for deposit into the Collateral Fund, the Trustee shall promptly wire transfer such funds back to the Mortgage Lender or the Equity Bridge Lender, as applicable, and not deposit same into the Collateral Fund.

Investment of Bond Fund, Project Fund and Collateral Fund

Money in all funds or accounts including the Bond Fund, Project Fund, and Collateral Fund shall be invested and reinvested by the Trustee, and at all times held in Eligible Investments at the written direction of the Borrower as approved by the Issuer. At no time shall the Borrower direct that (a) any funds constituting gross proceeds of the Bonds be used in any manner as would constitute failure of compliance with Section 148 of the Code or (b) any funds be held other than in Eligible Investments.

Investments of money in the Bond Fund, Project Fund, and the Collateral Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts necessary to provide money to pay any amounts due on the Bonds as they become due on each Interest Payment Date, at stated maturity or on a Mandatory Tender Date. In addition, investment of money in the Project Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts as may be necessary to make anticipated payments from the Project Fund. Any investments in the Bond Fund, the Project Fund or the Collateral Fund that are not classified as Eligible Investments shall be invested in Governmental Obligations.

The Trustee shall sell or redeem investments credited to the Bond Fund to produce sufficient money applicable under the Indenture to and at times required for the purposes of paying any amounts due on the Bonds, and shall do so without necessity for any order on behalf of the Issuer or the Borrower and without restriction by reason of any order. An investment made from money credited to an applicable fund or account shall constitute part of that respective fund or account. All investment earnings from amounts on deposit in the Project Fund and the Collateral Fund shall be credited to and become part of the Bond Fund. All gains resulting from the sale of, or income from, any

investment made from amounts on deposit in the Project Fund and the Collateral Fund shall be credited to and become part of the Bond Fund. Following the Closing Date, at the direction of the Borrower, the Trustee is permitted to purchase, sell or exchange Eligible Investments upon receipt of a Cash Flow Projection. Notwithstanding anything in the Indenture to the contrary, (i) earnings received by the Trustee with respect to Eligible Investments purchased for the purpose of paying Bond Service Charges shall be held uninvested and (ii) Bond proceeds and the Initial Deposit to the Negative Arbitrage Account, if any, shall be held uninvested until the Trustee has purchased, sold or exchanged Eligible Investments.

Any investments may be purchased from or sold to the Trustee, or any bank, trust company or savings and loan association which is an affiliate or subsidiary of the Trustee provided that all such investments must be Eligible Investments. The Trustee shall not be liable for losses on investments made in compliance with the provisions of the Indenture. If the Trustee is required to sell or otherwise dispose of any Eligible Investments prior to maturity at a price below par in connection with a mandatory tender prior to the applicable Mandatory Tender Date, the Borrower shall, at the Borrower's expense, deliver to the Trustee (i) a Cash Flow Projection and (ii) Eligible Funds in the amount set forth in such Cash Flow Projection, if any.

Although each of the Issuer and the Borrower recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, each of the Issuer and the Borrower agrees that confirmations of Eligible Investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month. The Trustee may conclusively rely upon the Borrower's and Issuer's written instructions as to both the suitability and legality of the directed investments.

Investment of Rebate Fund

Any moneys held as part of the Rebate Fund, and not immediately required for the purposes of the Rebate Fund, shall be invested or reinvested by the Trustee, at the written direction of the Borrower Representative and with the prior written approval of the Issuer, in Governmental Obligations or in any money market or short-term investment fund investing in or consisting solely of and secured by Governmental Obligations, including any such fund maintained by the Trustee or an affiliate thereof having maturities consonant with the need for funds as estimated by the Borrower. All investment earnings, gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Rebate Fund shall be retained therein.

Discharge of Lien

If and when the Bonds secured by the Indenture shall become due and payable in accordance with their terms as provided in the Indenture, or otherwise, and the whole amount of the principal and the interest so due and payable upon all of the Bonds, together with all other amounts payable under the Indenture by the Issuer and all fees and expenses of the Trustee and the Issuer, shall be paid, or provision shall have been made for the payment of the same, then the right, title and interest of the Trustee in and to the Trust Estate and all covenants, agreements and other obligations of the Issuer to the Bondholders shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, upon written request of the Issuer and subject to the provisions of the Indenture, the Trustee shall turn over to the Borrower, so long as there shall have occurred no Event of Default which is uncured and continuing, any surplus in the Bond Fund and all balances remaining in any other fund created under the Indenture and shall assign and transfer to the Issuer all other property then held by the Trustee under the Indenture and shall execute such documents as may be reasonably required by the Issuer.

If and when the Trustee shall hold sufficient moneys under the Indenture, as verified to the Trustee in writing by an independent public accounting firm of national reputation or other firm similarly experienced in performing such computations, to provide for payment of the whole amount of the principal and interest due and payable and thereafter to become due and payable upon all the Bonds, together with all other amounts (exclusive of amounts in the Rebate Fund) payable or which may thereafter become payable under the Indenture by the Issuer, notwithstanding that all the Bonds have not yet become due and payable and that consequently the right, title and interest of the Trustee in and to the Trust Estate shall not have ceased, terminated and become void pursuant to the foregoing provisions of this heading, the Trustee, on demand of the Issuer but subject to the provisions of the Indenture, shall turn over to the Borrower, so long as there shall have occurred no Event of Default which is uncured and continuing, or to such person,

body or authority as may be entitled to receive the same, any surplus in the Bond Fund in excess of the amount sufficient to pay the whole amount of the principal and interest due and payable and thereafter to become due and payable upon all Bonds together with all other amounts payable or which may thereafter become payable under the Indenture by the Issuer.

All Outstanding Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed above if (a) there shall have been deposited with the Trustee (as verified to the Trustee in writing by an independent public accounting firm of national reputation or other firm similarly experienced in performing such computations) either (i) moneys in an amount which shall be sufficient, or (ii) Governmental Obligations which are not subject to redemption prior to maturity, the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal and interest due and to become due on such Bonds on the maturity date thereof, and (b) the Issuer shall have given the Trustee, in form satisfactory to it irrevocable instructions to give, as soon as practicable, a notice to the Holders of such Bonds and the Rating Agency that the deposit required by subclause (a) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this heading and stating such maturity upon which moneys are to be available for the payment of the principal of and interest on such Bonds.

Neither the securities nor moneys deposited with the Trustee pursuant to this heading nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on such Bonds; provided that any cash received from such principal or interest payments on such securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Governmental Obligations (including any short-term investment fund rated AAA or P-1 by the Rating Agency and secured by and investing solely in Governmental Obligations) maturing at times and in amounts sufficient to pay when due the principal and interest to become due on such Bonds on and prior to such maturity dates thereof, as the case may be, and interest earned from such reinvestment shall be paid over to the Borrower, as received by the Trustee, free and clear of any trust, lien or pledge.

The release of the obligations of the Issuer under this heading shall be without prejudice to the right of the Trustee provided in the Indenture to be paid reasonable compensation for all services rendered by it under the Indenture and all its reasonable expenses, charges and other disbursements and those of its attorneys, agents and employees, incurred on and about the Issuer of the trust created by the Indenture and the performance of its powers and duties under the Indenture, and shall not affect the obligations of the Borrower to make the payments required by the Loan Agreement or the Note.

Events of Default and Acceleration

The occurrence of any of the following events is defined as and declared to be and to constitute an “Event of Default” under the Indenture:

- (a) Any interest on any Bond is not paid on the date on which the same becomes due;
- (b) Any principal of any Bond is not paid on the date on which the same becomes due, whether at stated maturity thereof, by acceleration or otherwise;
- (c) An Event of Default occurs under the Loan Agreement; or
- (d) The Issuer fails to duly and promptly perform, comply with, or observe any covenant, condition, agreement or provision (other than as specified in (a) or (b) of this section) contained in the Bonds or in the Indenture on the part of the Issuer to be performed, and such failure shall continue for a period of ninety (90) days after written notice specifying such failure and requiring the same to be remedied shall have been given to the Issuer, the Borrower and the Investor Limited Partner by the Trustee, which notice may be given by the Trustee in its discretion and shall be given at the written request of the Holders of not less than 25% in principal amount of the Bonds then Outstanding; provided, however, that if such default be such that it is correctable but cannot be corrected within ninety (90) days, it shall not be an Event of Default if the

Issuer, the Borrower or the Investor Limited Partner is taking appropriate corrective action to cure such failure and if such failure will not impair the security for the Loan or the Bonds.

If any Loan payment required under the Loan Agreement to avoid a default under (a) or (b) of this section shall not have been received at the close of business on the last Business Day preceding the day on which payment must be made to avoid a default under such (a) or (b), the Trustee shall use its best efforts to give telephonic notice of such default to the Borrower and the Investor Limited Partner, which telephonic notice shall be confirmed by written notice to the Borrower. If any other default shall occur under the provisions of this Section, the Trustee shall, within five (5) days after having actual knowledge of such default, use its best efforts to give written notice of such default to the Issuer, the Borrower, the Investor Limited Partner and the Holders of the Bonds. A default or an Event of Default specified in (a) through (d) above shall occur even though the Trustee fails to give the notice required by this paragraph, the giving of such notice being intended solely to aid in the enforcement of the rights of Bondholders and not in limitation of such rights.

If an Event of Default specified in (a) or (b) of this section shall occur and be continuing, the Trustee shall declare the principal of all Bonds then Outstanding to be immediately due and payable by notice in writing to that effect delivered to the Issuer, the Investor Limited Partner and the Borrower, and upon such declaration such principal, together with interest accrued thereon, shall become immediately due and payable at the place of payment provided therein, anything in the Indenture or in the Bonds to the contrary notwithstanding.

If an Event of Default specified in (c) or (d) of this section shall occur and be continuing, the Trustee, upon written request of the Holders of not less than 25% in principal amount of the Bonds then Outstanding shall, declare the principal of all Bonds then Outstanding to be immediately due and payable by notice in writing to that effect delivered to the Issuer, the Investor Limited Partner and the Borrower, and upon such declaration such principal, together with interest accrued thereon, shall become immediately due and payable at the place of payment provided therein, anything in the Indenture or in the Bonds to the contrary notwithstanding.

The Investor Limited Partner shall be entitled, but not obligated, to cure any Event of Default under the Indenture within the time frame provided to the Borrower. The Issuer and the Trustee agree that cure of any default or Event of Default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Remedies in Addition to Acceleration

Upon the occurrence of, and during the continuance of, any Event of Default, then and in every such case the Trustee in its discretion may, and upon the written request of the Holders of not less than 51% in principal amount of the Bonds then Outstanding and receipt of satisfactory indemnity shall (in addition to its right or duty to accelerate as provided in the Indenture):

- (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Bondholders, and require the Issuer or the Borrower to carry out any agreements with or for the benefit of the Bondholders and to perform its or their duties under the Act and the Documents;
- (b) bring suit upon the Bonds; or
- (c) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders.

Termination of Proceedings

In case any proceeding taken by the Trustee on account of any default or Event of Default shall have been discontinued or abandoned for any reason, the Default or Event of Default has been cured, or shall have been determined adversely to the Trustee, then and in every such case, the Issuer, the Trustee, the Bondholders, and the Borrower shall be restored to their former positions and rights under the Indenture, respectively, and all rights, remedies and powers of the Trustee shall continue as though no such proceeding had been taken.

Right of Bondholders to Direct Proceedings

No Holder of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust under the Indenture, or any other remedy under the Indenture or on the Bonds, unless such Holder previously shall have given to the Trustee written notice of an Event of Default as provided in the Indenture and unless also the Holders of not less than 51% in principal amount of the Bonds then outstanding shall have made written request of the Trustee to do so, after the right to exercise such powers or rights of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted by the Indenture, or to institute such action, suit or proceeding in its or their name; nor unless there also shall have been offered to the Trustee security and satisfactory indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall not have complied with such request within a reasonable time; and such notification, request and offer of indemnity are declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the trusts of the Indenture or for any other remedy under the Indenture; it being understood and intended that no one or more Holders of the Bonds secured by the Indenture shall have any right in any manner whatever by its or their action to affect, disturb or prejudice the security of the Indenture, or to enforce any right under the Indenture or the Bonds, except in the manner provided in the Indenture and for the equal benefit of all Holders of Outstanding Bonds. For purposes of the foregoing sentence, the Trustee shall be deemed to have failed to act within a reasonable time if it fails to take action within sixty (60) days after receipt of notice and compliance with the foregoing terms and conditions, whereupon, the Holders of 51% aggregate principal amount of the Bonds may take such action in the place of the Trustee. Nothing contained in the Indenture shall, however, affect or impair the right of any Holder of Bonds to enforce the payment of the principal of and interest on any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the principal of and interest, on each of the Bonds issued under the Indenture to the respective Holders of the Bonds at the time, place, from the source and in the manner in the Indenture and in such Bonds expressed.

Remedies Vested in Trustee

All rights of action under the Indenture or under any of the Bonds secured by the Indenture may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding relating thereto. Any suit, action or proceeding instituted by the Trustee shall be brought in its name for the equal and ratable benefit of the Holders of the Bonds, subject to the provisions of the Indenture.

Application of Moneys

All moneys received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses and advances incurred or made by the Trustee and the Issuer with respect thereto, be deposited into the Bond Fund and all moneys so deposited into the Bond Fund during the continuance of an Event of Default (other than moneys for the payment of Bonds which have matured or otherwise become payable prior to such Event of Default or for the payment of interest due prior to such Event of Default, which moneys shall continue to be held for such payments) shall be applied as follows:

- (a) Unless the principal of all of the Bonds shall have become, or shall have been declared to be, due and payable, all such moneys shall be applied:

First — To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the direct order of the maturity of the installments of such interest and, if the amounts available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege;

Second — To the payment to the persons entitled thereto of the unpaid principal, on any of the Bonds, which shall have become due (other than Bonds which have matured or otherwise become payable prior to such Event of Default and moneys for the payment of which are held in the Bond Fund or otherwise held by the Trustee), and if the amount available shall not be sufficient to

pay in full the amount of principal, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto, without any discrimination or privilege;

Third — To the payment to the persons entitled thereto of all other of the Issuer's Obligations and the Borrower's Obligations, and, if the amount available shall not be sufficient to pay such Issuer's Obligations in full, then to the payment ratably, according to the amounts then due, to the persons entitled thereto without discrimination or privilege; and

Fourth — The remainder, if any, shall be paid over to the Borrower, its successors or assigns, or whomever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

(b) If the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal of and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest to the persons entitled thereto without any discrimination or privilege. Any remaining funds shall be applied in accordance with the paragraphs designated "Third" and "Fourth" of subsection (a) above.

Whenever moneys are to be applied pursuant to the provisions of this section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts or principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Amendments to Indenture and Loan Agreement Not Requiring Consent of Bondholders

The Issuer and the Trustee may, from time to time and at any time, without the consent of Bondholders, enter into agreements supplemental to the Indenture and the Loan Agreement as follows:

(i) to specify and determine any matters and things relative to Bonds which shall not materially adversely affect the interest of the Bondholders;

(ii) to cure any formal defect, omission or ambiguity in the Indenture or the Loan Agreement if such action does not materially adversely affect the rights of the Bondholders;

(iii) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may lawfully be granted or conferred and which are not contrary to or inconsistent with the Indenture as theretofore in effect;

(iv) to add to the covenants and agreements of the Issuer in the Indenture or the Loan Agreement other covenants and agreements to be observed by the Issuer which are not contrary to or inconsistent with the Indenture or the Loan Agreement as theretofore in effect;

(v) to add to the limitations and restrictions in the Indenture or the Loan Agreement, other limitations and restrictions to be observed by the Issuer which are not contrary to or inconsistent with the Indenture or the Loan Agreement as theretofore in effect;

(vi) to confirm, as further assurance, any pledge under and the subjection to any claim, lien or pledge created, or to be created by, the Indenture, of the Revenues or of any other moneys, securities or funds; or

(vii) to modify, amend or supplement the Indenture or the Loan Agreement in any respect which, in the judgment of the Trustee, is not materially adverse to the interests of the owners of the Bonds.

Before the Issuer shall enter into any agreement supplemental to the Indenture pursuant to this section, there shall have been filed with the Trustee an opinion of Bond Counsel stating that (1) such supplemental indenture is authorized or permitted by the Indenture and complies with its terms, and that upon adoption it will be valid and binding upon the Issuer in accordance with its terms and (2) the effectiveness of the supplemental indenture will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes.

The Trustee shall send written notice to the Borrower, the Investor Limited Partner and the Rating Agency of any amendment to the Indenture or the Loan Agreement and, if requested, copies of any such amendments.

Amendments to Indenture Requiring Consent of Bondholders

Subject to the terms and provisions contained in this section and not otherwise, the Holders of not less than 66 2/3% in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, to consent to and approve the execution and delivery by the Issuer and the Trustee of any agreement supplemental to the Indenture as shall be deemed necessary or desirable by the Issuer and the Trustee for the purposes of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained in the Indenture; provided, however, that, unless approved in writing by the Holders of all of the Bonds then Outstanding, nothing in the Indenture contained shall permit, or be construed as permitting, (i) a change in the terms of maturity of the principal of or the interest on any Outstanding Bond, or a reduction in the principal amount of any Outstanding Bond or the rate of interest thereon, or (ii) the creation of a claim or lien upon, or a pledge or assignment of, the Trust Estate ranking prior to or on a parity with the claim, lien, assignment or pledge created by the Indenture, or the release of the Trust Estate or any part thereof (except to the extent permitted pursuant to the Documents), or (iii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (iv) a reduction in the aggregate principal amount of the Bonds required for any action or consent by Bondholders set forth in the Indenture, including (without limitation) that required for consent to such supplemental indentures. This section shall not limit or otherwise affect the ability of the Issuer to enter into agreements supplemental to the Indenture without the consent of the Bondholders pursuant to the Indenture.

If at any time the Issuer and the Trustee shall determine to enter into any supplemental indenture for any of the purposes of this section, the Trustee shall cause written notice of the proposed supplemental indenture to be given to all Holders of the Bonds; provided, however, that failure to give such notice or any defect therein, shall not affect the validity of any proceedings pursuant to the Indenture. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that a copy thereof is on file at the Trust Office of the Trustee for inspection by all Bondholders.

Within one hundred twenty (120) days after the date of giving such notice, the Issuer and the Trustee may enter into such supplemental indenture in substantially the form described in such notice only if there shall have first been filed with the Issuer (i) the written consents of Holders of not less than 66 2/3% in aggregate principal amount of the Bonds then outstanding (or 100% if required under the Indenture) and (ii) an opinion of counsel stating that (1) such supplemental indenture is authorized or permitted by the Indenture and complies with its terms, and that upon adoption it will be valid and binding upon the Issuer in accordance with its terms and (2) the effectiveness of the supplemental indenture will not adversely affect the exclusion of interest on the Bonds from gross income for federal income taxes.

If the Holders of not less than the percentage of Bonds required by this section shall have consented to and approved the supplemental indenture as provided in the Indenture, no Holder of any Bond shall have any right to object to such supplemental indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety thereof, or to enjoin or restrain the Issuer or the Trustee from entering into the same or from taking any action pursuant to the provisions thereof.

Upon the effectiveness of any supplemental indenture entered into pursuant to the provisions of this section, the Indenture shall be, and be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under the Indenture of the Issuer, the Trustee and all Holders of Bonds then outstanding shall thereafter be determined, exercised and enforced under the Indenture subject in all respects to such modifications and amendments.

The Trustee shall send written notice to the Rating Agency of any amendment to the Indenture.

Supplemental Indentures Part of Indenture

Any supplemental indenture entered into in accordance with the provisions of the Indenture shall thereafter form a part of the Indenture and all the terms and conditions contained in any such supplemental indenture as to any provision authorized to be contained therein shall be and shall be deemed to be a part of the terms and conditions of the Indenture for any and all such purposes.

Amendments to Documents Requiring Consent of Bondholders

Except as provided in the Indenture, the Issuer and the Trustee shall not consent to any amendment, change or modification of the Documents without the giving of written notice and the written approval or consent of the Holders of the Bonds at the time Outstanding given and procured as provided in the Indenture; provided, however, no such separate approval or consent shall be required in connection with the issuance of refunding bonds if any required consent of the required number of Holders to the issuance thereof shall have been previously obtained. If at any time the Issuer and the Borrower shall request in writing the consent of the Trustee to any such proposed amendment, change or modification, the Trustee shall cause notice of such proposed amendment, change, or modification to be given in the same manner as provided by the Indenture with respect to supplemental indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Trust Office of the Trustee for inspection by all Bondholders.

Conversion Date

On the Conversion Date and upon the execution and delivery of the Funding Loan Agreement, Governmental Note and Project Loan Agreement, the Indenture, the Loan Agreement and the Bonds shall be deemed amended, restated and superseded in full by the terms thereof.

Severability

In case any one or more of the provisions of the Indenture or of the Bonds for any reason, is held to be illegal or invalid such illegality or invalidity shall not affect any other provisions of the Indenture or the Bonds, and the Indenture and the Bonds shall be construed and enforced to the end that the transactions contemplated by the Indenture be effected and the obligations contemplated by the Indenture be enforced as if such illegal or invalid provisions had not been contained therein.

Mortgage Loan Documents and Equity Bridge Loan Documents Independent

Enforcement of the covenants in the Indenture will not result in, and neither the Issuer nor the Trustee has or shall be entitled to assert, any claim against the Borrower, the Project, the Mortgage Loan proceeds, the Equity Bridge Loan proceeds, any reserves or deposits required by the Mortgage Lender and/or the Equity Bridge Lender in connection with the Mortgage Loan transaction or the Equity Bridge Loan transaction, in either case, or the rents or deposits or other income of the Project.

Failure of the Issuer or the Borrower to comply with any of the covenants set forth in the Indenture or any of the Borrower Documents will not automatically serve as a basis for default on the Mortgage Loan or the Equity Bridge Loan, the underlying mortgage, or any of the other Mortgage Loan Documents or the Equity Bridge Loan Documents, as applicable, unless such default is expressly declared by the Mortgage Lender and/or Equity Bridge Lender in accordance with the terms of the Mortgage Loan Documents or the Equity Bridge Loan Documents, as applicable.

Notwithstanding anything in the Indenture, the Loan Agreement, the Note or the Bond Purchase Agreement to the contrary, (i) the Property (as defined in the Mortgage Loan Security Instrument) shall not include any portion of the Trust Estate and the Mortgage Lender shall not have any claim to or lien upon the Trust Estate under the Indenture and funds held by the Trustee under the Indenture and pledged to secure the repayment of the Bonds, except for Eligible Funds that may be returned to the party that deposited said funds with the Trustee as may be required under the Indenture and (ii) the Trust Estate shall not include any portion of the Mortgaged Property (as defined in the Mortgage Loan Security Instrument).

Recycling Transactions

Notwithstanding any provisions of the Indenture or the Bonds to the contrary, the Issuer shall be permitted to direct that payments representing prepayments or repayments of principal on the Note be delivered to a custodian or trustee selected by the Issuer, in lieu of application to repay a like portion of the Bonds, so long as the Issuer simultaneously causes other funds to be applied to repay such portion of the Bonds. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code. In connection with such recycling and Bond prepayment, if so directed in a written direction of the Issuer provided to the Trustee prior to any prepayment date, the Trustee is, under the Indenture, authorized and directed to receive any such Bond prepayment or amounts corresponding thereto and to hold such amounts, uninvested, for such period of time and to transfer such amounts to the Issuer, or to such custodian, fiscal agent or trustee designed by the Issuer and specified in such written direction. For purposes of effectuating the foregoing, the Trustee is, under the Indenture, authorized and directed to open and create such funds or accounts, which may be temporary in nature, as may be necessary or desirable, and to close such funds or accounts following the completion of the transfers set forth in such written direction.

APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE LOAN AGREEMENT

The following is a summary of certain provisions of the Loan Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Loan Agreement, a copy of which is on file with the Trustee.

Disbursements from the Project Fund

In the Indenture, the Issuer has authorized and directed the Trustee to make disbursements from the Project Fund to pay Costs of the Project upon satisfaction of the requirements of the Indenture. The Trustee is directed in the Indenture to make disbursements from the Project Fund as provided in the Indenture, and pursuant to the receipt of a Requisition in substantially the form attached to the Indenture as an exhibit. The Borrower expects that the Project will proceed substantially in accordance with the Construction Draw Schedule attached to the Loan Agreement as an exhibit.

The Borrower's right to request disbursements from the Project Fund is limited to the principal amount of the Loan and conditioned upon the deposit of Eligible Funds into the Collateral Fund as set forth in the Indenture.

Borrower Required to Pay in the Event Project Fund Are Insufficient

In the event the moneys in the Project Fund are not sufficient to pay the Costs of the Project in full, the Borrower agrees to complete the Project and to pay that portion of the Costs of the Project in excess of the moneys available therefore in the Project Fund. The Issuer does not make any warranty, either express or implied, that the moneys paid into the Project Fund and available for payment of the Costs of the Project will be sufficient to pay all of the Costs of the Project. The Borrower agrees that if after exhaustion of the moneys in the Project Fund, the Borrower should pay any portion of the Costs of the Project pursuant to the provisions of this section, the Borrower shall not be entitled to any reimbursement therefor from the Issuer, the Trustee or the Holders of any of the Bonds, nor shall the Borrower be entitled to any diminution of the amounts payable under the Loan Agreement.

Loan of Proceeds

The Issuer agrees, upon the terms and conditions of the Loan Agreement and the Indenture, to lend to the Borrower the proceeds received by the Issuer from the sale of the Bonds. Such proceeds shall be disbursed to or on behalf of the Borrower as provided in the Loan Agreement.

Mortgage Loan and Equity Bridge Loan to Borrower; Eligible Funds

Contemporaneously with the issuance of the Bonds, it is expected that the Borrower shall proceed with obtaining the Mortgage Loan from the Mortgage Lender and the Equity Bridge Loan from the Equity Bridge Lender. In particular, the Borrower will promptly take all necessary actions on its part to close the Mortgage Loan and the Equity Bridge Loan.

In consideration of and as a condition to the disbursement of Bond proceeds in the Project Fund to pay Costs of the Project, and to secure the Borrower's obligation to make Loan Payments, the Borrower shall cause the Mortgage Lender and the Equity Bridge Lender, from time to time, to deliver Eligible Funds to the Trustee for deposit into the Collateral Fund to enable the Trustee to disburse an equal amount of Bond proceeds from the Project Fund as approved by the Mortgage Lender and the Equity Bridge Lender, as applicable, in connection with a completed and fully executed Requisition, in substantially the form attached to the Indenture as an exhibit.

Borrower's Obligations Upon Tender of Bonds

If any tendered Bond is not remarketed on any Mandatory Tender Date and a sufficient amount is not available in the Collateral Fund, the Negative Arbitrage Account of the Bond Fund, or the Project Fund as provided in the Indenture for the purpose of paying the purchase price of such Bond, the Borrower will cause to be paid to the Trustee by the applicable times provided in the Indenture, an amount equal to the amount by which the principal amount of all Bonds tendered and not remarketed, together with interest accrued to the Mandatory Tender Date, exceeds the amount otherwise available pursuant to the Indenture.

Option to Terminate

The Borrower shall have the option to cancel or terminate the Loan Agreement at any time when (a) the Indenture shall have been released in accordance with its provisions, (b) sufficient money or security acceptable to the Issuer and the Trustee are on deposit with the Trustee or the Issuer, or both, to meet all Loan Payments due or to become due through the date on which the last of the Bonds is then scheduled to be retired or redeemed and (c) the Mortgage Loan and the Equity Bridge Loan shall each be repaid in full. Such option shall be exercised by the Borrower, with approval of the Investor Limited Partner, giving the Issuer and the Trustee five (5) days' notice in writing of such cancellation or termination and such cancellation or termination shall become effective at the end of such notice period. The provisions of this section shall not be deemed to permit a prepayment of the Note other than in accordance with its terms.

Defaults Defined

The following shall be "Defaults" under the Loan Agreement and the term "Default" shall mean, whenever it is used in the Loan Agreement, any one or more of the following events:

- (a) Failure by the Borrower to pay any amount required to be paid under the Loan Agreement.
- (b) Failure by the Borrower to observe and perform any covenant, condition or agreement on its part to be observed or performed in the Loan Agreement other than as referred to in subsection (a) of this section or failure by the Borrower to observe and perform any covenant, condition or agreement on its part to be observed or performed in the Borrower Tax Certificate, for a period of sixty (60) days after written notice, specifying such failure and requesting that it be remedied, will have been given to the Borrower and the Investor Limited Partner by the Issuer or the Trustee; provided, with respect to any such failure covered by this subsection (b), no event of default will be deemed to have occurred so long as a course of action adequate to remedy such failure will have been commenced within such 60-day period and will thereafter be diligently prosecuted to completion and the failure will be remedied thereby.
- (c) The dissolution or liquidation of the Borrower, or the voluntary initiation by the Borrower of any proceeding under any federal or state law relating to bankruptcy, insolvency, arrangement, reorganization, readjustment of debt or any other form of debtor relief, or the initiation against the Borrower of any such proceeding which shall remain undismissed for ninety (90) days, or failure by the Borrower to promptly have discharged any execution, garnishment or attachment of such consequence as would impair the ability of the Borrower to carry on its operations at the Project, or assignment by the Borrower for the benefit of creditors, or the entry by the Borrower into an agreement of composition with its creditors or the failure generally by the Borrower to pay its debts as they become due.
- (d) The occurrence of an Event of Default under the Indenture (other than under clause (d) under the heading "APPENDIX B — SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE — Events of Default and Acceleration").

The provisions of subsection (b) of this section are subject to the following limitation: if by reason of force majeure it is impossible for the Borrower in whole or in part, despite its best efforts, to carry out any of its agreements contained in the Loan Agreement (other than its obligations relating to the Loan as set forth in the Loan Agreement), the Borrower shall not be deemed in Default during the continuance of such inability. Such force majeure event does

not affect any obligations of the Borrower other than the timing of performance of such obligations. The term “force majeure” as used in the Loan Agreement shall mean, without limitation, the following: acts of God; strikes or other industrial disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States of America or of the State or of any of their departments, agencies or officials, or of any civil or military authority; insurrections; riots; terrorism; landslides; earthquakes; fires; storms; droughts; floods; explosions; and events not reasonably within the control of the Borrower. The Borrower agrees, however, to use its best efforts to remedy with all reasonable dispatch the cause or causes preventing the Borrower from carrying out its agreement. The settlement of strikes and other industrial disturbances shall be entirely within the discretion of the Borrower and the Borrower shall not be required to settle strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is in the judgment of the Borrower unfavorable to the Borrower.

Remedies on Default

Whenever any Default referred to under the section “Defaults Defined” above shall have happened and be continuing beyond the expiration of any applicable cure period, the Trustee, or the Issuer (in the event the Trustee fails to act), may take one or any combination of the following remedial steps:

(a) If the Trustee has declared the Bonds immediately due and payable pursuant to the Indenture, by written notice to the Borrower, declare an amount equal to all amounts then due and payable on the Bonds, whether by acceleration of maturity (as provided in the Indenture) or otherwise, to be immediately due and payable, whereupon the same shall become immediately due and payable; and

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under the Loan Agreement, the Note, the Tax Regulatory Agreement or any other Document in the event of default thereunder.

Any amounts collected pursuant to action taken under this section shall be paid into the Bond Fund and applied in accordance with the provisions of the Indenture.

No Remedy Exclusive

Except as otherwise indicated in the Indenture, no remedy conferred upon or reserved to the Issuer or the Trustee by the Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Loan Agreement, the Tax Regulatory Agreement or the Note, or now or thereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair that right or power nor shall it be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Trustee to exercise any remedy reserved to it in this article, it shall not be necessary to give any notice, other than any notice required by law or for which express provision is made in the Loan Agreement. Such rights and remedies as are given the Issuer under the Loan Agreement shall also extend to the Trustee, and the Trustee and the Holders of the Bonds, subject to the provisions of the Indenture, including, but not limited to the Reserved Rights of the Issuer, shall be entitled to the benefit of all covenants and agreements contained in the Loan Agreement.

No Additional Waiver Implied by One Waiver

In the event any agreement contained in the Loan Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach under the Loan Agreement.

Mortgage Loan Documents Independent

Failure of the Issuer or the Borrower to comply with any of the covenants set forth in the Loan Agreement, the Indenture or the other Borrower Documents will not serve as a basis for default on the Mortgage Loan, the

underlying Mortgage, the Equity Bridge Loan, or any of the other Mortgage Loan Documents or the Equity Bridge Loan Documents.

To the extent not otherwise set forth above in this section, the provisions of the Indenture are incorporated in the Loan Agreement by reference to the same extent as if set forth in the Loan Agreement in full.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE TAX REGULATORY AGREEMENT

The following is a brief summary of the Tax Regulatory Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Tax Regulatory Agreement, a copy of which is on file with the Trustee.

The Issuer, the Trustee and the Borrower will enter into a Land Use Restriction Agreement (the “Tax Regulatory Agreement”) in order to set forth certain terms and conditions relating to the acquisition and operation of the Project. All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture and the Tax Regulatory Agreement.

Residential Rental Property

Pursuant to the Tax Regulatory Agreement, the Borrower acknowledges and agrees that the Project will be owned, leased, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the term of the Tax Regulatory Agreement, the Borrower represents, covenants, warrants and agrees as follows:

(a) The Project has been developed for the purpose of providing multifamily residential rental property, and the Borrower owns (for federal tax purposes), manages and operates the Project and will continue to operate the Project as a project to provide multi-family residential rental property comprising a building or structure or several interrelated buildings or structures, together with any Functionally Related and Subordinate facilities, and no other facilities in accordance with Section 142(d) of the Code and Section 1.103-8(b) of the Regulations and the Act, as the same shall be amended from time to time, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the Dwelling Units in the Project are similarly constructed units, and each Dwelling Unit in the Project will be separate and distinct from every other Dwelling Unit and contains complete facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range (or a multiple-burner cooktop and a convection microwave oven), a sink and a refrigerator.

(c) None of the Dwelling Units in the Project will at any time be utilized on a transient basis; none of the Dwelling Units in the Project have been or will be leased or rented for a period of less than six months; and neither the Project nor any portion thereof have been or will be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, sanitarium, nursing home, rest home, trailer park, trailer court, mobile home park, or recreational vehicle park or by a cooperative housing corporation (as defined in section 216(b)(1) of the Code).

(d) No part of the Project will at any time be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses.

(e) Each Dwelling Unit will be available for rental on a continuous basis to members of the general public on a nontransient basis, and the Borrower has not and will not give preference to any particular class or group in renting the Dwelling Units in the Project, except to the extent that Dwelling Units are required to be leased or rented to Low Income Tenants pursuant to the terms of the Tax Regulatory Agreement and the terms of certain other restrictions executed in connection with the low income housing tax credits, the financings and the grants for the Project.

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities comprise a single geographically and functionally integrated project for residential rental property, which have similarly constructed units financed

pursuant to a common plan, together with Functionally Related and Subordinate facilities which shall be owned (for federal tax purposes) by the Borrower or a Related Person as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more Dwelling Units, this subsection shall not be construed to prohibit occupancy of not more than one dwelling unit by one or more resident managers or maintenance personnel any of whom may be the Borrower.

(h) The Borrower shall not discriminate on the basis of race, religion, creed, color, ethnic group identification, sex, source of income (e.g., AFDC, SSI), mental or physical disability, national origin or marital status in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project.

(i) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are holders of vouchers or certificates for federal housing assistance payments for existing housing pursuant to Section 8 of the Housing Act ("Section 8") or a successor federal program, and, in connection therewith, the Borrower has not and will not apply tenant selection criteria to such voucher or certificate holders which are more burdensome than the criteria applied to any other prospective tenants.

(j) The Borrower will not discriminate against prospective tenants on the basis of their receipt of, or eligibility for, housing assistance under any federal, state or local program or on the basis that they have a minor child or children living with them.

Low Income Tenants; Records and Reports

Pursuant to the requirements of the Code, the Borrower represents, warrants and covenants as follows:

(a) Within 30 days after the commencement of the Qualified Project Period, the Borrower shall execute and deliver to the Trustee a copy of a certificate identifying the beginning date and earliest ending date of the Qualified Project Period, in substantially the form attached to the Tax Regulatory Agreement as an exhibit.

(b) The Borrower will rent on a continuous basis to Low Income Tenants at least 40% of the Available Units in the Project; provided, however, that, as provided in Section 142(d)(3)(B) of the Code, any Available Unit occupied by a Low Income Tenant at the commencement of occupancy shall continue to be treated as if occupied by a Low Income Tenant during tenancy of such Available Unit by such Low Income Tenant even though such Low Income Tenant may subsequently cease to be a Low Income Tenant, so long as the Adjusted Income of such Low Income Tenant as of the most recent certification pursuant to subsection (c) below does not exceed 140% of the Applicable Income Limit as of such certification. In the event that the Adjusted Income of a Low Income Tenant shall exceed 140% of such Applicable Income Limit, if (treating such tenant as if it were not a Low Income Tenant) less than 40% of the Available Units in the Project are occupied by Low Income Tenants, the Borrower shall rent the next Available Unit in the Project of comparable or smaller size to a Low Income Tenant (provided, however, that any Available Unit in the Project of a larger size may be rented to a tenant who is not a Low Income Tenant if such Available Unit was previously occupied by such a tenant) and, upon renting such Available Unit to such Low Income Tenant, the Borrower shall make a new certification pursuant to subsection (c). In addition, any Available Unit vacated by a Low Income Tenant shall be treated as being occupied by such vacating Low Income Tenant until reoccupied by another tenant (other than occupancy for 31 days or less) at which time the character of the Available Unit shall be redetermined, provided that reasonable attempts are made to rent the Available Unit and no other Available Units of comparable or smaller size in the Project are rented to a tenant who is not a Low Income Tenant before such Available Unit is rented. Notwithstanding the foregoing, unless more than 90 percent of the Units in the Project are not Available Units at any time within 60 days after the later of (i) the date the Project is acquired by the Borrower or (ii) the issue date of the Bonds, for a period of 12 months beginning on the issue date of the Bonds (the "Transition Period"), the failure to satisfy the requirements described above will not cause the Project to not be a qualified residential rental project (as

defined in the Code), provided, in any event, the Borrower shall satisfy the Low Income Tenant requirements described above no later than the end of such Transition Period.

(c) The Borrower will obtain, complete, and maintain on file Income Certifications (substantially in the form attached to the Tax Regulatory Agreement as an exhibit) from each Low Income Tenant, including (i) an Income Certification dated immediately prior to the initial occupancy of such Low Income Tenant in the Project and (ii) thereafter, annual Income Certifications which must be filed no later than each February 1. The Borrower will obtain such additional information as may be required in the future by the Issuer and by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations which are Tax-exempt under Section 142(d) of the Code. A rent roll showing the Low Income Tenants in the Project, their most recent certified incomes and their unit numbers together with, if requested by the Trustee, a copy of the most recent Income Certification for Low Income Tenants commencing or continuing occupation of a Low and Moderate Income Unit (and not previously filed with the Trustee) shall be attached to the Certificate of Continuing Compliance which is to be filed with the Trustee no later than February 15 of each calendar year following the date of the Tax Regulatory Agreement, until the end of the Qualified Project Period. The Borrower shall make a good faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by taking one or more of the following steps as part of the verification process: (1) obtain a pay stub for the most recent pay period, (2) obtain an income tax return for the two most recent tax years, (3) conduct a TRW or similar search or (4) contact the applicant's current employer.

(d) The Borrower will maintain complete and accurate records pertaining to the Low Income Units and will with reasonable notice permit any duly authorized representative of the Issuer, the Trustee, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Low Income Units.

(e) On or before each March 31 during the Qualified Project Period the Borrower has and will submit the completed Internal Revenue Code Form 8703 or such other annual certification required by the Code to the Secretary of the Treasury, with a copy to the Trustee, as to whether the Project continues to meet the requirements of Section 142(d) of the Code.

(f) Each lease or rental agreement pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the income certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement. Each such lease or rental agreement shall also provide that the tenant's income is subject to annual certification in accordance with the Tax Regulatory Agreement and to recertification if the number of occupants in the units increases.

(g) At the request of the Borrower, the Issuer elects that the requirements of subparagraph (B) of Section 142(d)(1) of the Code (the "40-60 Test") be applied to the Project.

Tax-exempt Status of the Bonds

The Borrower makes the following representations, warranties and agreements for the benefit of the holders of the Bonds from time to time:

(a) The Borrower will not take or permit actions within its control, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-exempt nature of the interest on the Bonds and, if it should take or permit, or omit to take or cause to be taken, any such action, it will take any lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(b) The Borrower will take such action or actions as may be necessary, in the written opinion of Bond Counsel filed with the Issuer and the Trustee, with a copy to the Borrower, to comply fully with all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations the interest on which is Tax-exempt under Section 142(d) of the Code.

(c) The Borrower will file or record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the Issuer and the Trustee, with a copy to the Borrower, in order to ensure that the requirements and restrictions of the Tax Regulatory Agreement will be binding upon it and all owners of the Project, including, but not limited to, the execution and recordation of the Tax Regulatory Agreement in the land records of the Register's Office of Hamilton County, Tennessee.

(d) The Borrower will not enter into any agreements which would result in the payment of principal or interest on the Bonds being "federally guaranteed" within the meaning of Section 149(b) of the Code.

(e) The Borrower covenants to include the requirements and restrictions contained in the Tax Regulatory Agreement in any documents transferring any interest in the Project prior to the expiration of the Qualified Project Period to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of the Tax Regulatory Agreement.

Sale or Transfer of the Project

Except for a transfer of the Project pursuant to a foreclosure or a deed in lieu of foreclosure or a similar event where the Tax Regulatory Agreement terminates pursuant to the provisions thereof, the Borrower covenants and agrees that the Borrower will cause or require as a condition precedent to any conveyance, transfer, assignment or any other disposition of the Project prior to the termination of the Qualified Project Period provided herein (the "Transfer") that the transferee of the Project, pursuant to the Transfer, assume in writing, in a form acceptable to the Issuer and the Trustee, all duties and obligations of the Borrower under the Tax Regulatory Agreement, including this section in the event of a subsequent Transfer by the transferee prior to expiration of the Qualified Project Period provided therein (the "Assumption Agreement"). The Borrower shall deliver the Assumption Agreement to the Issuer prior to the Transfer. No Transfer shall operate to release the Borrower from its obligations under the Tax Regulatory Agreement, arising before the date of the Transfer. A transfer between the Borrower and the Issuer in order to facilitate a payment in lieu of taxes agreement under which the Borrower remains the owner of the Project for federal tax purposes shall not be a Transfer for purposes of the Tax Regulatory Agreement. Furthermore, a transfer from the Issuer to the Borrower upon the Borrower's exercise of a purchase option in connection with the payment in lieu of taxes agreement shall not be a Transfer for purposes of the Tax Regulatory Agreement.

Term

The Tax Regulatory Agreement and all and each of the provisions thereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the periods provided therein and, except as otherwise provided in this section, shall terminate in its entirety at the end of the Qualified Project Period, it being expressly agreed and understood that the provisions thereof are intended to survive the retirement of the Bonds, discharge of the Loan and termination of the Indenture and the Loan Agreement.

Notwithstanding the foregoing, the provisions of the Tax Regulatory Agreement, in the case of the Trustee, survive the term of the Tax Regulatory Agreement or the replacement of the Trustee, but only as to claims arising from events occurring during the term of the Tax Regulatory Agreement or the Trustee's tenure as Trustee under the Indenture, and shall, in the case of the Issuer, survive the term of the Tax Regulatory Agreement, but only as to claims arising from events occurring during the term of the Tax Regulatory Agreement.

The terms of the Tax Regulatory Agreement to the contrary notwithstanding, the requirements set forth therein shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of the Tax Regulatory Agreement caused by fire, seizure, requisition, foreclosure or transfer of title by deed

in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the Issuer or the Trustee from enforcing the provisions thereof, or condemnation or a similar event, but only if, within a reasonable period thereafter, either the portion of the Bonds attributable to the Project is retired or amounts received as a consequence of such event are used to provide a project which meets the requirements of the Code set forth in the Tax Regulatory Agreement. The provisions of the preceding sentence shall cease to apply and the requirements referred to therein shall be reinstated if, at any time during the Qualified Project Period after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any related person (within the meaning of Section 147(a)(2) of the Code) obtains an ownership interest in the Project for tax purposes; provided, however, that any reinstatement of such provisions shall only be in effect during any period of time such Borrower or related person holds such ownership interest. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any related person as described above (other than a limited partner of the Borrower or any related person (within the meaning of Section 147(a)(2) of the Code) to such limited partner that is otherwise subject to the immediately preceding sentence) will obtain an ownership interest in the Project for tax purposes.

Upon the termination of the terms of the Tax Regulatory Agreement, the parties thereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms thereof (which shall be prepared, completed and recorded at the expense of the Borrower); provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of the Tax Regulatory Agreement in accordance with its terms.

Covenants To Run with the Land

The Borrower subjects the Project (including the Project Site) to the covenants, reservations and restrictions set forth in the Tax Regulatory Agreement. The Issuer and the Borrower declare their express intent that the covenants, reservations and restrictions set forth therein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of the Tax Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument thereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

No breach of any of the provisions of the Tax Regulatory Agreement shall impair, defeat or render invalid the lien of any mortgage, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

Default; Enforcement

If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Tax Regulatory Agreement, and if such default remains uncured for a period of 30 days after written notice thereof shall have been given by the Issuer or the Trustee to the Borrower, then the Trustee shall declare an "Event of Default" to have occurred thereunder provided, however, that if the default stated in the notice is of such a nature that it cannot be corrected within 30 days, such default shall not constitute an Event of Default thereunder so long as (i) the Borrower institutes corrective action within said 30 days and diligently pursues such action until the default is corrected, and (ii) in the opinion of Bond Counsel, the failure to cure said default within 30 days will not adversely affect the Tax-exempt status of interest on the Bonds.

The Issuer and the Trustee each agree that the Mortgage Lender, the Equity Bridge Loan Lender or the Investor Limited Partner may act to cure any default hereunder and that they shall accept such cure as though made by the Borrower.

Following the declaration of an Event of Default thereunder, the Trustee may, at its option and subject to the provisions of the Indenture, take any one or more of the following steps:

- (i) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants thereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee thereunder;
- (ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project; and
- (iii) enforce the obligations, covenants and agreements of the Borrower thereunder by an action for specific performance.

The Trustee shall have the right, in accordance with the Tax Regulatory Agreement and the provisions of the Indenture, subject to such consent, approval or knowledge of the Issuer or other third parties as the Indenture may require, to exercise any or all of the rights or remedies of the Issuer under the Tax Regulatory Agreement, provided that prior to taking any such act the Trustee shall give the Issuer written notice of its intended action. All fees, costs and expenses of the Trustee incurred in taking any action pursuant to Tax Regulatory Agreement shall be the sole responsibility of the Borrower.

After the Indenture has been discharged, the Issuer may act on its own behalf to declare an “Event of Default” to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Trustee.

In the event the Borrower shall fail to submit to the Trustee the Income Certifications or the Certificates of Continuing Program Compliance at the times set forth in the Tax Regulatory Agreement and the Issuer or the Trustee shall determine to inspect the books and records of the Borrower to determine whether the Borrower is in compliance with the terms of the Tax Regulatory Agreement, the Borrower shall, upon demand by the Issuer or the Trustee, pay all expenses and costs of the Issuer and the Trustee in determining whether or not the Borrower is in compliance with the terms of the Tax Regulatory Agreement.

- (xiii) The consummation of a merger, consolidation, or acquisition involving the Borrower or the sale of all or substantially all of the assets of the Borrower, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (xiv) Appointment of a successor or additional trustee or paying agent or the change of the name of a trustee or paying agent, if material;

Notice of the Project being placed in service from the Dissemination Agent to the Municipal Securities Rulemaking Board shall be in the form attached as Exhibit C hereto or such other form as may be approved by the Dissemination Agent.

For purposes of providing notice to the Disclosure Representative, the Dissemination Agent shall assume that the unscheduled draws described in clauses (iii) and (iv) reflect financial difficulty.

(c) Whenever the Borrower obtains knowledge of the occurrence of a potential Listed Event, the Borrower shall, within five (5) Business Days of obtaining such knowledge and in any event no more than eight (8) Business Days after the occurrence of such event, determine if such event is in fact a Listed Event that is required by the Rule to be disclosed and provide the Dissemination Agent with notice and instructions pursuant to subsection (d) below.

(d) If the Borrower has determined that a Listed Event is required to be disclosed, then the Borrower shall prepare a written notice describing the Listed Event and provide the same to the Dissemination Agent along with instructions to file the same pursuant to subsection (e) below.

(e) If the Dissemination Agent has been provided with a written notice describing a Listed Event pursuant to subsection (c) of this Section 5 or otherwise, and is instructed by the Borrower to report the occurrence of such Listed Event, the Dissemination Agent shall, within two (2) Business Days of its receipt of such written notice and in any event no more than ten (10) Business Days after the occurrence of the Listed Event, file the notice with the MSRB and send a copy to the Borrower.

Section 6. Amendment; Waiver. Notwithstanding any other provision of this Continuing Disclosure Agreement, the Borrower and the Dissemination Agent may amend this Continuing Disclosure Agreement (and the Dissemination Agent will agree to any amendment so requested by the Borrower unless such amendment adversely affects its rights, duties, protections, immunities, indemnities or standard of care, as determined by the Dissemination Agent) and any provision of this Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions described under paragraph (a) under "Provision of Annual Reports," "Contents of Annual Reports" or paragraph (a) under "Reporting of Listed Events," it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of an Obligated Person (as defined in the Rule) with respect to the Bonds or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Holders or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Continuing Disclosure Agreement, the Borrower will describe such amendment in the next Annual Report and will include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information being presented by the Borrower. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change will be given in the same manner as for a Listed Event under Section 5(e) hereof and (ii) the Annual Report

for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 7. Default. In the event of a failure of the Borrower or the Dissemination Agent to comply with any provision of this Continuing Disclosure Agreement and such failure to comply continues beyond a period of thirty (30) days following written notice to the Borrower, the Borrower or any Holder or Beneficial Owner of the Bonds may, take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Borrower or the Dissemination Agent, as the case may be, to comply with its obligations under this Continuing Disclosure Agreement. A default under this Continuing Disclosure Agreement will not be deemed an Event of Default under the Indenture or the Loan Agreement, dated as of November 1, 2024, between the Issuer and the Borrower, and the sole remedy under this Continuing Disclosure Agreement in the event of any failure of the Borrower or the Dissemination Agent to comply with this Continuing Disclosure Agreement will be an action to compel performance.

If the Borrower chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Continuing Disclosure Agreement, the Borrower shall have no obligation under this Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The Dissemination Agent shall have only such duties as are specifically set forth in this Continuing Disclosure Agreement. The Dissemination Agent's obligation to deliver the information at the times and with the contents described herein shall be limited to the extent the Borrower has provided such information to the Dissemination Agent as required by this Continuing Disclosure Agreement. The Dissemination Agent shall have no duty with respect to the content of any disclosures or notice made pursuant to the terms hereof. The Dissemination Agent shall have no duty or obligation to review or verify any information, disclosures or notices provided to it by the Borrower and shall not be deemed to be acting in any fiduciary capacity for the Issuer, the Holders of the Bonds or any other party. The Dissemination Agent shall have no responsibility for the Borrower's failure to report to the Dissemination Agent a Listed Event or a duty to determine the materiality thereof. The Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Borrower has complied with this Continuing Disclosure Agreement. The Dissemination Agent may conclusively rely upon Certifications of the Borrower at all times.

FORM OF BOND COUNSEL OPINION

November __, 2024

The Health, Educational and Housing Facility Board
of the City of Chattanooga, Tennessee
Chattanooga, Tennessee

U.S. Bank Trust Company, National Association, Trustee
Nashville, Tennessee

**Re: \$35,000,000* The Health, Educational and Housing Facility Board of
 the City of Chattanooga, Tennessee Multifamily Housing Revenue Bonds
 (One Westside Phase 1B Project), Series 2024**

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by The Health, Educational and Housing Facility Board of the City of Chattanooga, Tennessee (the “Issuer”) of the referenced bonds (the “Bonds”) which are dated the date hereof. In such capacity, we have examined the law and such certified proceedings and other papers as deemed necessary to render this opinion.

The Bonds are issued pursuant to a Trust Indenture dated as of November 1, 2024 (the “Indenture”), between the Issuer and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Under the terms of a Loan Agreement dated as of November 1, 2024 (the “Agreement”), between the Issuer and One Westside Phase 1B, LP, a Tennessee limited partnership (the “Borrower”), the Borrower has agreed to make payments to be used to pay when due the principal of, premium, if any, and interest on the Bonds, and such payments and other revenues under the Agreement and certain rights of the Issuer under the Agreement have been assigned by the Issuer pursuant to the Indenture as security for the Bonds. The Bonds are payable solely from the Trust Estate pledged to the Trustee under the Indenture.

As to questions of fact material to our opinion, we have relied upon representations of the Issuer and the Borrower contained in the Agreement, the certified proceedings and other certifications of public officials and others furnished to us, and certifications furnished to us by or on behalf of the Borrower (including certifications as to the use of bond proceeds which are material to paragraph 4 below), without undertaking to verify the same by independent investigation.

Reference is made to an opinion of even date of Reno & Cavanaugh PLLC, counsel to the Borrower, upon which we have relied with your permission with respect, among other matters, to the good standing of the Borrower, the power of the Borrower to enter into and perform the Agreement, the authorization, execution and delivery of the Agreement by the Borrower, and the enforceability of the Agreement against the Borrower, and we express no opinion with respect to these issues.

The use and operation of the Project will be subject to the provisions of a Tax Regulatory Agreement (the “Restrictive Covenants”), among the Issuer, the Borrower and the Trustee. The Restrictive Covenants will require that (i) at least 40% of the residential units of the Project be occupied at all times by individuals or families (with appropriate adjustments for family size) whose income is 60% or less of area median gross income, within the meaning of Section 142(d) of the Internal Revenue Code of 1986, as amended (the “Code”), for the Qualified Project Period,

* Preliminary; subject to change.

as defined in the Restrictive Covenants, and (ii) that the Project be owned, managed and operated as residential rental property, all as required by Section 142(d)(1) of the Code.

Based on our examination, and assuming continued compliance by the Issuer and the Borrower with certain covenants in the Agreement, the Restrictive Covenants and the Indenture which are designed to insure that interest on the Bonds remains excluded from gross income for federal income tax purposes, we are of the opinion that, under existing law:

1. The Issuer is duly incorporated, validly existing and in good standing under the laws of the State of Tennessee with the corporate power and authority to enter into and perform its obligations under the Agreement and the Indenture and to issue the Bonds.

2. The Agreement, the Indenture and the Restrictive Covenants have been duly authorized, executed and delivered by the Issuer and are valid and binding obligations of the Issuer enforceable upon the Issuer. The Indenture creates a valid lien on the Trust Estate and certain rights of the Issuer under the Agreement.

3. The Bonds have been duly authorized, executed and delivered by the Issuer and are the valid and binding limited obligations of the Issuer, payable solely from the Trust Estate.

4. Interest on the Bonds is excluded from gross income for federal income tax purposes, except for interest on any Bond for any period during which such Bond is held by a “substantial user” of the facilities financed by the Bonds or a “related person” within the meaning of Section 147(a) of the Code. Interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax; however, such interest is taken into account in determining the annual adjusted financial statement income of applicable corporations (as defined in Section 59(k) of the Code) for the purpose of computing the alternative minimum tax imposed on corporations for tax years beginning after December 31, 2022. The opinion set forth in the first sentence of this paragraph is subject to the condition that the Issuer and the Borrower comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes. The Issuer and/or the Borrower have covenanted to comply with such requirements. Failure to comply with such requirements could cause the interest on the Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

5. Under existing law, the Bonds and the income therefrom are exempt from all present state, county and municipal taxation in Tennessee except (a) Tennessee excise taxes on all or a portion of the interest on any of the Bonds during the period such Bonds are held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Bonds in the Tennessee franchise tax base or any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

6. It is not necessary in connection with the sale of the Bonds to register the Bonds under the Securities Act of 1933, as amended, or to qualify the Indenture under the Trust Indenture Act of 1939, as amended.

It is to be understood that the rights of the owners of the Bonds and the enforceability of the Bonds and the Agreement may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and by equitable principles, whether considered at law or in equity.

This opinion is given as of the date hereof, and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Very truly yours,
